Page 1: Segmented Worms: Earthworm Pop-Up

Instructions and cut-out for earthworm pop-up

- 1) Color both sides of the earthworm.
- 2) Cut out earthworm spiral shape from this sheet.
- 3) Fold page 2 as indicated.
- 4) Attach the earthworm's head to page 2, where the "x" is (the centre of one side of the sheet). The tail should be near the centre fold on page 2.
- 5) Next, add a spot of glue to the top of the earthworm's tail and close the page. The earthworm's tail will be glued where it lands on the page.
- 6) Open up the page and see the earthworm move.
- 7) This piece of paper is not part of your pop-up, so you can save it for scrap paper.

**I am an Earthworm. I am a Segmented Worm. The other group
of worms**

are called _____ and _____.
