

Create a Poster To Promote Travel to Ancient Greece

- 1) There are many amazing things that were created or developed in Ancient Greece, that we still benefit from today. What are some of those things?

- 2) Look at the poster “Ancient Greece [picture] : Athens, the World's First Democracy (Oversize 938 Anc),” which gives some nice hints on some of the accomplishments, sights, or activities you might promote in your poster.

- 3) Your mission is to develop a travel poster that will encourage people to visit Ancient Greece (If they could travel back in time), by promoting these accomplishments, sights, and activities.

- 4) Your posters will be evaluated using these criteria:
 - a) Does the poster have a clear slogan that promotes travel to Ancient Greece?
 - b) Does the poster have a bright drawing of the accomplishment, sight, or activity you are promoting?
 - c) Is the poster neat and attractive, and colorful enough to show up clearly when it is photographed?
