1. Conditional admission decisions may be made for qualified applicants on the basis of interim/unofficial documents received prior to the Admissions Document deadline. Applications will be considered only if Admissions has received sufficient documentation by this date on which to base an admission decision (at least all interim or unofficial transcripts and any other required documents). Note that a high school or transfer applicant may not use grades from summer school courses or supplementary exams for Fall admission unless they are received by this date (U of L EDUC 2500 may be an exception; see note 7, below).							
2. Qualifications on which an admission decision is based must be completed by this date; applications will be closed if sufficient documentation has not been received by this date.							
3. Early Admission applicants are advised to apply by March 1; this is important for scholarship eligibility and optimal course selection. Applicants who do not meet the Early Admission application or admission document deadlines, but who meet the regular deadlines, will be considered according to regular high school policies.							
4. Evidence of diploma completion, either by transcript or written confirmation of the diploma institution, must be received by this date.							
5. Admission to the pre-Engineering program is available only to High School applicants.							
6. This route is only available to students who have completed a minimum of 20 courses.							
7. Although all other supporting documents must be received by June 1, grades from U of L's EDUC 2500 completed in Summer Session I will be considered in admission decisions for the subsequent Fall semester. Applications for pre-Education programs are accepted for both Fall and Spring semesters. <b>Note:</b> There are admission requirements in addition to academic transcripts for Drama Education, Music Education, Native Education, and Physical Education. See pp. 5-6 in the Application Instructions and the applicable admission section in Part 13, Combined Degrees of the U of L Calendar, or contact Student Program Services in the Faculty of Education (email: edu.sps@uleth.ca; phone: 403-329-2254).							
8. Applicants to these Fine Arts programs must provide audition/portfolio requirements in addition to academic transcripts. See pp. 4-6 in the Application Instructions. 9. Students entering the Music major must audition for the Faculty of Fine Arts before they can register for Music Studio. Students majoring in Digital Audio Arts may choose Music Studio courses as electives. See pp. 4-5 in the Application Instructions. Audition application and information are available at www.uleth.ca/finearts/departments/music/admissions.							
10. Students entering the Digital Audio Arts major must submit a digital portfolio to the Faculty of Fine Arts for admissions purposes. Digital Audio Arts portfolio requirements are available at www.uleth.ca/finearts/departments/music/admissions.							
11. Conditional admission decisions may be made on the basis of interim/unofficial transcripts and mid-term mark statements (for courses in progress) received by the U of L by the Admission Decision Document deadline.							
12. Applicants must submit an Admission Statement to the Admissions Office by June 1. The Admission Statement form is available at www.uleth.ca/healthsciences/statement. See pp. 4-5 in the Application Instructions and Part 10, Faculty of Health Sciences of the U of L Calendar.							
<b>General Notes:</b>							
• The U of L reserves the right to consider applications received or completed after the application/documents deadlines should openings remain in any program.							
• An application is not complete until all final, official documents have been received by the U of L.							
• U of L Advanced English for Academic Purposes (EAP) results will be accepted from the Summer term EAP classes for admission to the subsequent Fall semester, and from the Fall semester EAP classes for the subsequent Spring semester. All other documents pertaining to English Language Proficiency (e.g., TOEFL) or English Writing Competency (e.g., AUWCT) must be received no later than the preceding August 1 for Fall admission, or November 15 for Spring admission.							
• Applicants residing in countries (e.g., Nigeria) where necessary documentation takes more than three months will receive offers of admission for the Fall semester only.
