

Summer Job Opportunity

STEM Camp Leader

University of Lethbridge's Destination Exploration Youth STEM Program is seeking an enthusiastic individual who loves to make kids love science. This position will be responsible for engaging grades K-6 students in a variety of on-campus day camps between **June 11 and August 24, 2018**. As a member of Destination Exploration, you will become part of a national network of science outreach initiatives under Actua, Canada's largest STEM outreach organization.

Duties:

- Develop, prepare, and deliver Learning Quest science camps on campus to children aged 5-11.
- Work collaboratively with other Leaders to develop activities and to create a safe, educational and fun environment for the campers.
- Effectively supervise all participants at all times while encouraging interactive learning and a team atmosphere.

Qualifications:

- Experience working with school aged children.
- Experience developing educational material preferred.
- Have a strong background in a science related discipline.
- Have a general knowledge of the Social Sciences and Humanities
- Possess a current First Aid Certification and a clean criminal record and vulnerable sector check.
- Have the ability to effectively communicate with parents and faculty and to act as an Ambassador of the U of L within our community.
- Be creative, resourceful, and a team player.

Hours for this position are typically between 8:30 AM and 4:30 PM, Monday to Friday, and may include some early shifts (8:00) and some later shifts (5:00). The wage is \$16/hr.

For more information on the programs that this position will be supporting please visit our website at <http://www.uleth.ca/destination-exploration/programs>.

Applications (resume with cover letter) can be sent to Laura Keffer-Wilkes at kefferwilkesl@uleth.ca by 4:00 PM, March 9, 2018. In your cover letter, please outline a potential STEM-based activity that would be suitable for a group of campers aged 8 – 11.
