

# ELDERS of the FUTURE

Exhibition runs Sep 9-Oct 21, 2017, at Casa Lethbridge

This exhibition provides a space to learn about local Blackfoot culture, history, and language through art and photography. **Elders of the Future** celebrates the incredible resiliency of local Blackfoot communities through their family and child-rearing practices.

The exhibit is the culmination of a 10-year research project called "Raising Spirit" led by Tanya Pace Crosschild (Opokaa'sin Early Intervention Society) and Dr. Jan Newberry (Anthropology Dept., ULeTh) in conjunction with the Institute for Child and Youth Studies (ULeTh) directed by Dr. Kristine Alexander.
