Some Good Searches

- **French language**—A good place to start, but quite broad. Add a more specific keyword (e.g. French Language Peru) or try some of the searches below.

- **French study and teaching**—is the term used for the study and teaching of the any subject. You can also narrow by age: add the terms *Primary, Elementary,* or *Secondary.* It includes materials for immersion and second language programs.

- **French study and teaching as a second language**—add these terms if you get too many results and need to narrow it down (e.g. *French study and teaching as a second language*).

- **French fiction**—Find fiction materials in languages (e.g. *French fiction* points you to many materials in the 843s).
