We hope you've all had a restful and happy holiday season. With the New Year and a new term ready to begin, this installment of the New Digs News is sticky note central...filled with important reminders to help you get off to a great start.

1. First things first – the office opens January 4th and CLASSES BEGIN JANUARY 10TH
2. Second thing second – do you have your copy of the Spring 2011 Survival Guide? If not here is the link to a one sheet wonder with important dates and information about everything from meeting your Academic Advisor to coordinating your health and dental benefits:
http://www.uleth.ca/calgary/sites/default/files/Calgary%20Campus%20Survival%20Guide%20Spring11_Calgary%20Campus%20Survival%20Guide1_0.pdf
3. Make sure your U of L library privileges are activated and that you have your free TAL card, so that you can borrow from Bow Valley and the Calgary Public library too.
4. Textbooks are now ordered through the U of L bookstore, but we also have a used book exchange – check out the binder at the main office.

Security Reminder:

Although security is located in the same building as our new classrooms, we are still in a public space. So if you like your stuff and don't want it to go for a walk without you...

- Never leave your books or bag unattended (yup, that means taking them into the washroom stall with you)
- If something does get stolen, don't keep it to yourself – report it to security
