Any parcel of land in Alberta can be located by its legal land description which is based on the Alberta Township Survey system. It is a grid network dividing the province into equal-sized parcels of land.

On a side column of the map you will find the Township (Tp) number.

Provide us with the **township number** (on the side colunn) and the **range number** (R - on the bottom of the map) **along with the name you are interested in**.

Send a check for $30 U.S. ($35 Can.) and $10 U.S. $12 Can.) for each additional name to:
