The Faculty of Education incorporates in its programs the overall philosophy that underscores the University's commitment to liberal education. Its programs reflect the emphasis on individualization, flexibility, innovation and experimentation.

1. GUIDING PRINCIPLES OF TEACHER EDUCATION

Consistent with the philosophy of the University of Lethbridge, the Faculty of Education:

- is committed to the concept of a liberal education and the development of learners who engage in the life-long pursuit of knowledge;
- promotes the concept of a teaching profession committed to understanding, working with, and relating positively to children and youth;
- is committed to preparing learners and teachers for the present world and for a better world in the future;
- promotes development of attributes and skills necessary for effective communication;
- promotes in students an understanding of how knowledge is generated, evaluated and revised, and an ability to reflect critically upon the nature of knowledge, its transmission, and its interpretation;
- facilitates the integration of knowledge from general education, disciplinary education, professional education and field experiences;
- promotes in students the development of intellectual and affective strategies for making pedagogical decisions;
- promotes in students an understanding of the social, practical, professional and institutional contexts of teaching and learning, and the ability to analyze these contexts in making educational decisions;
- promotes in students an understanding of subject matter to be taught and the means to transform that content for teaching-learning purposes;
- promotes an understanding of the personal nature of teaching and recognizes that the development of professional knowledge is a personal and a professional responsibility;
- promotes the integration of theory and practice in university courses and in schools, through experience, study, and reflection;
- seeks to support and foster in students a spirit of inquiry, intellectual advancement, humane values, environmental conscience, aesthetic sensitivity, and a sense of physical and mental well-being;
- fosters the ability to establish interpersonal relationships and sensitivity to others' interests and feelings, and to encourage students to apply these qualities in fulfilling their responsibility in a global society;
- fosters a close collegial and reciprocal relationship with other members of the teaching profession; and,

- supports Faculty members who exemplify the foregoing by developing and maintaining expertise in their disciplines and fields of study, in their teaching, through their research and scholarly activity, and in their interpersonal interactions.

2. EDUCATION PROGRAMS

The Faculty of Education offers two programs which lead to Alberta Teacher Certification as well as five other programs designed to support in-service or pre-service teacher development.

a. Programs Leading to Alberta Teacher Certification

Candidates apply and are recommended for certification by the Faculty of Education to Alberta Learning. Only Alberta Learning is empowered to grant Alberta Teaching Certificates. Based on the recommendation of the Faculty of Education, Alberta Learning grants the Interim Professional Certificate to individuals who are Canadian citizens or Permanent Residents.

Recommendations are forwarded upon completion of the Combined Degrees Teacher Education program or the B.Ed. after an Approved Degree program. Candidates are evaluated on the basis of all data relating to their readiness to assume the responsibilities of a professional teacher as defined in the Quality Teaching Document.

Students are alerted to the following certification requirement.

All persons applying for certification as a teacher in Alberta will be subject to the following restriction on eligibility:

Except where the Minister of Learning decides otherwise, the Director, Teacher Certification and Development Branch, shall refuse to issue, re-issue, or extend an interim professional certificate to:

- a person who has been convicted of an indictable offence in Canada or an equivalent conviction in a jurisdiction outside Canada; or
- a person who the Director has reason to believe should not be issued a certificate.

For additional information please contact the Director, Teacher Certification and Development Branch of Alberta Learning at 780-427-2045.

b. Other Education Programs

1. Bachelor of Education After Teacher Training

Individualized programs are arranged for candidates who hold an undergraduate degree, who have completed a minimum of one year of teacher training in an approved institution, and who already hold teacher certification. Students should consult with the Assistant Dean, Student Program Services in the Faculty of Education.

Students who have completed a minimum of one year of teacher training and who hold teacher certification but who do not hold an undergraduate degree must be admitted to and must complete the requirements of a Combined Degrees program. The B.Ed. component of the Combined Degrees program will be individually designed for each student to meet residency and degree requirements. Students should consult with the Assistant Dean, Student Program Services in the Faculty of Education.

2. Pre-B.Ed. After an Approved Degree

Students who intend to pursue a B.Ed. after an approved degree, but who do not meet requirements for direct admission to the B.Ed. program, may apply to the pre-B.Ed. (After Degree) program in the Faculty of Arts and Science. A limited number of students may be admitted to this program in a fall or spring semester and may then register for courses in three consecutive semesters following the offer of admission. After three semesters, students intending to take further courses must apply for admission to the B.Ed. program or to another program offered at the University of Lethbridge. Students are not guaranteed admission to the B.Ed. program, or any other program, at the end of three semesters but must compete with other applicants.

Students must meet the following minimum qualifications for admission to the pre-B.Ed. after an Approved Degree program:

- A completed undergraduate degree, including at least four courses in a declared single discipline major, or at least eight courses in a declared general major. Students must select a major from among those available to students in the B. Ed. after an approved degree program (see **Section 5.b.1. Teaching Majors, p. 156**).
- A minimum cumulative grade point average of 2.50 out of 4.00 calculated on all U of L and transferable courses taken within the semesters containing the last 20 university-level courses (60.0 credit hours), including courses in a previous degree and courses taken subsequently. All courses must be graded with the exception of Education 2500.

3. Diploma in Education

The Faculty of Education offers diploma programs in the following areas for certified practising educators holding a Bachelor of Education degree:

- Diploma Program in Special/Inclusive Education
- Student Initiated Diploma Program

These programs are described in detail in **Section 9. Diploma Programs, p. 164.**

4. Master of Education

A 12-course M.Ed. program for degree holders with educational experience (see the **University of Lethbridge 2015/2016 Graduate Studies Calendar**).

5. Master of Education (Counselling Psychology)

A 12- or 14-course M.Ed. program for degree holders with educational or related experience (see the **University of Lethbridge 2015/2016 Graduate Studies Calendar**).

3. ADVISING

It is essential for new and returning students to seek advice concerning their academic goals, programs, and standing as early as possible.

Academic advising is coordinated by the Assistant Dean, Student Program Services in the Faculty of Education. Faculty members, who serve as academic advisors for each major, also inform students about preparation for teaching in specific school subjects. Advisors are also identified to assist students in planning specialized programs.

Academic advising in the Faculty of Education for graduate programs is coordinated by the Assistant Dean, Graduate Studies and Research.

Academic advice may be obtained at any time during the year, but it is recommended that new students consult advisors during the three weeks prior to registration.

Advice and information from the Assistant Dean, Student Program Services in the Faculty of Education may be obtained for the following:

- all aspects of program planning,
- academic regulations and degree requirements,
- grading system and appeals,
- employment opportunities and job placement in education, and
- teacher certification.

Advice and information from Education Faculty advisors and from appropriate Arts and Science, Fine Arts, or Management advisors should be obtained for the following:

- selection of courses for a major,
- future scheduling of courses,
- prerequisites and recommended backgrounds, and
- availability of Independent Studies and Study Tours.

4. ADMISSION TO BACHELOR OF EDUCATION PROGRAMS

Based on the Faculty's quota system, normally 216 students are admitted to the Faculty each June to begin their studies in the fall semester. For application and document deadlines, see **Part 1 - Admission, p. 27.**

Students should note that completion of pre-Education requirements does not guarantee admission to the program. For qualified applicants admission decisions are based primarily on evaluation of performance in Education 2500, a writing

proficiency requirement, and grade point average calculated on all UofL and transferable courses taken within the semesters containing the last 20 university-level courses (60.0 credit hours), including courses in a previous degree and courses taken subsequently. All courses must be graded with the exception of Education 2500.

Combined Degrees and After Degree students are admitted on the same criteria.

a. Regular Admission

1. Admission to Combined Degrees Program

The Faculty of Education does not offer a B.Ed. degree alone, except after an approved degree. First degree students must be admitted to a Combined Degrees program in order to receive a B.Ed. Students are not officially in the program until they have been admitted to both the Faculty of Education and to the Faculty governing the degree combined with the B.Ed.

For a complete description of admission requirements in each of the following programs consult the corresponding sections of **Part 13 - Combined Degrees:**

- Bachelor of Arts/Bachelor of Education, **p. 230**

For information regarding readmission after withdrawal, see **Section 6.b.11. Readmission After Withdrawal, p. 158.**

2. Admission to the After Degree Program

Students applying to an After Degree program must meet the following minimum qualifications for admission to the Faculty of Education:

- Completion of a recognized baccalaureate degree which includes a major in a 'school' subject. Students are expected to present in their major the same number of courses as students in the Combined Degrees program (see **Part 13 - Combined Degrees**).
- A minimum cumulative grade point average of 2.50 out of 4.00 calculated on all U of L and transferable courses taken within the semesters containing the last 20 university-level courses (60.0 credit hours), including courses in a previous degree and courses taken subsequently. All courses must be graded with the exception of Education 2500.

- c. A minimum cumulative grade point average of 2.50 out of 4.00 on all graded courses comprising the major.
- d. Credit in Education 2500 - Practicum I - Orientation to Teaching (or equivalent) including a favourable recommendation from the instructor (see **Section 6.b.4. - f. Completion of Additional Admission Requirements in Specific Majors:
- Dramatic Arts - completion of an acceptable portfolio, performance audition and interview.
 - Music - completion of an acceptable performance audition and/or interview.

 - Physical Education - completion of a Physical Education and Sport Activities report which must include:
 - brief description of experience (personal physical activity, teaching movement or physical activity, coaching experience, workshops/clinics, certification),
 - written confirmation of experiences (letter of reference, certificate of achievement).

Students should consult Student Program Services in the Faculty of Education for guidelines regarding the requirements stated above.

b. Special Case Admission

For purposes of admission, the Faculty of Education calculates the admission grade point average on all university-level courses taken in the semesters containing the last 20 courses (60.0 credit hours). Students who have a good academic record but who, for some reason, had a period of time within those semesters when their performance was significantly lower, may apply for special case admission (up to four such students may be admitted each year). Normally, the semesters containing the last eight courses may not be included in the period of the special case.

Students applying for Special Case admission must satisfy the following:

- have applied for admission to the Faculty of Education;
- meet minimum criteria for admission to the Faculty of Education;
- demonstrate a shift in academic performance;
- provide documentation of extenuating circumstances;
- have completed at least 20 courses (60.0 credit hours) outside of the period of the special case;
- possess a cumulative grade point average comparable to those admitted in the same subject area that year. The GPA is calculated based on all university-level courses taken in the semesters containing the last 20 courses (60.0 credit hours) outside of the period of the special case.

Students must apply in writing to the Assistant Dean, Student Program Services in the Faculty of Education prior to the May 1 application deadline for such consideration.

c. Special Admission Procedures for Students of Aboriginal Descent

The Faculty of Education provides two special admission opportunities for students of Aboriginal descent:

1. Students who meet all minimum admission requirements in any major will be admitted to the Faculty. Students who wish to gain admission to the Faculty on the basis of their Aboriginal heritage will follow all normal application procedures and, in addition, must inform Student Program Services in the Faculty of Education of their intent in writing and provide evidence of Aboriginal descent, prior to the May 1 admission deadline.
2. Students of Aboriginal descent who have a CGPA and/or GPA in the major of less than 2.50 but equal to or greater than 2.00, may be considered for admission to the Faculty of Education. All other minimum admission requirements must be met. Students will be required to demonstrate that they possess other skills, talents, or life experiences that enhance their ability to succeed in teaching. This may include, but is not limited to, any one of the following:
 - experience working with children;
 - proficiency in a First Nations language;
 - expertise in First Nations cultural events;
 - leadership experiences in the community;
 - appropriate work experience; or
 - completion of a college diploma program in an area relevant to teaching.

Admission decisions are to be based on submission of a résumé, at least one letter of recommendation, and an interview with the Undergraduate Student Program Committee. The decision of the Committee is final. Students who wish to gain admission through this route must follow all normal application procedures and, in addition, must inform Student Program Services in the Faculty of Education of their intent in writing prior to the May 1 admission deadline. All relevant supporting documents must be received by the document deadline of June 1.

A student is required to withdraw from the Faculty of Education if the following occurs:

- the grade point average falls below 2.50 in Professional Semester I or Professional Semester II;
- the student fails any course, module, or practicum in any Professional Semester; or
- the student fails to meet the Standards of Professional Conduct. The student may be assigned a failing grade for the component where the Standards of Professional conduct were not met.

11. Readmission After Withdrawal

Students who withdraw or who are required to withdraw from the Faculty of Education must successfully apply for readmission by the appropriate deadline. Readmission is not guaranteed. Education courses completed after withdrawing and prior to readmission may not count toward the Bachelor of Education. Students are advised to consult with the Assistant Dean, Student Program Services as early as possible.

Students who have been required to withdraw from an Education program at another post-secondary

institution must receive a favourable recommendation in the U of L offering of Education 2500 - Orientation to Teaching - for admission consideration. Additionally, the student must consult with the Assistant Dean, Student Program Services, prior to the application deadline for the Faculty of Education.

c. Practicum Regulations and Information

The following policies will guide the assignment of students to schools:

1. Placement Policy

While on campus and during practica, students are expected to adhere to the standards of professional conduct set out by the Faculty of Education (**Section 6.a, p. 157**). The Faculty of Education reserves the right to deny or terminate a placement in any practicum course, including Education 2500, to any student if the Dean or Designate has reasonable grounds:

- the student has violated any part of the Faculty of Education's standards of professional conduct;
- the student is unable to carry out the classroom responsibilities of that practicum; or
- the Dean or Designate believes denial or termination of a placement is necessary in order to protect the public interest.

Students whose practicum placements have been denied or terminated will be informed of the reasons in writing.

2. General Policies

- a. All school placements within Zone 6 will be made by the Field Experience Office. Students must not contact schools with the intent of procuring an internship or student teaching placement.
- b. Professional Semester I and II placements will only be made within Zone 6 and Calgary area.
- c. Professional Semester III placements outside of Zone 6 are subject to the approval of the Assistant Dean, Field Experience and the Assistant Dean, Student Program Services in the Faculty of Education.
- d. Students receiving a waiver of Education 2500 must complete Professional Semester III in Alberta.
- e. Students may complete only one practicum/internship with any one teacher associate or teacher mentor. Students will complete only one practicum/internship in any specific school.
- f. Students will not be placed in schools where family members are employed or where family members are themselves pupils.
- g. No student will be placed in a school from which she or he graduated.
- h. Placements in Professional Semesters I and II will differ by a minimum of three grade levels.
- i. Students who refuse a placement may be required to withdraw from the practicum and reapply for admission to resume their studies in a subsequent year.

- j. Students who do not provide all relevant information at the time a placement is made may be required to withdraw from the practicum and reapply for admission to resume their studies in a subsequent year.
- k. Students who provide false information at the time a placement is made may be required to withdraw from the practicum and reapply for admission to resume their studies in a subsequent year.
3. Location of Placements
- The Faculty of Education collaborates with Education institutions throughout Zone 6 (which extends in Alberta from the B.C. border to the Saskatchewan border and from the Montana border up to locations immediately south of the city of Calgary) and Calgary area. Students entering the Faculty of Education should note that practicum placements include locations anywhere within Zone 6. Students must be prepared to travel. Some locations require relocation Monday to Friday.
- Note:** *Acceptance of an offer of admission to the Faculty of Education indicates acceptance of a possible requirement to travel to or relocate to practicum placements within Zone 6.*
4. Criminal Record Check (or equivalent).
- Many school jurisdictions require criminal record checks from all individuals (including student teachers and interns) working with children and adolescents. Consequently, all students accepting an admission offer from the Faculty of Education must immediately make application for a criminal record check including a Vulnerable Sector Check. The student is responsible for the cost of obtaining such documentation. Criminal record checks are not submitted to the Faculty of Education, but must be available for the student to present on Practicum Orientation Day should the school or school jurisdiction require it. Students who are unable to present an acceptable criminal record check for any reason may be denied a placement by the co-operating school, the school jurisdiction, or the Assistant Dean, Field Experiences. The Faculty of Education does not guarantee an alternate placement. In the event a student cannot be placed, the student will be unable to complete the program and thus will be required to withdraw from both the practicum and the faculty.
5. Out of Zone and International Professional Semester III Placements.
- Students may apply to the Assistant Dean, Field Experience to complete Professional Semester III outside of Zone 6. Further, it is possible for students to complete Professional Semester III in an international placement. Students must apply well in advance of the intended semester, and will be required to request statements of support from teacher associates and previous practicum supervisors. Only students with an outstanding record of professionalism and an outstanding record of classroom teaching in both Professional Semesters I and II will be granted Professional Semester III placements outside of Zone 6 (including international locations).

Some restrictions on out of zone and international placements do exist for students completing certain specializations. Students are encouraged to contact the Assistant Dean, Field Experiences for further information.
