1. PHILOSOPHY AND PROGRAMS

The Faculty of Management incorporates in its program the University of Lethbridge philosophy of providing a liberal education. The program encourages personal growth through the enhancement of knowledge about the individual and society and our political and economic environments and through development of interpersonal abilities, habits of precise reasoning and confidence in professional skills.

The Faculty offers a four-year, 40-course program leading to the Bachelor of Management degree (B.Mgt.).

Within the B.Mgt. program, students may choose one of the following majors: Accounting; Computer Science; Economics; First Nations' Governance; Finance; General Management; Human Resource Management and Labour Relations; Information Systems*; International Management; Marketing; and Political Science.

*Major in Information Systems has been suspended (see p. 216)

The Faculty offers a two-year, 20-course Post-Diploma program leading to the Bachelor of Management degree. The Post-Diploma program is open to students holding an

approved college diploma in business administration, management or a related discipline (see **Part 20 - Collaborating and Partnering Institutions** for a list of colleges with approved diplomas). Majors available are Accounting; Finance; First Nations' Governance; General Management; Human Resource Management and Labour Relations; Information Systems*; International Management; and Marketing.

*Major in Information Systems for the Post-Diploma B.Mgt. has been suspended (see p. 220)

The Faculty offers a 25-course Post-Diploma program with a General Management major leading to the Bachelor of Management degree. This program is available to graduates of approved diploma programs.

Management Certificate programs for both degree-holding and non-degree students are also offered in the fields of Finance; First Nations' Governance; General Management; Human Resource Management and Labour Relations; Information Systems*; International Management; and Marketing.

*Information Systems Certificate has been suspended (see p. 225)

The Faculty of Management offers a Professional Diploma in Accounting (PDA) for students with an undergraduate degree seeking a Chartered Professional Accountant (CPA) designation, or diploma in accounting (see **Section 18, p. 226**).

The Faculty of Management also offers a Bachelor of Management (B.Mgt.) as a second degree program (see **Section 14, p. 223**).

The Faculty of Management offers minors in First Nations' Governance, Information Systems*, International Management, New Media, Population Health, Social Responsibility, and Supply Chain Management (see **Section 13. Minors, p. 222**).

*Minor in Information Systems has been suspended (see p. 222)

2. FACULTY OF MANAGEMENT CAMPUSES

The Faculty of Management offers programs on three campuses: Calgary, Edmonton, and Lethbridge. On the Lethbridge campus, students can pursue all programs and majors offered by the Faculty of Management.

The Calgary and Edmonton campuses serve adult learners who may be in the work force wanting to further their education. These campuses offer the B.Mgt., Post-Diploma B.Mgt., second degree in Management, the Professional Diploma in Accounting, and other Management Certificates. The following majors are offered on the Calgary Campus: Accounting, Finance, General Management, Human Resource Management and Labour Relations, and Marketing. Students who wish to complete International Management on the Calgary Campus may require alternate arrangements to complete the requirements for this major. The Edmonton Campus offers the General Management major and the Professional Diploma in Accounting program.

Combined Degrees programs (B.A./B.Mgt., B.Sc./B.Mgt., B.F.A. - New Media/B.Mgt., B.H.Sc./B.Mgt., B.Mgt./B.Ed., and Post-Diploma B.Mgt./B.Ed.) cannot be completed in their entirety on the Calgary or Edmonton campuses, and all Combined Degrees applicants will be assigned to the Lethbridge campus (see **Section 4., p. 206**).

e. Bachelor of Management as a Second Degree (B.Mgt.)

Admission to the Bachelor of Management Second Degree program in the Faculty of Management occurs following completion of an approved degree, other than the degree B.Comm. or its equivalent, and a minimum grade point average of 2.00 (based on a 4.00 scale) on the last 20 graded university-level semester courses is required. An approved degree is a baccalaureate degree (with 30 courses or more), or its academic equivalent, from a recognized degree-granting institution. Other three-year International baccalaureate degrees or Applied Degrees may be considered a basis for admission to second degree programs with the prior approval of the Dean of the Faculty of Management.

International applicants presenting approved degrees and seeking admission to similar degree programs offered by the Faculty of Management will be considered with the prior approval of the Dean. The decision of the Faculty will be final in these matters.

f. Certificate Program in Management

Admission to this program is possible through four admission routes (see **Part 1 - Admission**):

- Eight or more transfer courses
- A college diploma
- A previous undergraduate degree
- Adult applicants who are 21 years of age or older. Please refer to **Section 3.c. Adult Student (Mature) Admission Route (p. 36)**. Note that, in most cases, English Language Arts 30-1 and Pure Mathematics 30 or Mathematics 30 are required.

Courses for the Certificate program in Management are listed in **Section 17 (p. 224)**.

g. Professional Diploma in Accounting

Admission requirements to the Professional Diploma in Accounting (PDA) consist of an undergraduate university degree and a minimum grade point average of 2.00 (based on a 4.00 scale) on the last 20 graded university-level semester courses. Courses for the Professional Diploma in Accounting program in Management are listed in **Section 18 (p. 226)**.

Note: *The Professional Diploma in Accounting replaces the Post-Baccalaureate Certificate in Accounting.*

h. Limitation on Enrolment: Programs and Quotas

Students should note that satisfactory completion of the admission requirements does not guarantee admission to Management programs. Enrolment limits may be placed on the number of students admitted to programs and/or majors in the Faculty of Management. Enrolment limits may also be placed on the number of students admitted to a campus (i.e., Calgary, Edmonton or Lethbridge). If enrolment limits are invoked, admission to the program is competitive and is based upon academic achievement prior to admission as assessed by the Faculty of Management, whose decision shall be final.

i. Time Limit for Retention of Course Credit

Students may receive credit for both Management and non-Management courses. Management courses must have been completed at an accredited post-secondary institution not more than eight years prior to admission to the Faculty of Management.

Eligible diplomas for the Post-Diploma Bachelor of Management Degree program can be no more than eight years old.

j. Conditional Admission

Conditional admission to the Faculty of Management may be offered to applicants in the following situations:

1. Four-year Bachelor of Management

a. High School

Applicants who are currently completing courses at a high school, are presenting the subjects required for admission to the program and major, and have a projected high school average at the date of application which meets the general admission requirements (see Section h. above). Admission will be rescinded if an applicant does not present a minimum final high school average of 65% or higher. Admission to a specific major is not guaranteed.

b. Transfer

Applicants who are currently completing courses at another college or university and have a cumulative grade point average at the date of application which is at or above the Faculty's admission cut-off and not less than 2.00. Admission may be rescinded if an applicant does not present a final GPA at or above the Faculty's final admission cut-off. Admission to a specific major is not guaranteed.

2. Post-Diploma

Applicants in possession of an approved college diploma or in the final year of an approved college diploma program and have a cumulative GPA at the date of application which is at or above the Faculty's admission cut-off and not less than 2.00. Admission to a specific major is not guaranteed.

3. Second Degree

Applicants who have applied for admission to the second degree program and are in the final semester of their first degree. The offer of admission will be rescinded if the applicant does not successfully complete the first degree. Admission to a specific major is not guaranteed.

Applicants who are offered conditional admission must meet the conditions specified in their Letter of Offer. Admission will be rescinded if applicants fail to meet these conditions.

Note: *Students who plan to pursue one major and subsequently change to another major will be required to complete all compulsory courses for the new major.*

k. Returning After an Absence from the Faculty of Management

Students returning after no more than a two-year absence may be readmitted to their program of studies in the Faculty of Management upon application to the University and the Faculty.

1. Management students in good standing who are returning after an absence of up to two years are eligible to return to their previous program of studies regardless of the current admission GPA.
2. Any student who takes transferable post-secondary courses during an absence must meet the current admission GPA requirement, grades on transferable courses included.

Applicants who possess the degree B.Comm. or its equivalent from a recognized institution are not admissible to the B.Mgt. program.

5. UNDERGRADUATE THESIS COURSE (HONOURS THESIS DESIGNATION)

Qualified students in the Bachelor of Management degree, second degree in Management, and Post-Diploma Bachelor of Management programs may elect to complete an Undergraduate Thesis course (6.0 credit hours) linked to their declared major. Students who complete all requirements and satisfy the academic standards required for the undergraduate thesis course for their declared major are eligible to receive the 'Honours Thesis' designation on their official transcript and degree parchment. The Undergraduate Thesis course is Management 4995. Please note that not all eligible candidates will be selected. Approval will also be subject to the availability of appropriate supervision.

a. Application

Students are strongly recommended to apply to the Undergraduate Thesis course after completion of 10 U of L courses (30.0 credit hours) with a GPA of 3.30 or higher.

Applications to the Faculty of Management Undergraduate Thesis course must include academic transcripts, a resume, a letter of intent and written consent from supervisors of each of the program requirements. The application is available from the Faculty of Management Undergraduate Programs Office or online at www.uleth.ca/management/programs-degrees/honours. Please see an Academic Advisor for more information.

b. Prerequisites

Prospective 'Honours Thesis' candidates must meet the following requirements:

1. A GPA of 3.30 or higher on the last 10 U of L courses (30.0 credit hours) completed.
2. Two honours-approved Management courses at the 3000/4000 level, one of which must be within the student's major.
3. Management 4895 - Honours Component I
4. Management 4896 - Honours Component II
5. One of the following enrichment experiences:
 - a. Management 3002 - Work Experience I
 - b. Management 3091/3092 - Integrated Management Experience

- c. Full-semester international exchange
- d. Management 3990 - Independent Study and Management 4990 - Independent Study
- e. Management 3980 - Applied Studies and Management 4980 - Applied Studies
- f. Management 3980 - Applied Studies and Management 4640 - Cross-Cultural Work Study

Note: For information on international exchanges, see the International Programs website: www.uleth.ca/management/man-int.

c. Supervision

Each prospective candidate for the Undergraduate Thesis course is responsible for obtaining support from a faculty supervisor for the Undergraduate Thesis.

d. Initial Approval

1. The prospective student must present a *Thesis Proposal* to be approved by the supervisor and the Faculty of Management Honours Committee prior to registration for the course.
2. The supervisor will establish at the outset the weighting of the written and oral components of the thesis, as well as the procedure for determining the final grade.
3. Subsequent changes to the approved Thesis Proposal must be approved by the supervisor.
4. Admission to the course is achieved through approval of the supervisor and the Faculty of Management Honours Committee.
5. The student must register for the Undergraduate Thesis course by the last day for course Add/Drop for the given fall/spring semester or summer session.

e. Final Assessment

The final assessment for the undergraduate thesis is based on two criteria:

1. Written Component
 - a. The Undergraduate Thesis must be a sustained piece of supervised research demonstrating a superior level of academic ability on a matter approved by the supervisor prior to registration in the course.
 - b. The thesis should be of high quality and made publicly available by the Faculty of Management.
2. Oral Component

The student will be required to make a formal oral presentation demonstrating the ability to articulate clearly the nature of the thesis undertaken, the research methodology and the results of the thesis. This component is a demonstration of the student's competence in oral communication and not necessarily an oral defence of the thesis, unless so designated by the Faculty.

f. Eligibility for 'Honours Thesis' Designation

Students are eligible to receive the 'Honours Thesis' designation on their official transcript and degree parchment only if they achieve a minimum grade of 'B' (3.00 or higher) for the Undergraduate Thesis course,

and have satisfactorily completed the required oral component. Students who achieve grades between 'D' and 'B-', inclusive, and/or do not complete the oral component will retain credit for the equivalent of two courses (6.0 credit hours) but will not be eligible for the 'Honours Thesis' designation. Please refer to **Part 4 - Academic Regulations, Section 2.f. (p. 71)** for more information on the 'Honours Thesis' designation.

g. Standards for Continuance

In order to receive the 'Honours Thesis' designation on their official transcript and degree parchment, students must maintain a term GPA of at least 3.30 at the University of Lethbridge. Students will be given one semester "grace" if the term GPA falls below 3.30, to accommodate life circumstances.

Inquiries about the Undergraduate Thesis should be directed to the Faculty of Management Undergraduate Programs Office (M2060; tel. 403-329-2153; email: undergrad.management@uleth.ca; website: www.uleth.ca/management/programs-degrees/honours).

Note: *The Management Undergraduate Thesis is not available for Combined Degrees programs.*

6. CO-OPERATIVE EDUCATION STUDIES

Co-operative Education is a program that integrates students' academic studies with full-time remunerated work experience directly related to their major area of study. Co-operative Education provides a well-rounded education and enriches academic knowledge with practical experience.

The Faculty of Management and those in the Co-op office who provide professional guidance; employment mentors and supervisors; and the Co-op student all share in the intellectual growth and the professional and personal development of the Co-op student.

Co-operative Education is available in all undergraduate Management programs. We encourage students to apply for placements at the end of the first year provided they meet the criteria specified above. Students are therefore encouraged to contact the Faculty of Management Co-operative Education Office as soon as possible in their programs.

Students who successfully complete the minimum required work terms and all requirements in their undergraduate management program will have the Co-op designation acknowledged on the official transcript and degree parchment. While participating in a Co-op work term, students will be enrolled in one of the following courses that signify participation and contain the deliverables required to complete the work term successfully:

a. Work Term Requirements

- Management 3002 - Work Experience I
- Management 3003 - Work Experience II
- Management 3004 - Work Experience III

Three optional four-month Co-op work terms may be served extra to degree prior to the conferral of the B.Mgt. degree:

- Management 3005 - Work Experience IV
- Management 3008 - Work Experience V
- Management 3009 - Work Experience VI

Students must be registered for the entire duration of the work term(s) applied for and, once registered, are not permitted to withdraw from the work placement without penalty of failure. A grade of 'F' (fail) will be entered on the transcript for the whole term(s) unless extenuating circumstances warrant granting of a Withdrawal with

Cause ('WC'), in accordance with University of Lethbridge policy (see **Part 4, Section 2, p. 68**). Where approval is granted by the Coordinator of Co-operative Education and the Director of Student Program Services, a 'WC' will be entered on the transcript. Tuition fees will be assessed as per the University's Withdrawal with Cause policy. Students may consult the Co-op student handbook for further information/regulations and should contact the Coordinator of Co-operative Education for assistance with the procedure.

Further information and details concerning admission and requirements may be obtained from the Office of Co-operative Education Programs (AH154; tel. 403-380-1810).

b. Transfer of Co-op Work Terms

For the purpose of fulfilling the Management Co-operative Education requirement of three work term courses to earn the Co-op designation, a maximum of one Co-op work term from another institution with formal Co-operative education programs shall be eligible for recognition toward the requirement. To be eligible for recognition, the Co-op work term shall be subject to special assessment by the Management Co-op office. An approved Co-op work term must be registered as a non-academic course on the student's transcript from the sending institution, and must have received a passing grade (either a letter grade or 'Pass').

A student who has taken fewer than six courses at the University of Lethbridge will not be required to withdraw. A student who completes courses in any School, Faculty or institution during the period of required withdrawal from the Faculty of Management is not permitted to count such courses for credit toward the B.Mgt. degree.

Should a student take a course or courses which are required for fulfillment of his/her degree, additional courses will be assigned to meet that requirement. A student may repeat courses to raise his/her GPA.

A student required to withdraw for academic reasons must wait a minimum of 12 months from the date of the required withdrawal to reapply. An application for readmission must include evidence that the causes of previous unsatisfactory work have been identified and remedied. The Faculty of Management does not guarantee that students who have been Required to Withdraw will be permitted to return to their previous program of studies. A student who is readmitted after a required withdrawal is placed on academic probation for the next semester in which he/she registers.

8. REGULATIONS THAT APPLY TO COURSES TAKEN IN MANAGEMENT

a. Course Load

The usual course load for a full-time student is five courses (15.0 credit hours) per semester. Students in good standing may take up to six courses (18.0 credit hours) in the fall and spring semesters (see **Part 2 - Registration, Section 6.b. Maximum Credit Hours, p. 54**). Students may accelerate their programs by carrying heavier study loads or by attending summer sessions (see **Summer Session chart, p. 54**). Students may also complete degree requirements with a diminished course load or entirely on a part-time basis.

It should be stressed that heavy course loads are a common cause of poor academic performance.

b. Course Enrolment Limits

Enrolment limits are placed on Management courses to maintain the quality of instruction.

c. Prerequisite(s), Corequisite(s), and Recommended Background

Course prerequisites and corequisites must be met. Only students with the appropriate prerequisite(s) and/or corequisite(s) are considered for enrolment. For some courses, a recommended background is listed instead of, or in addition to, the prerequisite(s) and/or corequisites(s) so that the student may judge his or her own academic preparation (see **Part 14 - Courses, Section 4.d.5. Prerequisite(s), Corequisite(s), Recommended Background, and Other Registration Restrictions, p. 296** and **Part 4 - Academic Regulations, Policies and Program Requirements, Section 2.d. Waiver of Prerequisite/Corequisite, p. 71**).

d. Applied Studies

Applied studies provide an opportunity to earn credit for an employment or volunteer experience with a significant learning component. Completion of a written report is required, which includes consultation of relevant literature and relation of theoretical precepts to practical experience.

7. ACADEMIC STANDARDS

To retain satisfactory academic standing students must maintain a cumulative grade point average of 2.00 or above at all stages in their progress toward a degree or certificate.

a. In Good Standing

To be in good standing, a student must maintain the following minimum cumulative GPA:

Number of Completed Courses (includes transfer courses)	GPA (U of L)
1-10	1.70
11-20	1.85
21 or more	2.00

b. Academic Probation

Students whose cumulative GPA falls below the levels identified above are considered to be on academic probation. A student on academic probation may not register in more than four courses in a semester.

c. Required Withdrawal for One Full Year

Students will be required to withdraw only following the spring semester. Students whose cumulative GPA, at the end of the spring semester, falls below the following for two consecutive semesters are required to withdraw for one full year from the Faculty of Management:

Number of Completed Courses (includes transfer courses)	GPA (U of L)
6-10	1.50
11-20	1.70
21 or more	2.00

Management students may earn a maximum of 18.0 credit hours in applied studies (see **Part 4, Section 2.c, Exceeding Course Limits, p. 70**), broken down as follows:

- a maximum of 6.0 credit hours in Management 3980-3981,
- a maximum of 6.0 credit hours in Management 4980-4981, and
- a maximum of 6.0 credit hours in Applied Studies 2000-2001 and Applied Studies 2010-2011.

Registration in Applied Studies courses is initiated by application to the Office of Applied Studies no later than the deadline published in the Timetable. Application packages may be obtained from the Office of Applied Studies (AH154; tel. 403-329-2000).

e. Independent Study

A student may be permitted to earn credit by Independent Study, designated by the numbers Management 3990 or Management 4990. An Independent Study may not be used to duplicate course offerings.

A proposal for study must be submitted to a faculty member who will supervise the proposed study. The student may proceed with a formal registration of the study when approval from the instructor and the Dean of the Faculty of Management has been obtained. It is advisable to register in the study in the semester in which the work is expected to be completed.

All applications for Independent Studies shall be reviewed by a committee of the Faculty of Management and no grade shall be registered until approved by the committee. Completion of a written research report is required; contact Student Program Services in the Faculty of Management for details.

The grading mode is standard.

The prerequisite for Management 3990 is third-year standing (a minimum of 60.0 credit hours), admission to the Faculty of Management, and successful application to a committee of the Faculty of Management.

The prerequisite for Management 4990 is fourth-year standing (a minimum of 90.0 credit hours), admission to the Faculty of Management, and successful application to a committee of the Faculty of Management.

No student shall receive credit for more than three such Independent Studies while registered in the Bachelor of Management or Post-Diploma Bachelor of Management programs (see **Part 4, Section 2.c, Exceeding Course Limits, p. 70**).

9. GRADUATION

a. Minimum Grade Requirement

Students must meet the minimum grade requirement specified for their program—see Bachelor of Management (**p. 212**), Post-Diploma Bachelor of Management (**p. 217**), Certificate Programs (**p. 224**), B.A./B.Mgt. or B.Sc./B.Mgt. (**p. 264**), B.Mgt./B.Ed. (**p. 262**), Post-Diploma B.Mgt./B.Ed. (**p. 284**), B.F.A. - New Media/B.Mgt. (**p. 287**), B.H.Sc./B.Mgt. (**p. 289**), and Professional Diploma in Accounting (**p. 226**).

b. Minimum Cumulative Grade Point Average

For graduation, a student must attain a minimum cumulative GPA of 2.00 in courses taken at the University of Lethbridge. Courses from another institution

accredited to a transfer student are not included in calculation of the cumulative GPA.

A student must also attain a minimum graduation GPA of 2.00 to graduate with a Bachelor of Management degree, a Management Certificate, or the Professional Diploma in Accounting.

c. How Graduation GPA is Calculated

The Faculty of Management calculates graduation GPA as follows:

Program	How GPA is Calculated
B.Mgt. (first degree)	GPA calculated on the last 20 courses ¹ taken at the U of L
Post-Diploma B.Mgt.	GPA calculated on the last 20 courses ¹ taken at the U of L
B.Mgt. (second degree)	GPA calculated on the last 20 courses ¹ required for the second degree taken at the U of L
B.Mgt./B.Ed.	GPA calculated on all Mgt. courses (from 10-16) taken at the U of L

Because all possible combinations of single disciplinary majors are eligible for double major designation by a student, the Faculty cannot guarantee that course sequencing and timetables will accommodate all double major combinations within four consecutive regular semesters of work. While students may intend to pursue two majors, only one major will be recognized on their official program forms and for establishing priority in access to courses. Double major status will only be designated upon application for graduation.

Interested students are encouraged to consult with Management Academic Advisors.
