Students with Disabilities

The University of Lethbridge attempts to meet the special needs of students with disabilities. Many students have unique needs and response must be made on an individual basis. Supporting these needs may require the student in question to liaise with a number of provincial and non-profit agencies, as well as University of Lethbridge personnel. For more information and possible assistance with these matters, contact the Accommodated Learning Centre (B760; 403-329-2766).

The Accommodated Learning Centre can support student requests for assessments or registration procedures once their disability has been documented. They can also guide students to local services or agencies which may be of assistance. Special equipment or specialized services frequently must be funded through agencies outside the University of Lethbridge. Questions regarding physical access may also be brought to the Accommodated Learning Centre who will then direct students to the appropriate University office or personnel. Further information is available on the Accommodated Learning Centre website.

Graduate and Professional School Examinations

The Accommodated Learning Centre is an authorized test center for professional and graduate school exams such as the LSAT (Law School Admission Test) and MAT (Miller Analogies Test). Pre-registration for these tests is required and Internet links are included on the Accommodated Learning Centre website (www.uleth.ca/ross/accommodated-learning-centre) Information bulletins are also available at the Career & Co-op Services (AH154).

Student volunteers, experienced with student life on campus, are easy to talk to and can relate to issues such as frustrations with roommates, juggling home life with school life and personal conflict. Although the Campus Women's Centre is not a licensed counselling centre, student volunteers are trained to recognize when someone is in need of counselling services and will direct them accordingly. Collective Bargaining Agreement

This agreement governs the employment of graduate students as graduate assistants at the U of L. As required by the *Post-secondary Learning Act* of the Province of Alberta, this agreement was reached between the Governors of the U of L ('the Board') and the U of L GSA on behalf of all graduate students. This agreement recognizes the importance of graduate assistant positions to both graduate students as an apprenticeship in preparation for further academic or

professional careers and to the University to assist with the volume of work associated with academic positions.

To view the agreement, visit www.ulgsa.ca/governance.

Classifieds

This page features classified postings intended for U of L graduate students. To post a classified advertisements to this page, please email gsa@uleth.ca with all information you would like in your ad (including pictures). You must be a current U of L graduate student or alumni, or a U of L staff or faculty member to post on this page.

We are happy to post any advertisement ranging from residence to rent to babysitting requests, or even the sale of textbooks or electronics for graduate students. Please visit: www.ulgsa.ca/gsa-classifieds.

First Impressions Orientation Program

The GSA First Impressions program is designed to make the move to Lethbridge, or the move from undergraduate to graduate student life, smoother for new students. We pair an incoming student with a current student to provide someone to whom questions can be directed and information sought; usually via email. Questions can range from: supervisor/student relationships, best cafes, cheapest groceries, public transportation, how/where to get a SIN card, how to fill out paperwork/register in courses.

We pair students based on department, Faculty or common interest, depending on who our volunteers are.

For more information, please visit www.ulgsa.ca/first-impressions-orientation-program.

Meeting of the Minds Annual Conference:

Meeting of the Minds is held in March each year and represents an opportunity for U of L students to showcase their research to the University community and the broader community of Lethbridge. Both communities benefit from this exchange of ideas. In particular, people from outside the University gain an opportunity to learn about the high calibre research taking place at the U of L, much of which is (a) funded by their tax dollars, and (b) applicable to their everyday lives. The University community also benefits from the all too rare opportunity for a free exchange of ideas between academics and the general public, and among Faculties and disciplines that do not often come together. Finally, student presenters benefit from the opportunity to practice placing their research into a context that is accessible to a diverse but informed audience.

GSA/L.A. Transit U-Pass Program:

The Universal Transit Pass (U-Pass) program gives students enrolled in participating post-secondary institutions unlimited access to local transit. Because fees are collected from a large participant base, U-Pass prices are lower than the amount students would otherwise pay for monthly passes or tickets over the course of a term. U-Pass programs offer students a way to lower their transportation costs while at school and also benefit the local community and the environment.

Graduate students cannot opt-out of the U-Pass unless they: (1) are completing practicum work or filed work outside the City of Lethbridge for more than three quarters of the fall or spring/summer semester, or (2) live outside of the Lethbridge transit area. For more information about opting out, visit our website at www.ulgsa/gsala-transit-u-pass-program, stop by our office in M2041, or call 403-329-2132.

Students can pick up U-Passes, or replace their defective U-Pass, by visiting our office located in M2041. Our office hours are listed on our website at www.ulgsa.ca/contact.

This space has been created for graduate students who do not have an office space on campus. Respectful use of the space is required, so that future graduate students will also be able to use this space. There is a \$25 key deposit required. Health Education

Campus-wide health education events are held throughout each semester and are located in a variety of places on campus. Check out the electronic student magazine, *Student Health 101*, distributed monthly to your student email. It is full of helpful tips to get through the semester, read it here: www.read101.ca/u leth.html

Health Insurance

There are two types of health insurance. First, by law, all students MUST have basic provincial health insurance (this pays for doctor's bills, hospital care and most medical tests). Usually, this insurance is from your home province. If you have questions about the Alberta Health Care Insurance Plan (AHCIP) or your home province insurance, please ask the Health Centre staff. Second, there is an extended benefit plan which assists in paying for items not covered by provincial health insurance.

Students should either have an extended benefit plan from their work or family or have the Students' Union Health and Dental Plan. The Students' Union Health and Dental Plan assists with the cost of medications, ambulance rides, therapies and dental costs. If you have questions about the Students' Union Health and Dental Plan, drop by SU180.

Note: *The University does not assume responsibility for the cost of medical treatment or hospitalization.*

We want you to learn about your own health as you grow academically. Please ask for help when you need it!

18. HOUSING SERVICES

'Come Live With Us!'

Our focus in Housing Services is to provide students with the best possible environment for academic success and personal development. Residence Life programming is offered and coordinated through live-in Residence Assistants. Some examples of the programs and workshops offered in the past include time management, aerobics, health and nutrition, substance abuse, study skills, exam preparation, library use, tutoring, movie nights, cabarets, resumé writing and effective interview and job search skills.

The convenience of living on campus, together with access to the University's services and programs, gives students educational, social and cultural advantages. Residents tend to be more involved in campus life, build stronger friendships than their off-campus counterparts and develop greater tolerance and understanding. All this adds up to an enhanced opportunity to graduate from the University of Lethbridge.

Campus Housing Choices

The University provides campus housing for single students in fully-furnished bedrooms, self-contained apartment units and townhomes. For students with families, we provide unfurnished townhomes. Units meeting the needs of the physically challenged are also available. The Piikani House, Tsuu T'ina House, Residence Village (RV) and Mount Blakiston House units are assigned to students in their second and subsequent years of study. The unfurnished townhomes in Siksika House are generally for married, common-law or single students with families.

Note: All electrical appliances must be CSA approved.

Application Process

Applications are accepted starting in September for the following September occupancy. Applications may be obtained online at www.uleth.ca/housing. You must apply to the University of Lethbridge for Admission prior to being eligible to apply for campus housing. Once you have received your U of L ID number you may log on to the Housing Residence Portal to apply. All applications must be accommodated with a non-refundable application fee plus deposit payable online.

Students are advised to apply as early as possible to improve their chances for accommodation. Newly admitted applicants, applying before April 1, will have their names entered into an accommodation lottery. Approximately 75% of the allocated beds will be randomly selected. The names drawn will be guaranteed accommodation prior to May 15. Returning students, whose applications are received by January 15, will participate in a lottery draw for 75% of the allocated beds. Others will have their names placed on the application list in priority order, according to date received.

Offer of Accommodation

Once accommodation is assigned, the student is advised through an *Offer of Accommodation* letter via email. This letter must be signed and returned, along with the second advance payment, by the deadline date as stated in the offer. Failure to meet this deadline will result in cancellation of the application and loss of the first advance payment.

Security Deposit

All students staying in campus accommodation will be required to submit a security deposit of \$300 for single student housing or the equivalent of one month rent for family housing. Interest will be payable on any unused amount if applicable under Provincial Government Statute. Security deposits will be used to cover any outstanding housing-related charges deemed payable upon termination of occupancy, including cancellation fees, damage, cleaning, lost keys, dining plan, etc.

The security deposit shall not be deemed to constitute a limit for any charges which may be incurred under the lease.

Cancellations

Applicants who are declined admission to the University, who cannot be accommodated by Housing Services by the first day of classes, or who cancel their application in writing prior to June 1, may request a refund of all advance payments, but must do so within one week of the start of classes. Cancellation for any other reason will be subject to forfeiture of the advance payments according to the cancellation schedule as outlined in the Offer of Accommodation. The refund amount for these cancellations is based on the date upon which written notice is received by Housing Services; therefore, students are advised to contact Housing Services as soon as their plans change. (Cancellation over the Christmas break may be submitted by email to housing@uleth.ca.) All cancellations received after a student has moved into residence are subject to one calendar month notice. Failure to provide this notice will result in next month rent charges.

Housing Services may be contacted at the University of Lethbridge, 4401 University Drive, Lethbridge, Alberta, T1K 3M4; phone: 403-329-2584; fax: 403-329-2030; or email: housing@uleth.ca.

Fees

Rates for single student housing (Traditional-Style, Apartments and Village Townhomes) must be paid at the beginning of each semester.

A utility surcharge may be levied to offset increased utility costs due to the effects of deregulation and the resulting inflationary impact.

Rental rates include all utilities except telephone line and Internet access and are based on a two-semester (single) or 12-month (family) contract. Arrangements may be made with Housing Services for a 12-month contract for single students (September-August).

Emergency Response/Internet Digital System Fee

All residence bedroom spaces are equipped with the VoIP (Voice over Internet Protocol) communication system, which provides each resident with Internet access and a telephone in their room. The system allows for efficient communication within residence for emergency response in the event of critical incidents. A mandatory \$72 fee is levied to each resident per semester.

Organization of Residence Students (ORS)

The ORS provides community development opportunities to meet, interact and socialize in the academic atmosphere for the benefit of each member and the community as a whole. A \$45 membership fee is levied to each resident per semester.

Policies

The University has policies, regulations and programs to provide for the students' personal, academic, social and cultural growth, as well as their privacy and well-being. Breach of these policies and certain Criminal Code offences will be grounds to terminate the students' use agreements and evict them from University Housing. Housing policies are available online at www.uleth.ca/housing (refer to *Residence Community Handbook*).

30. STUDENT AWARDS - SCHOLARSHIPS AND BURSARIES

The University of Lethbridge offers a wide range of awards that serve to recognize the achievements of students who pursue their university education at the University of Lethbridge. These awards are granted based on academic achievement as well as other factors (e.g., financial need, leadership potential, community involvement, artistic ability).

Graduate students are eligible to apply for awards if they are:

- an applicant entering the University from another post-secondary institution; or,
- a student continuing his/her studies at the University of Lethbridge.

While not all awards require the student to apply, an application is strongly recommended for students who feel that they may qualify for awards. Application forms for most awards are online on the Bridge and information on procedures are available at Scholarships and Student Finance, located in Anderson Hall (AH151; 403-329-2585) or online at www.uleth.ca/ross/student-finance/awards.

Scholarships General Policies and Procedures

For a complete description of awards administered by the University of Lethbridge, please refer to **Awards and Scholarships** in this Calendar.

Liability - The University assumes liability for the payment of scholarships, bursaries, prizes and other awards only to the extent that expected gifts from donors or returns from particular investments of endowed funds are realized.

Application - To be eligible for awards, application forms must be submitted via the Bridge no later than the designated date. Application forms and information are available from the following website:

www.uleth.ca/ross/student-finance/awards.

A student who has not applied for awards cannot claim for the right of consideration by the University.

Academic records - Only academic records from the last five years will be considered for measurement of academic achievement.

Interrupted studies - Students who interrupt post-secondary studies and return after an absence shall be considered for University of Lethbridge awards. Evaluation will be based on the student's last year of attendance at the University of Lethbridge subject to the rules guiding Undergraduate Awards.

Conditions - Unless otherwise stated, awards made to full-time students are conditional on the student proceeding with full-time studies at the University of Lethbridge in the fall and spring semesters following the award. Failure to meet this condition may result in the forfeiture of any unpaid balance.

Replacement - Any award administered by the University of Lethbridge is subject to replacement by an award of equal or greater value.

Payment schedule - Awards totaling more than \$1,000 are disbursed in two equal payments: the first on October 1 and the second on February 1.

Deductions - The University may deduct from award payments any funds owed to the University.

Tax receipts - T4A forms will be issued to award recipients by the University or other issuing agency in the spring following the year of the award.

Government Student Loan Programs - It is the responsibility of the student receiving an award, who is currently receiving financial assistance in the form of student loans and grants, to notify the applicable government student loan program as soon as possible regarding the number and value of scholarships, bursaries and other awards.

Deferral - A deferral postpones the payment of a financial award until a student is registered full-time at the University of Lethbridge. A request for a deferral must be submitted in writing to the Coordinator, Scholarships and Student Finance by October 31 for the fall semester and February 28 for the spring semester. Justifiable reasons for deferral include:

- Unavoidable circumstances - An award may be deferred when circumstances which are substantially beyond the student's control prevent his/her full-time registration in the semester for which an award was made.

Scholarships and Student Finance website: www.uleth.ca/ross/student-finance

31. STUDENT FINANCE - GOVERNMENT STUDENT LOANS AND GRANTS

The Federal, Provincial and Territorial governments of Canada provide financial assistance to help residents in the pursuit of post-secondary education. This assistance is provided in the form of loans and grants. Scholarships and Student Finance provides advising concerning these government student assistance programs.

The level of government financial assistance awarded to a student depends on evidence of financial need and on personal circumstances. In Alberta, parental income is no longer used to determine the loan funding a student can receive. During the 2014/2015 academic year, the maximum amount an Alberta resident was eligible to receive was \$13,300 in combined Canada and Alberta student loan funding. Students may also qualify for low or middle income grants in their first and subsequent years of study. Grants are also available for students with dependents and students with permanent disabilities.

Financial assistance is also available to students who are considered to be residents of other provinces and territories.

The amount and type of provincial or territorial funding available for out-of-province students varies according to the individual provincial or territorial guidelines.

Government student loans are interest-free while students are attending full-time at a post-secondary institution. To ensure that interest-free status continues during full-time study, it is the student's responsibility to provide appropriate proof of enrolment to all lenders holding the student's loan(s). Repayment of government student loans begins six months after ceasing to be a full-time student.

Students in receipt of financial assistance to attend full-time studies who withdraw completely or revert to part-time studies may be required to repay a proportionate amount of their assistance granted for the current academic session. Furthermore, such assistance for the next semester is automatically cancelled and students may be ineligible to receive further funding for a 12 month period. Students intending to return to full-time studies in the next semester and who require financial assistance must submit a new financial assistance application for the appropriate period of studies.

Students who need to apply for financial assistance should apply prior to the semester in which assistance will be required. Many provinces and territories do have deadlines and it is advisable to check the deadlines in advance of application. Processing of an application can take four to six weeks and processing must be completed prior to the end of the semester to which it pertains.

Independent and Applied Studies courses are classified as one course (3.0 credit hours) and can only be used in one semester to determine eligibility for student loan purposes. Students taking more than one semester to complete these courses should plan their subsequent semester schedules accordingly.

Payment of tuition and fees are a first charge against assistance received from government student loan certificates and grants/bursaries.

For application forms and more information, please visit Scholarships and Student Finance, located in Anderson Hall (AH151) or call 403-329-2585.

More information on Government Student loan programs is available from the following websites:

Many graduate students at the University of Lethbridge are assigned work as a Graduate Assistant during the course of their graduate program. Graduate 'Teaching' Assistants (GTA) may be required to grade examinations and assignments, instruct laboratory and tutorial classes, lead discussion groups, or teach an undergraduate level class. In order to be adequately equipped for these duties, and to acquire significant skills for their future academic careers, all GTAs are strongly encouraged to participate in the Graduate Teaching Assistant Professional Development Program throughout the fall and spring semesters.

The Graduate Assistant Teaching Development (GATD) Program provides an opportunity for professional development in critical teaching skills, equipping graduate students to carry out their teaching duties effectively. Graduate students who participate in these sessions receive formal recognition of their participation in this academic professional development program via a *Certificate of Participation*. This program addresses essential aspects of good teaching; equipping GTAs to carry out their teaching duties effectively and enhance their teaching skills as their careers advance.

GATD workshops address topics such as professional expectations and responsibilities, establishing a productive learning environment, dealing with students, classroom management, grading and assessment, leading discussion groups, preparing a presentation, the multicultural classroom, teaching and learning styles, and other topics of importance to GTAs. Graduate students are also strongly encouraged to attend other Teaching Centre events, such as the Talking about Teaching Seminar Series and Teaching Day Symposium.

Participation in the GATD Program and attendance at other Teaching Centre events provides an opportunity for professional development as well as formal recognition of participation. The *Certificate of Participation* formally documents hours of completed participation in the GATD program.

Attendance at other Teaching Centre events is also recognized. This certificate is a valuable addition to a graduate student's curriculum vitae when applying for academic positions, doctoral programs and post-doctoral placements.

The Teaching Centre additionally provides support for graduate students through assistance with

- course and lesson planning
- effective student assessment
- student engagement strategies
- effective classroom management
- teaching with technology
- blended and online learning
- one-to-one teaching consultation

Regardless of a change in status (e.g., full-time to part-time or student to non-student), all students enrolled at the beginning of their respective semester will retain their coverage until August 31.

Students can opt out of the Student Health and/or Dental plan if proof of comparable coverage and a completed waiver form is presented to the Students' Union Health and Dental Plan office.
