1. INTERNATIONAL STUDENTS

An international student is any student whose nation of citizenship is not Canada, and who is not a Permanent Resident of Canada. The University of Lethbridge encourages the enrolment of international students. International students comprise a vital and vibrant component of the University community. Both international students and Canadian students benefit from the presence of a strong international student contingent. University of Lethbridge International was established to support the academic and personal growth of international students and exchange students. It is the goal of University of Lethbridge International to enrich the educational experience at the University of Lethbridge by promoting a strong global perspective.
