This Part provides a list of post-secondary institutions collaborating or partnering with the University of Lethbridge.

1. COLLABORATING INSTITUTIONS AND PROFESSIONAL PROGRAM PARTNERS

A collaborative program is offered jointly by the University of Lethbridge and a collaborating post-secondary institution. These programs are distinguished by policies relating to admission and graduation. Students are initially admitted to both the University of Lethbridge and to the collaborating post-secondary institution. Graduating students are awarded a University of Lethbridge degree.

Nursing Education in Southwestern Alberta (NESA) Bachelor of Nursing Programs (B.N. and B.N. (After Degree))
Lethbridge College

The University of Lethbridge partners with other institutions to offer pathways to professional degrees that enable students to complete a portion of their program at the University of Lethbridge and then transfer to other institutions to complete the program. For further detail, see **Part 7 – Arts and Science, Pre-Professional Transfer Programs (p. 152)**.

2. POST-DIPLOMA PARTNER INSTITUTIONS

Programs are offered independently by another post-secondary institution and lead to the completion of a diploma or applied/technology degree. Under agreements between the University of Lethbridge and the partner institution, these credentials are recognized by the University of Lethbridge for admission to a post-diploma degree program. Graduating students are awarded a University of Lethbridge degree. For a complete list of the approved diplomas at each institution, please visit the Post-Diploma Degree Program website at www.uleth.ca/postdiploma.
