In order to address specific needs and concerns, Campus Safety is divided into four divisions: Emergency Management, Parking Services, Risk and Safety Services, and Security Services.

Website: www.uleth.ca/campus-safety

Emergency Management

Emergency Management is responsible for developing plans for all hazardous situations that might occur at the University of Lethbridge and plan training to ensure our Campus Incident Response Team and Emergency Management Team have the resources and information they require to make decisions to keep you and the University safe. In the event of an on-campus incident, Emergency Management is responsible for alerting the campus community with the appropriate information. Prepare, Plan, and Practice!

6. CAMPUS WOMEN'S CENTRE (CWC)

The Campus Women's Centre offers many services to the University and its surrounding community. It's a safe, quiet place where all students can come to talk. Student volunteers, experienced with student life on campus, are easy to talk to and can relate to issues such as frustrations with roommates, juggling home life with school life, and personal conflict. Although the Campus Women's Centre is not a licensed counselling centre, student volunteers are trained to recognize when someone is in need of counselling services and will direct them accordingly. The Campus Women's Centre can facilitate help for students through contact with local organizations such as the YWCA, the Womanspace Resource Centre, shelters and food banks.

The Women's Centre has a wide range of pamphlets and information about topics including sexual health, birth control, cancer, STI's, pregnancy, nutrition, HIV and AIDS, drug and alcohol abuse, sexual abuse, mental health, spirituality, feminism, daycare services, self-esteem, losing weight and piercings.

Throughout the year, the Women's Centre organizes and participates in a variety of events impacting women in our society today. These events include National Day of Remembrance and Action on Violence Against Women, International Women's Day, Breast Cancer Awareness Month and AIDS Week.

Currently, each student contributes a levy fee of one dollar in the fall and spring terms. Since the Women's Centre fee is not compulsory, students may choose to opt out. To do so, students must submit a formal email request, indicating their full name and University ID number from a valid 'uleth.ca' account. Alternatively, students may stop by the office and fill

out an opt-out form. Refunds will be administered during the last week in October for the fall terms and the last week in February for the spring terms. Applications and requests for opt out must be submitted prior to the refund dates. Students will receive an email confirmation instructing them to come to the Women's Centre in person to receive their refund in cash. A valid University ID card is required.

On-Campus Mental Health Assistance

The Health Centre and Counselling Services work to assist students with mental health care. At the Health Centre we have a mental health team to assist with care, which includes a mental health nurse, a mental health therapist, a behaviourist, a dietitian, addictions and wellness coordinator, administrative support, a physician and two part-time psychiatrists. Psychiatrists are physicians who have extra training/expertise in mental health. Appointments are by referral; talk to us if you believe you need one.

Nursing Assessment and Care

Nurses are available for discussions on health issues and health planning for specific subjects. If you have a chronic health issue that requires medical plans while you are at the University, come to see one of the nurses. Drop into the Health Centre to book an appointment to discuss your needs.

On-Campus First Aid

Call 911 for an ambulance if emergency medical aid is required. When directed to hang up by the 911 Operator, call Campus Security at extension 2345 or 403-329-2345 at any time during the day or night. For any on-campus first aid, call Security at 403-329-2345 for immediate first aid service.

Communicable Disease Management

The Health Centre will inform the University community about specific disease management for campus-wide illnesses. Remember, the first defence against viruses is simply washing your hands and protecting others from your cough or sneeze. Consider a flu shot. Check out our website for more information about specific concerns.

Health Education

Campus-wide health education events are held throughout each term and are located in a variety of places on campus.

Health Insurance

There are two types of health insurance. First, by law, all students MUST have basic provincial health insurance (this pays for doctor's bills, hospital care and most medical tests). Usually, this insurance is from your home province. If you have questions about the Alberta Health Care Insurance Plan (AHCIP) or your home province insurance, please ask the Health Centre staff. Second, there is an extended benefit plan that assists in paying for items not covered by provincial health insurance.

Students should either have an extended benefit plan from their work or family or have the Students' Union Health and Dental Plan. The Students' Union Health and Dental Plan assists with the cost of medications, ambulance rides, therapies and dental costs. If you have questions about the Students' Union Health and Dental Plan, drop by SU180.

Note: The University does not assume responsibility for the cost of medical treatment or hospitalization.

We want you to learn about your own health as you grow academically. Please ask for help when you need it!

17. HOUSING SERVICES

'Come Live With Us!'

Our focus in Housing Services is to provide students with the best possible environment for academic success and personal development. Residence Life programming is offered and coordinated through live-in Residence Assistants. Some examples of the programs and workshops offered in the past include: time management, physical activities, health and nutrition, alcohol awareness, study skills, exam preparation, library use, tutoring, movie nights, cabarets, resumé writing, and effective interview and job search skills.

The convenience of living on campus, together with access to the University's services and programs, gives students educational, social and cultural advantages. Residents tend to be more involved in campus life, build stronger friendships than their off-campus counterparts and develop greater tolerance and understanding. All this adds up to an enhanced opportunity to graduate from the University of Lethbridge.

Campus Housing Choices

The University provides campus housing for single students in fully-furnished bedrooms, self-contained apartment units and townhomes. For mature and graduate students, we provide unfurnished townhomes. Units meeting the needs of students with physical challenges are also available. Students directly out of high school and in their first year of study are assigned to the traditional-style dorms in University Hall and to the apartment-style units in Piikani House.

The Tsuu T'ina House, Residence Village (RV), a portion of the units in Siksika House, and Mount Blakiston House units are furnished and assigned to students in their second and subsequent years of study.

The remaining portion of the units in Siksika House are unfurnished and generally for graduate and mature students.

New High School Graduates

University Hall Residence - Our most convenient, on-campus accommodation offers 277 single and double rooms within University Hall. These traditional-style, fully-furnished dorm rooms are available on the first four floors and are reserved for first-year residents coming to the University directly from high school. Application Process

Applications are accepted starting in September for the following September occupancy. Applications may be obtained online. You must apply to the University of Lethbridge for Admission prior to being eligible to apply for campus housing. Once you have received your University of Lethbridge ID number you may log on to the Housing Residence Portal to apply. All applications must be accommodated with a non-refundable application fee plus deposit payable online.

Students are advised to apply as early as possible to improve their chances for accommodation. Newly admitted applicants applying before April 1 will have their names entered into an accommodation lottery. Approximately 75% of the allocated beds will be randomly selected. The names drawn will be guaranteed accommodation prior to June 15. Returning students whose applications are received by January 16 will participate in the lottery draw for 75% of the

allocated beds. Others will have their names placed on the application list in priority order according to date received. Offers will be based on roommate compatibility, application profiles and unit availability.

Offer of Accommodation

Once accommodation is assigned, the student is advised through an *Offer of Accommodation* letter via email. This letter must be signed and returned, along with the second advance payment, by the deadline date as stated in the offer. Failure to meet this deadline will result in cancellation of the application and loss of the first advance payment.

Security Deposit

All students staying in campus accommodation will be required to submit a security deposit of \$300 for single student housing or the equivalent of one month's rent for family housing. Interest will be payable on any unused amount if applicable under Provincial Government Statute. Security deposits will be used to cover any outstanding housing-related charges deemed payable upon termination of occupancy, including cancellation fees, damage, cleaning, lost keys, dining plan, etc.

The security deposit shall not be deemed to constitute a limit for any charges which may be incurred under the lease.

Cancellations

Applicants who are declined admission to the University, who cannot be accommodated by Housing Services by the first day of classes, or who cancel their application in writing prior to receiving a room offer may request a refund of all advance payments. Cancellation for any other reason will be subject to forfeiture of the advance payments according to the cancellation schedule as outlined in the *Offer of Accommodation*. The refund amount for these cancellations is based on the date upon which written notice is received by Housing Services; therefore, students are advised to contact Housing Services as soon as their plans change. (Cancellation over the Christmas break may be submitted by email to housing@uleth.ca.) All cancellations received after a student has moved into residence are subject to one calendar month's notice. Failure to provide this notice will result in next month's rent charges.

Fees

Rates for single student housing (Traditional-Style Dorms, Apartments and Townhomes) must be paid at the beginning of each term.

The Residence Dining Plan must be paid in full by the beginning of the fall term.

A utility surcharge may be levied to offset increased utility costs due to the effects of deregulation and the resulting inflationary impact.

Rental rates include all utilities except telephone line and Internet access and are based on a two-term (single) or 12-month (family) contract. Arrangements may be made with Housing Services for a summer contract for single students (May-August).

Emergency Response/Internet Digital System Fee

All residence bedroom spaces are equipped with the VoIP (Voice over Internet Protocol) communication system, which provides each resident with Internet access and a telephone in their room. The system allows for efficient communication within residence for emergency response in the event of critical incidents. A mandatory \$72 fee is levied to each resident per term for this service.

Organization of Residence Students (ORS)

The ORS (a Students' Union club) provides community development opportunities to meet, interact and socialize in the academic atmosphere for the benefit of each member and the community as a whole. A \$45 membership fee is levied to each resident per term.

Policies

The University has policies, regulations and programs to provide for students' personal, academic, social and cultural growth, as well as their privacy and well-being. Breach of these policies and certain Criminal Code offences will be grounds to terminate the students' use agreements and evict them from University Housing. Housing policies are available online (refer to *Residence Community Handbook*).

Summer Housing

Students working or studying in Lethbridge over the summer are invited to stay in our residence. Special contract terms and rates are available. Accommodation is available in residence from approximately May to August for summer session students.

27. STUDENT AWARDS - SCHOLARSHIPS AND BURSARIES

The University of Lethbridge offers a wide range of awards that serve to recognize the achievements of students who pursue their university education at the University of Lethbridge. These awards are granted based on academic achievement as well as other factors (e.g., financial need, leadership potential, community involvement, artistic ability).

Students are eligible to apply for awards if they are:

- an applicant entering the University from high school or from another post-secondary institution; or,
- a student continuing his/her studies at the University of Lethbridge.

While not all awards require the student to apply, an application is strongly recommended for students who feel that they may qualify for awards. Application forms for most awards are online on the Bridge and information on procedures are available at Scholarships and Student Finance, located in Anderson Hall or online.

Deadlines for applications are:

Board of Governors' Admission and Relocation Scholarships

December 15 (a completed Admission application is required)

Entrance Awards - High School students

Fall Entrance Awards - March 15

Entrance Awards - Transfer students

Fall Entrance Awards - June 15

Undergraduate Awards - Continuing students

General Policies and Procedures

For a complete description of awards administered by the University of Lethbridge, please refer to the Scholarships and Student finance website.

Liability - The University assumes liability for the payment of scholarships, bursaries, prizes and other awards only to the extent that expected gifts from donors or returns from particular investments of endowed funds are realized.

Application - To be eligible for awards, application forms must be submitted via the Bridge no later than the designated date. Application forms and information are available from the website.

A student who has not applied for awards cannot claim for the right of consideration by the University.

Academic records - Only academic records from the last five years will be considered for measurement of academic achievement.

Interrupted studies - Students who interrupt post-secondary studies and return after an absence shall be considered for University of Lethbridge awards. Evaluation will be based on the student's last year of attendance at the University of Lethbridge subject to the rules guiding undergraduate awards.

Conditions - Unless otherwise stated, awards made to full-time students are conditional on the student proceeding with full-time studies at the University of Lethbridge in the fall and spring terms following the award. Failure to meet this condition may result in the forfeiture of any unpaid balance.

Replacement - Any award administered by the University of Lethbridge is subject to replacement by an award of equal or greater value.

Payment schedule - Awards equaling \$1,000 or less are paid on October 1. Awards totaling more than \$1,000 are disbursed in two equal payments: the first on October 1 and the second on February 1.

Deductions - The University may deduct from award payments any funds owed to the University.

Tax receipts - T4A forms will be issued to award recipients by the University or any other issuing agency in the spring following the year of the award.

Government Student Loan Programs - It is the responsibility of the student receiving an award, who is currently receiving financial assistance in the form of student loans and grants, to notify the applicable government student loan program as soon as possible regarding the number and value of scholarships, bursaries and other awards.

Deferral - A deferral postpones the payment of a financial award until a student is registered full-time at the University of Lethbridge. A request for a deferral must be submitted in writing by the student to the Manager, Scholarships and Student Finance by October 31 for the fall term and February 28 for the spring term. Justifiable reasons for deferral include:

- unavoidable circumstances; an award may be deferred when circumstances which are substantially beyond the student's control prevent his/her full-time registration in the term for which an award was made.

28. STUDENT FINANCE - GOVERNMENT STUDENT LOANS AND GRANTS

The Federal, Provincial and Territorial governments of Canada provide financial assistance to help residents in the pursuit of post-secondary education. This assistance is provided in the form of loans and grants. Scholarships and Student Finance provides advising concerning these government student assistance programs.

The level of government financial assistance awarded to a student depends on evidence of financial need and on personal circumstances. In Alberta, parental income is no longer used to determine the loan funding a student can receive. During the 2016/2017 academic year, the maximum amount an Alberta resident was eligible to receive was \$15,000 in combined Canada and Alberta student loan funding. Students may also qualify for low or middle income grants in their first and subsequent years of study. Grants are also available for students with dependents and students with permanent disabilities.

Financial assistance is also available to students who are considered to be residents of other provinces and territories. The amount and type of provincial or territorial funding available for out-of-province students varies according to the appropriate provincial or territorial guidelines.

Government student loans are interest-free while students are attending full-time at a post-secondary institution. To ensure that interest-free status continues during full-time study, it is the student's responsibility to provide appropriate proof of enrolment to all lenders holding the student's loan(s). Repayment of government student loans begins six months after ceasing to be a full-time student.

Students in receipt of financial assistance to attend full-time studies who withdraw completely or revert to part-time studies may be required to repay a proportionate amount of their assistance granted for the current academic session. Furthermore, such assistance for the next term is automatically cancelled and students may be ineligible to receive further funding for a 12-month period. Students intending to return to full-time studies in the next term and who require financial assistance must submit a new financial assistance application for the appropriate period of studies.

Students who need to apply for financial assistance should apply prior to the term in which assistance will be required. Many provinces and territories do have deadlines and it is advisable to check the deadlines in advance of application. Processing of an application can take four to six weeks and processing must be completed prior to the end of the term to which it pertains. Independent and Applied Studies courses are classified as one course (3.0 credit hours) and can only be used in one term to determine eligibility for student loan purposes. Students taking more than one term to complete these courses should plan their subsequent term schedules accordingly.

Payment of tuition and fees are a first charge against assistance received from government student loans and grants. Refunds of tuition and fees are subject to be returned to the lender.

For application forms and more information, please visit Scholarships and Student Finance, located in Anderson Hall.
