Access to Documents

You have the right, upon request, to obtain a copy of the policy, your application and any written statements or other records you have provided to Great-West Life as evidence of insurability, subject to certain limitations.

Legal Actions

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act or other applicable legislation (e.g. *Limitations Act, 2002* in Ontario, Quebec Civil Code).

Appeals

You have the right to appeal a denial of all or part of the insurance or benefits described in the contract as long as you do so within one year of the initial denial of the insurance or a benefit. An appeal must be in writing and must include your reasons for believing the denial to be incorrect.

Benefit Limitation for Overpayment

If benefits are paid that were not payable under the policy, you are responsible for repayment within 30 days after Great-West Life sends you a notice of the overpayment, or within a longer period if agreed to in writing by Great-West Life. If you fail to fulfil this responsibility, no further benefits are payable under the policy until the overpayment is recovered. This does not limit Great-West Life's right to use other legal means to recover the overpayment.

ELIGIBILITY, COMMENCEMENT AND TERMINATION OF COVERAGE

You are eligible to participate in the plan on the date your employment begins.

- You must apply for all coverages other than Optional Life Insurance no later than 31 days after you become eligible. After 31 days, you must provide evidence of insurability for you and your dependents before you can participate.
- If you elect Optional Life Insurance it will not become effective until Great-West Life approves proof of your insurability.
- You must be actively at work when coverage takes effect, otherwise the coverage will not be effective until you return to work.

Increases in your benefits while you are covered by this plan will not become effective unless you are actively at work.

- Full-time employees who work less than 37.5 hours per week may not join the plan.
- Part-time employees who work less than 18.5 hours per week may not join the plan.
- Seasonal employees may not join the plan.

Your coverage terminates when your employment ends, you are no longer eligible, you stop paying the required premiums, or the policy terminates, whichever is earliest. For early retirees, coverage may continue until the attainment of age 65. See Human Resources to verify which one is applicable to you.

- Your dependents' coverage terminates when your insurance terminates or your dependent no longer qualifies, whichever is earlier.
- When your coverage terminates, you may be entitled to an extension of certain benefits under the plan. Contact the Human Resources Department for details.

DEPENDENT COVERAGE

Dependent means:

- Your spouse, legal or common-law.

You can only cover one spouse at all times. The same person must be covered for all spousal benefits provided under this plan.

A common-law spouse means a person who is living with you in a conjugal relationship.

BENEFICIARY DESIGNATION

You may make, alter, or revoke a designation of beneficiary as permitted by law. You should review any beneficiary designation made under this policy from time to time to ensure that it reflects your current intentions. You may change the designation by completing a form available from your employer.

EMPLOYEE BASIC LIFE INSURANCE

On your death, Great-West Life will pay your life insurance benefits to your named beneficiary. If you have not named a beneficiary or there is no surviving beneficiary at the time of your death, payment will be made to your estate. Human Resources will explain the claim requirements to your beneficiary.

- If you are under age 65 and have been disabled for 6 months or more, you may be entitled to have your life insurance continued without premium payment until the last day of the month coinciding with or next following your 65th birthday. You are considered disabled if injury or disease prevents you from being gainfully employed in any job. Great-West Life will determine your qualification for waiver of life insurance premium benefits. If you believe you may be eligible, contact Human Resources for claim forms. You must apply for waiver of premium benefits within 12 months of becoming eligible.
- If any or all of your insurance terminates, you may be eligible to apply for an individual conversion policy without providing proof of your insurability. You must apply and pay the first premium no later than 31 days after your group insurance terminates. See Human Resources for details.

OPTIONAL LIFE INSURANCE

Optional Life Insurance allows you to choose additional coverage for yourself and your spouse. Check the **Benefit Summary** for the amount of Optional Life Insurance available. When you apply for Optional Life Insurance, you must provide proof of your insurability, and your application must be approved by Great-West Life. If you or your spouse die within two years after applying for Optional Life Insurance, Great-West Life has the right to verify any medical information you or your spouse provided. If any inconsistencies are discovered, the claim will be denied and any premiums paid will be refunded.

On your death, Great-West Life will pay your life insurance to your named beneficiary. If you have not named a beneficiary or there is no surviving beneficiary at the time of your death, payment will be made to your estate. Human Resources will explain the claim requirements. If your spouse dies you will be paid the amount for which he or she was insured.

- If you are approved for waiver of premium on your basic life insurance, any optional life insurance for yourself or your spouse will also continue without premium payment as long as your basic life insurance continues but not beyond the date your optional insurance would otherwise terminate.
- If your or your spouse's optional life insurance terminates, you or your spouse may be eligible to apply for an individual conversion policy without providing proof of insurability. You must apply and pay the first premium no later than 31 days after your group insurance terminates. Contact the Human Resources Department for details.

Limitation

No benefit is paid for suicide within the first two years of initial or increased optional life coverage. In such a situation, Great-West Life refunds the premiums that have been received.

LONG TERM DISABILITY (LTD) INCOME BENEFITS

The plan provides you with regular income to replace income lost because of a lengthy disability due to illness or injury. Benefits begin after the waiting period is over, and continue until you are no longer disabled **as defined by the policy** or you reach age 65, whichever is earlier. Check the **Benefit Summary** for the benefit amount and waiting period.

- If disability is not continuous, the days you are disabled can be accumulated to satisfy the waiting period as long as no interruption is longer than 20 working days and the disabilities arise from the same disease or injury. If short term disability or sick leave benefits are still being paid when the waiting period ends, the waiting period will be extended to the date the short term disability or sick leave benefits end, but no longer than one year after your disability starts.
- After the waiting period, successive disabilities are considered to be in the same disability period if they arise from the same illness, disease or injury and the later disability starts within 6 months after the previous disability ends.
- LTD benefits are payable for the first 24 months following the waiting period if injury or disease prevents you from doing your own job. You are **not** considered disabled if you can perform a combination of duties that regularly took at least 60% of your time to complete.
- After 24 months, LTD benefits will continue only if your disability prevents you from being gainfully employed in any job. Gainful employment is work you are medically able to perform, for which you have at least the minimum qualifications, and provides you with an income of at least 60% of your indexed monthly earnings before disability.
- Because you pay the entire cost of LTD coverage, benefits are not taxable.

Other Income

Your monthly LTD benefit is reduced by other income to which you are entitled during disability. Your LTD benefit is first reduced by:

- disability or retirement benefits you are entitled to on your own behalf under the Canada or Quebec Pension Plan
- benefits under any Workers' Compensation Act or similar law

Your LTD benefit is then reduced to the extent that it together with the other income listed below exceeds 85% of your indexed take-home pay before disability.

- benefits another member of your family is entitled to on the basis of your disability under the Canada or Quebec Pension Plan that are paid directly to you
- loss of income benefits available through legislation which you and any other members of your family are entitled to on the basis of your disability, including automobile insurance benefits where permitted by law
- disability benefits under a plan of insurance available through membership in an association
- employment income, disability benefits, or retirement benefits related to any employment except an approved rehabilitation plan or program

Rehabilitation Benefit

- If you are disabled, rehabilitation involves a training strategy or work related activity that is designed to help you return to gainful employment and a more productive lifestyle. Great-West Life will approve a program that facilitates your earliest possible return to work. Contact Human Resources for more information about this aspect of the plan.

- Earnings received from an approved rehabilitation plan or program are not used to reduce your monthly LTD benefit unless those earnings, together with your income from this plan and the other income listed above, would exceed your indexed take-home pay before disability.

Inflation Protection

Every second year, your LTD benefit will be adjusted to reflect increases in the Consumer Price Index, to a maximum increase of 3% in any year.

Limitations

No benefits are paid for:

- Disability that begins before your insurance starts or after it ends
- Disability arising from a disease or injury for which you received medical care before your insurance started. This limitation does not apply if your disability starts after you have been continuously insured for 1 year, or you have not had medical care for the disease or injury for a continuous period of 90 days ending on or after the date your insurance took effect.
- The scheduled duration of a temporary lay-off or leave of absence, except study leaves with pay

This does not apply during a maternity leave when the employee may be covered for the duration of the leave, where appropriate legislation exists

- Disability arising from war, insurrection, or voluntary participation in a riot
- Any period of prison confinement
- Any period in which you do not cooperate with an approved rehabilitation plan or program

- Any period in which you do not cooperate with a reasonable treatment program. Depending on the severity of the condition, the plan may require you to be under the care of a specialist. For substance abuse, treatment must include participation in a recognized substance abuse withdrawal program.
- Any 12-month period during which you do not live in Canada for at least 6 months
