- Create a SIAMS account <https://studentaid.alberta.ca>
- High school grades
- Social Insurance number
- Line 150 of your parent's 2017 tax form (If over 23 years of age, you will require your own line 150 from your 2017 tax form)
- Your Alberta Student Number, you can get this from transcripts or look it up here: <http://www.education.alberta.ca/students/asn.aspx>
- Your program and year:
 - ★ Program: Bachelor of Science
 - ★ Major: Biology
 - ★ Year: 1 of 4
- School dates for 2018-2019 academic year:
 - ★ Full year: (September 4, 2018 – April 17, 2019)
 - ★ Fall semester: September 4, 2018 – December 17, 2018 (some students do this as they find they receive enough funds to cover both fall and spring. If you only apply for fall loans you need to do a confirmation of enrolment for the spring, so you don't go into repayment)
 - ★ Spring semester: January 7, 2019 – April 17, 2019 (spring semester starters)
 - ★ Summer semester: Apply around March on the same 2018-2019 application once you know what you can take class wise. If your classes are after August 1, 2019 you would apply on the new 2019-2020 application.
- MSFAA number (only if you have had previous loans through Alberta/Canada)
- Tuition and fees: normally you would replicate the figures in the boxes below as these figures represent a full course load (5 courses) for tuition, fees and books - you can enter \$500 for computer costs.
