University of Lethbridge

FACULTY OF ARTS & SCIENCE

Shining Student

"It might sound corny but university is a chance to explore who you are as a person. Don't limit yourself! Seize every opportunity you get here and try lots of new things, you might be surprised at all the experiences you're opened up to when you put yourself out there.

Also, it's okay if you run out of breath walking up the Fine Arts stairs, we all do."
