PS III is a five-course equivalent integrated semester including half-time teaching and professional study in curriculum design, leadership, advanced methods, and reflective practice. Intern Teachers are assigned full time to schools for the semester during which they assume responsibility for approximately one-half of the teaching day. PS III professional study is designed to complement and enhance the internship. The professional study components may occur on or off-campus and are coordinated by the University Consultants in collaboration with Intern Teachers and school personnel.
