

Emergency Dining Plan Bursary Fund Terms of Reference

Housing Services recognizes that proper nutrition is an important component of student success. The Emergency Dining Plan Fund is intended to support current resident students who have insufficient resources and /or low or diminished Dining Plan balance. This fund is not intended to address chronic resource shortages, but to serve as a onetime measure of assistance for those students who may encounter unforeseen circumstances that result in a food shortage during their studies at the University of Lethbridge.

Applicants will submit a completed application to Housing Services in order to initiate the review process. Eligible Applicants will then be assessed for financial distress and/or food insecurity. If awarded an Emergency Dining Plan Bursary the recipient will have the determined amount credited to their Residence Dining Plan account balance or added as a food credit.
