MANDATE STATEMENT

The University of Lethbridge is a public, board-governed university operating as a Comprehensive Academic and Research Institution under the authority of the Post-secondary Learning Act of Alberta.

Founded on the principles of liberal education, the University of Lethbridge provides undergraduate and graduate programs in education, fine arts, health sciences, humanities, management, nursing, sciences, and social sciences, leading to bachelor's, master's and doctoral degrees. The institution also provides certificate programs, post-baccalaureate certificate programs, post-graduate certificate programs and post-master's certificate programs that lead to professional specialization, and open studies for lifelong learners.

The University of Lethbridge conducts pure and applied research and establishes and sustains facilities for pursuing original research. The University develops centres of research excellence in areas in which it has special expertise or that have particular relevance to the region or province. Programs of research, scholarship and creative activity include the study of fundamental issues for their intrinsic intellectual, aesthetic or philosophical interest, and of practical challenges of direct importance for social, cultural, economic or environmental wellbeing. The University of Lethbridge protects free inquiry and scholarship, facilitates access to scholarly resources, and supports artistic expression and the free and open scholarly discussion of issues.

In support of Campus Alberta, the University of Lethbridge collaborates with other institutions to ensure transferability within the province's postsecondary education system and delivers seamless learning opportunities. As part of this commitment, the University works with other institutions to provide degree completion opportunities for university transfer students and diploma graduates.

Across the spectrum of intellectual pursuit, the University of Lethbridge continually develops innovative programs and research collections in existing and emerging disciplines to meet the needs of students, society and the economy. This includes collaborating with First Nations, Métis and Inuit peoples to develop programs and collections that are relevant and accessible to them.

The University of Lethbridge serves a variety of student groups: undergraduate and graduate students; transfer students; high school graduates; First Nations, Métis and Inuit students; adult learners; international students; and immigrants. It also serves students on campuses in Edmonton and Calgary and, through distance learning technology, students across the province, the country and the world. The University of Lethbridge strives to make university-level education available to all Albertans, including those living outside major urban centres and those who have traditionally not sought university education.

The University of Lethbridge fosters a learning community that meets the educational and personal growth needs of its students. This learning community emphasizes teaching excellence, exposure to research, information literacy, interaction with professors and instructors, effective academic advising and personal counselling, and a spectrum of cultural, recreational and extracurricular opportunities. The University of Lethbridge values a high quality of teaching and emphasizes the mutually beneficial relationship between teaching and research. Other facilities and services, such as the Library, student residences, health services, theatres and other performance spaces, and sports and recreation facilities support and enrich the student experience and the lives of community members while respecting environmental sustainability. The University strives to enhance its educational environment through innovation and creativity.

The University of Lethbridge builds mutually supportive relationships and partnerships, addresses the cultural and societal needs of the communities it touches, and advocates the critical role that education plays in the growth and well-being of an informed society. The University further contributes to society by discovering, preserving, synthesizing and disseminating knowledge for the benefit of all.

OUR PROMISE

To our students, we make a promise:

A promise to do our best, so they can be their best.
A promise to foster exploration, to share ideas and information, to teach but also to learn.
A promise to build the buildings, acquire the technology, cultivate the partnerships, and welcome the people essential to advancing an environment that excites and ignites learning.
A promise to create an environment where professors and students are colleagues and everyone grows together, an environment that recognizes the power of every student's dream. And helps that dream come true.
DESTINATION 2020

Where we are going

We will be Canada's destination for all who seek a comprehensive, liberal education-based university that promotes a diverse and inclusive environment and inspires research-informed teaching and learning, creative discovery, scholarship, professional endeavour, experiential opportunities and community engagement.

The University of Lethbridge is Alberta's Destination University. Founded in 1967 on traditional Blackfoot land, we are a community that fosters an atmosphere of discovery, a welcoming place where students and faculty have the freedom to think, create and explore together. People are the essential resource of our institution; they define our university and are our greatest strength.

Who we are

We are committed to the individual student as a person of ultimate worth. Our students learn within and beyond the classroom in a research-intensive environment that offers connections with the diverse communities we serve. Students are taught by inspired scholars who integrate research and creativity with teaching.

Our motto, Fiat Lux (“Let There be Light”), and our founding principle of liberal education, continue to define and inspire us. We are committed to being the comprehensive academic and research university in Alberta that empowers individuals with broader knowledge and prepares them to think critically and creatively, communicate clearly, solve complex problems, and contribute fully to society. We give people more than an education: we give them a life trajectory and the tools to make a difference.

High quality is central to all that we do. Our commitment to maintaining high quality undergraduate and graduate academic programs is important to fostering a better society. High quality instruction and teaching are essential to our commitment to quality, as are the vibrant programs of research and creative activity that are a differentiating feature of our institution and a central part of our culture as a Comprehensive Academic and Research Institution. High quality facilities and services support our institution and its students, staff and academic staff.

The University of Lethbridge was born from the needs and aspirations of our local communities, and so access to our university is a foundational value. We are committed to providing student access to our high quality academic programs throughout the province, without creating unnecessary financial barriers. Community engagement with our university (and vice-versa) and the community use of our facilities are important to us.

Our liberal education foundation, combined with our student focus and research and creative excellence, enable a distinctive student experience across three campuses in Alberta - Lethbridge, Calgary and Edmonton. The result is engaged citizens, who are intent on understanding relevant issues and on improving our region, our country and our world.

- We value, encourage and celebrate the talents and efforts of our students, faculty, staff and alumni.
OUR FUNDAMENTAL PRINCIPLES

The University of Lethbridge is committed to the following fundamental principles:

OUR COMMITMENT TO SOCIETY

We adopt a global perspective and cultivate responsible citizens who contribute to build better societies.

We encourage and protect free inquiry and expression, and model collegial and civil debate, dissent and controversy to critically explore and resolve issues.

We share with our communities our research, scholarship, creative activities, facilities, resources and initiatives, involving our communities wherever possible. This helps us anticipate and respond to societal needs.

We promote diversity and gender equity, and ensure equal opportunity for participation.

We are committed to collaborating with First Nations, Metis and Inuit peoples and communities to ensure that our partnerships, and ensuing programs, meet the needs of these communities.

OUR COMMITMENT TO CREATIVITY, INQUIRY, AND DISCOVERY

We believe in academic freedom. Research and acquiring knowledge are inherent societal goods and ends in themselves.

We encourage and support research, scholarship, critical inquiry and creative performance, in all areas in which we teach, and in areas of special relevance locally, nationally and globally.

We conduct research in many forms, including that with the broadest scope and longest term, and communicate the outcome of these efforts. Wherever appropriate, we connect our research and scholarship to the needs and aspirations of the communities we serve.

We sustain, and provide access to, the scholarly resources and knowledge base needed for research, scholarship and creative activity.

OUR COMMITMENT TO STUDENTS

We offer students a liberal education, the best preparation for their future, which provides a wide base of knowledge and promotes academic skills that students can apply broadly.

We are student-centred, and help students achieve their full potential by facilitating their intellectual growth and personal excellence in an atmosphere of engagement within and beyond the classroom.

We are a comprehensive university, offering excellence in undergraduate and graduate university education, and striving for a balance between our focus on teaching and our commitment to research, scholarship and creative activities.

We promote effective teaching and learning, applying face-to-face learning, experiential learning, and online and distance learning where those delivery modes make the best sense.

We strive for inspirational teaching and learning, which takes place in an environment of respect, free from discrimination.

We expand horizons and develop a global mindset, educating our students to become citizens of a complex society, capable of making important contributions.
OUR COMMITMENT TO RESPONSIBLE ACTION

We emphasize ethical action and are environmentally, socially and financially responsible.

We practice procedural fairness and act in accordance with all applicable codes of professional and ethical practice and conduct.

We use leading technology effectively, to facilitate and enhance learning and research relationships among students, faculty members and other University stakeholders.

THE UNIVERSITY SHIELD

The University of Lethbridge adopted its official Shield (shown left) in 1973, six years after the University’s inception. Developed by a Senate committee with the leadership of University President Dr. William E. Beckel, the Shield design and Heraldic description was approved by the Senate on October 2, 1973 and ratified by the Board of Governors later that month.

The Shield was designed primarily in the University’s colours of blue and gold. The gold sun on the blue shield represents southern Alberta. The blue and silver book above the gold and blue wreath represents the search for knowledge. The University’s motto, ‘Fiat Lux,’ Latin for ‘Let there be light,’ is lettered on a gold and silver band below the shield.

In 2003, the original design was simplified (shown right). The new shield brings focus to the fiery sun with twisted Aztec rays and to the motto, ‘Fiat Lux.’

UNIVERSITY OF LETHBRIDGE STUDENTS AND THE ALBERTA WORKERS’ COMPENSATION BOARD
In 1985, the Alberta Workers’ Compensation Board issued an Order under Section 7 of the Workers’ Compensation Regulation which provides that the Workers’ Compensation Act applies to students registered in and attending the University of Lethbridge (and other post-secondary institutions in Alberta) while they are in attendance. The Workers’ Compensation Board coverage does not extend to students who suffer accidents while engaging or participating in extracurricular sporting, recreational, social or personal fulfillment activities which are not a current academic requisite or which are not required as a part of the course of study in which the student is registered. Workers’ Compensation Board coverage means students are treated as employees when injured in an incident related to the course of studies.
The University’s Risk and Safety Services is available to assist the student if a Workers’ Compensation claim is required.

5. Course prerequisites must be met where applicable and Faculties are responsible for enforcing prerequisites. Open Studies students are required to present unofficial transcripts of prior secondary and/ or post-secondary work at registration, if registration into a course with a prerequisite is to proceed.
6. Open Studies students have access to classes only as space and quotas permit. Registration must take place at dates specified in the Academic Schedule (p. 15).
7. Open Studies students must meet minimum academic standards for continuation of registration privileges. W. hile under Open Studies student status, students are allowed a maximum of two grades below 'B'. Any subsequent grade below 'B' (at the master's level) or B (at the doctoral level) results in permanent suspension of Open Studies student registration privileges. Students should consult the Admission Requirements and Academic Standards sections in the applicable program-specific Part of the Calendar.
8. Open Studies students are not eligible to use the Credit/Non-Credit designation.
9. Open Studies students are subject to the same Course Withdrawal policies as admitted students. Please refer to Section 8.d. (p. 55) for complete information.
10. Open Studies students may apply for formal admission or readmission at any time through one of the approved admission routes. At the point of admission, courses completed via the Open Studies student route are included in the admission decision process (see the Admission Requirements section in the applicable program part of the Calendar).
11. Open Studies students whose Open Studies registration privileges have been suspended may not re-register until they have attended another post-secondary institution and have been offered admission to a University of Lethbridge program.
12. Students who were previously Required to Withdraw may present courses completed via the Open Studies student route when reapplying for admission.
13. Upon subsequent application for admission or readmission, courses completed via Open Studies student registration may be counted toward the student's program, subject to the approval of the respective graduate program administrator.
14. Only students who have been admitted to a University of Lethbridge program may graduate with a University of Lethbridge degree, diploma or certificate. (However, students who have been previously admitted, and not subsequently Required to Withdraw, may graduate while under Open Studies student status. Such students must have been admitted to the program of graduation at some point. As well, such students must have met the admission and graduation requirements of that program).

Students who have been Required to Withdraw must be readmitted to the University and to the program of study before they will be permitted to graduate. Such students must apply for admission according to regular application procedures and deadlines.

15. The University occasionally offers non-credit programs to selected groups of students, as do other agencies. Such students may not be eligible for registration via the Openpen Student route. With the permission of the Registrar, students participating in approved non-credit programs may register concurrently in credit courses as Open Studies students. Such registrations must be authorized in advance by the Registrar.

4. WHEN TO REGISTER

See the Academic Schedule (p. 15) for specific registration dates. Students who fail to complete registration during the specified period may be assessed a late fee.

a. New Students and Those Returning After an Absence

After applications have been processed, those eligible for admission receive full instructions on the procedures to be followed to complete registration.

b. Admitted Students

Students currently registered at the University register at the times indicated in the Academic Schedule (p. 15).

5. ORDER OF REGISTRATION

Registration occurs in the following order:

1. Continuing Students admitted to the University of Lethbridge pursuing graduate programs of study offered by the University, continuing from one fall, or spring, or summer semester to the next term.

2. Newly admitted students or readmitted after an approved leave of absence and students admitted to another graduate program at the University of Lethbridge and who meet admission requirements.

Exchange students attending the University under the Western Deans’ Agreement (see the Western Deans’ Agreement in the appropriate Faculty Part of the Calendar). Visiting Students (see p. 25); and Openpen Studies Students (see p. 26).

3. Students auditing courses (see p. 26). Newly admitted graduate students may register, upon accepting the Offer of Admission by paying the Confirmation of Admission deposit.

Continuing students in the M.Ed. or M.C. programs who did not register during early registration will be permitted to register on a first-come, first-served basis.

6. REGISTRATION LIMITATIONS

a. Timetable Conflicts

Registration into classes which overlap or create time conflicts will not be processed. To avoid delays at registration, students must consult the current semester Timetable.

b. Duplication of Registration

A student may not register in more than one section of a course offering in a semester.

A student may not be registered in the same course in more than one semester simultaneously (e.g., in both summer semester and fall semester).

c. Faculty Quotas

Admission to the University does not constitute a guarantee that a student will be able to register for any specific course in a given semester. Enrolment limits are enforced by all Faculties.

d. Graduated Students

A student who has graduated from a program at the University must successfully apply for admission to another program in order to pursue studies as an admitted student. Otherwise such students must register using the Openpen Studies Student route (see p. 26).

e. Holds on Registration

A Faculty/School may place specific registration requirements upon a student. In such cases, at the request of the respective Dean or designate, the Registrar's Office may restrict a student's access to registration.

7. COURSE ADD/DROP

Courses may be added and/or dropped after initial registration as approved by the respective graduate program administrator. No changes other than withdrawals from individual courses are permitted after the Add/Drop period.

8. CANCELLATION AND WITHDRAWAL

a. Classroom Privileges - Students

Students have classroom privileges for the course offering in which they are registered. Classroom privileges mean that a student is entitled to attend class meetings as required by the instructor and detailed in the course outline. Students who are not registered may be granted classroom privileges at the discretion of the instructor. Students who do not have classroom privileges may not attend a class. Instructors may authorize guests to attend a class. Audit registration is also normally available for people who would like to attend a class on a regular basis.
b. Cancellation of Registration

Students may cancel their registrations by the Add/Drop deadline in any semester:

- Open Studies Students who cancel their registration by the Add/Drop deadline in a fall or spring semester forfeit the $200 non-refundable deposit and the non-refundable $20 Open Studies Student Registration fee.
- Open Studies Students who cancel their registration by the Add/Drop deadline in a summer semester forfeit the $20 Open Studies Student Registration fee only.

Students must cancel their registration using the Bridge (www.uleth.ca/bridge).

Students who register and decide not to attend but DO NOT cancel their registration by the Add/Drop deadline shall be assessed tuition and compulsory fees according to the fee assessment schedule in Fees, Section 8.b. Withdrawals (p. 32).

c. Complete Withdrawal

A student wishing to withdraw from the semester must obtain approval from the respective graduate program administrator and then notify the Registrar's Office by submitting a Complete Withdrawal form which can be obtained from the Registrar's Office. The date this form is received by the Registrar will be the official withdrawal date for purposes of fee assessment.

A 'Complete Withdrawal with Cause' is available only by approval from the respective Graduate Program Administrator.

Failure to comply with this requirement results in the assignment of failing grades and full assessment of fees—see Fees, Sections 8.b. Withdrawals (p. 32) and Refunds 8.c. (p. 32). Grades are not assigned when a student withdraws.

Students are responsible for ensuring that the Registrar’s Office receives the request for withdrawal by the relevant deadline. If a student chooses to mail his or her request for withdrawal, then the Registrar’s Office recommends that the student use Registered Mail to guarantee delivery.

d. Course Withdrawal

Students must consult with their respective graduate program administrator before withdrawing from a course.

Students whose status changes from full-time to part-time may not receive the same privileges as full-time students at the University. Eligibility for student funding and student loans may also be impacted.

1. W - Individual Course Withdrawal

Students are awarded a 'W' designation for any course from which they choose to withdraw after the first Add/Drop period and before the end of a fall, spring or summer semester upon approval from the graduate program administrator, provided the student remains registered in one or more courses. Graduate students taking undergraduate courses in the summer should consult the Academic Schedule (p. 15) for withdrawal dates. See Section 8.b “Withdrawals” in Fees, p. 32).

2. WC - Withdrawal with Cause

The designation 'WC' is recorded only in case of serious illness or other extenuating circumstances beyond the control of the student which makes continuation in a course impossible and where an 'Incomplete' designation is not in order. For admitted students, the 'WC' is recorded only on application to the School of Graduate Studies Advising Office. For Open Studies Students, the 'WC' is recorded upon application to the Associate Registrar. A student may apply for a 'WC' after Add/Drop, up to and including the last day of classes (see Section 8.b “Withdrawals” in Fees, p. 32).

9. APPEAL OF REGISTRATION

Students dissatisfied with decisions regarding registrations are entitled to a review by the Associate Registrar.

If still dissatisfied after this review, the student may address a written appeal to the Registrar who renders the final decision on behalf of the Registrar’s Office.

Students who wish to appeal decisions regarding retroactive adjustments to registrations shall have one full year from the last day of the add/drop period of the semester during which the course(s) in question were registered.

8. CANCELLATIONS, WITHDRAWALS AND REFUNDS

a. Cancellations

Cancellation of registration may be done up to and including the last day of Add/Drop for the fall and spring semesters and each summer session. All students must cancel their registration by logging on to the Bridge:

www.uleth.ca/bridge

b. Withdrawals

Individual Course Withdrawal

Students who withdraw from a course or courses are assessed a percentage of the total fee applicable for that course or those courses, effective the date of notification of withdrawal. Total fee assessment at any given time will be the sum of the course fees for each course withdrawal in accordance with the schedule below, plus the applicable general fees. Notification of withdrawal is considered effective on the date that the Withdrawal Form is received by the Registrar’s Office. Failure to comply with this requirement results in the assignment of failing grades and full assessment of fees.

Complete Withdrawal

A student wishing to withdraw from the semester must notify the Registrar’s Office by submitting a Complete Withdrawal Form which can be obtained from the Registrar’s Office. The date this form is received by the Registrar will be the official withdrawal date for purposes of fee assessment. Failure to comply with this requirement results in the assignment of failing grades and full assessment of fees. Students who mail their Complete Withdrawal Form are encouraged to use Registered Mail.

1. INTRODUCTION

All students are bound by the academic regulations contained in the most current Calendar, regardless of the Calendar they are following for program requirements. A student may obtain further information about academic regulations from the School of Graduate Studies. It is the responsibility of each student to be familiar with the Academic Regulations as outlined in this section and program specific sections of the Calendar.

2. ACADEMIC REGULATIONS

a. Grading

An instructor bears full responsibility for evaluating the academic performance of students in graded courses. An instructor must indicate at the beginning of each graded course, in writing, the detailed manner by which work will be assessed and the final grades derived and, upon request, communicate to students an estimation of their levels of performance by the end of the eighth week of the semester. An instructor may prescribe a variety of forms of evaluation, such as recitations and papers, mid-term examinations and a final examination. Final grades are determined in accordance with the grading system described in this Calendar. All grades for courses are submitted to the Office of the Dean of the Faculty/School offering a course by the date set in the Calendar. Except when a 'Course Incomplete' has been approved by both the Instructor and the Dean, there is no provision, revision or evaluation of students' work after the final grade submission deadline for graded courses. There is no provision for the late submission of final grades. Grade changes can be submitted by the instructor up to two months following the grade submission deadline (i.e., fall term grade submission deadline on December 1 - grade change permitted until February 28 of the following term). The 'I' designation must be converted by the instructor to a final grade within a maximum of one year.

b. Grading System

The University of Lethbridge and other Alberta universities use a common four-point grading system. All previous and the current University of Lethbridge grading systems are described in the table below. Under all systems, graded courses are expressed as a Grade Point Average (GPA). For students whose grades are recorded under two or three systems, the GPA is determined in the same way. No attempt will be made at differential weighting of the three grading systems.

c. Grade Point Average at the University of Lethbridge Record

The current GPA is printed on the official transcript. The current GPA is calculated on all graded courses completed in a given term. The cumulative GPA is the average of all graded courses completed at the University of Lethbridge at a given level. The cumulative GPA is calculated but does not appear on the official transcript. The GPA achieved by a student is determined by multiplying the grade points assigned to each grade by the weighting factor for the course. The total of all course grade points thus calculated is then divided by the total of the weighting factors for all courses.

Example:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Grade Points</th>
<th>Weighting Factor</th>
<th>Total Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Art 5xxx A</td>
<td>4.00</td>
<td>9.00</td>
<td>36.00</td>
</tr>
<tr>
<td>Management 5xxx B</td>
<td>3.00</td>
<td>1.50</td>
<td>4.50</td>
</tr>
<tr>
<td>Education 5xxx A-</td>
<td>3.70</td>
<td>3.00</td>
<td>11.10</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td>13.50 51.60</td>
</tr>
</tbody>
</table>

The total grade points divided by the total weighting factor = the GPA.

Note: For master's programs, the minimal pass for graded courses is 'B-' and failure is 'C+' or below. For Ph.D. programs, the minimal pass for graded courses is 'B' and failure is 'B-' or below. The following table appears on the back of official U of L transcripts.
1. Other types of GPA calculations:
   Administrative units at the University may calculate a variety of averages in order to determine eligibility for scholarships and awards, academic standing, admission, graduation, etc. When making their calculations, units may include grades for courses transferred from another institution and grades associated with the Credit/Non-Credit designation. In addition, they may choose to exclude certain grades on both University of Lethbridge and transfer courses from the GPA calculations.

   There are certain courses which are not included in the calculation of the current or cumulative GPA. These include courses transferred from another institution; the one attempt for a repeated course; and courses in which there are non-grade designations such as Credit/Non-Credit.

   In the case of courses designated as Pass/Fail, a 'P' or 'Pass' is not included in the calculation of the current or cumulative GPA, but an 'F' or 'Fail' is included in the GPA calculation. See Section 2.e.

d. Cr/NC - Credit/Non-Credit
   Initiated by: Student
   Assigned by: Instructor
   A student may elect to designate some courses as Credit/Non-Credit. This alternative is designed to encourage students to expand their academic interests by taking courses outside their field of major interest. Credit/Non-Credit is not available to Open Studies Students.

   For completion of course requirements with a grade of 'B-' or higher, the grade earned appears on the transcript automatically. If a grade of 'C+' is earned, an 'NC' appears on the transcript.

   The Credit/Non-Credit alternative may not be elected in courses contributing to the student's degree - required courses in Education and specifically - required, non-Management courses.

   No courses carrying a 'Credit' designation may be used to meet requirements where the Credit/Non-Credit designation is specifically prohibited in the Calendar. Faculties/Schools may allow substitutions for designated courses at their discretion.

   Note: Non-Credit (NC) designations are often counted by other institutions as equivalent to 'F' grades. Students planning to apply to other graduate or professional schools should consider this carefully before electing this option.

   A student may not use a Credit/Non-Credit designation to replace a grade earned previously.

e. P - Pass/Fail Courses
   Certain courses are specified as Pass/Fail in the course descriptions. For such courses, students are awarded either the designation 'P' or the grade 'P'.

   The designation 'P' indicates satisfactory completion of the objectives of a Pass/Fail course. When a student is awarded the designation 'P', the course is not included in computation of the GPA.

f. Non-Grade Designations
   Non-grade designations are assigned by the Registrar and have no grade point designation attached to them.

   AI - Administrative Incomplete
   The designation of 'AI' is recorded when a final grade is not submitted by the final grade deadline. The 'AI' is replaced by the letter grade as soon as it is received. The 'AI' designation is temporary and must be replaced by a grade as soon as possible and cannot be changed to an Incomplete designation.

   AU - Audit
   Initiated by: Student
   The non-grade AU designation is awarded in the case where a student has been granted permission to audit a course. The course appears on the transcript as 'AU'. Contact information is available at www.uleth.ca/graduate-studies.

   I - Incomplete
   Initiated by: Student
   The designation of 'I' is awarded only in case of illness or other extenuating circumstances beyond the control of the student, which make it impossible to complete the required work by the close of a semester. The 'I' designation is awarded only upon application to and approval of both the instructor and the appropriate Dean and such application is not considered until the last two weeks of classes. When the 'I' is approved, an appropriate deadline is determined for completion of outstanding work. A student who does not complete outstanding work by the assigned deadline will normally receive an 'F' in the course.

   The 'I' designation must be converted by the instructor to a letter designation within a maximum of one year; if not so converted, it becomes an 'F'. Where circumstances continue to prevent the completion of the course by the deadline, the Faculty will contact the Registrar to ensure the 'I' designation remains.

   W - Withdrawal
   Initiated by: Student
   A designation of 'W' may be recorded at any time after the Add/Drop period, up to last day of classes. The 'W' designation shall be awarded only upon formal application by the student or his/her agent to the Registrar in writing. Students are responsible for ensuring that the Registrar's Office receives the request for withdrawal by the relevant deadline.

   WC - Withdrawal with Cause
   Initiated by: Student
   The designation 'WC' is recorded only in case of serious illness or other extenuating circumstances beyond the control of the student, which make continuation in a course impossible and where an 'Incomplete' designation is not in order. For admitted students, the 'WC' is recorded only upon final approval and submission to the Registrar's Office. For Open Studies Students, the 'WC' is recorded upon application to the Registrar's Office.

   Prior to readmission to the course, students who are granted a 'Withdrawal with Cause' may be requested to provide evidence that the conditions which led to the withdrawal (WC) have been identified and addressed. This evidence must be submitted to the Registrar's Office for placement in the student's official file.
X - Continuing
Assigned by: Instructor
Used only for courses which may extend beyond one semester. Eligible courses are designated by the Faculty or School offering the course. Signifies that a grade will be awarded at the conclusion of the course and will replace the 'X' on the student's transcript.

X - Permanent
Assigned by: Registrar's Office
Used for placeholder courses to indicate that the student is active in the program but is not taking courses in a given term or is taking credit courses at another institution, under the appropriate authorization.

3. ACADEMIC STANDINGS

a. Required Withdrawal From the University
Students may be required to withdraw on two academic grounds: (1) academic standing or (2) consecutive semesters on probation.

1. Required Withdrawal - Academic Standing
Students who have completed six courses and whose cumulative GPA, at the end of the spring semester, falls below the following indices are required to withdraw from the University

<table>
<thead>
<tr>
<th>Number of completed courses GPA (includes transfer courses)</th>
<th>GPA (U of L)</th>
</tr>
</thead>
<tbody>
<tr>
<td>6-10</td>
<td>1.50</td>
</tr>
<tr>
<td>11-20</td>
<td>1.70</td>
</tr>
<tr>
<td>21-30</td>
<td>1.85</td>
</tr>
<tr>
<td>31-40</td>
<td>2.00</td>
</tr>
</tbody>
</table>

Students should be aware that regulations pertaining to required withdrawal may vary depending on the Faculty/School. Students are referred to their respective relevant program office for details on these regulations.

b. Required Withdrawal From Program
Where demand for access exceeds program/major capacity, Faculties/Schools reserve the right to set academic standards for continuation in a specific program or major. A student who is not eligible to continue in a program/major, but whose academic performance does not warrant required withdrawal from the Faculty/School or the University, is guaranteed a seat in a related program/major for which the student is qualified and which is offered by that relevant program office.

c. Repeat of a Course
At the University of Lethbridge, a student may repeat a course previously taken once.

A grade may be improved by completing either the course or its equivalent.

- Students wanting to improve their grade in an Independent Study, Series or Topics course must repeat the section with the identical title.
- Courses that are equivalent are denoted with an 'Equivalent' course element in the course description and include courses that have been renamed or renumbered, and Topics or Series courses that have been regularized.

1. If a student repeats a course, the grade for each attempt is recorded on the transcript.
2. Students may not have grades and credit hours for more than one attempt calculated in the GPA.
3. Students who have repeated a course must submit a Repeated Course form (available at the Registrar’s Office).
3. Then only the grade and credit hours for the most recent attempt are computed in the GPA.
A student may not use a Credit/Non-Credit designation to replace a previously earned grade.

d. Residence Requirements and Time Limits
The University of Lethbridge's residence requirements and time limits for completion of credentials are listed in the table on page 45.

Please note the following for the last three columns of the table:

Column A: Residence Requirement
A student who is a candidate for a graduate degree must satisfy the minimum residence requirement through successful completion of the degree requirements as specified by the University of Lethbridge and described in the Graduate Calendar.

Column B: Time Limit for Retention of Individual Course Credit
Many courses have a defined 'shelf life.' A course may be used to meet program requirements for a specific number of years. After that point, credit for that course is not retained.

Column C: Time Limit for Program Completion
A student who is a candidate for a graduate degree must satisfy all program requirements within the time limit established by the School of Graduate Studies.

4. **GRADE APPEAL POLICY**

a. **Definition**

Grade appeals deal with claims that a student's course grade has been improperly determined. Student grade appeals will be directed to the School of Graduate Studies.

In this Policy, 'instructor' shall indicate instructor/supervisor, and 'Faculty' shall indicate the School of Graduate Studies.

b. **Faculty and School Appeals**

1. The student is not required to inform the instructor(s) of an intention to appeal, but, before initiating a grade appeal, the student must have discussed the grade and how it was determined with the instructor(s). If the Faculty is satisfied that the instructor(s) was not available for this discussion, the Dean shall allow the appeal to proceed without it.

2. All grade appeals must be initiated by completion of a Grade Appeal Form, which must be received and signed by the Dean by the following dates immediately following completion of the course: fall semester courses - February 7; spring semester courses - June 7; summer session courses - October 7.

3. The Grade Appeal Form must explain why the student believes that the grade was improperly determined. The Dean’s signature on the Grade Appeal Form indicates that the student has discussed the merits of the grade appeal with the Dean, who is also charged with explaining the procedures connected with the grade appeal.

4. The Dean shall immediately forward the appeal to the Faculty Grade Appeal Chair and send signed copies of the Grade Appeal Form to both the instructor(s) and the student.

5. The Chair shall immediately request both instructor(s) and student to submit any relevant documentation pertaining to the appeal, and indicate in writing the name of the faculty member or student agreeing to serve on the Grade Appeal Committee.

6. The instructor(s) and student must each submit relevant documentation and the names of those willing to serve on the Committee no later than 14 days after the Chair’s request, after which period the Dean may act on behalf of either the instructor(s) or the student.

7. The Faculty Grade Appeal Committee shall reach a decision no later than 30 days following the striking of the Committee.

8. The Chair of the Faculty Grade Appeal Committee shall deposit the file relating to an appeal with the Dean within 10 days following an appeal decision by the Committee. The Dean shall immediately notify in writing the instructor(s) and student of the Committee’s decision.

c. **Appeals to General Faculties Council (GFC)**

1. Either the student or the instructor(s) may appeal the decision of a Faculty Grade Appeal Committee to General Faculties Council. The appeal must be submitted to the Secretary of General Faculties Council no later than 30 days after the decision of the Faculty Grade Appeal Committee has been mailed.

2. The General Faculties Council shall reach a decision regarding the appeal no later than 30 days after the date that the appeal was received by the Secretary of General Faculties Council.

3. The authority of General Faculties Council regarding grade appeals shall be delegated to the GFC Grade Appeal Committee, appointed by General Faculties Council. The GFC Grade Appeal Committee shall consist of two Faculty members, an alternate, and be chaired by the Provost & Vice-President (Academic). Members should be selected from two different Faculties with experience on Faculty Grade Appeal Committees. Appointments to the GFC Grade Appeal Committee shall be for three years, staggered to provide continuity. The GFC Grade Appeal Committee shall determine its own procedures.

4. The Chair of the GFC Grade Appeal Committee shall deposit the file relating to an appeal with the School of Graduate Studies, with a copy to the Secretary of General Faculties Council, within 10 days of the decision of the Committee regarding the appeal. The Secretary of General Faculties Council will communicate immediately in writing the decision of the Grade Appeal Committee to the student, instructor(s), Dean(s), Registrar and the Department.

d. **Committee Procedure**

(Faculty Grade Appeal Committee and Grade Appeal Committee of General Faculties Council)

1. The Grade Appeal Committee shall determine its own procedures. That said, it is understood that the instructor(s) and the student shall have opportunity to make presentations to the Committee in writing, orally or both. Both the instructor(s) and the student shall have the right to cross examine any persons who have been asked by the Committee to speak. Written submissions shall be shared.

2. Decisions of a Grade Appeal Committee shall be made by a majority vote.

3. In the case of the Faculty Grade Appeal Committee, no member of the Committee shall act as an advocate for either the student or the instructor(s) or otherwise act as a representative of some factional interest. Should the Chair of the Committee believe that the deliberations of the Committee suffer from a lack of objectivity on the part of one or more of its members, the Chair shall so inform the Dean. Following such information from the Committee Chair, the Dean may withdraw responsibility for considering the appeal from this Committee. Where the Dean withdraws responsibility for considering an appeal from a Committee, the Dean shall, following consultation with the student and instructor(s), appoint two members to a new Faculty Grade Appeal Committee who, together with the Chair, shall assume responsibility for considering the appeal.
4. A Grade Appeal Committee is not restricted in its decision to finding either for or against the request of any appeal, but may award any letter grade or any available non-grade designation. This means the Faculty and GFC Grade Appeal Committees can adjust grades up or down, or change a grade designation to a non-grade designation. In the event that an 'Incomplete' is awarded, the Committee must prescribe the procedure by which the 'Incomplete' will be converted into a letter grade or non-grade designation.

5. A written report supporting any Faculty Grade Appeal Committee decision must be submitted in every case. The report of the Faculty Grade Appeal Committee shall include a summary of the Committee's rationale for the decision. Where the Committee's decision is not unanimous, the report may contain, but is not required to contain, a dissenting opinion.

6. After a grade appeal is completed, personal materials must be returned to the instructor(s) and student.

7. The decisions of the GFC Grade Appeal Committee shall be final.

5. STUDENT DISCIPLINE POLICY - ACADEMIC OFFENCES

a. Introduction
The integrity of the University and of the degrees the University confers is dependent upon the honesty and soundness of the teacher-student relationship, as well as the integrity of the evaluation process. Conduct by any student that adversely affects this relationship or process represents an academic offence. The following describes the principal academic offences and procedures for their investigation and penalization. This policy pertains to such conduct where it involves any person registered in a University course (credit or non-credit).

b. Plagiarism
No student shall represent the words, ideas, images or data of another person as his or her own. This regulation will affect any academic assignment or other component of any course or program of study, whether the plagiarized material constitutes a part or the entirety of the work submitted.

c. Cheating
1. In the course of an examination, no student shall obtain or attempt to obtain information from another student or other unauthorized source, or give or attempt to give information to another student, or knowingly possess, use or attempt to use any unauthorized material.
2. No student shall represent or attempt to represent oneself as another or have or attempt to have oneself represented by another in the taking of an examination, preparation of a paper or other assessed activity.

d. Duplication
No student shall submit in any course or program of study, without both the knowledge and approval of the person or persons to whom it is submitted, all or a substantial portion of any academic assignment for which credit has previously been obtained or which has been or is being submitted in another course or program of study in the University or elsewhere. (This clause is not intended to prevent the integration of learning but, rather, to prevent duplication of credit for a body of work.)

e. Confidential Materials
It is an offence knowingly to procure, distribute or receive any confidential academic material such as pending examinations or laboratory notebooks.

f. Misrepresentation
It is an offence knowingly to misrepresent material facts to another for the purpose of obtaining academic advantage or credit. One example of this offence occurs whenever a student submits in any course or program of study any academic assignment containing a statement known by the student to be false or a fabricated reference to non-existent sources or documents.

g. Other Offences
1. Any other conduct by a student which adversely affects the integrity of the instructor-student relationship and/or the evaluation process will be considered an academic offence.
2. Faculties and Schools may define and must publicize any other academic offences specific to a given program, together with attendant penalties. A statement of such offences and penalties must be approved by the General Faculties Council.

h. Discipline Procedures
In this Policy, 'instructor' shall indicate instructor/supervisor.

Any member of the University community who believes that a student has violated academic regulations may initiate proceedings against the student.

1. An instructor who believes that a student has committed an academic offence should proceed according to Section i. Procedures and Penalties section below.
2. Any other person who believes that a student has committed an academic offence should communicate to the instructor of the affected course the particulars of the time and place and provide a brief summary of the alleged misconduct. Where the alleged academic offence does not involve a specific course, the allegation of misconduct should be directed to the School of Graduate Studies.

i. Procedures and Penalties
1. The instructor must review the alleged offence with the student and shall advise the student to refer to the Discipline Policy.
2. Where the instructor has reason to believe that an offence has been committed, he/she must impose a written reprimand in which a summary of both the offence and additional penalty, if any, is included. Penalties in addition to a letter of reprimand in the file may be imposed. Such penalties are less severe than suspension or expulsion, insofar as the student's admission/registrar status is maintained. In addition to the reprimand, the instructor may impose one or more of the following additional penalties:
a. Additional work.
b. Grade reduction in or rejection of the assignment.
c. Grade reduction in the course.
d. A grade of 'C+' in a master's level course or a grade of 'B-' in a doctoral level course. If a student is given a grade of 'C+' at the master's level or a 'B-' at the doctoral level, then the student is no longer registered in that offering of the course and no longer has classroom privileges. Should a student elect to appeal this penalty, the student will remain registered until the appeal is decided. See Section J, below for information regarding the appeal process.

The instructor shall forward a copy of the written reprimand to the Dean for inclusion in the student's file in the Registrar's Office. The Registrar shall inform the Dean if there is a previous reprimand in the student's file.

At the discretion of the Dean, a student with a previous academic offence on file may be subject to further disciplinary action. Such action will be progressive, aimed at correcting inappropriate academic behaviour and could include penalties ranging from a recommendation of a grade reduction to suspension or expulsion. The Dean may refer such a case to the GFC Discipline Committee when a penalty listed above has been applied. The Dean has the option of referring a case to the GFC Discipline Committee, even in cases where there is no appeal by the student.

j. Appeals of an Instructor's Decision
Within seven working days of receipt of the written statement described immediately above, the student may challenge either the accusation of having committed an offence or the penalty imposed by an instructor for an offence by submitting a written appeal to the Dean. The Dean shall review the case and either uphold the instructor's decision, reduce the penalty, or dismiss the case. The Dean shall inform the student and instructor in writing of this decision. If an allegation of an academic offence is dismissed, the written notice in the student's file shall be destroyed. The Dean's decision regarding the appeal of the instructor's decision shall be final.

k. Severe Penalties - Suspension and Expulsion
Severe penalties including suspension and expulsion may be imposed and result in a student losing his/her admission/registration status. See Section I, Suspension/Expulsion below.

l. Suspension/Expulsion
1. Suspension
Suspension requires a student to withdraw completely from the University for a specified period of time, to a maximum of three years. Upon expiry of the period of suspension, the student will be permitted to reapply to the program from which he or she was suspended, subject to the appropriate admission standards and requirements applicable at the time of reapplication.

2. Expulsion
Expulsion requires a student to withdraw completely from the University for an indefinite period of time.

The student shall not be permitted to return without the written approval of the Provost & Vice-President (Academic) in consultation with the School of Graduate Studies. Such approval shall not normally be given before the expiry of three years.

3. Procedures
a. If the instructor considers that the case requires suspension or expulsion, he/she shall make such recommendation in writing to the Dean, outlining the particulars of the case, with a copy to the student. The instructor shall advise the student to seek advice from his/her relevant program office and/or the Registrar.

b. If the Dean considers that suspension or expulsion is in order, he/she shall so notify the Discipline Committee in writing, with a copy to the student. The Discipline Committee shall hear the case and will have the authority to expel, suspend, implement a lesser penalty or dismiss the case.

c. During the period from the time of any recommendation of suspension or expulsion until the point of a final decision, the student shall receive a grade of 'Incomplete' for the course in which the charge was laid. This includes the time until an appeal has been heard. A student shall be allowed to continue his/her program of study until a decision is finally rendered. There will be no loss of credit for courses taken during this period of time.

d. In the event that the decision affects the graduation status of the student, the decision regarding the offence shall be rendered as soon as possible. Nonetheless, where delay in reaching the decision results in postponement of graduation, the University will not be held responsible unless the decision has been unreasonably withheld.

m. Discipline Committee
1. Composition
The Discipline Committee shall consist of the Provost & Vice-President (Academic) or designate as Chair, two faculty members appointed by the General Faculties Council and two student members nominated by the Graduate Students Association. One alternate faculty member and one alternate student member shall also be appointed and will be invited to serve in the event that Committee members are unable to do so.

2. Quorum
A quorum shall consist of four, to include the Chair plus a minimum of one faculty and one student member.

3. Conflict-of-Interest
To encourage impartiality, Committee members shall not serve during investigations of students with whom they have familial or other close associations. Faculty members shall not serve during investigations of students currently taking courses taught by that faculty member.

The Chair shall rule on the eligibility of Committee members in cases regarding potential conflict-of-interest.
4. Procedures
The Discipline Committee shall set its own procedures for investigation, subject to the following guidelines:

a. The Chair shall inform the student in writing of the academic regulation which is alleged to have been violated and the possibility of suspension or expulsion. The student shall be informed (by Registered Mail), at least 14 days prior to the date of the hearing, of the date, time and place of the hearing and notified that if the student does not appear, the Committee may hear the case in the student’s absence.

b. The student may be accompanied by an advisor, or represented by a designate, who may speak on the student’s behalf and/or the student may submit a written statement.

c. The Chair shall notify the Dean and the instructor who lodged the original complaint, of the date, time and place of the hearing, together with a copy of any written submission from the student and shall request the Dean’s/instructor’s attendance at the hearing.

d. The student, his/her advisor or designate and the Dean/instructor shall have the right to cross-examine any persons who have been asked by the Committee to speak and may call forward witnesses or other persons.

e. The hearing shall be in camera. A confidential record of the hearing shall be kept.

5. Decision of the Discipline Committee
At the conclusion of the hearing, the Discipline Committee shall decide by majority vote whether suspension, expulsion or a lesser penalty is warranted. The Committee shall take into consideration the disciplinary record of the student.

The Discipline Committee shall prepare a brief summary of the evidence and arguments presented, the decision of the Committee and the rationale for the Committee’s decision. This document shall be signed and delivered within seven days of the conclusion of the hearing to the University President, who shall communicate the same to the student.

If the student is to be suspended or expelled, the date of implementation shall be sent by Registered Mail. A copy of the Discipline Committee’s report shall be placed in the student’s file in the Registrar’s Office and a copy shall be sent to the Dean. A notation concerning suspension or expulsion shall be placed on the student’s transcript.

6. Appeals of the Decision of the Discipline Committee
Within 30 days of receipt of the notice described immediately above, the student may appeal in writing to the Board of Governors a decision of the Discipline Committee. The Board of Governors decision regarding the case shall be final.

6. STUDENT DISCIPLINE POLICY - NON-ACADEMIC OFFENCES

NOTE: Urgent Situations
Notwithstanding the information below, in the context of non-academic offences, any member of the University community who becomes aware of an urgent situation and has reasonable cause to believe that serious harm to individuals may result must immediately notify the Director, Security and Parking (telephone: 403-329-2345) or call 911.

a. Introduction
The integrity of the University Community depends upon student conduct which upholds the Principles of Student Citizenship (see p. 14). Basic principles of academic integrity include “honesty in learning, teaching, research, service; respect (for) . . . colleagues, instructors, and administration . . . responsible for upholding the integrity of scholarship and research.” A more complete description of fundamental principles is found in Section B.2 on p. 14. The following describes the principal non-academic offences and procedures for their investigation and penalization. This policy pertains to such conduct where it involves any person registered in a University course (credit or non-credit).

b. Disruption
1. Students should maintain the freedoms of other members of the University community including freedom of thought, beliefs, opinion, expression, peaceful assembly and association. Behaviour contravening or limiting these freedoms constitutes disruption.

2. Student conduct which unduly interferes with instruction including scheduled lectures, seminars, tutorials or other instructional activities, or with course examinations or other evaluation procedures will also be considered a disruption.

3. Student conduct which unduly interferes with learning and studying in the University Library will be considered disruption.

c. Abuse, Harassment and Dangerous Activity
1. Abuse

a. A student shall not threaten or engage in physical abuse of any other member of the University community, his/her property, or his/her family. No member of the University community shall be placed in a situation of fear of physical abuse or fear of damage to his or her property. A student shall not knowingly incite others, by whatever means, to threaten by physical abuse or to engage in physical abuse of individuals or groups of individuals within the University community.

b. A student shall not engage in verbal abuse of any other member of the University community. A student shall not knowingly incite others, by whatever means, to engage in verbal abuse of individuals or groups of individuals within the University community.

1. A student shall not convert, damage or destroy any University property, equipment, facility or service.
2. A student shall not deface the exterior or interior of any building, structure or facility of the University.
3. A student shall not misuse a facility by gaining unauthorized entry or by remaining in a facility without appropriate authority. Facilities include, but are not limited to: all University buildings, structures, parking lots, athletic playing fields and lands.
4. A student shall not misappropriate any University property, equipment, facility or service.

e. Misrepresentation and Falsified Documents
1. A student shall not submit, or cause to have submitted, false or misleading documents in support of any University activity.
2. A student shall not produce and/or use falsified University documents for any purpose.

f. Other Offences
Any other conduct by a student which adversely affects the safety of the University community and/or its members will be considered a non-academic offence.

g. Initiation of Procedures
1. Any member of the University community who believes a student has committed a non-academic offence may, by a signed statement, initiate proceedings against that student.
2. The complaint shall be a detailed written description of the incident and shall include the time, place and persons involved, as well as all relevant information concerning the incident. The complaint shall be referred as indicated immediately below and copied to others as required.
3. Referral
   a. Actions that interfere with the teaching, learning and research functions of the University are to be referred to the Dean of the Faculty/School in which the course involved is offered. See Section h. below
   b. Actions which interfere with learning and research activities in the University Library are to be referred to the University Librarian. See Section h. below
   c. All other offences are to be referred to the Director, Security and Parking. See Section i. below

h. Procedures: Non-Academic Offences in Instructional Space, Research Facilities or Library
1. When a student disrupts instructional activities, the instructor may exclude the student immediately from instructional space and/or from future scheduled instructional meetings of that course pending further actions by the School of Graduate Studies. When a student disrupts research activities, the instructor may exclude the student immediately from research areas pending further actions by the Dean. The instructor must immediately notify the Dean of the Faculty/School in which the course is offered or in which the research is being undertaken. Such notification must be by means of a signed statement as per Section g.2 above. Once the statement is received, the Dean will notify both the Director, Security and Parking and the Registrar and provide each of them with a copy of the signed statement.

   When a student disrupts learning, research activities, or operations in the Library, Library staff may exclude the student immediately from the Library. Staff must immediately notify the University Librarian or designate, the Director, Security and Parking and the Registrar. Such notification will consist of a signed statement as per Section g.2 above.

2. Actions
The School of Graduate Studies or University Librarian will take the following actions:
   • Meet with the student and advise the student to refer to the Non-Academic Offences section in the Calendar.
   • Consult and coordinate with Security Services, Counselling Services and others as required.
   • Place a letter of reprimand in the student's file in the Registrar's Office. The Registrar shall inform the Dean or University Librarian if the student has a previous reprimand in his/her file.

3. Penalties
Penalties in addition to a letter of reprimand in the file may be imposed. Such penalties are less severe than suspension or expulsion, insofar as the student's admission/registration status is maintained.
   a. By the Dean, exclusion from one or more courses for a defined number of meetings or to the end of the semester

   e. By the University Librarian, exclusion from the Library

   At the discretion of the Dean or University Librarian, a student with previous non-academic offences on file may be subject to further disciplinary action. Such action will be progressive, aimed at correcting inappropriate behaviour in the locations identified above and may include penalties ranging from a recommendation of simple exclusion to severe penalties such as suspension and expulsion.
4. Appeal

Students may appeal either the charge of an offence or the penalty imposed or proposed by the Dean or University Librarian to the Associate Vice-President (Academic), within seven working days of receipt of a written indication of the offence and penalty. The Associate Vice-President (Academic) may dismiss the case, confirm the decision of the Dean or University Librarian or take additional action if appropriate. The student shall, in such case, be informed in writing and a copy of the notification shall be placed in the student's file in the Registrar's Office. The decision of the Associate Vice-President (Academic) shall be final.

5. Severe Penalties - Suspension and Expulsion

Severe penalties including suspension and expulsion may be imposed and result in a student losing his/her admission/registration status. See Section j, Suspension/Expulsion below.

i. Procedures: Non-Academic Offences Outside Instructional Space, Research Facilities or Library

1. When a student commits a non-academic offence outside instructional space, research facilities or the Library, any member of the University Community may initiate proceedings against that student. All offences committed outside the identified areas are to be referred to the Director, Security and Parking.

2. Actions

- Meet with the student and advise the student to refer to the Non-Academic Offences section in the Calendar.
- Consult Counselling Services and others as required.
- Notify the School of Graduate Studies, where warranted.
- Place a letter of reprimand in the student's file in the Registrar's Office. The Registrar shall inform the Director, Security and Parking if the student has a previous reprimand in his/her file.

3. Penalties

Penalties in addition to a letter of reprimand in the file may be imposed. Such penalties are less severe than suspension or expulsion, insofar as the student's admission/registration status is maintained. The Director, Security and Parking may impose the following penalties:

a. Reparation
b. Exclusion from defined areas of the campus
c. Exclusion from campus
d. Other limitations as required

At the discretion of the Director, Security and Parking, a student with previous non-academic offences on file may be subject to further disciplinary action. Such action will be progressive, aimed at correcting inappropriate behaviour in the locations identified in Section 6.i.1. and may include penalties ranging from a. to d. above to suspension and expulsion.

4. Appeal

Students may appeal either the charge of an offence or the penalty imposed or proposed by the Director, Security and Parking to the Registrar, within seven working days of receipt of a written indication of the offence and penalty. The Registrar may dismiss the case, confirm the decision of the Director, Security and Parking or take additional action if appropriate. The student shall, in such case, be informed in writing and a copy of the notification shall be placed in the student's file in the Registrar's Office. The decision of the Registrar shall be final.

5. Reparation

Once assessed by the University, reparation for repairs and/or replacement for physical damage shall be paid to the University.

6. Severe Penalties - Suspension and Expulsion

Severe penalties including suspension and expulsion may be imposed and result in a student losing his/her admission/registration status. See Section j, Suspension/Expulsion below.

j. Suspension/Expulsion

1. Suspension

Suspension requires a student to withdraw completely from the University for a specified period of time, to a maximum of three years. Upon expiry of the period of suspension, the student will be permitted to reapply to the program from which he or she was suspended, subject to the appropriate admission standards applicable at the time of reapplication.

2. Expulsion

Expulsion requires a student to withdraw completely from the University for an indefinite period of time. The student shall not be permitted to return without the written approval of the Provost & Vice-President (Academic) in consultation with the Registrar. Such approval shall not normally be given before the expiry of three years.

3. Procedures Governing Suspension/Expulsion

a. If the Dean or University Librarian considers that the case requires suspension/expulsion, he/she shall make such recommendation in writing to the Registrar, outlining the particulars of the case, with a copy to the student. Should the Director, Security and Parking consider that the case requires suspension/expulsion, he/she shall consult with the Dean of the program in which the student is registered and they shall jointly make such a recommendation.

b. If the Registrar considers that suspension/expulsion is in order, the Registrar shall notify the Discipline Committee in writing, with a copy to the student. The Discipline Committee shall hear the case and will have the authority to expel, suspend, implement a lesser penalty or dismiss the case.
7. CAVEAT - AUTHORITY TO RESCIND REGISTRATION PRIVILEGES/PROHIBIT ACCESS TO UNIVERSITY PROPERTY

a. Until modified by resolution of the Board, the President shall have the power and authority in his/her capacity as President, and as representative of the Board of Governors, to rescind any student's registration in a course, an undergraduate studies program, or graduate studies program at the University of Lethbridge and prohibit the student from accessing University property at any time.

b. The powers of the President to rescind a student's registration and prohibit access to University property may be exercised in any circumstance where the President in his/her sole discretion determines that:
   1. The individual represents a potential risk to the safety, security or well-being of members of the University community, including but not restricted to students, faculty and administration;
   2. The best interests of the University outweigh the inclusion of the individual at the University.

c. The President shall not take such action without first consulting with the Provost & Vice-President (Academic) and the Vice-President (Administration). The Coordinator of Counselling Services and the Director, Security and Parking may also be consulted.

d. Any decision made by the President to rescind a student's registration privileges and prohibit access to University property shall be final and without appeal to any body in the University of Lethbridge.

e. Such students may be considered for Open Studies status or readmission only by the President, normally after the lapse of one year. Students must provide evidence that the issues leading to the rescinding of registration privileges/prohibition of access to University property have been addressed.

k. Referral to Civil Authorities

The University reserves the right to notify or summon the appropriate civil authority in any individual matter regarding non-academic offences. The University President or designate is the sole official who may summon the civil authority in the name of the University.

8. APPEAL OF APPLICATION OF POLICY OTHER THAN GRADE OR STUDENT DISCIPLINE

Students dissatisfied with the application of an academic policy or regulation to their own status, other than grade or student discipline, are entitled to a review by the Dean of the Faculty in which they are registered.

If still dissatisfied after this review, the student may request a written appeal to the Dean who renders the final decision on behalf of the Faculty. Students may appeal a decision on behalf of the Faculty to the General Faculties Council.

Students shall have one year from the date of application of an academic policy or regulation other than grade or student discipline to appeal.

9. ASSESSMENT OF STUDENT LEARNING

The University of Lethbridge is committed to providing fair and accurate assessment of student learning. Regular assessment provides an opportunity for students to gauge their understanding of course material, for instructors to determine what students have learned, and for the University to certify student achievement. Students must have sufficient and timely feedback from instructors to improve their performance and make informed decisions about withdrawal, registration in subsequent semesters, and how to allocate their time. Students are responsible for soliciting additional feedback about their performance if they wish to have more information.

This policy specifies the components required in course outlines, identifies expectations of students, provides procedures for the conduct and scheduling of formal learning assessments, reporting grades, and handling student work once assessment is complete. However, no policy can cover all eventualities. Faculties/Schools may adopt additional assessment policies and procedures for any program. It is understood that this policy must be interpreted humanely and sensitively, recognizing both the rights and the interests of students, and the quality and integrity of academic programs.

Students should identify differences in their interpretation of policy with instructors in a timely fashion and cooperate to resolve them. If no resolution is forthcoming, the student may appeal the matter to the Dean of the Faculty offering the course following the procedure in Section 7 Appeal of Application of Policy Other than Grade or Student Discipline p. 52.

a. Course Outline

1. To allow students to make timely and informed decisions about registration, add/drop, and the allocation of their time during the semester, instructors must provide a course outline to all students no later than the first class meeting, and to all students who subsequently join the class. If an instructor wishes to incorporate student input in course design, a final outline must be provided to students as soon as possible after the first class.

2. The course outline includes the following essential elements:
   a. The instructor's name and contact information, course number, section and title, and the department or Faculty.
   b. Where, when and how students may seek assistance from the instructor.
c. A list of required reading materials, supplies and expenses for events outside of regular classes and where the instructor requires the study of material that cannot be specified at the outset of the course, an explicit statement to that effect.

d. Relative weights of all work used to determine a final grade. Where attendance or other forms of class participation are required, the criteria for these measures should be explicitly stated.

e. How the final letter grade for the course will be determined if percentages are used.

f. Due dates, approximate due dates or the approximate frequency of graded work.

g. Penalties for late work.

h. A reminder that students in the course are subject to the student discipline policy for academic and non-academic offenses in accordance with the Calendar.

i. If instructors use a university-approved plagiarism detection service to determine the originality of student papers, notice must be provided in the course outline. Student work may be stored in the database of the service, and if students object to such storage, they must advise the instructor in sufficient time that other techniques may be used to confirm the integrity of written work.

j. The essential elements of the course as specified in the course outline shall not be altered after the add/drop deadline. However, recognizing that teaching excellence requires a degree of flexibility and responsiveness to both students' needs and emergent circumstances, adjustments to the course outline may sometimes be necessary, provided that no student is disadvantaged by the change.

b. Expectations of Students

1. Students should be familiar with the academic regulations of the University.

2. Instructors may assume basic literacy, numeracy and computer literacy as prerequisites for University entrance. Instructors may assume that students have the knowledge or skills of any course listed as a prerequisite for the course in the current Calendar.

3. Students may be expected to apply what has been taught in the course to new situations, to analyse different examples, or to synthesize original responses to questions that remain within the realm of fairness, even though the particular applications, examples or circumstances may not have been explicitly addressed in course lectures or readings.

4. Students are expected to monitor their University email accounts and to use their University accounts whenever writing instructors concerning course work and course grades.

5. Instructors will make reasonable efforts to accommodate students formally representing the University on inter-varsity teams, in academic competitions, in artistic performances, etc. with respect to due dates, tests and examinations, provided sufficient notice is given. Students should provide documentation of such activities identifying potential absences to instructors by the Add/Drop deadline where possible.

6. In extraordinary circumstances, such as bereavement, illness or injury, students may be accommodated with respect to due dates, tests and examinations. Under such circumstances, instructors may request documentation.

7. All tests and assignments are due on or before the last day of classes except those identified by the instructor as a final examination or equivalent.

8. Unless otherwise stated in the course outline, students not submitting term work, in-class tests or final examinations without valid reasons will receive a zero for that part of the course grade.

9. Instructors have a duty to accommodate students with disabilities that have been verified by the Accommodated Learning Centre.

   a. The principle of equity requires that all students be afforded an equal opportunity to demonstrate what they know and can do; in the case of students with disabilities, this principle may require adopting alternative assessments, adapting existing assessments, or allowing students to bring items into an assessment which otherwise would be prohibited to ensure that these students are not unfairly disadvantaged.

   b. Students who wish to arrange for modified assessments must have their disability verified by the Accommodated Learning Centre; where that is not satisfactory, subsequent appeal may be made to the Dean for resolution.

   c. The student is responsible for requesting accommodations from an instructor at least two weeks in advance of the evaluation date. Disagreements about the accommodation of any request between students with disabilities and instructors should be mediated first by the Accommodated Learning Centre, where that is not satisfactory, subsequent appeal may be made to the Dean for resolution.

c. Scheduling of Assessments

1. No examination (test, quiz, or combination of tests and quizzes) worth more than 20% of the final grade may be held in the last two weeks of class during the fall or spring semesters.

2. To ensure that students have the opportunity to correct, improve, adapt or build upon their understanding and skills, students' graded work must be made available to them before they are examined or reassessed on material directly dependent upon that work.

3. In-class tests and examinations may not exceed the allotted class time.
d. Conduct of Examinations

1. For examinations written outside the testing centre, the examination supervisor is responsible for the safe and secure conduct of an examination (test, quiz or scheduled final examination). Where the examination supervisor is normally the instructor of the course, any member of academic staff, post-doctoral fellow, or graduate student with appropriate expertise may supervise an examination. Where possible, course instructors should be available to answer questions arising during the examination.

2. The supervisor may restrict admission to the examination site prior to the examination. If necessary, arrangements may be made with Security to restrict such admission.

3. The supervisor may require all students to sign in before the examination, to sign out after the examination, and to register with the supervisor the number of examination booklets used.

4. The supervisor may require students to deposit personal effects in a designated area.

5. The supervisor may also require all students to place University of Lethbridge identification cards on their desks for the duration of the examination. If the supervisor is not certain of a student's identity, the student must be allowed to write the examination. The student shall then be referred to the instructor or, where the instructor is the supervisor, the Dean for resolution.

6. The supervisor may articulate regulations for late entry to and early exit from the examination room.

7. The supervisor is responsible for dealing with impropriety or irregularity to insure fairness and rigor in the assessment process.

8. If students must leave the examination site for personal reasons, the supervisor shall take reasonable measures to ensure that no materials leave the site, that no restricted materials are brought back to the site, and that the student takes no action while away from the site that could undermine the integrity of the examination.

9. Supervisors may prescribe or restrict materials that may be taken to the examination site and used during the examination. No material aids including such items as mobile phones, computers or other digital devices may be brought into an examination without prior approval of the instructor.

10. In the event that it proves necessary to evacuate an examination room because of an emergency, supervisors will ask students to leave all examination materials behind and supervise the evacuation of the room.

11. Following the evacuation of an examination site, it is the supervisor's prerogative to resume the examination, if this can be done within a reasonable period of time after the evacuation. Extra time (equivalent to the time lost) shall be provided to complete the examination. If an examination cannot be resumed safely or fairly after an evacuation, all examination materials shall be collected, and the examination shall be rescheduled.

12. In the event that inclement weather or other conditions require that the University be closed, scheduled final examinations shall be rescheduled by the Registrar.

e. Ownership, Confidentiality and Posting of Grades

1. Students have the right to obtain and keep all graded work at the end of the appeal period. Instructors may retain questions.

2. All reasonable measures shall be taken to ensure confidentiality of both the student's work and the instructor's assessment. Under no circumstances shall any form of graded work be left in an unsupervised public place. Students who want someone else to pick up any form of graded work for them must authorize that person in writing. Students may provide a stamped, self-addressed envelope to the instructor for the return of graded work.
3. Instructors may not post grades unless all precautions are taken to protect student confidentiality. Neither names, nor University of Lethbridge student identification numbers, nor lists of identifiers which retain the original alphabetical order of names on a class list may be used for posting grades.

4. When graded term work cannot be returned in person, grades or comments may be posted online using university-approved learning management software. When this is not possible, grades and comments may be sent by e-mail provided that university e-mail addresses are used by both instructor and student.

5. Final course grades may not be e-mailed to students. Students should access final course grades using the Bridge.

f. Handling of Materials after Student Assessment is Complete

b. Fees
For information on international student fees, see the fee schedules in Fees, Section 7 (p. 30).

c. Mandatory Health Care Insurance for International Students
Effective May 1, 1996, the University of Lethbridge requires all students to obtain and carry basic health insurance, in addition to the Students' Union supplementary health insurance plan. Students include all individuals registered in credit or non-credit courses and programs at the University of Lethbridge. Such insurance must be arranged prior to the commencement of classes for each term of study. The University requires that students carry appropriate insurance both for their own benefit and well-being and for the protection of the community. The University reserves the right to rescind registration privileges from any student not carrying basic health insurance.

2. EXCHANGE STUDENTS
An Exchange student is any student who is enrolled at one university but attending another university under an approved exchange program.

a. University of Lethbridge Students Studying Elsewhere
University of Lethbridge students who wish to participate in an approved exchange program will first contact the International Office. There are currently approved exchange programs at institutions in over 25 countries. Some exchange programs are only available to students in specific Faculties or programs at the University of Lethbridge. Please visit www.uleth.ca/international/content/study-abroad-exchanges to see a current list of countries available for exchange.

For further information, contact the International Office (SU 040; tel. 403-329-2053, fax 403-382-7140, or email: exchanges@uleth.ca).

b. Exchange Students from Other Universities
The International Office is the first point of contact for Exchange students coming to the University of Lethbridge from an approved exchange program.

3. INTERNATIONAL STUDENT SERVICES
a. International Student Advisor
The International Student Advisor (ISA) assists international students in adapting to campus life socially, academically and culturally. The ISA represents international student interests at the institution, acts as an advocate on behalf of international students on both academic and welfare issues, and provides support, referrals and information to students in areas such as visa extensions, family support and academic support.

The ISA also offers international students an orientation to the University, and provides general advising services and workshops.

For further information, contact the ISA in the International Office (SU 040; tel. 403-329-2053, fax 403-382-7140, or email: international.advice@uleth.ca).
4. LANGUAGE SERVICES

Language Services is responsible for non-credit programs in English as a Second Language.

a. English for Academic Purposes (EAP)

The English for Academic Purposes (EAP) program is designed for students who are seeking admission into degree programs. Students who successfully complete the Advanced Level of EAP will satisfy the University’s English Language Proficiency (ELP) requirement, for either undergraduate or graduate levels, and will not be required to submit a standardized English language test (e.g., TOEFL, IELTS or CAEL) score for University of Lethbridge admission.

Offered in the fall, spring and summer, the University’s EAP program is designed for students with at least an intermediate level of ESL as assessed by the EAP program placement exam, which is administered at the start of the program.

The EAP program is available to Visa students, Permanent Residents and Canadian citizens.

Fees for the EAP program are outlined in the table below.

2. STATEMENT OF PURPOSE

The Master of Arts program offers students in a wide range of disciplines the opportunity to earn a master's degree by writing a thesis and successfully completing a limited number of courses. The number and details of the courses are determined within the first semester of the student's program. Students may complete their degrees in either a full- or part-time capacity. Full-time students complete a 24-month program while part-time students complete a 48-month program. Part-time students will normally complete all required course work in the first 24 months, with the subsequent months committed to continued research and production of the Thesis. Although degrees are awarded in specific disciplines, the program is administered centrally by the School of Graduate Studies, rather than by individual departments or Faculties. Graduate degrees traditionally have been awarded for the successful completion of a satisfactory Thesis. The Thesis route expresses the fundamental tradition of academic scholarship. It also relates to the University's undergraduate programs, because the creation of a Thesis in any discipline calls for a range of skills which are central to the liberal education tradition, including analysis and synthesis of ideas, empirical investigations, the construction and articulation of arguments, and writing skills.

Because of the nature of the M.A. program, the Thesis forms the central requirement of the program. At the master's level, a Thesis involves close collaboration between supervisor and student. Consequently, it is necessary for a candidate to establish contact with potential supervisors prior to application for admission. Candidates seeking potential supervisors should contact either the relevant academic department or the School of Graduate Studies.

3. ADMISSION REQUIREMENTS

Please refer to Part 1 - Admissions of the Undergraduate Calendar for University policies regarding: Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

a. Academic Qualifications for Admission

Applicants normally must meet the following minimum requirements before the University will consider admission:

1. A University of Lethbridge baccalaureate degree, or its academic equivalent from another recognized degree-granting institution, in the discipline of interest or in a closely cognate discipline. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees.

2. A minimum grade point average of 3.00 (based on a 4.00 scale) on the last 20 graded university-level semester courses.

Applicants are considered on a case-by-case basis. Preference is given to students whose proposed research is related to the supervisor's funded research program. Applicants whose first language is not English must meet the English Language Proficiency (ELP) Requirement for Graduate Studies (see Section 11. English Language Proficiency for Graduate Students, p. 77).

b. Application Deadlines

Students may be admitted to the M.A. program in order to begin their studies for the spring semester (January to April), summer semester (May to August), or fall semester (September to December). Some majors within the M.A. program admit students for either the spring semester or the fall semester (see Table 1: Application Deadlines).

Application deadlines for all graduate studies programs and application deadline extensions are available at www.uleth.ca/ross/admission-information/application/grad_appDeadlines.

Spaces are limited in this program; the School of Graduate Studies encourages early application. However, students are admitted on a case-by-case basis. Until commitment is obtained from a faculty member who is eligible to supervise graduate students, consideration for an application will not begin.

<sup>1</sup> There are two rounds of admission for fall (September to December) entry to the M.A. program. The second round of admission is intended for applicants who are unable to confirm funding from external agencies (e.g., SSHRC) before February 1. Applicants who can confirm funding before February 1 should submit their application, via the online application system, for the first round of admission.

Applications and all required admission decision documentation (See Table 2: M.A. Program Application Process (p. 72)) with the possible exception of final semester grades for those currently enrolled, must be submitted electronically via the online application system by the deadline. Successful applicants must arrange to have official transcripts sent from the issuing institution to the University of Lethbridge Admissions Office prior to course registration.

c. Process for Application/Admission

Applicants apply via the online application system available at www.uleth.ca/graduate-studies/apply.

Applicants are advised to begin work on the application well in advance of the application deadline and submit it as soon as possible (see Section b. Application Deadlines).

No application can receive formal consideration until all documentation is received. All documents received in support of an application become the property of the University and will not be released or copied except to other employees of the University as required by University procedures regarding admission, registration, and awards and financial support administration.

Note: Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

Eligible applicants must apply for admission by following the process outlined in Table 2: M.A. Program Application Process (p. 72) (see also Section a. Academic Qualifications for Admission, p. 70).

<tr>
<th>STEP 1 - Applicant finds a potential supervisor</th>
<th>To find a potential supervisor, the applicant contacts a University of Lethbridge faculty member with expertise in the applicant’s research area. For assistance in identifying a potential supervisor, visit <a href="http://www.uleth.ca/graduate-studies/content/finding-supervisor">www.uleth.ca/graduate-studies/content/finding-supervisor</a>. The University of Lethbridge Experts Database (<a href="http://www.uleth.ca/experts-database">www.uleth.ca/experts-database</a>) is an information source that enables users the opportunity to search a wide variety of subjects and research areas. The applicant is advised to provide the potential supervisor a copy of unofficial transcripts in the consultation process. Should the previous program undertaken by the applicant show weaknesses, additional course work or other study may be required. Such work will not count toward the requirements for the master's degree.</th>

<td>STEP 2 - Applicant submits the application online by the application deadline date</td>
<td>The following required admission decision documents must be submitted via the online application system, available at <a href="http://www.uleth.ca/graduate-studies/apply">www.uleth.ca/graduate-studies/apply</a>: Unofficial academic transcripts Admission decisions may be made on the basis of unofficial transcripts submitted via the online application system. Three references Contact information for three referees who are willing to submit a confidential assessment via the online system. Three referrees, two must be academic (each referee submits a confidential letter of reference articulating the student's background preparation and suitability for graduate work). The applicant must have studied with at least one referee. Curriculum Vitae (c.v.) The applicant’s c.v. includes academic background, work experience, awards, scholarships, and publications. Letter of Intent The Letter of Intent indicates the applicant's reasons for applying (e.g. goals, or objectives for seeking a graduate degree in the chosen discipline). English Language Proficiency (ELP) Evidence of English Language Proficiency (ELP) is required if the applicant's first language is not English (see “English Language Proficiency for Graduate Students” on page 77 of the U of L Graduate Studies Calendar). Additional documentation If additional documentation is required, the School of Graduate Studies will contact the applicant. Submission Process Completion of the online application form requires uploading the required admission documents, providing referee names and contacts, and paying the application fee by midnight (MST/MDT) on the deadline date (see Table 1, “Application Deadlines,” on page 71 of the U of L Graduate Studies Calendar). By submitting this application, applicants authorize the University of Lethbridge to request transcripts on their behalf from institutions participating in ApplyAlberta (Alberta Post-Secondary Application System).</td>

<tr>
<td>STEP 3 - Applicant arranges for official documents</td>
<td>Official transcripts, including proof of graduation for the baccalaureate degree and transcripts of all post-baccalaureate work, if any, are required prior to course registration. Applicants will be notified of their official admission status by the Admissions Office no later than April 1, July 1 or December 1. Successful applicants will be advised of registration procedures at that time.</td>

### d. Admission Criteria

**Because the capacity of the program is limited, not all students meeting the minimum admission requirements can be admitted.**

Criteria used for admission include:

- the student's record and letters of recommendation;
- the proposed supervisor's record of scholarship, completed and current, especially in relation to the proposed work;
- the feasibility of the project in the light of available resources; and,
- financial support for the student.

Students judged to be of suitable calibre but lacking in some necessary preparation may be considered for admission subject to those conditions judged necessary to correct the deficiencies. Candidates may be given one of two options: the required preparation may be undertaken prior to admission, with the permission of the Program Committee; or it may be taken after admission and within the maximum time limit of 24 months for full-time students and 48 months for part-time students. In either case the Program Committee establishes a definite date by which all conditions must be fully satisfied. Unless alternative arrangements have been made, a student receiving an offer of admission to the program must register in the program no later than the date specified in the offer of admission. Failing to register in this way will result in the student forfeiting admission status.

Newly admitted students in the M.A. program are required to pay a non-refundable $100 deposit to confirm their acceptance of their admission (Effective for the Spring 2016 intake, the confirmation of admission will be $200). This deposit is credited toward their registration in the program. It is highly recommended that full-time students not be employed outside their program more than 10 hours per week. Full-time students who would like to engage in outside employment during their program of study should contact the Dean to discuss their circumstances. Part-time students are typically employed in full-time jobs or are engaged in family or other personal obligations that prevent full-time studies. All applicants for part-time studies should contact the School of Graduate Studies prior to application.
e. Admission After an Approved Master's Degree
A student holding an approved master's degree from a recognized institution who wants to pursue an entirely different field of study to enhance or change their career focus or international students seeking North American credentials may be considered for admission to a U of L master's degree program provided he/she meets all of the admission requirements.

Students normally are not eligible to pursue a second master's degree which is similar to one already completed at a recognized institution. Generally, degrees with identical or closely related majors are considered to be similar. Courses used to complete the requirements of the first master's degree normally cannot be used to fulfill the requirements of the second master's degree; recommendations regarding exceptions may be made by the Program Committee to the Dean of the School of Graduate Studies. In all cases, the decision of the Dean of the School of Graduate Studies shall be final.

f. Exchange Students
Under approved exchange arrangements, M.A. students registered in programs at other post-secondary institutions who are not pursuing a degree at the University of Lethbridge may be admitted to take courses. The University of Lethbridge is a signatory of the Western Deans’ Agreement (see Section 12. Western Deans’ Agreement, p. 78). Contact the School of Graduate Studies at sgis@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Section 3.a. Academic Qualifications for Admission, p. 70).

g. Visiting Students
Where applicable, the appropriate permission of the sending and receiving institutions, students may be admitted as Visiting Students for study where formal exchange arrangements are not in place. They must satisfy the normal admission requirements of the University of Lethbridge. Contact the School of Graduate Studies at sgis@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Section 3.a. Academic Qualifications for Admission, p. 70).

5. **COURSES**

See Courses on p. 175. A listing of all U of L courses is available online at www.uleth.ca/ross/courses.

6. **CO-OPERATIVE EDUCATION/INTERNSHIP OPTION**

The Co-operative Education/Internship Option is available to students for the M.A. program.

Co-operative education is an educational model that formally integrates academic study at the master’s level with relevant, paid work experience in appropriate employment fields such as government, institutions, and industry. The University, the employer, and the student are in partnership to ensure an enriching experience toward the student’s professional development.

Further information and details concerning admission and requirements may be obtained from the Faculty of Arts and Science Office of Co-operative Education/Internship Programs (AH 154; tel. 403-382-7154; email: artsci.coop@uleth.ca; website: www.uleth.ca/coop/fas).
a. Admission

Students may be accepted into the Co-op Option in the first semester of their graduate program. Students are therefore encouraged to contact the Faculty of Arts and Science Co-operative Education Office as soon as possible upon admission to their graduate program.

The criteria for admission include:

1. Admission to a M.A. program
2. Grade point average and academic standing
3. A resumé and application form
4. A personal interview
5. Approval of the student's supervisor, in consultation with the School of Graduate Studies and the Arts and Science Co-operative Education Office

Other factors such as labour market conditions, work experience, volunteer experience and extracurricular activities are also considered when selecting participants for the program.

b. Requirements

Normally, students are required to complete successfully two work terms of four months each (or one of eight months) to earn the Co-op designation for the M.A. degree.

To receive the Co-op designation for the degree, students must complete successfully in addition to the course, major, and degree requirements, two work terms:

Arts and Science 5011 - Co-op Work Experience I
Arts and Science 5012 - Co-op Work Experience II

Students may also opt for a maximum of two additional work terms:

Arts and Science 5013 - Co-op Work Experience III
Arts and Science 5014 - Co-op Work Experience IV

Students must be registered for the entire duration of the work term(s) applied for through the Co-op program, including extensions, and, once registered, are not permitted to withdraw from the work placement without penalty of failure. A grade of "F" (Fail) will be entered on the transcript for the whole term(s) unless extenuating circumstances warrant granting of a W withdrew with Cause ("W C"), in accordance with University of Lethbridge policy (see Part 4, Section 3, p. 43). Where approval is granted by the Coordinator of Co-operative Education and the Dean of Graduate Studies, a "W C" will be entered on the transcript. Tuition fees will be assessed as per the University's W withdrew with Cause policy.

Students may consult the Co-op student handbook for further information/regulations and should contact the Coordinator of Co-operative Education for assistance with the procedure.

c. Continuation in the Programs

Students must acknowledge, accept and abide by the requirements and regulations as outlined in the Calendar and the Co-op Student Handbook.

d. Transfer of Co-op Terms

Students enrolled in a M.A. program may not transfer co-op terms from other institutions.

7. GENERAL REGULATIONS

a. Credit for Previous Work

With the express permission of the Program Committee in each case, courses which have not already been credited toward a completed university credential may be accepted for credit in the master's program. All courses considered for transfer credit must carry a grade of 'B-' or higher and must have been completed no longer than seven years prior to the student's admission to the program.

b. Residence Requirements and Time Limits

Residence is defined as the period during which the student is registered in the program, taking courses or pursuing scholarly work, or both, at the University of Lethbridge.

The minimum residence requirement for full-time students shall be 12 months continuous registration in the program (three semesters per year). Residency requirements for part-time students may be adjusted.

For full-time students, the maximum time limit for degree completion shall be 24 months continuous registration in the program. For part-time students, the maximum time limit for degree completion shall be 48 months continuous registration in the program.

All courses specified by the Program Committee must be completed and the Thesis submitted within the maximum time limit. Except with the written permission of the Program Committee, students must maintain continuous registration in the program.

At the end of the maximum time limit, in cases where there is judged to be cause and where completion is imminent, the Program Committee may approve a leave of absence or extend the time limit for a maximum period of 12 months. Failure to complete within this period will result in the candidate being required to withdraw from the program.

Full-time or part-time students who do not register in the program in any semester will be considered to have withdrawn unless a leave of absence has been granted by the Program Committee. Since permission is not automatic, students who anticipate an interruption in their program should notify the School of Graduates Studies, seeking prior approval for a leave of absence. Residence requirements must still be met.

Leaves of Absence

During an approved Leave of Absence, the student is not required to register; no fees are assessed, and the time granted is not counted toward the residency requirement. The Leave of Absence may be granted up to a maximum of one year during the tenure of study in the master's program.

With the expressed permission of the Program Committee, a student may maintain resident status while conducting research off-campus (e.g., on field trips, using facilities or consulting libraries elsewhere). It may be necessary for students to include in their program courses to be completed at other institutions. Proposals for such courses must be approved by the Program Committee and the residence requirements may be adjusted, if necessary.
c. **Academic Standards**

Students must receive a minimum grade of 'B-' (2.70 on a 4.00 scale) in all courses which are graded and which count toward the degree. A student who receives more than two grades below a 'B-' may be asked to withdraw from the program. All courses completed in the M.A. program or transferred into the program are included in the calculation of the program GPA for graduation purposes. Transfer credit is not included in the GPA on the official transcript. A student must obtain a minimum cumulative program GPA of 3.00 in order to graduate from the program.

A student whose performance in the program is judged unsatisfactory by the Program Committee may be placed on probation; continued unsatisfactory performance may result in the student being required to withdraw from the program.

### Appeals

All appeals in the M.A. program should be directed to the Chair of the M.A. program. Grade appeals for courses in the M.A. program will be processed through the School of Graduate Studies. Other appeals will be heard by the Program Committee. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final.

Students should consult the full description of the University policies on Appeal of Grade in the Calendar (see Section 4. Grade Appeal Policy in Academic Regulations on p. 46).

d. **Academic Offences and Discipline**

Graduate students are expected to exemplify high standards of academic and ethical behaviour and are subject to the University’s student discipline and ethical behaviour policies.

e. **Fees**

Fees are charged on a program basis. Fees for full-time students are assessed for the first calendar year (three semesters of study) and to be paid over three semesters of study—once in each of the three semesters. Full-time students are assessed a continuation fee per semester effective in their second year of study. Part-time students are assessed fees over the first six semesters of their program. Part-time students are assessed a continuation fee per semester effective in their third year of study.

**Note:** The total tuition assessed for full-time students is equal to that of part-time students over the tenure of their respective programs. Tuition will not be reduced if students complete their programs earlier than the minimum time limit.

A Continuation Fee shall be assessed for each subsequent semester while a student remains in the program, whether the student is resident for all or part of that semester. The semester fee shall be set each year by the Board of Governors.

See the Graduate Programs 2015/2016 Fee schedule in Fees on p. 34.

For fee payment deadlines, see Section 11. Fee Deadlines in Fees on p. 40.

g. **Full- and Part-Time Studies**

Students continue with the participation status under which they started, i.e., full-time or part-time studies. However, under extraordinary circumstances, students may seek approval to change their participation status. Students seeking approval to change participation from full-time to part-time studies or vice versa must obtain approval from their supervisor, the Chair of the department or department graduate coordinator, and the Dean of the School of Graduate Studies. Such approval must be obtained no later than at the end of the first 12 months of study. Students may not change their status after 12 months of study.

### 8. Supervision

Guidelines for supervisory procedures, including the conduct of a supervisor and suggestions for good practice, are contained in the University of Lethbridge M.A. Program: Policies and Procedures manual available at [www.uleth.ca/graduate-studies](http://www.uleth.ca/graduate-studies).

12. WESTERN DEANS’ AGREEMENT

The Western Deans’ Agreement covers exchange graduate students from member universities in British Columbia (Simon Fraser University, University of British Columbia, University of Northern British Columbia, University of Victoria), Alberta (Athabasca University, University of Alberta, University of Calgary, University of Lethbridge), Saskatchewan (University of Regina, University of Saskatchewan) and Manitoba (University of Manitoba) provided that:

1. the period for which the fees are remitted does not exceed two academic terms of four months each;
2. the course work or work to be pursued is not available at the student’s home institution.

Western Deans’ Agreement students pay tuition (and general) fees at their home university, and they pay applicable student activity fees (general fees) at the host institution where they are taking courses.

Under the Western Deans’ Agreement, students may take both undergraduate and graduate courses. Students may only take courses which are not available at their home university, and which are an integral part of their graduate degree program. The approval of the appropriate Chairs of the master’s and Ph.D. Program Committees and of the designated representative of the host university must be obtained prior to commencement of the courses.

Students must arrange for official transcripts from the host institution to be sent to the home institution when the courses have been completed. Each home institution has regulations regarding the maximum number of transfer credits permitted. Students should ensure that their requests are within these limits.

   **Degree**
   Master of Counselling (Offered in the Faculty of Education)

   **Major**
   Applied Psychology

   **Specialization**
   Counselling Psychology

2. **STATEMENT OF PURPOSE**

   The Master of Counselling (M.C.) program provides a blend of online courses and face-to-face summer institutes for individuals who wish to develop professional skills in counselling psychology. This accessible and flexible program is delivered through a variety of means including online delivery, home-study, video-conferencing, and on-campus seminars and summer institutes. The degree is awarded as the Master of Counselling (M.C.).

   The M.C. program prepares individuals to function effectively as Certified Canadian Counsellors or Registered Psychologists in a wide range of work environments.

   With the completion of the appropriate courses, graduates may be eligible for certification as a Certified Canadian Counsellor under the guidelines of the Canadian Counselling and Psychotherapy Association (CCPA). CCPA certification attests to the level of professional counselling competence and is considered the minimum professional standard in Canada.

   Students who wish to become a Registered Psychologist should be aware that in Alberta, the College of Alberta Psychologists (CAP) regulates the process of registering. The CAP has additional requirements beyond what is provided within the M.C. program at the University of Lethbridge, including undergraduate psychology courses, supervised clinical hours, and oral and written examinations. Students are responsible for ensuring that they meet the requirements for registering as established by the CAP or the corresponding body in the province/state in which they wish to achieve a professional designation.

   Courses are sequenced in such a way that students must follow the cohort schedule to be assured of completing the requirements for their degree.

3. **ADMISSION REQUIREMENTS**

   Please refer to Part 1 - Admissions of the Undergraduate Calendar for University policies regarding: Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

   **a. Academic Qualifications for Admission**

   1. University of Lethbridge baccalaureate degree, or its academic equivalent from another recognized degree-granting institution, in the discipline of interest or in a closely cognate discipline. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees.

   2. Evidence of academic ability and promise, normally shown by a minimum GPA of 3.00 in the semesters containing the last 20 university courses (60.0 credit hours).

   3. Evidence of successful experience in a related area. Preference is given to applicants who have two or more years of work experience in a counselling or related setting. Volunteer experience in counselling settings is also desirable.

   4. Applicants must present a breadth of undergraduate courses in counselling, educational psychology, or psychology. Particular emphasis is paid to courses in human development, learning, personality, psychological disorders, and counselling and/or interpersonal skills.

   Applicants whose first language is not English must meet the English Language Proficiency Requirement for Graduate Students (see Section 12. English Language Proficiency for Graduate Students, p. 87).

   Students are admitted to the M.C. program on a competitive selection basis. For each cohort, a short-list of applicants will be developed. Each of the short-listed candidates will be interviewed by the Master of Counselling Selection Committee.

   The following criteria are used in the selection process:
   - grade point average;
   - relevancy of undergraduate degree;
   - breadth of undergraduate courses;
   - relevant work and/or volunteer experience; and,
   - results of interview.

   **b. Application Deadlines**

   Normally students are admitted to the M.C. program in order to begin their studies in the summer session.

   Application deadlines for all graduate studies programs and application deadline extensions are available at www.uleth.ca/ross/admission-information/application/grad_app_deadlines.

   Applications and all required admission decision documentation (see Table 2: M.C. Program Application Process, with the possible exception of final semester grades for those currently enrolled, must be submitted electronically via the online application system by the deadline. Successful applicants must arrange to have official transcripts sent from the issuing institution to the University of Lethbridge Admissions Office prior to course registration.

   Students who are not successful in gaining admission must reapply if they wish to be considered for the next available intake.

d. **Admission Decisions**

Admission is determined by the Graduate Programs in Education Program Committee, on the recommendation of the Selection Committee, following the application deadline. Members of the Committee base admission decisions on all the available information submitted by or on behalf of the applicant.

If the previous program undertaken by the student shows gaps or weaknesses, additional coursework or other study may be required. Such work will normally be in addition to the requirements for the Master of Counselling degree.

e. **Admission After an Approved Master’s Degree**

A student holding an approved master’s degree from a recognized institution who wants to pursue an entirely different field of study to enhance or change their career focus or international students seeking North American credentials may be considered for admission to a U of L master’s degree program provided he/she meets all of the admission requirements.

Students normally are not eligible to pursue a second master’s degree which is similar to one already completed at a recognized institution. Generally, degrees with identical or closely related majors are considered to be similar. Courses used to complete the requirements of the first master’s degree normally cannot be used to fulfill the requirements of the second master’s degree; recommendations regarding exceptions may be made by the Program Committee to the Dean of the School of Graduate Studies. In all cases, the decision of the Dean of the School of Graduate Studies shall be final.

Students must receive a minimum grade of ‘B-’ (2.70) in all courses which are graded and count toward the degree (see Section 7.j. Required Withdrawal, p. 86). All courses completed in the M.C. program, or transferred into the program, are included in the calculation of the GPA for graduation purposes. Transfer credit is not included in the GPA on the official transcript. A student must have a minimum cumulative GPA of 3.00 in order to graduate from the M.C. program.

d. Appeals
All appeals in the M.C. program should be directed to the Dean, Faculty of Education. Grade appeals for courses in the M.C. program will be processed through the School of Graduate Studies. Other appeals will be heard by the Graduate Programs in Education Program Committee. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final. Students should consult the full description of the University policies on Appeal of Grade in the Calendar (see Section 4. Grade Appeal Policy in Academic Regulations on p. 46).

e. Time Limits
Students must complete their program between a minimum of two years and a maximum of six years. The normal time of completion is expected to be three years.

f. Leave of Absence
Students occasionally have legitimate reasons for having to put their studies on hold. Students may apply to the Assistant Dean of Graduate Studies and Research (Faculty of Education) for permission to take a Leave of Absence. Term-specific Leaves of Absence may be granted for not less than three consecutive semesters. A maximum of two Leaves of Absence per student program may be granted. If required, the maximum six-year time for completion of the M.C. program will be extended by the amount of Leave of Absence time granted.

g. Fees
See the Master of Education and Master of Counselling Programs 2015/2016 Fee Schedule on p. 35.

For fee payment deadlines, see Section 11. Fee Deadlines in Fees on p. 40.

h. Credit for Previous Work
A maximum of two semester courses (6.0 credit hours) which have not been credited toward a completed university credential may be accepted for credit in the M.C. program. Students must demonstrate that previous course work is equivalent to CAAP courses or appropriate for elective course credit.

Courses cannot be considered for advance credit if they have already been used towards another degree or as prerequisite credit in applying to the M.C. program. Students may not apply for advance credit for CAAP 6611 or CAAP 6619.

i. Independent Study
Students may be permitted to earn credit by Independent Study, which is designated by the course number CAAP 6990. Independent Study may be undertaken only in areas not covered by courses offered in the M.C. program. Independent Study proposals must be submitted to an instructor who agrees to serve as examiner for the proposed study. Formal registration occurs after approval by the instructor, the Assistant Dean of Graduate Studies and Research (Faculty of Education), and the Dean (or designate) of the Faculty of Education. A maximum of two Independent Studies may count toward requirements for the M.C. program. Students are advised to register in the semester in which the work will be completed.

j. Required Withdrawal
A student is required to withdraw from the M.C. program if the following occurs:
- the grade point average falls below 2.70;
- the student fails (i.e., receives a grade below a ‘B-’ (2.70)) any course or practicum; or
- the student fails to meet the Standards of Professional Conduct for Counselling Psychology Students (see Section 6, p. 85).

k. Readmission After Withdrawal
Students who withdraw or who are required to withdraw from the M.C. program must successfully apply for readmission by the appropriate deadline. Readmission is not guaranteed. Students are advised to consult with the Assistant Dean, Graduate Studies and Research in Education as early as possible.
8. PRACTICUM PLACEMENT POLICY

While in program and during practica, students are expected to adhere to the standards of professional conduct set out by the Faculty of Education (see Section 6. Standards of Professional Conduct for Counselling Psychology Students, p. 85). The Faculty of Education reserves the right to deny or terminate a placement in any practicum course to any student if the Dean or Designate has reasonable grounds:

- the student has violated any part of the Faculty of Education's standards of professional conduct;
- the student is unable to carry out the counselling responsibilities of that practicum; or
- the Dean, Faculty of Education, or Designate believes denial or termination of a placement is necessary in order to protect the public interest.

Students whose practicum placements have been denied or terminated will be informed of the reasons in writing.

9. GRADUATE ASSISTANTS

a. Definitions

Three University terms are defined for the purpose of graduate assistantships:

- Fall semester - September 1 to December 31
- Spring semester - January 1 to April 30
- Summer semester - May 1 to August 31

In the fall and spring semesters, full-time graduate student status is granted to students registered in a program of graduate work equivalent to at least three courses. Graduate students taking fewer than three courses are considered part-time, unless they have inactive status.

Graduate Assistants (G.A.s) are graduate students registered full-time in the program and paid to carry out duties:

1. Teaching duties including the preparation, delivery and evaluation of teaching or laboratory assignments, instructing in laboratories or the equivalent, assisting in the supervision of practicum students and the grading of assignments. In this instance, the instructor of record will be a regular member of the Faculty and the G.A. will not assume full or final responsibility for any course; or

2. Research duties consisting of working for a staff member on a research project(s), the results of which may or may not be used in their thesis. Clerical or administrative work not related to research is not suitable for a G.A.

Full-time G.A.s are full-time graduate students holding a Graduate Assistantship which requires them to devote up to eight hours per week to teaching or research duties. If a full-time G.A. is performing research duties, the results of which may be used in a thesis, the student may be required to devote more than eight hours per week to these duties.

b. Appointment of Graduate Assistants

1. Applications for Graduate Assistantships will be approved by the Assistant Dean, Graduate Studies and Research (Faculty of Education).

2. A Letter of Appointment is forwarded to the appointee. G.A.s are entitled to know:

a. The number of hours per week of the appointment.

b. The total remuneration.

In addition, the Letter of Appointment will include as specific a list of duties as possible at the time of appointment. It is understood that minor changes of appointments may be required from time to time but these modifications are to be completed no later than the end of the first week of classes with appropriate written notification to all G.A.s affected.

3. A graduate student who has been appointed to a Graduate Assistantship must report any other remuneration during tenure of the assistantship. If the student accepts some major award or some other paid employment, where payment is from funds administered by the University, the appointment may be cancelled or reduced. Normally, assistantships will not be available to students who are employed full-time while registered in the program.

4. Depending upon the amount of funding available and the number of full-time graduate students, a portion of an assistantship may be awarded. The stipend awarded and the hours of work required would be adjusted accordingly. No assistantship shall require fewer than six hours per week. Normally, full-time students are eligible for assistantships for one calendar year.

c. Remuneration of Graduate Assistants

1. For the purpose of Graduate Assistantship awards, a full-time graduate student is defined as a student attending full-time for both fall and spring semesters of a given academic year. ‘One semester’ stipends may be available depending on the number of full-time students awarded Graduate Assistantships.

Details describing the value of assistantships and expected hours of assistance are available from the Assistant Dean of Graduate Studies and Research (Faculty of Education).

2. Assistantships are inclusive of all vacation entitlement. There is no vacation pay on contract expiry or termination in lieu of any time not taken.

For further details about the M.Ed. degree program, please contact the Assistant Dean of Graduate Studies and Research, Faculty of Education, University of Lethbridge, T1K 3M4, tel. 403-329-2425, fax 403-329-2372.

**13. WESTERN DEANS' AGREEMENT**

The Western Deans' Agreement covers exchange graduate students from member universities in British Columbia (Simon Fraser University, University of British Columbia, University of Northern British Columbia, University of Victoria), Alberta (Athabasca University, University of Alberta, University of Calgary, University of Lethbridge), Saskatchewan (University of Regina, University of Saskatchewan) and Manitoba (University of Manitoba) provided that:

1. the period for which the fees are remitted does not exceed two academic terms of four months each;
2. the course work or work to be pursued is not available at the student's home institution.

Western Deans' Agreement students pay tuition (and general) fees at their home university, and they pay applicable student activity fees (general fees) at the host institution where they are taking courses.

Under the Western Deans' Agreement, students may take both undergraduate and graduate courses. Students may only take courses which are not available at their home university, and which are an integral part of their graduate degree program. The approval of the appropriate Chairs of the master's and Ph.D. Program Committees and of the designated representative of the host university must be obtained prior to commencement of the courses.

Students must arrange for official transcripts from the host institution to be sent to the home institution when the courses have been completed. Each home institution has regulations regarding the maximum number of transfer credits permitted. Students should ensure that their requests are within these limits.

For a complete listing of the participating universities see the Western Canadian Deans' of Graduate Studies website at www.wcdfs.ca.

2. MASTER OF EDUCATION (GENERAL)

a. Statement of Purpose
The Master of Education (General) degree program is intended for practicing educators. While the majority of candidates for the degree will be pursuing careers within the educational system, the program is also available to those candidates whose teaching experience and credentials apply to other educational contexts. The degree awarded is the Master of Education (M.Ed.).

The core of the program, common to all candidates, is based on the principle that professional educators should understand the evolution of theory and practice in education, in curriculum, in educational research and in teaching, and should be able to analyze, interpret, critique and advance current thinking, particularly within the context of their own practice.

The theme of the student's program is also reflected in a required culminating activity (thesis, project, or capstone), which contributes to the advancement of knowledge and practice through scholarly activity and/or creative work.

Courses are sequenced in such a way that students must follow the cohort schedule to be assured of completing the requirements for their degree. For some cohorts, selecting the Thesis or Project route will require students to complete more than the minimum 12 courses (36.0 credit hours). In such cases, these courses will be extra to program.

Courses may be delivered using a combination of face-to-face and distance-delivery formats.

b. Admission Requirements
Please refer to Part 1 - Admissions of the Undergraduate Calendar for University policies regarding: Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

1. Academic Qualifications for Admission
   a. A University of Lethbridge Bachelor of Education degree, or its academic equivalent from another recognized degree-granting institution, in the discipline of interest or in a closely cognate discipline. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees.
   b. Evidence of academic ability and promise, normally shown by a GPA of 3.00 in the semesters containing the last 20 university courses (60.0 credit hours).
   c. Approximately two years of successful teaching or other relevant educational experience.
   d. Applicants whose first language is not English must meet the English Language Proficiency (ELP) Requirement for Graduate Students (see Section 9. English Language Proficiency for Graduate Students, p. 116).
   e. This program is intended for advanced study in the field of Education. Candidates preparing themselves for a career which involves teacher certification must hold Teacher Certification at the time of admission; this program does not lead to a recommendation from the University for Teacher Certification. Individuals seeking Teacher Certification in the province of Alberta should refer to the Bachelor of Education program (see Programs Leading to Alberta Teacher Certification in Part 8 - Faculty of Education in the Undergraduate U of L Calendar).

2. Application Deadlines
 Normally students are admitted to the M.Ed. (General) program in order to begin their studies in the summer session.

Application deadlines and application deadline extensions for all graduate studies programs are available at www.uleth.ca/ross/admission-information/application/grad_app_deadlines.

Applications and all required admission decision documentation (see Table 2: M.Ed. (General) Program Application Process (p. 91)), with the possible exception of final semester grades for those currently enrolled, must be submitted electronically via the online application system by the deadline. Successful applicants must arrange to have official transcripts sent from the issuing institution to the University of Lethbridge Admissions Office prior to course registration.

Students who are not successful in gaining admission must reapply if they wish to be considered for the next available intake.

   Note: Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

   Eligible applicants must apply for admission by following the process outlined in Table 2: M.Ed. (General) Program Application Process (p. 91) (see also Section 1. | STEP 3 - Admission decision process | The Selection Committee reviews the application and may interview short-listed candidates. The Selection Committee makes a recommendation on admission to the Graduate Programs in Education Committee. |
| | The Office of Graduate Studies and Research in the Faculty of Education unofficially informs the applicant of the Graduate Programs in Education Committee’s decision. Official admission decisions will be sent electronically by the Admissions Office. Applicants will be notified of their official admission status by the Admissions Office no later than April 1. Successful applicants will be advised of registration procedures at that time. |

4. Admission Decisions
   Admission is determined by the Graduate Programs in Education Program Committee, on the recommendation of the Selection Committee, following the application deadlines. Members of the committee base admission decisions on all the available information submitted by or on behalf of the applicant.
   If the previous program undertaken by the student shows gaps or weaknesses, additional course work or other study may be required. Such work will not normally count toward the requirements for the M.Ed. degree.

5. Admission After an Approved Master’s Degree
   A student holding an approved master’s degree from a recognized institution who wants to pursue an entirely different field of study to enhance or change their career focus or international students seeking North American credentials may be considered for admission to a U of L master’s degree program provided he/she meets all of the admission requirements.
c. Requirements for the M.Ed. (General) Degree

The M.Ed. (General) program consists of the equivalent of 12 courses (36.0 credit hours) of study including common core courses, courses required for the program focus, and a culminating activity as outlined below.

Courses are sequenced in such a way that students must follow the cohort schedule to be assured of completing the requirements for their degree. Courses and culminating activity options are dependent upon the schedule of the cohort the student was admitted to.

1. Common Core (12.0 credit hours)
   - Education 5200 - Curriculum Studies and Classroom Practice (Series)
   - Education 5300 - The Foundations of Modern Educational Theory and Practice (Series)
   - Education 5400 - The Nature of Educational Research (Series)
   - Education 5500 - Understanding Professional Practice and Professional Development (Series)

2. Courses Required for Program Focus (12.0 to 21.0 credit hours)
   Students complete four to seven courses contributing to the theme of their program as outlined in the cohort schedule. Except in extenuating circumstances, these courses are completed as per the schedule of the cohort to which the student was admitted. The following conditions apply to the selection of courses credited towards the M.Ed. degree:
   - a maximum of two courses (6.0 credit hours, Education or non-Education) may be taken below the 5000-level (i.e. 3000/4000 level). Of these, a maximum of two half-credit (total 3.0 credit hours) may be professional development courses.

3. Culminating Activity (3.0 to 12.0 credit hours)
   In keeping with the focus of the M.Ed. program on the practicing educator, the Thesis, Project or Capstone represents a significant contribution to research, independent thinking, scholarly ability, and technical accomplishment in the student’s field of study. Students must complete one of the following culminating activity options: Thesis, Project, or Capstone.
   a. Thesis Option
      - Education 6011, 6012, 6013, 6014 - Thesis equivalent to four courses (12.0 credit hours)

b. Project Option
   - Education 6000, 6001 - Project equivalent to two courses (6.0 credit hours)

C. Capstone Option
   - Education 6006 - Capstone equivalent to one course (3.0 credit hours)
   The Capstone is comprised of both a written and oral component.

For some cohorts, selecting the Thesis or Project route will require students to complete more than the minimum 12 courses (36.0 credit hours). In such cases, these courses will be extra to program.

Each route is dependent on the availability of appropriate supervision and approval by the Assistant Dean of Graduate Studies and Research (Faculty of Education).

Guidelines for completing the culminating activity are contained in the University of Lethbridge Graduate Programs in Education: Policies and Procedures manual, available from the Office of Graduate Studies and Research in the Faculty of Education or online at www.uleth.ca/education/grad.

Students who intend to continue studies beyond the M.Ed. level are reminded that the Thesis (12.0 credit hours) may be required to allow uninterrupted study beyond the master’s level. Some universities may allow qualifying work for admission to advanced degree programs if the Project or Capstone option is exercised. Students are advised to confirm admission requirements for programs of interest.

d. Program Approval
   It is the responsibility of each student to register for the appropriate courses in the same sequence provided in the cohort schedule. As the program is delivered in cohort format, students who do not register for courses in times they are scheduled for their cohort cannot be guaranteed opportunity for completing their programs. Choices of electives and decisions regarding culminating activities must be approved by the Assistant Dean of Graduate Studies and Research (Faculty of Education).

e. Standards of Professional Conduct
   As a Faculty within the University of Lethbridge, the Faculty of Education is committed to maintaining its students’ freedom of thought, beliefs, opinions and expressions. As a professional Faculty, the Faculty of Education is committed to assisting students to become professionals. The Faculty, then, has the responsibility of fostering the academic freedom of students within the context of professional standards of conduct. The standards describe professional characteristics and behaviours that students are expected to develop and demonstrate during all field and on-campus components within the education program. Appropriate demonstration of these professional standards will be judged by instructors and school personnel.
1. The student acts in a manner that respects the dignity and rights of all persons without prejudice as to race, religious beliefs, colour, gender, sexual orientation, physical characteristics, age, ancestry or place of origin.

2. The student treats pupils, peers, school personnel and faculty with dignity and respect and is considerate of their circumstances.

3. The student acts in a responsible manner which includes being punctual, dependable, trustworthy, consistent and reliable.

4. Recognizing that attendance in courses and practicum placements is a professional responsibility, students apprise appropriate personnel at the University and/or school in advance of unavoidable absences.

5. The student demonstrates empathy for others by showing concern for and having an understanding of others’ feelings and/or ideas.

6. The student responds to feedback by listening to, evaluating, and responding to suggestions.

7. The student maintains positive interpersonal relationships with peers, faculty, school personnel and pupils by contributing, co-operating, participating and working with others in a flexible and adaptable way.

8. The student shows enthusiasm and initiative by being actively involved as a participant while encouraging the involvement and participation of others.

9. The student shows maturity and sound judgment in accordance with the standards of professional conduct.

10. The student demonstrates a commitment to teaching through interest in learning about the field of teaching, consulting, questioning, reading, and discussing.

11. The student criticizes (verbally or in writing) the professional competence or professional reputation of others only in confidence to proper officials and only after the other person has been informed of the criticism.

12. The student respects the confidentiality of information about pupils, peers, school personnel, or faculty received in confidence or in the course of professional duties.

13. The student acts in a manner which maintains the honour and dignity of the profession and the University of Lethbridge.

14. The student does not make representations on behalf of the Faculty of Education, the University of Lethbridge, the school or the profession.

15. The student adheres to the Code of Professional Conduct as outlined by the Alberta Teachers’ Association.

f. General Regulations

1. Residence Requirements

Residence is defined as courses offered by the University of Lethbridge. A minimum of eight such course equivalents (24.0 credit hours) is required. It may be an option for students who have been admitted to the M.Ed. (General) program, to include in their program courses to be completed at other institutions. Proposals for such courses should be approved preferably during the initial planning of the program and are to be effected through Visiting Student or Western Deans’ Agreement (see Section 10. Western Deans’ Agreement, p. 117) procedures. A waiver of residence requirement may be allowed for courses completed in this manner, subject to approval by the Assistant Dean of Graduate Studies and Research (Faculty of Education).

2. Academic Standards

Students must receive a minimum grade of ‘B-’ (2.70) in all courses which are graded and count toward the M.Ed. degree (see Section 2.f.11. Required Withdrawal, p. 98). All courses completed in the M.Ed. (General) program or transferred into the program are included in the calculation of the GPA for graduation purposes. Transfer credit is not included in the GPA on the official transcript. A student must have a minimum cumulative GPA of 3.00 in order to graduate from the program.

3. Appeals

All appeals in the M.Ed. program should be directed to the Dean, Faculty of Education. Grade appeals for courses in the M.Ed. program will be processed through the School of Graduate Studies. Other appeals will be heard by the Graduate Programs in Education Program Committee. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final.

Students should consult the full description of the University policies on Appeal of Grade in the Calendar (see Section 4. Grade Appeal Policy in Academic Regulations on p. 46).

4. Time Limits

Students must complete their program within five years. Students who have completed eight courses in the M.Ed., including the four core courses required in the M.Ed. (General) program, and who choose not to complete the M.Ed. degree may apply for a Diploma in Education. For diploma requirements, see Diploma Programs in Education (D.P.E.) in Part 8 - Faculty of Education in the Undergraduate U of L Calendar.

5. Leave of Absence

Students occasionally have legitimate reasons for having to put their studies on hold. Students may apply to the Assistant Dean of Graduate Studies and Research (Faculty of Education) for permission to take a Leave of Absence. Term-specific Leaves of Absence will be granted for not less than three consecutive semesters. A maximum of two Leaves of Absence per student program may be granted. If required, a student's normal five-year time for
6. Fees
   a. Term Fees (for students enrolled prior to March 31, 2009)
      Term fees are assessed beginning with the term in which the student is admitted, and paid consecutively each term regardless of whether the student is enrolled in courses. The payment of term fees includes only courses approved and completed towards the 12-course-credit M.Ed. degree.
   b. Program Fees (previously Term Fees) (for students enrolled after April 1, 2009)
      M.Ed. students pay a minimum of nine program fees. M.Ed. students whose programs are completed in fewer than nine semesters must make arrangements with the Office of Graduate Studies and Research in the Faculty of Education for the assessment of any remaining program fees to meet the minimum nine program fees required.
   c. Fees for Additional Courses
      Students who elect to take courses over and above the 12-course-credit program will pay a graduate course tuition fee for each additional course.
      Students remaining in program after nine semesters will also be assessed either a continuation fee (students admitted prior to March 31, 2009) or a program fee (students admitted after April 1, 2009).
   d. Outstanding Fees
      The University will withhold registration privileges if there are outstanding fees including the current semester’s fees. See the Master of Education and Master of Counselling Programs 2015/2016 Fee Schedule on p. 35.
      For fee payment deadlines, see Section 11, Fee Deadlines in Fees on p. 40.

7. Credit for Previous Work
   A maximum of two semester courses beyond those required for admission, which have not already been credited toward a completed University credential, may be accepted for credit in the M.Ed. (General) program to the extent that they contribute to the elective part of the program. All courses considered for transfer credit must carry a grade of 'B-' or higher, and must have been completed no longer than five years prior to the student’s admission or readmission to the program.

8. Visiting Students
   A student who is already admitted to a graduate program in Education at another university, and whose program is underway, may apply for admission as a Visiting Student at the University of Lethbridge. Contact the Office of Graduate Studies and Research in the Faculty of Education (online:www.uleth.ca/education/grad; email: edu.masters@uleth.ca; phone: 403-329-2425; 1-800-666-3503) for application and registration information. A letter authorizing Visiting Student registration in specific courses must be sent by the student’s home institution to the University of Lethbridge Admissions Office.
   Students admitted with Visiting Student status may register in up to two University of Lethbridge graduate Education courses. Admission is contingent upon satisfying academic qualifications for admission (see Section 3.b.1 Academic Qualifications for Admission, p. 90); the priorities for admission established by the Faculty of Education and upon space being available within the class size quota. Until the quota is filled, applicants will be considered on a first-come, first-served basis.

9. Enrolment in Graduate Classes - Open Studies
   Students who have not been admitted to the M.Ed. degree program, but who have successfully completed an undergraduate degree, may, with the permission of the Assistant Dean of Graduate Studies and Research (Faculty of Education), be allowed to enrol in up to four graduate Education courses as O pen Studies Students. Application for registration in a particular graduate course must be submitted to the Assistant Dean no later than two weeks prior to the beginning of class. Until the course quota is filled, qualified applicants will be considered on a first-come, first-served basis. Admission to the M.Ed. degree program following successful completion of graduate courses as Open Studies Students is not automatic, and applicants must meet the admission requirements (see Section b. Admission Requirements, p. 90) and be recommended for admission by the Graduate Programs in Education Program Committee.

10. Enrolment Limits and Priorities for Graduate Education Courses
    The Faculty of Education reserves the right to limit registration in graduate courses in Education. First priority is for students duly admitted to the M.Ed. degree program at the University of Lethbridge. Second priority is for students admitted to another graduate program at the University of Lethbridge and who meet admission requirements for the M.Ed. degree program. Third priority is for students who meet the requirements for admission, but who have not been admitted to a University of Lethbridge graduate program (see Section 9, Enrollment in Graduate Classes - Open Studies). Fourth priority is for Visiting Students, i.e., students registered in a graduate study program at another university and for whom Visiting Student status has
been formally established by that institution and approved by the Assistant Dean of Graduate Studies and Research (Faculty of Education). Such students may take a maximum of two University of Lethbridge 5000-level graduate Education courses.

11. Required Withdrawal
A student is required to withdraw from the M.Ed. (General) program if the following occurs:
- the grade point average falls below 2.70;
- the student fails (i.e., receives a grade below a 'B-' (2.70)) any course or practicum; or
- the student fails to meet the Standards of Professional Conduct.

12. Readmission After Withdrawal
Students who withdraw or who are required to withdraw from the M.Ed. (General) program must successfully apply for readmission by the appropriate deadline. Readmission is not guaranteed. Students are advised to consult with the Assistant Dean, Graduate Studies and Research in Education as early as possible.

g. Practicum and Internship Placement Policy
While in program and during practica/internship, students are expected to adhere to the standards of professional conduct set out by the Faculty of Education (see Section 2.e, Standards of Professional Conduct, p. 92). The Faculty of Education reserves the right to deny or terminate a placement in any practicum/internship course to any student if the Dean, Faculty of Education, or Designate has reasonable grounds:
- the student has violated any part of the Faculty of Education's standards of professional conduct;
- the student is unable to carry out the responsibilities of that practicum/internship; or
- the Dean or Designate believes denial or termination of a placement is necessary in order to protect the public interest.

Students whose placements have been denied or terminated will be informed of the reasons in writing.

3. MASTER OF EDUCATION (EDUCATIONAL LEADERSHIP)

a. Statement of Purpose
The Master of Education (Educational Leadership) degree program is intended for practicing educators. While the majority of candidates for the degree will be pursuing leadership careers within the educational system, the program is also available to those candidates whose teaching experience and credentials apply to other educational contexts. The degree awarded is the Master of Education (M.Ed.).

The core of the program, common to all candidates, is based on the principle that professional educators should understand the evolution of theory and practice in education, in curriculum, in educational research and in teaching, and should be able to analyze, interpret, critique and advance current thinking, particularly within the context of their own practice.

The M.Ed. (Educational Leadership) program allows practicing educators to explore and implement concepts in educational leadership through a combination of coursework and fieldwork. For students who complete all of the degree requirements, the major will be acknowledged on the official transcript.

The theme of the student's program is also reflected in a required culminating activity (Thesis, Project, or Capstone), which contributes to the advancement of knowledge and practice through scholarly activity and/or creative work.

Courses are sequenced in such a way that students must follow the cohort schedule to be assured of completing the requirements for their degree. Selecting the Thesis or Project route will require students to complete more than the minimum 12 courses (36.0 credit hours). In such cases, these courses will be extra to program.

Courses may be delivered using a combination of face-to-face and distance-delivery formats.

b. Admission Requirements

Please refer to Part 1 - Admissions of the Undergraduate Calendar for University policies regarding Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

1. Academic Qualifications for Admission

a. A University of Lethbridge Bachelor of Education degree, or its academic equivalent from another recognized degree-granting institution, in the discipline of interest or in a closely cognate discipline. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees.

b. Evidence of academic ability and promise, normally shown by a GPA of 3.00 in the semesters containing the last 20 university courses (60.0 credit hours).

c. Approximately two years of successful teaching or other relevant educational experience.

d. Applicants whose first language is not English must meet the English Language Proficiency (ELP) Requirement for Graduate Students (see Section 9, English Language Proficiency for Graduate Students, p. 110).

e. This program is intended for advanced study in the field of Education. Candidates preparing themselves for a career which involves teacher certification must hold Teacher Certification at the time of admission; this program does not lead to a recommendation from the University for Teacher Certification. Individuals seeking Teacher Certification in the province of Alberta should refer to the Bachelor of Education program (see Programs Leading to Alberta Teacher Certification in Part 8 - Faculty of Education in the Undergraduate Calendar).

Students are admitted to a M.Ed. (Educational Leadership) cohort on a competitive selection basis. The following criteria are used in the selection process:
• Related experience. Preference is given to applicants who have leadership experience and/or demonstrated leadership potential.

• Results of an interview. For each cohort, a short-list of applicants who meet the above criteria will be developed. Each of the short-listed candidates may be interviewed by the Selection Committee.

2. Application Deadlines

Normally students are admitted to the M.Ed. (Educational Leadership) program in order to begin their studies in the summer session.

Application deadlines and application deadline extensions for all graduate studies programs are available at www.uleth.ca/ross/admission-information/application/grad_app_deadlines.

Applications and all required admission decision documentation (see Table 4: M.Ed. (Educational Leadership) Program Application Process (p. 97)), with the possible exception of final semester grades for those currently enrolled, must be submitted electronically via the online application system by the deadline. Successful applicants must arrange to have official transcripts sent from the issuing institution to the University of Lethbridge Admissions Office prior to course registration. Students who are not successful in gaining admission must reapply if they wish to be considered for the next available intake.

3. Process for Application/Admission

Applicants apply via the online application system available at www.uleth.ca/graduate-studies/apply. Applicants are advised to begin work on the application well in advance of the application deadline and submit it as soon as possible (see Section 2. Application Deadlines).

No application can receive formal consideration until all documentation is received. All documents received in support of an application become the property of the University and will not be released or copied except to other officers of the University as required by University procedures.

Note: Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

Eligible applicants must apply for admission by following the process outlined in Table 4: M.Ed.

| STEP 2 - Applicant arranges for official documents | Official transcripts, including proof of graduation for the baccalaureate degree and transcripts of all post-baccalaureate work, if any, are required prior to course registration. |
| | Applicants, who have attended or are currently attending institutions NOT participating in ApplyAlberta, must arrange to have official transcripts sent directly from the issuing institution to the Admissions Office. A list of participating institutions is available at www.applyalberta.ca. |

| STEP 3 - Admission decision process | The Selection Committee reviews the application and may interview short-listed candidates. The Selection Committee makes a recommendation on admission to the Graduate Programs in Education Committee. |
| | The Office of Graduate Studies and Research in the Faculty of Education unofficially informs the applicant of the Graduate Programs in Education Committee’s decision. Official admission decisions will be sent electronically by the Admissions Office. Applicants will be notified of their official admission status by the Admissions Office no later than April 1. Successful applicants will be advised of registration procedures at that time. |

4. Admission Decisions
   Admission is determined by the Graduate Programs in Education Program Committee, on the recommendation of the Selection Committee, following the application deadlines. Members of the committee base admission decisions on all the available information submitted by or on behalf of the applicant.
   If the previous program undertaken by the student shows gaps or weaknesses, additional course work or other study may be required. Such work will not normally count toward the requirements for the M.Ed. degree.

5. Admission After an Approved Master’s Degree
   A student holding an approved master’s degree from a recognized institution who wants to pursue an entirely different field of study to enhance or change their career focus or international students seeking North American credentials may be considered for admission to a U of L master’s degree program provided he/she meets all of the admission requirements.
   Students normally are not eligible to pursue a second master’s degree which is similar to one already completed at a recognized institution. Generally, degrees with identical or closely related majors are considered to be similar. Courses used to complete the requirements of the first master’s degree normally cannot be used to fulfill the requirements of the second master’s degree; recommendations regarding exceptions may be made by the Program Committee to the Dean of the School of Graduate Studies. In all cases, the decision of the Dean of the School of Graduate Studies shall be final.

C. Requirements for the M.Ed. (Educational Leadership) Degree
   The M.Ed. (Educational Leadership) program consists of the equivalent of 12 courses (36.0 credit hours) of study. The program comprises the common core courses, courses required for the major, elective courses, and a culminating activity, as outlined below:
   Courses are sequenced in such a way that students must follow the cohort schedule to be assured of completing the requirements for their degree. Courses and culminating activity options are dependent upon the schedule of the cohort the student was admitted to.
1. Common Core (12.0 credit hours)
   - Education 5200 - Curriculum Studies and Classroom Practice (Series)
   - Education 5300 - The Foundations of Modern Educational Theory and Practice (Series)
   - Education 5400 - The Nature of Educational Research (Series)
   - Education 5500 - Understanding Professional Practice and Professional Development (Series)

2. Required Courses for Educational Leadership (15.0 credit hours)
   - Education 5630 - Educational Leadership and the Change Process
   - Education 5631 - School Culture and the Instructional Program
   - Education 5632 - Managing the Organization
   - Education 5633 - Governance, Collaboration and Community Engagement
   - Education 5634 - Collaborative Problem Solving

3. Elective Courses for Educational Leadership (6.0 credit hours)
   - Education 5635 - Educational Leadership Internship I
   - Education 5637 - Educational Leadership Internship II

4. Culminating Activity (3.0 to 12.0 credit hours)
   In keeping with the focus of the M.Ed. program on the practicing educator, the Thesis, Project or Capstone represents a significant contribution to research, independent thinking, scholarly ability, and technical accomplishment in the student's field of study. Students must complete one of the following culminating activity options: Thesis, Project, or Capstone.
   a. Thesis Option
      - Education 6011, 6012, 6013, 6014 - Thesis equivalent to four courses (12.0 credit hours)
      Normally, students may not apply for the Thesis option until they have completed at least four courses in their program.
   b. Project Option
      - Education 6000, 6001 - Project equivalent to two courses (6.0 credit hours)
   c. Capstone Option
      - Education 6006 - Capstone equivalent to one course (3.0 credit hours)
      The Capstone is comprised of both a written and oral component.
      Selecting the Thesis or Project route will require students to complete more than the minimum 12 courses (36.0 credit hours). In such cases, these courses will be extra to program.
      Each route is dependent on the availability of appropriate supervision and approval by the Assistant Dean of Graduate Studies and Research (Faculty of Education).
      Guidelines for completing the culminating activity are contained in the University of Lethbridge Graduate Programs in Education: Policies and Procedures manual, available from the Office of Graduate Studies and Research in the Faculty of Education or online at www.uleth.ca/education/grad.
      Students who intend to continue studies beyond the M.Ed. level are reminded that the Thesis (12.0 credit hours) may be required to allow uninterrupted study beyond the master's level. Some universities may allow qualifying work for admission to advanced degree programs if the project or capstone option is exercised. Students are advised to confirm admission requirements for programs of interest.
   d. Program Approval
      It is the responsibility of each student to register for the appropriate courses in the same sequence provided in the cohort schedule. As the program is delivered in cohort format, students who do not register for courses in times they are scheduled for their cohort cannot be guaranteed opportunity for completing their programs. Choices of electives and decisions regarding culminating activities must be approved by the Assistant Dean of Graduate Studies and Research (Faculty of Education).
   e. Standards of Professional Conduct
      As a Faculty within the University of Lethbridge, the Faculty of Education is committed to maintaining its students' freedom of thought, beliefs, opinions and expressions. As a professional Faculty, the Faculty of Education is committed to assisting students to become professionals. The Faculty, then, has the responsibility of fostering the academic freedom of students within the context of professional standards of conduct. The standards describe professional characteristics and behaviours that students are expected to develop and demonstrate during all field and on-campus components within the education program. Appropriate demonstration of these professional standards will be judged by instructors and school personnel.
      1. The student acts in a manner that respects the dignity and rights of all persons without prejudice as to race, religious beliefs, colour, gender, sexual orientation, physical characteristics, age, ancestry or place of origin.
      2. The student treats pupils, peers, school personnel and faculty with dignity and respect and is considerate of their circumstances.
      3. The student acts in a responsible manner which includes being punctual, dependable, trustworthy, consistent and reliable.
      4. Recognizing that attendance in courses and practicum placements is a professional responsibility, students apprise appropriate personnel at the University and/or school in advance of unavoidable absences.
      5. The student demonstrates empathy for others by showing concern for and having an understanding of others' feelings and/or ideas.
      6. The student responds to feedback by listening to, evaluating, and responding to suggestions.
      7. The student maintains positive interpersonal relationships with peers, faculty, school personnel and pupils by contributing, co-operating, participating, and working with others in a flexible and adaptable way.
8. The student shows enthusiasm and initiative by being actively involved as a participant while encouraging the involvement and participation of others.
9. The student shows maturity and sound judgment in accordance with the standards of professional conduct.
10. The student demonstrates a commitment to teaching through interest in learning about the field of teaching, consulting, questioning, reading and discussing.
11. The student criticizes (verbally or in writing) the professional competence or professional reputation of others only in confidence to proper officials and only after the other person has been informed of the criticism.

f. General Regulations

1. Residence Requirements
Residence is defined as courses offered by the University of Lethbridge. A minimum of eight such course equivalents (24.0 credit hours) is required. It may be an option for students who have been admitted to the M.Ed. (Educational Leadership) program, to include in their program courses to be completed at other institutions. Proposals for such courses should be approved preferably during the initial planning of the program and are to be effected through Visiting Student or Western Deans’ Agreement (see Section 10, Western Deans’ Agreement, p. 117) procedures. A waiver of residence requirement is allowed for courses completed in this manner, subject to approval by the Assistant Dean of Graduate Studies and Research (Faculty of Education).

2. Academic Standards
Students must receive a minimum grade of 'B-' (2.70) in all courses which are graded and count toward the M.Ed. degree (see Section 3f.11 Required Withdrawal, p. 100). All courses completed in the M.Ed. (Educational Leadership) program or transferred into the program are included in the calculation of the GPA for graduation purposes. Transfer credit is not included in the GPA on the official transcript. A student must have a minimum cumulative GPA of 3.00 in order to graduate from the program.

3. Appeals
All appeals in the M.Ed. program should be directed to the Dean, Faculty of Education. Grade appeals for courses in the M.Ed. program will be processed through the School of Graduate Studies. Other appeals will be heard by the Graduate Programs in Education Program Committee. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final. Students should consult the full description of the University policies on Appeal of Grade in the Calendar (see Section 4, Grade Appeal Policy in Academic Regulations on p. 46).

4. Time Limits
Students must complete their program within five years. Students who have completed eight courses in the M.Ed., including the four core courses required in the M.Ed. (Educational Leadership) program, and who choose not to complete the M.Ed. degree may apply for a Diploma in Education. For Diploma requirements, see Diploma Programs in Education (D.P.E.) in Part 8 - Faculty of Education in the undergraduate U of L Calendar.

5. Leave of Absence
Students occasionally have legitimate reasons for having to put their studies on hold. Students may apply to the Assistant Dean of Graduate Studies and Research (Faculty of Education) for permission to take a Leave of Absence. Term-specific Leaves of Absence will be granted for not less than three consecutive semesters. A maximum of two Leaves of Absence per student program may be granted. If required, a student’s normal five-year time for completion of the M.Ed. (Educational Leadership) program will be extended by the amount of Leave of Absence time granted. For more information or details, students are advised to contact the Office of Graduate Studies and Research in the Faculty of Education.

Students who do not register in either a course or a placeholder (Education 5999) in each semester will be considered to have withdrawn from the program unless a Leave of Absence has been granted. Since permission is not automatic, students who anticipate an interruption in their program should apply in writing to the Assistant Dean of Graduate Studies and Research (Faculty of Education) requesting prior approval for a Leave of Absence.

6. Fees
a. Term Fees (for students enrolled prior to March 31, 2009)
Term fees are assessed beginning with the term in which the student is admitted, and paid consecutively each term regardless of whether the student is enrolled in courses. The payment of term fees includes only courses approved and completed towards the 12-course-credit M.Ed. degree.

b. Program Fees (previously Term Fees) (for students enrolled after April 1, 2009)
M.Ed. students pay a minimum of nine program fees. M.Ed. students whose programs are completed in fewer than nine semesters must make arrangements with the Office of Graduate Studies and Research in the Faculty of Education for the assessment of any remaining program fees to meet the minimum nine program fees required.

c. Fees for Additional Courses
Students who elect to take courses over and above the 12-course-credit program will pay a graduate course tuition fee for each additional course. Students remaining in program after nine semesters will also be assessed either a continuation fee (students admitted prior to March 31, 2009) or a program fee (students admitted after April 1, 2009).

d. Outstanding Fees
The University will withhold registration privileges if there are outstanding fees including the current semester’s fees. See the Master of Education and Master of Counselling Programs 2015/2016 Fee Schedule on p. 35. For fee payment deadlines, see Section 11. Fee Deadlines in Fees on p. 40.

7. Credit for Previous Work
A maximum of two semester courses beyond those required for admission, which have not already been credited toward a completed University credential, may be accepted for credit in the M.Ed. (Educational Leadership) program to the extent that they contribute to the elective part of the program. All courses considered for transfer credit must carry a grade of ‘B-’ or higher, and must have been completed no longer than five years prior to the student’s admission or readmission to the program.

8. Visiting Students
A student who is already admitted to a graduate program in Education at another university, and whose program is underway, may apply for admission as a Visiting Student at the University of Lethbridge. Contact the Office of Graduate Studies and Research in the Faculty of Education (online:www.uleth.ca/education/grad; email: edu.masters@uleth.ca; phone: 403-329-2425; 1-800-666-3503) for application and registration information. A letter authorizing Visiting Student registration in specific courses must be sent by the student’s home institution to the University of Lethbridge Admissions Office. Students admitted with Visiting Student status may register in up to two University of Lethbridge graduate Education courses. Admission is contingent upon satisfying academic qualifications for admission (see Section 3.b.1 Academic Qualifications for Admission, p. 95), the priorities for admission established by the Faculty of Education and upon space being available within the class size quota. Until the quota is filled, applicants will be considered on a first-come, first-served basis.

9. Enrolment in Graduate Classes - Open Studies
Students who have not been admitted to the M.Ed. degree program, but who have successfully completed an undergraduate degree, may, with the permission of the Assistant Dean of Graduate Studies and Research (Faculty of Education), be allowed to enrol in up to four graduate Education courses as Open Studies Students. Application for registration in a particular graduate course must be submitted to the Assistant Dean no later than two weeks prior to the beginning of class. Until the course quota is filled, qualified applicants will be considered on a first-come, first-served basis. Admission to the M.Ed. degree program following successful completion of graduate courses as Open Studies Students is not automatic, and applicants must meet the admission requirements (see Section 9. Admission Requirements, p. 95) and be recommended for admission by the Graduate Programs in Education Program Committee.

10. Enrolment Limits and Priorities for Graduate Education Courses
The Faculty of Education reserves the right to limit registration in graduate courses in Education. First priority is for students duly admitted to the M.Ed. degree program at the University of Lethbridge. Second priority is for students admitted to another graduate program at the University of Lethbridge and who meet admission requirements for the M.Ed. degree program. Third priority is for students who meet the requirements for admission, but who have not been admitted to a University of Lethbridge graduate program (see Section 9. Admission Requirements, p. 95). Fourth priority is for Visiting Students, i.e., students registered in a graduate study program at another university and for whom Visiting Student status has been formally established by that institution and approved by the Assistant Dean of Graduate Studies and Research (Faculty of Education). Such students may take a maximum of two University of Lethbridge 5000-level graduate Education courses.

11. Required Withdrawal
A student is required to withdraw from the M.Ed. (Educational Leadership) program if the following occurs:

• the grade point average falls below 2.70;
• the student fails (i.e. receives a grade below a ‘B-’ (2.70)) any course or practicum; or
• the student fails to meet the Standards of Professional Conduct.

12. Readmission After Withdrawal
Students who withdraw or who are required to withdraw from the M.Ed. (Educational Leadership) program must successfully apply for readmission by the appropriate deadline. Readmission is not guaranteed. Students are advised to consult with the Assistant Dean, Graduate Studies and Research in Education as early as possible.
g. Practicum and Internship Placement Policy

While in program and during practica/internship, students are expected to adhere to the standards of professional conduct set out by the Faculty of Education (see Section 3.e. Standards of Professional Conduct, p. 98). The Faculty of Education reserves the right to deny or terminate a placement in any practicum/internship course to any student if the Dean or Designate has reasonable grounds:

- the student has violated any part of the Faculty of Education’s standards of professional conduct;
- the student is unable to carry out the responsibilities of that practicum/internship; or
- the Dean, Faculty of Education or Designate believes denial or termination of a placement is necessary in order to protect the public interest.

Students whose placements have been denied or terminated will be informed of the reasons in writing.

4. MASTER OF EDUCATION (COUNSELLING PSYCHOLOGY)

a. Statement of Purpose

The M.Ed. (Counselling Psychology) program provides training for individuals who want to develop professional skills and attain certification in counselling psychology as a Canadian Certified Counsellor or Registered Psychologist. The emphasis of the program is on the provision of training for those people who aspire to work within educational, community or private practice settings. The degree awarded is the Master of Education (M.Ed.).

Canadian Certified Counsellors: graduates may be eligible for certification as a Canadian Certified Counsellor under the guidelines of the Canadian Counselling and Psychotherapy Association (CCPA). CCPA certification attests to the level of professional counselling competence and is considered the minimum professional standard in Canada.

Registered Psychologist: students receive the graduate course work leading to registration as a psychologist within the province of Alberta. However, applicants should be aware that the College of Alberta Psychologists (CAP) regulates the process of registering. The CAP has additional requirements beyond what is provided within the M.Ed. program at the University of Lethbridge, including undergraduate psychology courses, supervised clinical hours, and oral and written examinations.

Students are responsible for ensuring that they meet the requirements for registering as established by the CAP or the corresponding body in the province/state in which they wish to achieve a professional designation.

The Counselling Psychology program operates on a cohort model. A cohort is a group of students who are admitted at the same time, and proceed at the same pace through the program. Courses are sequenced in such a way that students must follow the cohort schedule to be assured of completing the requirements for their degree. Courses are offered on campus.

b. Admission Requirements

Please refer to Part 1 - Admissions of the Undergraduate Calendar for University policies regarding Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

1. Academic Qualifications for Admission

   a. A University of Lethbridge baccalaureate degree, or its academic equivalent from another recognized degree-granting institution, in the discipline of interest or in a closely cognate discipline. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees.

   b. Evidence of academic ability and promise, normally shown by a GPA of 3.00 in the semesters containing the last 20 university courses (60.0 credit hours).

   c. Applicants whose first language is not English must meet the English Language Proficiency (ELP) Requirement for Graduate Students (see Section 9. English Language Proficiency for Graduate Students, p. 116).

Students are admitted to a M.Ed. (Counselling Psychology) cohort on a competitive selection basis. The following criteria are used in the selection process:

- Grade point average;
- Relevancy of undergraduate degree (preference for degrees in Education or Psychology, followed by degrees in Social Work or Nursing);
- Breadth of undergraduate courses in counselling, educational psychology or psychology. Particular emphasis is paid to courses in human development, learning, personality and counselling skills;
- Relevant work and/or volunteer experience. Preference is given to applicants who have two or more years of teaching and/or counselling experience. Volunteer experience in counselling settings is also desirable; and,
- Results of interview. For each cohort, a short-list of applicants who meet the above criteria will be developed. Each of the short-listed candidates may be interviewed by the Selection Committee.

2. Application Deadlines

Normally students are admitted to the M.Ed. (Counselling Psychology) program in order to begin their studies in the summer session of alternate years. For scheduled Counselling Psychology cohort intakes refer to the website at www.uleth.ca/education/grad.

Application deadlines and application deadline extensions for all graduate studies programs are available at www.uleth.ca/ross/admission-information/application/grad_app_deadlines.

Applications and all required admission decision documentation (see Table 6: M.Ed. (Counselling Psychology) Program Application Procedure (p. 103)), with the possible exception of final semester grades for those currently enrolled, must be submitted electronically via the online application system by the deadline. Successful applicants must
arrange to have official transcripts sent from the issuing institution to the University of Lethbridge Admission Office prior to course registration. Students who are not successful in gaining admission must reapply if they wish to be considered for the next available intake.

3. Process for Application/Admission

Applicants apply via the online application system available at www.uleth.ca/graduate-studies/apply. Applicants are advised to begin work on the application well in advance of the application deadline and submit it as soon as possible (see Section 2. Application Deadlines). No application can receive formal consideration until all documentation is received. All documents received in support of an application become the property of the University and will not be released or copied except to other officers of the University as required by University procedures.

Note: Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

Eligible applicants must apply for admission by following the process outlined in Table 6: M.Ed. (Counselling Psychology) Program Application Procedure (p. 103) (see also Section 1. Academic Qualifications for Admission, p. 101).

| STEP 2 - Applicant arranges for official documents | Official transcripts, including proof of graduation for the baccalaueate degree and transcripts of all post-baccalaueate work, if any, are required prior to course registration. Applicants, who have attended or are currently attending institutions NOT participating in ApplyAlberta, must arrange to have official transcripts sent directly from the issuing institution to the Admissions Office. A list of participating institutions is available at www.applyalberta.ca. |

| STEP 3 - Admission decision process | The Selection Committee reviews the application and may interview short-listed candidates. The Selection Committee makes a recommendation on admission to the Graduate Programs in Education Committee. The Office of Graduate Studies and Research in the Faculty of Education unofficially informs the applicant of the Graduate Programs in Education Committee’s decision. Official admission decisions will be sent electronically by the Admissions Office. Applicants will be notified of their official admission status by the Admissions Office no later than April 1. Successful applicants will be advised of registration procedures at that time. |

### 4. Admission Decisions

Admission is determined by the Graduate Programs in Education Committee, on the recommendation of the Selection Committee, following the application deadlines. Members of the committee base admission decisions on all the available information submitted by or on behalf of the applicant.

If the previous program undertaken by the student shows gaps or weaknesses, additional course work or other study may be required. Such work will not normally count toward the requirements for the M.Ed. degree.

### 5. Admission After an Approved Master’s Degree

A student holding an approved master’s degree from a recognized institution who wants to pursue an entirely different field of study to enhance or change their career focus or international students seeking North American credentials may be considered for admission to a U of L master’s degree program provided he/she meets all of the admission requirements.

Students normally are not eligible to pursue a second master’s degree which is similar to one already completed at a recognized institution. Generally, degrees with identical or closely related majors are considered to be similar. Courses used to complete the requirements of the first master’s degree normally cannot be used to fulfill the requirements of the second master’s degree; recommendations regarding exceptions may be made by the Program Committee to the Dean of the School of Graduate Studies. In all cases, the decision of the Dean of the School of Graduate Studies shall be final.

### c. Requirements for the M.Ed. (Counselling Psychology) Degree

The M.Ed. (Counselling Psychology) program consists of the equivalent of 15 courses (45.0 credit hours) of study if the Thesis option is completed, 13 courses (39.0 credit hours) if the Project option is completed, and 12 courses (36.0 credit hours) if the Capstone option is completed. The program consists of common core courses and a culminating activity, as outlined below:
1. **Common Counselling Psychology Core (33.0 credit hours)**
   - Education 5621 - Counselling Psychology: Ethics and Professional Practice
   - Education 5622 - Counselling Psychology: Gender and Cultural Issues
   - Education 5623 - Counselling Psychology: Learning Processes
   - Education 5704 - Counselling Psychology: Skills
   - Education 5705 - Counselling Psychology: Theory
   - Education 5706 - Counselling Psychology: Interventions
   - Education 5707 - Counselling Psychology: Assessment
   - Education 5708 - Counselling Psychology: Career Counselling
   - Education 5709 - Counselling Psychology: Practicum I
   - Education 5711 - Counselling Psychology: Practicum II
   - Education 5712 - Counselling Psychology: Research Methods

2. **Culminating Activity (3.0 to 12.0 credit hours)**
   - The Thesis, Project or Capstone represents a significant contribution to research, independent thinking, scholarly ability and technical accomplishment in the student's field of study. Students must complete one of the following culminating activity options: Thesis, Project, or Capstone.
   a. **Thesis Option**
      - Education 6011, 6012, 6013, 6014 - Thesis equivalent to four courses (12.0 credit hours)
      - Normally, students may not apply for the thesis option until they have completed at least three courses in their program, one of which must be Education 5712.
   b. **Project Option**
      - Education 6000, 6001 - Project equivalent to two courses (6.0 credit hours)
   c. **Capstone Option**
      - Education 6006 - Capstone equivalent to one course (3.0 credit hours)
      - The Capstone is comprised of both a written and oral component.

Selecting the Thesis or Project route will require students to complete more than the minimum 12 courses (36.0 credit hours). In such cases, these courses will be extra to program.

Each route is dependent on the availability of appropriate supervision and approval by the Assistant Dean of Graduate Studies and Research (Faculty of Education).

Guidelines for completing the culminating activity are contained in the University of Lethbridge Graduate Programs in Education: Policies and Procedures manual, available from the Office of Graduate Studies and Research in the Faculty of Education or online at www.uleth.ca/education/grad.

Students who intend to continue studies beyond the M.Ed. level are reminded that the Thesis (12.0 credit hours) may be required to allow uninterrupted study beyond the master's level. Some universities may allow qualifying work for admission to advanced degree programs if the Project or Capstone option is exercised. Students are advised to confirm admission requirements for programs of interest.

d. **Program Approval**
   - It is the responsibility of each student to register for the appropriate courses in the same sequence provided in the cohort schedule. As the program is delivered in cohort format, students who do not register for courses in times they are scheduled for their cohort cannot be guaranteed opportunity for completing their programs. Choices of electives and decisions regarding culminating activities must be approved by the Assistant Dean of Graduate Studies and Research (Faculty of Education).

e. **Standards of Professional Conduct for Counselling Psychology Students**
   - As a Faculty within the University of Lethbridge, the Faculty of Education is committed to maintaining its students' freedom of thought, beliefs, opinions and expressions. As a professional Faculty, the Faculty of Education is committed to assisting students to become professionals. The Faculty, then, has the responsibility of fostering the academic freedom of students within the context of professional standards of conduct. The standards describe professional characteristics and behaviours that students are expected to develop and demonstrate during all field and on-campus components within the counselling psychology program. Appropriate demonstration of these professional standards will be judged by instructors and counselling psychology agency personnel.

   6. The student responds to feedback by listening to, evaluating, and responding to suggestions.
   7. The student maintains positive interpersonal relationships with peers, faculty, counselling psychology agency personnel and clients by contributing, co-operating, participating and working with others in a flexible and adaptable way.
8. The student shows enthusiasm and initiative by being actively involved as a participant while encouraging the involvement and participation of others.

9. The student shows maturity and sound judgment in accordance with the standards of professional conduct.

10. The student demonstrates a commitment to counselling through interest in learning about the field of counselling psychology, consulting, questioning, reading and discussing.

11. The student criticizes (verbally or in writing) the professional competence or professional reputation of others only in confidence to proper officials and only after the other person has been informed of the criticism.

12. The student respects the confidentiality of information about clients, peers, counselling agency personnel or faculty received in confidence or in the course of professional duties.

13. The student acts in a manner which maintains the honour and dignity of the profession and the University of Lethbridge.

f. General Regulations

1. Residence Requirements
   Residence is defined as courses offered by the University of Lethbridge. A minimum of eight such course equivalents (24.0 credit hours) is required. It may be an option for students who have been admitted to the M.Ed. (Counselling Psychology) program, to include in their program courses to be completed at other institutions. Proposals for such courses should be approved preferably during the initial planning of the program and are to be effected through Visiting Student or Western Deans’ Agreement (see Section 10. Western Deans’ Agreement, p. 117) procedures. A waiver of residence requirement may be allowed for courses completed in this manner, subject to approval by the Assistant Dean of Graduate Studies and Research (Faculty of Education).

2. Academic Standards
   Students must receive a minimum grade of 'B-' (2.70) in all courses which are graded and count toward the M.Ed. degree (see Section 4.f.11 Required Withdrawal, p. 106). All courses completed in the M.Ed. (Counselling Psychology) program or transferred into the program are included in the calculation of the GPA for graduation purposes. Transfer credit is not included in the GPA on the official transcript. A student must have a minimum cumulative GPA of 3.00 in order to graduate from the program.

3. Appeals
   All appeals in the M.Ed. program should be directed to the Dean, Faculty of Education. Grade appeals for courses in the M.Ed. program will be processed through the School of Graduate Studies. Other appeals will be heard by the Graduate Programs in Education Program Committee. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final.

   Students should consult the full description of the University policies on Appeal of Grade in the Calendar (see Section 4, Grade Appeal Policy in Academic Regulations on p. 46).

4. Time Limits
   Students must complete their program within five years. Students who have completed eight courses in the M.Ed. (Counselling Psychology) program, and who choose not to complete the M.Ed. degree may apply for a Diploma in Education. For diploma requirements, see Diploma Programs in Education (D.P.E.) in Part 8 - Faculty of Education in the undergraduate U of L Calendar.

5. Leave of Absence
   Students occasionally have legitimate reasons for having to put their studies on hold. Students may apply to the Assistant Dean of Graduate Studies and Research (Faculty of Education) for permission to take a Leave of Absence. Term-specific Leaves of Absence will be granted for not less than three consecutive semesters. A maximum of two Leaves of Absence per student program may be granted. If required, a student’s normal five-year time for completion of the M.Ed. (Counselling Psychology) program will be extended by the amount of Leave of Absence time granted. For more information or details, students are advised to contact the Office of Graduate Studies and Research in the Faculty of Education.

   Students who do not register in either a course or a placeholder (Education 5999) in each semester will be considered to have withdrawn from the program unless a Leave of Absence has been granted. Since permission is not automatic, students who anticipate an interruption in their program should apply in writing to the Assistant Dean of Graduate Studies and Research (Faculty of Education) requesting prior approval for a Leave of Absence.

6. Fees
   a. Term Fees (for students enrolled prior to March 31, 2009)
      Term fees are assessed beginning with the term in which the student is admitted, and paid consecutively each term regardless of whether the student is enrolled in courses. The payment of term fees includes only courses approved and completed towards the 12-course-credit M.Ed. degree.

   b. Program Fees (previously Term Fees) (for students enrolled after April 1, 2009)
7. Credit for Previous Work
A maximum of two semester courses beyond those required for admission, which have not already been credited toward a completed university credential, may be accepted for credit in the M.Ed. (Counselling Psychology) program to the extent that they contribute to the elective part of the program. All courses considered for transfer credit must carry a grade of 'B-' or higher, and must have been completed no longer than five years prior to the student’s admission or readmission to the program.

8. Visiting Students
A student who is already admitted to a graduate program in Education at another university and whose program is underway may apply for admission as a Visiting Student at the University of Lethbridge. Contact the Office of Graduate Studies and Research in the Faculty of Education (online: www.uleth.ca/education/grad; email: edumasters@uleth.ca; phone: 403-329-2425; 1-800-666-3503) for application and registration information. A letter authorizing Visiting Student registration in specific courses must be sent by the student’s home institution to the University of Lethbridge Admissions Office.

Students admitted with Visiting Student status may register in up to two University of Lethbridge graduate Education courses. Admission is contingent upon satisfying academic qualifications for admission (see Section 3.1b.1 Academic Qualifications for Admission, p. 101). The priorities for admission established by the Faculty of Education and upon space being available within the class size quota. Until the quota is filled, applicants will be considered on a first-come, first-served basis.

9. Enrolment in Graduate Classes - Open Studies
Students who have not been admitted to the M.Ed. program, but who have successfully completed an undergraduate degree, may, with the permission of the Assistant Dean of Graduate Studies and Research (Faculty of Education), be allowed to enrol in up to four graduate Education courses as Open Studies Students. Application for registration in a particular graduate course must be submitted to the Assistant Dean no later than two weeks prior to the beginning of class. Until the course quota is filled, qualified applicants will be considered on a first-come, first-served basis. Admission to the M.Ed. program following successful completion of graduate courses as Open Studies Students is not automatic, and applicants must meet the admission requirements (see Section 5. Admission Requirements, p. 101) and be recommended for admission by the Graduate Programs in Education Program Committee.

10. Enrolment Limits and Priorities for Graduate Education Courses
The Faculty of Education reserves the right to limit registration in graduate courses in Education. First priority is for students duly admitted to the M.Ed. degree program at the University of Lethbridge. Second priority is for students admitted to another graduate program at the University of Lethbridge and who meet admission requirements for the M.Ed. degree program. Third priority is for students who meet the requirements for admission, but who have not been admitted to a University of Lethbridge graduate program (see Section 9. Enrolment in Graduate Classes - Open Studies).

Fourth priority is for Visiting Students, i.e., students registered in a graduate study program at another university and for whom Visiting Student status has been formally established by that institution and approved by the Assistant Dean of Graduate Studies and Research (Faculty of Education). Such students may take a maximum of two University of Lethbridge 5000-level graduate Education courses.

11. Required Withdrawal
A student is required to withdraw from the M.Ed. (Counselling Psychology) program if the following occurs:

• the grade point average falls below 2.70;
• the student fails (i.e., receives a grade below a ‘B-’ (2.70)) any course or practicum; or
• the student fails to meet the Standards of Professional Conduct for Counselling Psychology Students (see Section 4e, p. 104).

12. Readmission After Withdrawal
Students who withdraw or who are required to withdraw from the M.Ed. (Counselling Psychology) program must successfully apply for readmission by the appropriate deadline. Readmission is not guaranteed. Students are advised to consult with the Assistant Dean, Graduate Studies and Research in Education as early as possible.
g. Practicum Placement Policy

While in program and during practica, students are expected to adhere to the standards of professional conduct set out by the Faculty of Education (see Section 4.e. Standards of Professional Conduct for Counselling Psychology Students, p. 104). The Faculty of Education reserves the right to deny or terminate a placement in any practicum course to any student if the Dean or Designate has reasonable grounds:

- the student has violated any part of the Faculty of Education's standards of professional conduct;
- the student is unable to carry out the counselling responsibilities of that practicum; or
- the Dean, Faculty of Education, or Designate believes denial or termination of a placement is necessary in order to protect the public interest.

Students whose practicum placements have been denied or terminated will be informed of the reasons in writing.

6. **GRADUATE ASSISTANTS**

a. **Definitions**

Three University terms are defined for the purpose of graduate assistantships:
- Fall semester - September 1 to December 31
- Spring semester - January 1 to April 30
- Summer semester - May 1 to August 31

In the fall and spring semesters, full-time graduate student status is granted to students registered in a program of graduate work equivalent to at least three courses. Graduate students taking fewer than three courses are considered part-time, unless they have inactive status.

Graduate Assistants (G.A.s) are graduate students registered full-time in the program and paid to carry out either:

1. Teaching duties including the preparation, delivery and evaluation of teaching or laboratory assignments, instructing in laboratories or the equivalent, assisting in the supervision of practicum students and the grading of assignments. In this instance, the instructor of record will be a regular member of the Faculty and the G.A. will not assume full or final responsibility for any course; or
2. Research duties consisting of working for a staff member on a research project(s), the results of which may or may not be used in their Thesis. Clerical or administrative work not related to research is not suitable for a G.A.

Full-time G.A.s are full-time graduate students holding a Graduate Assistantship which requires them to devote up to eight hours per week to teaching or research duties. If a full-time G.A. is performing research duties, the results of which may be used in a Thesis, the student may be required to devote more than eight hours per week to these duties.

b. Appointment of Graduate Assistants

1. Applications for Graduate Assistantships will be approved by the Assistant Dean, Graduate Studies and Research (Faculty of Education).

2. A Letter of Appointment is forwarded to the appointee. G.A.s are entitled to know:
   a. The number of hours per week of the appointment.
   b. The total remuneration.

In addition, the Letter of Appointment will include as specific a list of duties as possible at the time of appointment. It is understood that minor changes of appointments may be required from time to time but these modifications are to be completed no later than the end of the first week of classes with appropriate written notification to all G.A.s affected.

3. A graduate student who has been appointed to a Graduate Assistantship must report any other remuneration during tenure of the assistantship. If the student accepts some major award or some other paid employment, where payment is from funds administered by the University, the appointment may be cancelled or reduced.

Normally, assistantships will not be available to students who are employed full-time while registered in the program.

4. Depending upon the amount of funding available and the number of full-time graduate students, a portion of an assistantship may be awarded. The stipend awarded and the hours of work required would be adjusted accordingly. No assistantship shall require fewer than six hours per week. Normally, full-time students are eligible for assistantships for one calendar year.

5. Assistantships are inclusive of all vacation entitlement. There is no vacation pay on contract expiry or termination in lieu of any time not taken.

10. WESTERN DEANS’ AGREEMENT

The Western Deans’ Agreement covers exchange graduate students from member universities in British Columbia (Simon Fraser University, University of British Columbia, University of Northern British Columbia, University of Victoria), Alberta (Athabasca University, University of Alberta, University of Calgary, University of Lethbridge), Saskatchewan (University of Regina, University of Saskatchewan) and Manitoba (University of Manitoba) provided that:

1. the period for which the fees are remitted does not exceed two academic terms of four months each;
2. the course work or work to be pursued is not available at the student’s home institution.

Western Deans’ Agreement students pay tuition (and general) fees at their home university, and they pay applicable student activity fees (general fees) at the host institution where they are taking courses.

Under the Western Deans’ Agreement, students may take both undergraduate and graduate courses. Students may only take courses which are not available at their home university, and which are an integral part of their graduate degree program. The approval of the appropriate Chairs of the master’s and Ph.D. Program Committees and of the designated representative of the host university must be obtained prior to commencement of the courses.

Students must arrange for official transcripts from the host institution to be sent to the home institution when the courses have been completed. Each home institution has regulations regarding the maximum number of transfer credits permitted. Students should ensure that their requests are within these limits.

For a complete listing of the participating universities see the Western Canadian Deans’ of Graduate Studies website at www.wcdgs.ca.

1. M.F.A. PROGRAM GRID

**Degree**
Master of Fine Arts (M.F.A.) (offered in the Faculty of Fine Arts)

**Majors**
Art
New Media
Theatre and Dramatic Arts

2. STATEMENT OF PURPOSE

The Master of Fine Arts (M.F.A.) degree program offers students the opportunity to pursue an advanced degree in the Departments of Art, Theatre and Dramatic Arts, or New Media. Faculty who are practicing artists and experts in the field provide an environment grounded in a traditional fine arts education, while encouraging students to study broadly in the arts and to find their own creative voice. Spirited experimentation with artistic and performance techniques, on a foundation of theory and critical thought, as well as the application of new technology are an important and integral part of the Faculty of Fine Arts.

The M.F.A. program allows graduate students to concentrate in one or more artistic disciplines or cross disciplinary lines, to build a program of individual study, and to synthesize their work into a personalized artistic expression.

3. PROGRAM DESIGN

Obtaining the M.F.A. degree is contingent upon the successful completion of specified course work and a Thesis, which comprises, a research project and a support paper that is related directly to the area(s) of inquiry formulated by the supervisor and the student. All of the work prescribed for the degree will be formulated and completed under the guidance of the student's supervisor.

The individual program of study is designed by the student in consultation with a faculty member from the appropriate department who intends to remain the student's supervisor for the duration of the student's program. Once a potential supervisor has agreed to assume responsibilities of program advisor, the proposed supervisor will form a potential Supervisory Committee.

A Supervisory Committee is formed for each M.F.A. student enrolled in the program. The Supervisory Committee shall consist of two other faculty members: one from the same discipline as the program and one from another cognate area. The Program Committee must approve the supervisor and Supervisory Committee. Once the Supervisory Committee has been approved by the Program Committee, the supervisor will chair the Supervisory Committee.

For information regarding committee structure and roles, refer to the University of Lethbridge M.F.A. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies.

4. ADMISSION REQUIREMENTS

Please refer to Part 1 - Admissions of the Undergraduate Calendar for University policies regarding: Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

a. Academic Qualifications for Admission

Applicants normally must meet the following minimum requirements before the University will consider admission:

1. A University of Lethbridge baccalaureate degree, or its academic equivalent from another recognized degree-granting institution, in the discipline of interest or in a closely cognate discipline. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees.

2. A minimum grade point average of 3.00 (based on a 4.00 scale) on the last 20 graded university-level semester courses.

Applicants are considered on a case-by-case basis. Preference is given to a student whose proposed creative work is related to a supervisor's area of expertise. An applicant will be required to present an audition or a portfolio of creative work for evaluation.

An applicant whose first language is not English must meet the English Language Proficiency (ELP) Requirement for Graduate Studies (see Section 11. English Language Proficiency for Graduate Students, p. 126).

b. Application Deadlines

A student may be admitted to the M.F.A. program in order to begin their studies as a full-time student for the fall semester (September) only.

Applications and all required admission decision documentation with the possible exception of final semester grades for those currently enrolled, must be submitted electronically via the online application system no later than the deadline listed above. Successful applicants must arrange to have official transcripts sent from the issuing institution to the University of Lethbridge Admissions Office prior to course registration.

Application deadlines and application deadline extensions for all Graduate Studies programs are available at www.uleth.ca/ross/admission-information/application/grad_app_deadlines.

By submitting this application, applicants authorize the University of Lethbridge to request transcripts on their behalf from institutions participating in ApplyAlberta (Alberta Post-Secondary Application System). |

STEP 2 - Applicant arranges for official documents
Official transcripts, including proof of graduation for the baccalaureate degree and transcripts of all post-baccalaureate work, if any, are required prior to course registration. Applicants, who have attended or are currently attending institutions NOT participating in ApplyAlberta, must arrange to have official transcripts sent directly from the issuing institution to the Admissions Office. A list or participating institutions is available at www.applyalberta.ca

STEP 3 - Admission decision process
The Department Review Committee reviews the application and makes a recommendation on admission to the Program Committee. The office of the School of Graduate Studies, on behalf of the Dean of the School of Graduate Studies, unofficially informs the applicant of the admission decision. An official admission decision will be sent electronically from the Admissions Office. Applicants will be notified of their official admission status by the Admissions Office no later than April 1. Successful applicants will be advised of registration procedures at that time.
c. Process for Application/Admission
Applicants apply via the online application system available at www.uleth.ca/graduate-studies/apply.
Applicants should begin work on the application submission as soon as possible (see Section b. Application Deadlines).

Note: Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

Eligible applicants must apply for admission by following the process outlined in Table 2: M.F.A. Programs Application Process (p. 121) (see also Section a. Academic Qualifications for Admission, p. 120).

d. Admission Criteria
The capacity of the M.F.A. program is limited by both space and availability of faculty. Not all students meeting the general admission requirements can be admitted.

Criteria used for admission include during the review of the application for admission will include:
• the applicant's record and letters of academic recommendation;
• the applicant's body of creative work, exhibition/exhibition/ performance/reviews, and publishing record;
• audition/interview (Department of Theatre and Dramatic Arts);
• the feasibility of the project in light of available resources; and
• financial support for the student.

A student judged to be of suitable potential for graduate work, but lacking in some necessary preparation, may be considered for admission subject to one of two options: the required preparation may be undertaken prior to admission, with the permission of the Program Committee, or it may be undertaken after admission. The Program Committee will establish a definite date by which all conditions must be satisfied.

Unless alternative arrangements have been made, a student receiving an Offer of Admission to the program must register in the program no later than the registration deadline, as outlined in the Calendar. Failing to register in this way will result in the student forfeiting admission status.

A student newly admitted in the M.F.A. program is required to pay a non-refundable $100 deposit to confirm their acceptance of their admission (Effective for the Spring 2016 intake, the confirmation of admission will be $200). This deposit is credited toward the tuition fee upon registration in the program.

Full-time students may not be employed outside their program in any form of employment exceeding 10 hours per week.

ev. Admission After an Approved Master’s Degree
A student holding an approved master’s degree from a recognized institution who wants to pursue an entirely different field of study to enhance or change their career focus or international students seeking North American credentials may be considered for admission to a U of L master’s degree program provided he/she meets all of the admission requirements.

Students normally are not eligible to pursue a second master’s degree which is similar to one already completed at a recognized institution. Generally, degrees with identical or closely related majors are considered to be similar. Courses used to complete the requirements of the first master’s degree normally cannot be used to fulfill the requirements of the second master’s degree; recommendations regarding exceptions may be made by the Program Committee to the Dean of the School of Graduate Studies. In all cases, the decision of the Dean of the School of Graduate Studies shall be final.

f. Exchange Students
Under approved exchange arrangements, an M.F.A. student registered in a program at another post-secondary institution, and not pursuing a degree at the University of Lethbridge, may be considered to take courses. The University of Lethbridge is a signatory of the Western Deans’ Agreement (see Section 12. Western Deans’ Agreement, p. 127). Contact the School of Graduate Studies at sgsinquiries@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Section 3.a. Academic Qualifications for Admission, p. 120).

g. Visiting Students
With the appropriate permission of the sending and receiving institution, a student may be considered as a Visiting Student for study where formal exchange arrangements are not in place. They must satisfy the normal admission requirements of the University of Lethbridge. Contact the School of Graduate Studies at sgsinquiries@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Section 3.a. Academic Qualifications for Admission, p. 120).

5. REQUIREMENTS FOR DEGREE

Although courses are program specific, a student may, in consultation with his or her supervisor, tailor the course work to the needs of the student, with approval from the Program Committee.

b. Thesis

The Research Project represents the accomplishments of a one-year investigation and results in a performance, production, exhibition, or original work relevant to the particular field of study in which the student is engaged. The Research Project must be defended in a final oral examination (see Section c. Final Oral Examination).

The Support Paper is defined by the Program Committee in consultation with the student and the supervisor. The student in consultation with the supervisor must determine the format and direction of the Support Paper. The Supervisory Committee must approve the proposed Support Paper. Specific elements may vary depending on the proposed Thesis. Standards and conventions widely used in Canada and adopted by the University are to be found in the University of Lethbridge M.F.A. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies.

A Support Paper no less than 30 pages accompanies the Research Project and positions the student’s production within a contemporary discourse. When complete, the candidate must defend the thesis in an oral examination.

c. Final Oral Examination

Once the supervisor approves the Research Project and the Support Paper, and the student is prepared to defend both parts of the Thesis, the final oral examination is scheduled by the supervisor. The grading mode for the research project and the support paper is pass/fail as described in the University of Lethbridge M.F.A. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies.

An Examination Committee is appointed to conduct the final oral examination in accordance with the procedures described in the University of Lethbridge M.F.A. Program: Policies and Procedures manual. Once the Thesis is final (i.e., assessed and corrected, if necessary), it must be submitted in both print and electronic formats.

7. GENERAL REGULATIONS

a. Credit for Previous Work

With the permission of the Program Committee in each case, courses that have not already been credited toward a completed university credential may be accepted for credit in the Master's program. All courses considered for transfer credit must carry a grade of 'B-' or higher and must have been completed no longer than seven years prior to the student's admission to the program.

b. Residence Requirements and Time Limits

Residence is defined as the period during which the student is registered in the program, taking courses, conducting research, or working on the Research Project or Written Thesis at the University of Lethbridge. The minimum residence requirement shall be 24-months continuous full-time registration in the M.F.A. program. If needed, a graduate student may apply for an extension up to one academic year. The maximum time limit for degree completion shall be three academic years. All courses specified by the Program Committee and the Thesis must be successfully completed and submitted within the maximum time limit. Failure to complete within this period will result in the candidate being required to withdraw from the program.

Under extenuating circumstances the Program Committee may allow a longer extension. A student who does not register in the program in any semester will be considered to have withdrawn, unless a leave of absence has been granted by the Program Committee. Since permission is not automatic, students who anticipate an interruption in their program should notify the Program Committee in writing, seeking prior approval for a leave of absence.

Leave of Absence

During an approved leave of absence, the student is not required to register, no fees are assessed, and the time granted is not counted toward the residency requirement. The leave of absence may be granted up to a maximum of one year during the tenure of study in the master's program. With the permission of the Program Committee, a student may maintain resident status while conducting research off-campus (e.g., on field trips, using facilities, or consulting libraries elsewhere). It may be necessary for a student to include in his or her program courses to be completed at other institutions. The Program Committee must approve proposals for these courses.

c. Academic Standards

A student must receive a minimum grade of 'B-' (2.70 on a 4.00 scale) in all courses which are graded and which count toward the degree. A student who receives more than two grades below a 'B-' may be asked to withdraw from the program. Students must present a minimum cumulative GPA of 3.00 in all courses in order to graduate from the M.F.A. program. A student whose performance in the program is judged to be unsatisfactory by the Program Committee may be placed on probation; continued unsatisfactory performance may result in the student being required to withdraw from the program.

d. Appeals

All appeals in the M.F.A. program should be directed to the Program Committee. Grade appeals for courses in the M.F.A. program will be processed through the School of Graduate Studies. The Program Committee will hear other appeals. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final.

e. Academic Offences and Discipline

A graduate student is expected to exemplify high standards of academic and ethical behaviour and is subject to the University's student discipline and ethical behaviour policies.
**f. Fees**

Fees for the M.F.A. program are pending approval.

**8. SUPERVISION**

Guidelines for supervisory procedures, including the conduct of a supervisor and suggestions for good practice, are contained in the University of Lethbridge M.F.A. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies.

**9. FINANCIAL OPPORTUNITIES**

For information on financial opportunities, please see www.uleth.ca/graduate-studies or contact the Graduate Studies Awards Advisor at sgs.awards@uleth.ca.

**10. AWARDS AND SCHOLARSHIPS**

See Awards and Scholarships on p. 205. Additional information regarding awards and scholarships is available at www.uleth.ca/graduate-studies or by contacting the Graduate Studies Awards Advisor at sgs.awards@uleth.ca.

**11. ENGLISH LANGUAGE PROFICIENCY FOR GRADUATE STUDENTS**

Applicants whose first language is not English, regardless of citizenship or country of origin, must meet the English Language Proficiency (ELP) Requirement. Evidence of ELP must be provided before admission will be offered. In all cases, the decision of the School of Graduate Studies shall be final.

Acceptable evidence of ELP for graduate studies may be any one of:

1. Successful completion of a baccalaureate or master's degree at a recognized institution where the language of instruction is English and the student's work is in English (Note: The School of Graduate Studies reserves the right to determine whether a particular institution is recognized as an institution in which the language of instruction is English).
2. Successful completion of the Advanced Level, English for Academic Purposes (EAP) program at the University of Lethbridge (see International Students on p. 175 of the University of Lethbridge 2015/2016 Graduate Studies Calendar).

12. WESTERN DEANS’ AGREEMENT

The Western Deans’ Agreement covers exchange graduate students from member universities in British Columbia (Simon Fraser University, University of British Columbia, University of Northern British Columbia, University of Victoria), Alberta (Athabasca University, University of Alberta, University of Calgary, University of Lethbridge), Saskatchewan (University of Regina, University of Saskatchewan) and Manitoba (University of Manitoba) provided that:

1. the period for which the fees are remitted does not exceed two academic terms of four months each;
2. the course work or work to be pursued is not available at the student’s home institution.

Western Deans’ Agreement students pay tuition (and general) fees at their home university, and they pay applicable student activity fees (general fees) at the host institution where they are taking courses.

Under the Western Deans’ Agreement, students may take both undergraduate and graduate courses. Students may only take courses which are not available at their home university, and which are an integral part of their graduate degree program. The approval of the appropriate Chairs of the master’s and Ph.D. Program Committees and of the designated representative of the host university must be obtained prior to commencement of the courses.

Students must arrange for official transcripts from the host institution to be sent to the home institution when the courses have been completed. Each home institution has regulations regarding the maximum number of transfer credits permitted. Students should ensure that their requests are within these limits.

For a complete listing of the participating universities see the Western Canadian Deans’ of Graduate Studies website at www.wcdgs.ca.

12. WESTERN DEANS' AGREEMENT ................................. 136
1. **M.Mus. PROGRAM GRID**

   **Degree**
   Master of Music (M.Mus.) (offered in the Faculty of Fine Arts)

   **Major**
   Not Applicable

2. **STATEMENT OF PURPOSE**

   The Master of Music (M.Mus.) degree program offers students the opportunity to pursue an advanced degree in the Department of Music. Faculty who are practicing artists and experts in the field provide an environment grounded in a traditional music education, while encouraging students to study broadly and find their own creative voice. The M.Mus. program allows graduate students to concentrate in an artistic discipline, to build a program of individual study, and to synthesize their work into a personalized artistic expression.

3. **PROGRAM DESIGN**

   Obtaining the M.Mus. degree is contingent upon the successful completion of specified course work and a lecture recital and Written Thesis that are related directly to the area(s) of inquiry formulated by the supervisor and the student. All of the work prescribed for the degree will be formulated and completed under the guidance of the student's supervisor.

   The individual program of study is designed by the music student in consultation with a faculty member from the music department who intends to remain the student's supervisor for the duration of his or her program. Once a potential supervisor has agreed to assume responsibilities of program advisor, the proposed supervisor will form a potential Supervisory Committee.

   A Supervisory Committee is formed for each M.Mus. student enrolled in the program. The Supervisory Committee shall consist of two other faculty members: one from the same discipline as the program and one from another cognate area. The Program Committee must approve the supervisor and Supervisory Committee. Once the Supervisory Committee has been approved by the Program Committee, the supervisor will chair the Supervisory Committee.

   For information regarding committee structure and roles, refer to the University of Lethbridge M.Mus. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies.

4. **ADMISSION REQUIREMENTS**

   Please refer to Part 1 - Admissions of the Undergraduate Calendar for University policies regarding: Procedure for Re-admission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

   **a. Academic Qualifications for Admission**

   Applicants normally must meet the following minimum requirements before the University will consider admission:

   1. A University of Lethbridge baccalaureate degree, or its academic equivalent from another recognized degree-granting institution, in the discipline of interest or in a closely cognate discipline. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees.

   2. A minimum grade point average of 3.00 (based on a 4.00 scale) on the last 20 graded university-level semester courses.

   Applicants are considered on a case-by-case basis. Preference is given to a student whose proposed creative work is related to a supervisor’s area of expertise. An applicant will be required to present an audition or a portfolio of creative work for evaluation.

   An applicant whose first language is not English must meet the English Language Proficiency (ELP) Requirement for Graduate Studies (see Section 11, English Language Proficiency for Graduate Students, p. 135).

   **b. Application Deadlines**

   A student may be admitted to the M.Mus. program in order to begin their studies as a full-time student for the fall semester (September) only.

   Applications and all required admission decision documentation, with the possible exception of final semester grades for those currently enrolled, must be submitted electronically via the online application system no later than the deadline listed above. Successful applicants must arrange to have official transcripts sent from the issuing institution to the University of Lethbridge Admissions Office.

   Application deadlines and application deadline extensions for all Graduate Studies programs are available at www.uleth.ca/ross/admission-information/application/grad_app_deadlines.

c. Process for Application/Admission

Applicants apply via the online application system available at www.uleth.ca/graduate-studies/apply.

No application can receive formal consideration until all documentation is received. All documents received in support of an application become the property of the University and will not be released or copied except to other employees of the University as required by University procedures regarding admission, registration, and awards and financial support administration.

**Note:** Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

Eligible applicants must apply for admission by following the process outlined in Table 2: M.Mus. Program Application Process (p. 131) (see also Section a. Academic Qualifications for Admission, p. 130).

Successful applicants will be advised of registration procedures at that time.</td>
</tr>
</tbody>
</table>
d. Admission Criteria

The capacity of the M.Mus. program is limited by both space and availability of faculty. Not all students meeting the general admission requirements can be admitted. Criteria used during the review of the application for admission will include:

- the applicant’s record and letters of academic recommendation;
- the applicant’s body of creative work, exhibition/performance/reviews, and publishing record;
- audition/interview;
- the feasibility of the project in light of available resources; and
- financial support for the student.

A student judged to be of suitable potential for graduate work, but lacking in some necessary preparation, may be considered for admission subject to one of two options:
- the required preparation may be undertaken prior to admission, with the permission of the Program Committee, or it may be undertaken after admission. The Program Committee will establish a definite date by which all conditions must be satisfied.

Unless alternative arrangements have been made, a student receiving an offer of admission to the program must register in the program no later than the registration deadline, as outlined in the Calendar. Failing to register in this way will result in the student forfeiting admission status.

A student newly admitted in the M.Mus. program is required to pay a non-refundable $100 deposit to confirm their acceptance of their admission (Effective for the Spring 2016 intake, the confirmation of admission will be $200). This deposit is credited toward the tuition fee upon registration in the program.

Full-time students may not be employed outside their program in any form of employment exceeding 10 hours per week.

The University of Lethbridge is a signatory of the Western Deans’ Agreement (see Section 12. Western Deans’ Agreement, p. 136). Contact the School of Graduate Studies at sginquiries@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Section 4.a. Academic Qualifications for Admission, p. 130).

g. Visiting Students

With the appropriate permission of the sending and receiving institution, a student may be considered for admission as a Visiting Student for study where formal exchange arrangements are not in place. They must satisfy the normal admission requirements of the University of Lethbridge. Contact the School of Graduate Studies at sginquiries@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Section 4.a. Academic Qualifications for Admission, p. 130).

Although courses are program specific, a student may, in consultation with his or her supervisor, tailor the course work to the needs of the student, with approval from the Program Committee.

b. Research Project/Lecture Recital
During the second year of the M.Mus. program, students must perform a lecture recital. The topic of this lecture recital is the Research Project that must be submitted to the Program Committee for approval by no later than June 30th of the first year of the program. The lecture recital is the ideal synthesis of performance and scholarship for the M.Mus. student, demonstrating his or her application of accumulated skills and knowledge in a public setting. Its duration is approximately one hour (30 minutes each for lecture and performance). Questions from the audience may follow the lecture recital. Although the format of the presentation may vary depending on the Research Project, the basic design is the lecture, illustrated by brief performance excerpts, followed by a complete performance of the work(s) being presented. The lecture recital’s research project represents the basis of a Written Thesis. Both the Research Project and the Written Thesis will be defended in the Final Written Thesis Defence/Oral Examination.

c. Written Thesis
The format and direction of the Written Thesis must be determined by the student in consultation with the supervisor. Specific elements may vary depending on the proposed Thesis. The proposed Written Thesis must be approved by the Supervisory Committee. Standards and conventions widely used in Canada and adopted by the University are to be found in the University of Lethbridge M.Mus. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies. A Written Thesis no less than 30 pages represents a more formal version of the research project presented during the lecture recital. When complete, the candidate must defend the Thesis in an oral examination (see Section d. Final Written Thesis Defence/Oral Examination).

Music 6001 - Research Project (12.0 credit hours)
Music 6002 - Written Thesis (12.0 credit hours)

d. Final Written Thesis Defence/Oral Examination
Once the supervisor approves the written thesis, the final Written Thesis Defence/Oral Examination is scheduled by the supervisor. The grading mode for the Written Thesis is pass/fail as described in the University of Lethbridge M.Mus. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies. An Examination Committee is appointed to conduct the final Written Thesis Defence/Oral Examination in accordance with the procedures described in the University of Lethbridge M.Mus. Program: Policies and Procedures manual.

The lecture recital must have been completed by the time of the final Written Thesis Defence/Oral Examination, allowing for an appropriate amount of time for review by the Examination Committee. Copies of the Written Thesis must be delivered to the Examination Committee in advance of the final Written Thesis Defence/Oral Examination at least one month prior to the examination time.

7. GENERAL REGULATIONS
a. Credit for Previous Work
With the permission of the Program Committee in each case, courses that have not already been credited toward a completed university credential may be accepted for credit in the master's program. All courses considered for transfer credit must carry a grade of 'B-' or higher and must have been completed no longer than seven years prior to the student admission to the program.
b. Residence Requirements and Time Limits
Residence is defined as the period during which the student is registered in the program, taking courses, conducting research or working on the Research Project or Written Thesis at the University of Lethbridge.

The minimum residence requirement shall be 24-months continuous full-time registration in the M.Mus. program. If needed, a graduate student may apply for up to a one academic year extension. The maximum time limit for degree completion shall be three academic years. All courses specified by the Program Committee, including the Research Project and Written Thesis, must be successfully completed and submitted within the maximum time limit. Failure to complete within this period will result in the candidate being required to withdraw from the program.

Under extenuating circumstances, the Program Committee may allow a longer extension. A student who does not register in the program in any semester will be considered to have withdrawn, unless a leave of absence has been granted by the Program Committee. Since permission is not automatic, students who anticipate an interruption in their program should notify the Program Committee in writing, seeking prior approval for a leave of absence.

Leaves of Absence
During an approved leave of absence, the student is not required to register; no fees are assessed, and the time granted is not counted toward the residency requirement. The leave of absence may be granted up to a maximum of one year during the tenure of study in the master's program.

With the permission of the Program Committee, a student may maintain resident status while conducting research off-campus (e.g., on field trips, using facilities or consulting libraries elsewhere). It may be necessary for a student to include in their program courses to be completed at other institutions. The Program Committee must approve proposals for these courses.

c. Academic Standards
A student must receive a minimum grade of 'B-' (2.70 on a 4.00 scale) in all courses which are graded and which count toward the degree. A student who receives more than two grades below a 'B-' may be asked to withdraw from the program. All courses completed in the M.Mus. program or cumulative program GPA of 3.00 in order to graduate from the program. A student whose performance in the program is judged unsatisfactory by the Program Committee may be placed on probation; continued unsatisfactory performance may result in the student being required to withdraw from the program.

d. Appeals
All appeals in the M.Mus. program should be directed to the Program Committee. Grade appeals for courses in the M.Mus. program will be processed through the School of Graduate Studies. The Program Committee will hear other appeals. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final.

e. Academic Offences and Discipline
A graduate student is expected to exemplify high standards of academic and ethical behaviour and is subject to the University's student discipline and ethical behaviour policies.

f. Fees
Fees for the M.Mus. program are pending approval.

8. SUPERVISION
Guidelines for supervisory procedures, including the conduct of a supervisor and suggestions for good practice, are contained in the University of Lethbridge M.Mus. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies.

9. FINANCIAL OPPORTUNITIES
For information on financial opportunities, please see www.uleth.ca/graduate-studies or contact the Graduate Studies Awards Advisor at sgs.awards@uleth.ca.

10. AWARDS AND SCHOLARSHIPS
See Awards and Scholarships on p. 205. Additional information regarding awards and scholarships is available at www.uleth.ca/graduate-studies or by contacting the Graduate Studies Awards Advisor at sgs.awards@uleth.ca.

11. ENGLISH LANGUAGE PROFICIENCY FOR GRADUATE STUDENTS
Applicants whose first language is not English, regardless of citizenship or country of origin, must meet the English Language Proficiency (ELP) Requirement. Evidence of ELP must be provided before admission will be offered. In all cases, the decision of the School of Graduate Studies shall be final.

Acceptable evidence of ELP for graduate studies may be any one of:

1. Successful completion of a baccalaureate or master's degree at a recognized institution where the language of instruction is English and the student's work is in English (Note: The School of Graduate Studies reserves the right to determine whether a particular institution is recognized as an institution in which the language of instruction is English).

2. Successful completion of the Advanced Level, English for Academic Purposes (EAP) program at the University of Lethbridge (see International Students on p. 175 of the University of Lethbridge 2015/2016 Graduate Studies Calendar).

3. Most recent official TOEFL (Test of English as a Foreign Language) score (U of L institutional code is 0855), taken within the last two years; any of the following:
   a. a paper-based TOEFL of at least 580 and a TWE (Test of Written English) score of 5.0;
   b. a computer-based iBT TOEFL of at least 93.
Website: www.toefl.org

4. Most recent Academic IELTS (International English Language Testing System) score of at least 6.5 with no band less than 5.5, taken within the last two years.

12. WESTERN DEANS’ AGREEMENT

The Western Deans’ Agreement covers exchange graduate students from member universities in British Columbia (Simon Fraser University, University of British Columbia, University of Northern British Columbia, University of Victoria), Alberta (Athabasca University, University of Alberta, University of Calgary, University of Lethbridge), Saskatchewan (University of Regina, University of Saskatchewan) and Manitoba (University of Manitoba) provided that:

1. **M.N. PROGRAM GRID**

   **Degree**
   Master of Nursing (M.N.) (offered in the Faculty of Health Sciences)

   **Major**
   Nursing

2. **STATEMENT OF PURPOSE**

   The purpose of this program is to meet the demand for an accessible and relevant Master of Nursing (M.N.) degree that addresses the needs of adult learners in the nursing profession who wish to continue life-long learning, gain additional credentials, and become leaders in nursing practice, education and research. The program is delivered by a variety of electronic learning and face-to-face strategies and culminates with either a thesis or major project in an area of each student's preferred focus.

3. **ADMISSION REQUIREMENTS**

   Please refer to Part 1 - Admissions of the Undergraduate Calendar for University policies regarding: Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

   a. **Academic Qualifications for Admission**

      Applicants normally must meet the following minimum requirements before the University will consider admission:

      1. A University of Lethbridge Bachelor of Nursing degree, or its academic equivalent, from another recognized degree granting institution. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees.

      2. A minimum grade point average of 3.00 (based on a 4.00 scale) on the last 20 graded university-level semester courses.

      3. Current registration as a registered nurse, registered nurse practitioner, or registered psychiatric nurse in Alberta.

      4. Applicants whose first language is not English must meet the English Language Proficiency (ELP) Requirement for Graduate Students (see Section 10. English Language Proficiency for Graduate Students, p. 141).

      **Note:** Since the number of qualified applicants can exceed the number of places available, fulfillment of the minimum requirements does not guarantee admission. The M.N. Program Committee reserves the right of selection for admission and readmission.

   b. **Application Deadlines**

      Students may be admitted to the M.N. program in order to begin their studies for the fall semester only (see Table 1: Application Deadlines (p. 138)).

      Application deadlines and application deadline extensions for all graduate studies programs are available at www.uleth.ca/ross/admission-information/application/grad_app_deadlines.

      Applications and all required admission decision documentation (see Table 2: M.N. Program Application Process (p. 139)), with the possible exception of final semester grades for those currently enrolled, must be submitted electronically via the online application system by the deadline. Successful applicants must arrange to have official transcripts sent from the issuing institution to the University of Lethbridge Admissions Office prior to course registration.

   c. **Process for Application/Admission**

      Applicants apply via the online application system available at www.uleth.ca/graduate-studies/apply. Applicants are advised to begin work on the application well in advance of the application deadline and submit it as soon as possible (see Section b. Application Deadlines).

      No application can receive formal consideration until all admission decision documentation is received. All documents received in support of an application become the property of the University and will not be released or copied except to other employees of the University as required by University procedures regarding admission, registration, and awards and financial support administration.

      **Note:** Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

      Eligible applicants must apply for admission by following the process outlined in Table 2: M.N. Program Application Process (p. 139) (see also Section a. Academic Qualifications for Admission, p. 138).

#### d. Admission Criteria
Because the capacity of the program is limited, not all students meeting the minimum admission requirements can be admitted.

The student’s record and letters of recommendation will be used to rank applicants for admission.

Newly admitted students in the M.N. program are required to pay a non-refundable $100 deposit to confirm their acceptance of their admission (Effective for the Spring 2016 intake, the confirmation of admission will be $200). This deposit is credited toward their registration in the program. Unless alternative arrangements have been made, a student receiving an offer of admission to the program must register in the program no later than the date specified in the offer of admission. Failing to register in this way will result in the student forfeiting admission status.

#### e. Admission After an Approved Master’s Degree
A student holding an approved master’s degree from a recognized institution who wants to pursue an entirely different field of study to enhance or change their career focus or international students seeking North American credentials may be considered for admission to a U of L master’s degree program provided he/she meets all of the admission requirements.

Students normally are not eligible to pursue a second master’s degree which is similar to one already completed at a recognized institution. Generally, degrees with identical or closely related majors are considered to be similar. Courses used to complete the requirements of the first master’s degree normally cannot be used to fulfill the requirements of the second master’s degree; recommendations regarding exceptions may be made by the Program Committee to the Dean of the School of Graduate Studies. In all cases, the decision of the Dean of the School of Graduate Studies shall be final.

#### f. Exchange Students
Under approved exchange arrangements, M.N. students registered in programs at other post-secondary institutions who are not pursuing a degree at the University of Lethbridge may be admitted to take courses. The University of Lethbridge is a signatory of the Western Deans’ Agreement (see Section 11. Western Deans’ Agreement, p. 142). Admission is contingent upon satisfying academic qualifications for admission (see Section a. Academic Qualifications for Admission, p. 138).
4. REQUIREMENTS FOR DEGREE

The program consists of the equivalent of 11 courses (33.0 credit hours) including course work and a culminating activity as outlined below:

   - Nursing 6002 - Final Project (6.0 credit units)

**Note:** The frequency in which courses are offered may change depending on resource availability.

### Visiting Students

Where applicable, the appropriate permission of the sending and receiving institutions, students may be admitted as Visiting Students for study where formal exchange arrangements are not in place. They must satisfy the normal admission requirements of the University of Lethbridge. Admission is contingent upon satisfying academic qualifications for admission (see Section a. Academic Qualifications for Admission, p. 138).

5. COURSES

See Courses on p. 175. A listing of all U of L courses is available online at www.uleth.ca/ross/courses.

6. GENERAL REGULATIONS

a. Credit for Previous Work

With the permission of the Program Committee in each case, courses that have not already been credited toward a completed university credential may be accepted for credit in the master’s program. All courses considered for transfer credit must carry a grade of 'B-' or higher and must have been completed no longer than seven years prior to the student admission to the program.

b. Residence Requirements and Time Limits

Residence is defined as the period during which the student is registered in the program, taking courses, conducting research or working on the research project or Written Thesis at the University of Lethbridge. The minimum residence requirement shall be 24-months continuous full-time registration in the M.N. program. For part-time students, the minimum time limit for degree completion shall be 48 months continuous registration in the program. Maximum time for completion will be three years for full-time study or six years for part-time study. If needed, a graduate student may apply for up to a one academic year extension. All courses specified by the Program Committee, including the research project and written thesis, must be successfully completed and submitted within the maximum time limit. Failure to complete within this period may result in the candidate being required to withdraw from the program. Under extenuating circumstances, the Program Committee may allow a longer extension. A student who does not register in the program in any semester will be considered to have withdrawn, unless a leave of absence has been granted by the Program Committee. Since permission is not automatic, students who anticipate an interruption in their program should notify the Program Committee in writing, seeking prior approval for a leave of absence.

**Leave of Absence**

During an approved leave of absence, the student is not required to register, no fees are assessed, and the time granted is not counted toward the residency requirement. The leave of absence may be granted up to a maximum of one year during the tenure of study in the master’s program.

**Written Thesis**

Although there is some variation over disciplines, most theses follow a conventional format. Standards and conventions widely used in Canada and adopted by the University are to be found in the University of Lethbridge M.N. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies.

**Thesis Oral Defence**

When the Thesis is complete, the candidate must defend it in an oral examination. A Thesis Examination Committee is appointed to conduct the examination in accordance with the procedures described in the University of Lethbridge M.N. Program: Policies and Procedures manual. The final version of the Thesis (i.e., assessed and corrected, if necessary) must be submitted to the School of Graduate Studies for approval by the Dean.
With the permission of the Program Committee, a student may maintain resident status while conducting research off-campus (e.g., on field trips, using facilities or consulting libraries elsewhere). It may be necessary for a student to include in their program courses to be completed at other institutions. The Program Committee must approve proposals for these courses.

c. **Academic Standards**

Students must receive a minimum grade of ‘B-’ (2.70) in all courses which are graded and count toward the degree. A student who receives more than two grades below a ‘B-’ may be asked to withdraw from the program. All courses completed in the M.N. program, or transferred into the program, are included in the calculation of the GPA for graduation purposes. Transfer credit is not included in the GPA on the official transcript. A student must have a minimum cumulative GPA of 3.00 in order to graduate from the M.N. program.

A student whose performance in the program is judged unsatisfactory by the Program Committee may be placed on probation; continued unsatisfactory performance may result in the student being required to withdraw from the program.

d. **Academic Offences and Discipline**

A graduate student is expected to exemplify high standards of academic and ethical behaviour and is subject to the University’s student discipline and ethical behaviour policies.

e. **Appeals**

Some appeals in the M.N. program should be directed to the Program Committee. Grade appeals for courses in the M.N. program will be processed through the School of Graduate Studies. The Program Committee may hear other appeals. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final.

Students should consult the full description of the University policies on Appeal of Grade in the Calendar (see **Section 4. Grade Appeal Policy in Academic Regulations** on p. 46).

f. **Time Limits**

Students must complete their program between a minimum of two years (four years for part-time study) and a maximum of three years (six years for part-time study).

g. **Fees**

Fees are charged on a program basis. Fees for full-time students are assessed for the first calendar year (three semesters of study) and to be paid over three semesters of study—once in each of the three semesters. Full-time students are assessed a continuation fee per semester effective in their second year of study. Part-time students are assessed fees over the first six semesters of their program. Part-time students are assessed a continuation fee per semester effective in their third year of study.

Note: The total tuition assessed for full-time students is equal to that of part-time students over the tenure of their respective programs. Tuition will not be reduced if students complete their programs earlier than the minimum time limit.

A continuation fee shall be assessed for each subsequent semester while a student remains in the program, whether the student is resident for all or part of that semester. The semester fee shall be set each year by the Board of Governors.

See the **Graduate Programs 2015/2016 Fee schedule in Fees** on p. 34.

For fee payment deadlines, see **Section 11. Fee Deadlines in Fees** on p. 40.

h. **Full- and Part-Time Studies**

Students continue with the participation status under which they started, i.e., full-time or part-time studies. However, under extraordinary circumstances, students may seek approval to change their participation status.

Students seeking approval to change participation from full-time to part-time studies or vice versa must obtain approval from their supervisor, the Chair of Master of Nursing Program Committee, and the Dean of the School of Graduate Studies. Such approval must be obtained no later than at the end of the first 12 months of study.

Students may not change their status after 12 months of study.

7. **SUPERVISION**

Guidelines for supervisory procedures, including the conduct of a supervisor and suggestions for good practice, are contained in the University of Lethbridge M.N. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies.

Evidence of ELP must be provided before admission will be offered. In all cases, the decision of the School of Graduate Studies shall be final.

Acceptable evidence of ELP for graduate studies may be any one of:

1. Successful completion of a baccalaureate or master’s degree at a recognized institution where the language of instruction is English and the student’s work is in English. **(Note: The School of Graduate Studies reserves the right to determine whether a particular institution is recognized as an institution in which the language of instruction is English).**

2. STATEMENT OF PURPOSE

The Master of Science (M.Sc.) program offers students in a wide range of disciplines the opportunity to earn a master’s degree by writing a Thesis and successfully completing a limited number of courses. The number and details of the courses are determined within the first semester of the student’s program.

Students may complete their degrees in either a full- or part-time capacity. Full-time students complete a 24-month program while part-time students complete a 48-month program. Part-time students will normally complete all required coursework in the first 24 months, with the subsequent months committed to continued research and production of the Thesis.

Although degrees are awarded in specific disciplines, the program is administered centrally by the School of Graduate Studies, rather than by individual departments or Faculties.

Graduate degrees traditionally have been awarded for the successful completion of a satisfactory thesis. The thesis route expresses the fundamental tradition of academic scholarship. It also relates to the University’s undergraduate programs, because the creation of a thesis in any discipline calls for a range of skills which are central to the liberal education tradition, including analysis and synthesis of ideas, empirical investigations, the construction and articulation of arguments, and writing skills.

Because of the nature of the M.Sc. program, the thesis forms the central requirement of the program. At the master’s level, a thesis involves close collaboration between supervisor and student. Consequently, it is necessary for a candidate to establish contact with potential supervisors prior to application for admission. Candidates seeking potential supervisors should contact either the relevant academic department or the School of Graduate Studies.

3. ADMISSION REQUIREMENTS

Please refer to Part 1 - Admissions of the Undergraduate Calendar for University policies regarding: Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

a. Academic Qualifications for Admission

Applicants normally must meet the following minimum requirements before the University will consider admission:

1. A University of Lethbridge baccalaureate degree, or its academic equivalent from another recognized degree-granting institution, in the discipline of interest or in a closely cognate discipline. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees.

2. A minimum grade point average of 3.00 (based on a 4.00 scale) on the last 20 graded university-level semester courses.

Applicants are considered on a case-by-case basis. Preference is given to students whose proposed research is related to the supervisor’s funded research program. Applicants whose first language is not English must meet the English Language Proficiency (ELP) Requirement for Graduate Studies (see Section 11. English Language Proficiency for Graduate Students, p. 149).

b. Application Deadlines

Students may be admitted to the M.Sc. program in order to begin their studies for the spring semester (January to April), summer semester (May to August), or fall semester (September to December). Some majors within the M.Sc. program only admit students for the fall semester (see Table 1: Application Deadlines).

Table 1: Application Deadlines

There are two rounds of admission for fall (September to December) entry to the M.Sc. program. The second round of admission is intended for applicants who are unable to confirm funding from external agencies (e.g., NSERC) before February 1. Applicants who can confirm funding before February 1 should submit their application, via the online application system, for the first round of admission.
Application deadlines for all graduate studies programs and application deadline extensions are available at www.uleth.ca/ross/admission-information/application/grad_app_deadlines.

Spaces are limited in this program; the School of Graduate Studies encourages early application. However, students are admitted on a case-by-case basis.

Until commitment is obtained from a faculty member who is eligible to supervise graduate students, consideration for an application will not begin.

Applications and all required admission decision documentation (see Table 2: M.Sc. Program Application Process (p. 145)) with the possible exception of final semester grades for those currently enrolled, must be submitted electronically via the online application system by the deadline. Successful applicants must arrange for official transcripts sent from the issuing institution to the University of Lethbridge Admissions Office prior to course registration.

### Table 2: M.Sc. Program Application Process

| STEP 1 - Applicant finds a potential supervisor | To find a potential supervisor, the applicant contacts a University of Lethbridge faculty member with expertise in the applicant’s research area. For assistance in identifying a potential supervisor, visit www.uleth.ca/graduate-studies/content/finding-supervisor. The University of Lethbridge Experts Database (www.uleth.ca/experts-database) is an information source that enables users the opportunity to search a wide variety of subjects and research areas. The applicant is advised to provide the potential supervisor a copy of unofficial transcripts in the consultation process. Should the previous program undertaken by the applicant show weaknesses, additional course work or other study may be required. Such work will not count toward the requirements for the master’s degree. |
| STEP 2 - Applicant submits the application online by the application deadline date | The following required admission decision documents must be submitted via the online application system, available at www.uleth.ca/graduate-studies/apply: Unofficial academic transcripts Admission decisions may be made on the basis of unofficial transcripts submitted via the online application system. Three references Contact information for three referees who are willing to submit a confidential assessment via the online system. Three references, two must be academic (each referee submits a confidential letter of reference articulating the student’s background preparation and suitability for graduate work). The applicant must have studied with at least one referee. Curriculum Vitae (C.V.) The applicant’s c.v. includes academic background, work experience, awards, scholarships, and publications. Letter of Intent The Letter of Intent indicates the applicant’s reasons for applying (e.g., goals, or objectives for seeking a graduate degree in the chosen discipline). English Language Proficiency (ELP) Evidence of English Language Proficiency (ELP) is required if the applicant’s first language is not English (see “English Language Proficiency for Graduate Students” on page 149 of the U of L Graduate Studies Calendar). Additional documentation If additional documentation is required, the School of Graduate Studies will contact the applicant. Submission Process Completion of the online application form requires uploading the required admission documents, providing referee names and contacts, and paying the application fee by midnight (MST/MDT) on the deadline date (see Table 1, “Application Deadlines,” on page 144 of the U of L Graduate Studies Calendar). By submitting this application, applicants authorize the University of Lethbridge to request transcripts on their behalf from institutions participating in ApplyAlberta (Alberta Post-Secondary Application System). |
| STEP 3 - Applicant arranges for official documents | Official transcripts, including proof of graduation for the baccalaureate degree and transcripts of all post-baccalaureate work, if any, are required prior to course registration. Applicants who have attended or are currently attending institutions NOT participating in ApplyAlberta must arrange to have official transcripts sent directly from the issuing institution to the Admissions Office. A list of participating institutions is available at www.applyalberta.ca. |
| STEP 4 - Admission decision process | The Departmental Review Committee reviews the application and makes a recommendation on admission to the Program Committee. The office of the School of Graduate Studies, on behalf of the Dean of the School of Graduate Studies, unofficially informs the applicant of the Program Committee’s decision. Official admission decision will be sent electronically from the Admissions Office. Applicants will be notified of their official admission status by the Admissions Office no later than April 1, July 1 or December 1. Successful applicants will be advised of registration procedures at that time. |

### Note:

Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

Eligible applicants must apply for admission by following the process outlined in Table 2: M.Sc. Program Application Process (p. 145) (see also Section a. Academic Qualifications for Admission, p. 144).

### c. Process for Application/Admission

Applicants apply via the online application system available at www.uleth.ca/graduate-studies/apply. Applicants are advised to begin work on the application well in advance of the application deadline and submit it as soon as possible (see Section b. Application Deadlines).

No application can receive formal consideration until all documentation is received. All documents received in support of an application become the property of the University and will not be released or copied except to other employees of the University as required by University procedures regarding admission, registration, and awards and financial support administration.

**Note:**

Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.
d. Admission Criteria
Because the capacity of the program is limited, not all students meeting the minimum admission requirements can be admitted.

Criteria used for admission include:
- the student's record and letters of recommendation;
- the proposed supervisor’s record of scholarship, completed and current, especially in relation to the proposed work;
- the feasibility of the project in the light of available resources; and,
- financial support for the student.

Students judged to be of suitable calibre but lacking in some necessary preparation may be considered for admission subject to those conditions judged necessary to correct the deficiencies. Candidates may be given one of two options: the required preparation may be undertaken prior to admission, with the permission of the Program Committee; or it may be taken after admission and within the maximum time limit of 24 months for full-time students and 48 months for part-time students. In either case the Program Committee establishes a definite date by which all conditions must be fully satisfied.

Unless alternative arrangements have been made, a student receiving an approval of the Program Committee to the Dean of the School of Graduate Studies. In all cases, the decision of the Dean of the School of Graduate Studies shall be final.

f. Exchange Students
Under approved exchange arrangements, M.Sc. students registered in programs at other post-secondary institutions who are not pursuing a degree at the University of Lethbridge may be admitted to take courses. The University of Lethbridge is a signatory of the Western Deans' Agreement. Contact the School of Graduate Studies at sgsinquiries@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Section 3.a. Academic Qualifications for Admission, p. 144).

g. Visiting Students
Where applicable, the appropriate permission of the sending and receiving institutions, students may be admitted as Visiting Students for study where formal exchange arrangements are not in place. They must satisfy the normal admission requirements of the University of Lethbridge. Contact the School of Graduate Studies at sgsinquiries@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Section 3.a. Academic Qualifications for Admission, p. 144).

4. REQUIREMENTS FOR DEGREE

For the M.Sc. program, students are required to complete courses, a Thesis, and a Thesis Oral Defence. Students develop their programs in consultation with their supervisors.

a. Course Work
For an M.Sc. student who is admitted unconditionally, from two to six graduate semester courses or equivalent (6.0 to 18.0 credit hours), are required. The program may include one or more senior undergraduate courses provided that at least two graduate-level courses are included in the program. Any courses credited toward any other university credential are not counted toward the program.

Certain majors, and concentrations within majors, have required courses, as listed below:

1. Biological Sciences Major
   Biology 5500 - Graduate Seminar Series: Current Topics in Biological Sciences (3.0 credit hours)

2. Chemistry Major
   Chemistry 5250 - Advanced Contemporary Chemistry (3.0 credit hours)

b. **Thesis (90.0 credit hours)**

   **Thesis Proposal**
   The Student must complete a Thesis Proposal and submit it to the School of Graduate Studies.
   Full-time M.Sc. students must submit their Thesis Proposal by the end of the second semester of their program.
   Part-time M.Sc. students must submit their Thesis Proposal by the end of the fourth semester of their program.

   **Written Thesis**
   Although there is some variation over disciplines, most theses follow a conventional format. Standards and conventions widely used in Canada and adopted by the University are to be found in the University of Lethbridge M.Sc. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies.

   **Thesis Oral Defence**
   When the Thesis (90.0 credit hours) is complete, the candidate must defend it in an oral examination. A Thesis Examination Committee is appointed to conduct the examination in accordance with the procedures described in the University of Lethbridge M.Sc. Program: Policies and Procedures manual. The final version of the thesis (i.e., assessed and corrected, if necessary) must be submitted to the School of Graduate Studies for approval by the Dean.

5. **COURSES**

   See Courses on p. 175. A listing of all U of L courses is available online at www.uleth.ca/ross/courses.

6. **CO-OPE RATIVE EDUCATION/INTERNSHIP OPTION**

   The Co-operative Education/Internship Option is available to students for the M.Sc. program.

   Co-operative education is an educational model that formally integrates academic study at the master’s level with relevant, paid work experience in appropriate employment fields such as government, institutions and industry. The University, the employer, and the student are in partnership to ensure an enriching experience toward the student's professional development.

   Further information and details concerning admission and requirements may be obtained from the Faculty of Arts and Science Office of Co-operative Education/Internship Programs (AH154; tel. 403-382-7154; email: artsci.coop@uleth.ca; website: www.uleth.ca/coop/foas).

   a. **Admission**

      Students may be accepted into the Co-op Option in the first semester of their graduate program. Students are therefore encouraged to contact the Faculty of Arts and Science Co-operative Education Office as soon as possible upon admission to their graduate program.

      The criteria for admission include:
      1. Admission to a M.Sc. program
      2. Grade point average and academic standing
      3. A resumé and application form
      4. A personal interview
      5. A approval of the student’s supervisor, in consultation with the School of Graduate Studies and the Arts and Science Co-operative Education Office

      Other factors such as labour market conditions, work experience, volunteer experience and extracurricular activities are also considered when selecting participants for the program.

   b. **Requirements**

      Normally, students are required to complete successfully two work terms of four months each (or one of eight months) to earn the Co-op designation for the M.Sc. degree.

      To receive the Co-op designation for the degree, students must complete successfully in addition to the course, major, and degree requirements, two work terms:

      Arts and Science 5011 - Co-op Work Experience I
      Arts and Science 5012 - Co-op Work Experience II

      Students may also opt for a maximum of two additional work terms:

      Arts and Science 5013 - Co-op Work Experience III
      Arts and Science 5014 - Co-op Work Experience IV

      Students must be registered for the entire duration of the work term(s) applied for through the Co-op program, including extensions, and, once registered, are not permitted to withdraw from the work placement without penalty of failure. A grade of ‘F’ (fail) will be entered on the transcript for the whole term(s) unless extenuating circumstances warrant granting of a withdrawal with Cause (‘WC’), in accordance with University of Lethbridge policy (see Part 4, Section 3, p. 43).

      Where approval is granted by the Coordinator of Co-operative Education and the Dean of Graduate Studies, a ‘W C’ will be entered on the transcript. Tuition fees will be assessed as per the University's Withdrawal with Cause policy.

      Students may consult the Co-op student handbook for further information/regulations and should contact the Coordinator of Co-operative Education for assistance with the procedure.

   c. **Continuation in the Programs**

      Students must acknowledge, accept and abide by the requirements and regulations as outlined in the Calendar and the Co-op Student Handbook.
d. Transfer of Co-op Terms
Students enrolled in a M.Sc. program may not transfer Co-op terms from other institutions.

7. GENERAL REGULATIONS

a. Credit for Previous Work
With the express permission of the Program Committee in each case, courses which have not already been credited toward a completed university credential may be accepted for credit in the master's program. All courses considered for transfer credit must carry a grade of 'B-' or higher and must have been completed no longer than seven years prior to the student's admission to the program.

b. Residence Requirements and Time Limits
Residence is defined as the period during which the student is registered in the program, taking courses or pursuing scholarly work, or both, at the University of Lethbridge.

The minimum residence requirement for full-time students shall be 12 months continuous registration in the program (three semesters per year). Residence requirements for part-time students may be adjusted.

For full-time students, the maximum time limit for degree completion shall be 24 months continuous registration in the program. For part-time students, the maximum time limit for degree completion shall be 48 months continuous registration in the program.

All courses specified by the Program Committee must be completed and the Thesis submitted within the maximum time limit. Except with the written permission of the Program Committee, students must maintain continuous registration in the program.

At the end of the maximum time limit, in cases where there is judged to be cause and where completion is imminent, the Program Committee may approve a leave of absence or extend the time limit for a maximum period of 12 months. Failure to complete within this period will result in the candidate being required to withdraw from the program.

Full-time or part-time students who do not register in the program in any semester will be considered to have withdrawn unless a leave of absence has been granted by the Program Committee. Since permission is not automatic, students who anticipate an interruption in their program should notify the School of Graduates Studies, seeking prior approval for a leave of absence. Residence requirements must still be met.

Leaves of Absence
During an approved Leave of Absence, the student is not required to register; no fees are assessed, and the time granted is not counted toward the residency requirement. The Leave of Absence may be granted up to a maximum of one year during the tenure of study in the master's program.

With the expressed permission of the Program Committee, a student may maintain resident status while conducting research off-campus (e.g., on field trips, using facilities or consulting libraries elsewhere).

It may be necessary for students to include in their program courses to be completed at other institutions. Proposals for such courses must be approved by the Program Committee and the residence requirements may be adjusted, if necessary.

c. Academic Standards
Students must receive a minimum grade of 'B-' (2.70 on a 4.00 scale) in all courses which are graded and which count toward the degree. A student who receives more than two grades below a 'B-' may be asked to withdraw from the program. All courses completed in the M.Sc. program or transferred into the program are included in the calculation of the program GPA for graduation purposes. Transfer credit is not included in the GPA on the official transcript. A student must obtain a minimum cumulative program GPA of 3.00 in order to graduate from the program.

A student whose performance in the program is judged unsatisfactory by the Program Committee may be placed on probation; continued unsatisfactory performance may result in the student being required to withdraw from the program.

d. Appeals
All appeals in the M.Sc. program should be directed to the Chair of the M.Sc. program. Grade appeals for courses in the M.Sc. program will be processed through the School of Graduate Studies. Other appeals will be heard by the Program Committee. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final.

Students should consult the full description of the University policies on Appeal of Grade in the Calendar (see Section 4, Grade Appeal Policy in Academic Regulations on p. 46). 

e. Academic Offences and Discipline
Graduate students are expected to exemplify high standards of academic and ethical behaviour and are subject to the University's student discipline and ethical behaviour policies.

f. Fees
Fees are charged on a program basis. Fees for full-time students are assessed for the first calendar year (three semesters of study) and to be paid over three semesters of study—once in each of the three semesters. Full-time students are assessed a continuation fee per semester effective in their second year of study. Part-time students are assessed fees over the first six semesters of their program. Part-time students are assessed a continuation fee per semester effective in their third year of study.

Note: The total tuition assessed for full-time students is equal to that of part-time students over the tenure of their respective programs. Tuition will not be reduced if students complete their programs earlier than the minimum time limit.

A Continuation Fee shall be assessed for each subsequent semester while a student remains in the program, whether the student is resident for all or part of that semester. The semester fee shall be set each year by the Board of Governors.

See the Graduate Programs 2015/2016 Fee schedule in Fees on p. 34.

For fee payment deadlines, see Section 11. Fee Deadlines in Fees on p. 40.

g. Full- and Part-Time Studies
Students continue with the participation status under which they started, i.e., full-time or part-time studies. However, under extraordinary circumstances, students may seek approval to change their participation status. Students seeking approval to change participation from
full-time to part-time studies or vice versa must obtain approval from their supervisor, the Chair of the department or department graduate coordinator, and the Dean of the School of Graduate Studies. Such approval must be obtained no later than at the end of the first 12 months of study. Students may not change their status after 12 months of study.

8. SUPERVISION
Guidelines for supervisory procedures, including the conduct of a supervisor and suggestions for good practice, are contained in the University of Lethbridge M.Sc. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies.

9. FINANCIAL OPPORTUNITIES
For information on financial opportunities, please see www.uleth.ca/graduate-studies or contact the Graduate Studies Awards Advisor at sgs.awards@uleth.ca.

Applicants whose first language is not English, regardless of citizenship or country of origin, must meet the English Language Proficiency (ELP) Requirement. Evidence of ELP must be provided before admission will be offered. In all cases, the decision of the School of Graduate Studies shall be final. Acceptable evidence of ELP for graduate studies may be any one of:

1. Successful completion of a baccalaureate or master's degree at a recognized institution where the language of instruction is English and the student's work is in English. (Note: The School of Graduate Studies reserves the right to determine whether a particular institution is recognized as an institution in which the language of instruction is English).

   a. a paper-based TOEFL of at least 580 and a TWE (Test of Written English) score of 5.0;
   b. a computer-based iBT TOEFL of at least 93.
   Website: www.toefl.org

4. Most recent Academic IELTS (International English Language Testing System) score of at least 6.5 with no band less than 5.5, taken within the last two years.

6. Most recent official CAEL (Canadian Academic English Language) Assessment score of 70 or higher, taken within the last two years.
   Website: www.cael.ca

12. WESTERN DEANS’ AGREEMENT

The Western Deans’ Agreement covers exchange graduate students from member universities in British Columbia (Simon Fraser University, University of British Columbia, University of Northern British Columbia, University of Victoria), Alberta (Athabasca University, University of Alberta, University of Calgary, University of Lethbridge), Saskatchewan (University of Regina, University of Saskatchewan) and Manitoba (University of Manitoba) provided that:

1. the period for which the fees are remitted does not exceed two academic terms of four months each;
2. the course work or work to be pursued is not available at the student’s home institution.

Western Deans’ Agreement students pay tuition (and general) fees at their home university, and they pay applicable student activity fees (general fees) at the host institution where they are taking courses.

Under the Western Deans’ Agreement, students may take both undergraduate and graduate courses. Students may only take courses which are not available at their home university, and which are an integral part of their graduate degree program. The approval of the appropriate Chairs of the master’s and Ph.D. Program Committees and of the designated representative of the host university must be obtained prior to commencement of the courses.

Students must arrange for official transcripts from the host institution to be sent to the home institution when the courses have been completed. Each home institution has regulations regarding the maximum number of transfer credits permitted. Students should ensure that their requests are within these limits.

For a complete listing of the participating universities see the Western Canadian Deans’ of Graduate Studies website at www.wcdgs.ca.

   Majors
   Accounting
   Finance
   Human Resource Management and Labour Relations
   Information Systems
   International Management
   Marketing
   Policy and Strategy

2. CAMPUSES

   The Faculty of Management offers the M.Sc. (Mgt.) program on three campuses: Calgary, Edmonton and Lethbridge. All majors offered within the M.Sc. (Mgt.) program are available to all three campuses.

3. STATEMENT OF PURPOSE

   The Master of Science (Management) program is designed to provide students with the knowledge and hands-on experience to conduct rigorous and scholarly investigation into an issue facing management in the area of the chosen major. The M.Sc. (Mgt.) program involves an orientation, several courses and workshops, and culminates in a significant Master’s Thesis. The program may be delivered using a variety of blended learning technologies including videoconferencing and face-to-face instruction.

   Each student will major in one of seven areas: Accounting, Finance, Human Resource Management and Labour Relations, Information Systems, International Management, Marketing, or Policy and Strategy. To constitute the major, students will take two seminars—Management 5200 and Management 5300. Not all majors may be offered every year.

   Students may complete their degrees in either a full- or part-time capacity. Full-time students complete a 24-month program while part-time students complete a 48-month program. Part-time students will complete all required course work in the first 32 months, with the subsequent months committed to continued research and production of the Thesis.

4. ADMISSION REQUIREMENTS

   Please refer to Part 1 - Admissions of the Undergraduate Calendar for University policies regarding: Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/Falsified Admission Documents; and Authority to Recind Admission/Registration Privileges.

   a. Academic Qualifications for Admission

      Applicants normally must meet the following minimum requirements before the University will consider admission:

      1. A University of Lethbridge Bachelor of Management degree or its academic equivalent from another recognized degree-granting institution, in the discipline of interest or in a closely cognate discipline. The University of Lethbridge reserves the right to determine whether degrees completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees. A baccalaureate degree, or its academic equivalent, in disciplines other than Business or Management will be considered on a case-by-case basis.

      2. A minimum grade point average of 3.00 (based on a 4.00 scale) on the last 20 graded university-level semester courses.

   b. GMAT requirements will be reviewed on a case-by-case basis for applicants who already have a graduate degree.

      A Special Case GMAT Waiver does not guarantee admission to the M.Sc. (Mgt.) program.

      Applicants interested in a Special Case GMAT Waiver should contact the Management Graduate programs Office (email: msc.management@uleth.ca; phone: 403-380-1819) prior to the application deadline for additional information.

      Applicants whose first language is not English must meet the English Language Proficiency (ELP) Requirement for Graduate Students (see Section 11. English Language Proficiency for Graduate Students, p. 156).

   b. Application Deadlines

      Students are admitted only once a year, on a cohort basis. Applications and all supporting documentation, with the possible exception of final semester grades for those currently enrolled, must be received no later than February 1 for admission to the fall semester.

      Application deadlines and application deadline extensions for all Graduate Studies programs are available at www.uleth.ca/ross/admission-information/application/grad_app_deadlines.

      Applications and all required admission decision documentation (See Table 2: M.Sc. (Management) Program Application Process (p. 153)), with the possible exception of final semester grades from those currently enrolled, must be submitted electronically via the online application system not later than the deadline listed above. Successful applicants must arrange to have official transcripts sent from the issuing institution to the University of Lethbridge Admissions Office prior to course registration.
c. Process for Application/Admission

Applicants apply via the online application system available at www.uleth.ca/graduate-studies/apply. Applicants are advised to begin work on the application well in advance of the application deadline and submit it as soon as possible (see Section b. Application Deadlines). No application can receive formal consideration until all admission decision documentation is received. All documents received in support of an application become the property of the University and will not be released or copied except to other employees of the University as required by University procedures regarding admission, registration, and awards and financial support administration.

Note: Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

Eligible applicants must apply for admission by following the process outlined in Table 2: M.Sc. (Management) Program Application Process (p. 153) (see also Section a. Academic Qualifications for Admission, p. 152).

5. REQUIREMENTS FOR DEGREE

The M.Sc. (Mgt.) consists of 36.0 credit hours of full-time study involving an orientation, coursework, several research-focused workshops and a Master’s Thesis. The program is divided into four modules running over a two-year period. At the time of admission, students are required to declare an approved Management major.

d. Admission Criteria

Because the capacity of the program is limited, not all students meeting the general admission requirements can be admitted.

Criteria used for admission include:

- the student’s record, test scores and references;
- the matching of a student with Faculty resources, research interests and availability for supervising Master’s Theses in the available majors.

Newly admitted students in the M.Sc. (Mgt.) program are required to pay a non-refundable $100 deposit to confirm their acceptance of their admission (Effective for the Spring 2016 intake, the confirmation of admission will be $200). This deposit is credited toward their registration in the program.

It is highly recommended that full-time students not be employed outside the program more than 10 hours per week. Full-time students who would like to engage in outside employment during their program should contact the M.Sc. (Mgt.) Program Director to discuss their circumstances. Part-time students are typically employed in full-time jobs or are engaged in family or other personal obligations that prevent full-time studies.

Students judged to be of suitable calibre but lacking in some necessary preparation may be considered for admission subject to those conditions deemed necessary to correct the deficiencies. Candidates may be given one of two options: the required preparation may be undertaken prior to admission, with the permission of the Program Committee; or it may be taken after admission and within the maximum time limit of 24 months for full-time students and 48 months for part-time students. In either case the M.Sc. (Mgt.) Program Committee establishes a definite date by which all conditions must be satisfied.

e. Admission After an Approved Master’s Degree

A student holding an approved master’s degree from a recognized institution who wants to pursue an entirely different field of study to enhance or change their career focus or international students seeking North American credentials may be considered for admission to a U of L master’s degree program provided he/she meets all of the admission requirements.

Students normally are not eligible to pursue a second master’s degree which is similar to one already completed at a recognized institution. Generally, degrees with identical or closely related majors are considered to be similar. Courses used to complete the requirements of the first master’s degree normally cannot be used to fulfill the requirements of the second master’s degree; recommendations regarding exceptions may be made by the Program Committee to the Dean of the School of Graduate Studies. In all cases, the decision of the Dean of the School of Graduate Studies shall be final.

b. Integrative Management Studies Module (12.0 credit hours)

The Integrative Module exposes students to a comprehensive and rigorous cross-disciplinary analysis of the field of Management. The module is composed of:

- Management 5110 - Management Field Overviews (1.5 credit hours)
- Management 5120 - Thinking by Design I (1.5 credit hours)
- Management 5125 - Major Seminar I (Series) (3.0 credit hours)
- Management 5130 - Ways of Knowing (1.5 credit hours)
- Management 5225 - Major Seminar II (Series) (3.0 credit hours)
- Management 5115 - Research Workshops (0.0 credit hours)
- Management 5120 - Thinking by Design I (1.5 credit hours)
- Management 5150 - Research Methods in Management (3.0 credit hours)
- Management 5170 - Data Management and Statistical Techniques I (1.5 credit hours)
- Management 5200 - Major Seminar I (Series) (3.0 credit hours)

Note: Courses in this module may be offered in the next module depending on resource availability.

c. Major Module (9.0 credit hours)

In the Major Module, students undertake in-depth studies in their approved major and develop their initial research proposals in more detail. Students will defend their Master’s Thesis proposals by the end of this module. The module is composed of:

- Management 5125 - Thinking by Design II (1.5 credit hours)
- Management 5160 - Qualitative Methods and Analysis (3.0 credit hour)
- Economics 3950 - Econometrics I (3.0 credit hours)
- Economics 5960 - Econometric Theory and Applications (3.0 credit hours)
- Management 5175 - Major Seminar II (Series) (3.0 credit hours)
- Management 5300 - Major Seminar III (Series) (3.0 credit hours)

Note: Courses in this module may be offered in the next module depending on resource availability.

d. Master’s Thesis (15.0 credit hours)

Management 6100 - Master's Thesis

The Master’s Thesis addresses a significant management issue or problem. The topic must address valid research questions related to real market, industry, or organization issues in the area of specialization. The Thesis must yield output of publishable quality that reflects a substantive contribution to knowledge.

Students will defend their Master’s Thesis proposal early in the module, and must be successful to continue with their Thesis work.

Students must submit a final version of the Master’s Thesis to their Thesis Examination Committee, a four-person committee consisting of their supervisor, one
COURSES

See Courses on p. 175. A listing of all U of L courses is available online at www.uleth.ca/ross/courses.

GENERAL REGULATIONS

a. Credit for Previous Work
With the expressed permission of the Program Committee in each case, courses which have not already been credited toward a completed university credential may be accepted for credit in the master's program. All courses considered for transfer credit must carry a grade of 'B' or higher and must have been completed no longer than three years prior to the student's admission to the program.

b. Residence Requirements and Time Limits
Residence is defined as the period during which the student is registered in the program, taking courses or pursuing scholarly work, or both, at the University of Lethbridge.

The minimum residence requirement for full-time students shall be 12 months full-time continuous registration in the program (three semesters per year). Residency requirements for part-time students may be adjusted.

For full-time students, the maximum time limit for degree completion shall be 24 months continuous registration in the program. For part-time students, the maximum time limit for degree completion shall be 48 months continuous registration in the program.

All courses specified by the Program Committee must be completed and the Thesis submitted within the maximum time limit. Except with the written permission of the Program Committee, students must maintain continuous registration in the program.

At the end of the maximum time limit, in cases where there is judged to be cause and where completion is imminent, the Program Committee may approve to extend the time limit for a maximum period of 12 months. Failure to complete within this period will result in the candidate being required to withdraw from the program.

Leave of Absence

During an approved Leave of Absence, the student is not required to register; no fees are assessed, and the time granted is not counted toward the residency requirement. The Leave of Absence may be granted up to a maximum of one year during the tenure of study in the master's program.

With the expressed permission of the Program Committee, a student may maintain resident status while conducting research off-campus (e.g., on field trips, using facilities or consulting libraries elsewhere).

c. Academic Standards
Students must receive a minimum grade of 'B-' (2.70 on a 4.00 scale) in all courses which are graded and which count toward the degree and in all qualifying courses, if any. A student who receives two grades below a 'B-' may be required to withdraw from the program. All courses completed in the M.Sc. (Mgt.) program or transferred into the program are included in the calculation of the program GPA for graduation purposes. Transfer credit is not included in the GPA on the official transcript. A student must obtain a minimum cumulative program GPA of 3.00 in order to graduate from the program.

A student whose performance in the program is judged unsatisfactory by the Program Committee may be placed on probation; continued unsatisfactory performance may result in the student being required to withdraw from the program.

d. Appeals
All appeals in the M.Sc. (Mgt.) program should be directed to the Faculty of Management's Graduate Programs and Research Office. Grade appeals for courses in the M.Sc. (Mgt.) program will be processed through the School of Graduate Studies. Other appeals will be heard by the Program Committee. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final.

e. Academic Offences and Discipline
Graduate students are expected to exemplify high standards of academic and ethical behaviour and are subject to the University's student discipline and ethical behaviour policies.

f. Fees
Fees are charged on a program basis. Fees for full-time students are assessed for the first calendar year (three semesters of study) and to be paid over three semesters of study—once in each of the three semesters. Full-time students are assessed a continuation fee per semester effective in their second year of study. Part-time students are assessed fees over the first six semesters of their program. Part-time students are assessed a continuation fee per semester effective in their third and fourth year of study.

Note: The total tuition assessed for full-time students is equal to that of part-time students over the tenure of their respective programs. Tuition will not be reduced if students complete their programs earlier than the minimum time limit.

A Continuation Fee shall be assessed for each subsequent semester while a student remains in the program, whether the student is resident for all or part of that semester. The semester fee shall be set each year by the Board of Governors.

See the Graduate Programs 2015/2016 Fee schedule in Fees on p. 34.

For fee payment deadlines, see Section 11. Fee Deadlines in Fees on p. 40.
g. Visiting, Auditing and Exchange Students
Admission of a Visiting, Auditing or Exchange Student to any graduate courses is contingent upon the priorities for admission established by the University of Lethbridge, and space being available within the class size quota, and upon satisfying academic qualifications for admission (see Section 4.a Academic Qualifications for Admission, p. 152). Until the quota is filled, applicants will be considered on a first-come, first-served basis. If appropriate, Visiting Students will be governed by the Western Deans’ Agreement (see Section 12. Western Deans’ Agreement, p. 157). Contact the Management Graduate Programs Office (email: msc.management@uleth.ca; phone: 403-380-1819) for application and registration information.

h. Full- and Part-Time Studies
Students continue with the participation status under which they started, i.e., full-time or part-time studies. However, under extraordinary circumstances, students may seek approval to change their participation status. Students seeking approval to change participation from full-time to part-time studies or vice versa must obtain approval from their supervisor, the Chair of the department or department graduate coordinator, and the Dean of the School of Graduate Studies. Such approval must be obtained no later than at the end of the first 12 months of study. Students may not change their status after 12 months of study.

8. SUPERVISION
Guidelines for supervisory procedures, including the conduct of a supervisor and suggestions for good practice, are contained in the University of Lethbridge M.Sc. (Mgt) Program: Policies and Procedures manual, which is available from the Faculty of Management’s Graduate Programs and Research Office.

Acceptable evidence of ELP for graduate studies may be any one of:

12. WESTERN DEANS’ AGREEMENT

The Western Deans’ Agreement covers exchange graduate students from member universities in British Columbia (Simon Fraser University, University of British Columbia, University of Northern British Columbia, University of Victoria), Alberta (Athabasca University, University of Alberta, University of Calgary, University of Lethbridge), Saskatchewan (University of Regina, University of Saskatchewan) and Manitoba (University of Manitoba) provided that:

1. the period for which the fees are remitted does not exceed two academic terms of four months each;
2. the course work or work to be pursued is not available at the student’s home institution.

Western Deans’ Agreement students pay tuition (and general) fees at their home university, and they pay applicable student activity fees (general fees) at the host institution where they are taking courses.

Under the Western Deans’ Agreement, students may take both undergraduate and graduate courses. Students may only take courses which are not available at their home university, and which are an integral part of their graduate degree program. The approval of the appropriate Chairs of the master’s and Ph.D. Program Committees and of the designated representative of the host university must be obtained prior to commencement of the courses.

Students must arrange for official transcripts from the host institution to be sent to the home institution when the courses have been completed. Each home institution has regulations regarding the maximum number of transfer credits permitted. Students should ensure that their requests are within these limits.

For a complete listing of the participating universities see the Western Canadian Deans’ of Graduate Studies website at www.wcdgs.ca.

2. ALL MAJORS EXCEPT EDUCATION

a. Statement of Purpose

The Doctor of Philosophy (Ph.D.) program is designed to immerse students into further investigation and research, to build and support the programs of research at the University and to enliven the undergraduate learning environment.

The Ph.D. program is Thesis-based and offered in a number of areas of study (see Ph.D. Program Grid). Depending on the academic background, students may be required to take up to six courses in their area of study; the number and details of the courses are determined at the time of admission to the program. Consequently, it is necessary for a prospective student to establish contact with a potential supervisor prior to application for admission. Prospective students seeking supervisors should contact the School of Graduate Studies or visit its website at www.uleth.ca/graduate-studies.

The Ph.D. program is administered centrally by the School of Graduate Studies rather than by individual departments or faculties.

b. Admission Requirements

Please refer to Part 1 - Admissions of the Undergraduate Calendar for University policies regarding Procedure for Admission, Year of the Calendar, Simultaneous Enrollment, Misrepresentation/Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

1. Academic Qualifications for Admission

M.A. or M.Sc. Degree Holder

Normally, applicants holding a Master of Arts or Master of Science must meet the following minimum requirements before the University will consider admission:

- A master's degree, or its academic equivalent, in the discipline of interest or in a closely cognate discipline from a recognized degree-granting university. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge master's degrees.
- Evidence of scholarly competence (cumulative grade point average of 3.50, on a 4.00 scale, on all graded master's-level courses).

Under exceptional circumstances, academically superior students who are currently enrolled in a master's program at the University of Lethbridge and have demonstrated outstanding academic and research performance may be considered (see Transfer from an M.A. or M.Sc. program to the Ph.D. program).

Applicants are considered on a case-by-case basis. The proposed research interest of the applicant must complement the supervisor's current, active research program.

Applicants whose first language is not English must meet the English Language Proficiency (ELP) Requirement for Graduate Studies (see Section 8. English Language Proficiency for Graduate Students, p. 173).

Transfer from an M.A. or M.Sc. Program to the Ph.D. Program

Applicants who intend to transfer from a University of Lethbridge M.A. or M.Sc. program to an approved Ph.D. program must satisfy four basic criteria before the University will consider approving the transfer. The applicant must:

- be currently enrolled in an M.A. or M.Sc. program at the University of Lethbridge; have completed a minimum of 12 months\(^1\) and a maximum of 24 months of the M.A. or M.Sc. program, and have completed the program's required coursework;
- be in good standing in the M.A. or M.Sc. program;
- have demonstrated research and academic excellence; and
- agree to work with the same supervisor(s).

An M.A. or M.Sc. student can apply for a transfer before 12 months, but 12 months of the program must have been completed at the time of the transfer to the Ph.D. program.

Note: When Ph.D. program applicants are admitted by transfer from the M.A. or M.Sc. program, all Ph.D. degree requirements apply.

Applicants are considered on a case-by-case basis. The proposed research interest of the applicant must complement the supervisor's current, active research program.

Applicants whose first language is not English must meet the English Language Proficiency (ELP) Requirement for Graduate Studies (see Section 8. English Language Proficiency for Graduate Students, p. 173).

2. Application Deadlines

Students may be admitted to the Ph.D. program in order to begin their studies for the spring semester (January to April), summer semester (May to August), or fall semester (September to December).

\(^1\) There are two rounds of admission for fall (September 1) entry to the Ph.D. program. The second round of admission is intended for applicants who are unable to confirm funding from external agencies (e.g., NSERC) before February 1. Applicants who can confirm funding before February 1 should submit their application for the first round of admission.
Application deadlines and application deadline extensions for all graduate studies programs are available at www.uleth.ca/ross/admission-information/application/grad_app_deadlines.

Spaces are limited in this program. The School of Graduate Studies encourages early application. However, students are admitted on a case-by-case basis.

Until commitment is obtained from a faculty member who is eligible to supervise Ph.D. students, consideration for an application will not begin.

4. Admission Criteria

Because the capacity of the program is limited, not all students meeting the minimum admission requirements can be admitted.

Criteria used for admission include:

- the student's academic record and letters of recommendation;
- the potential supervisor's record of scholarship, completed and current, especially in relation to the proposed work;
- the feasibility of the project in the light of available resources; and,
- financial support for the student.

Unless alternative arrangements have been made, a student receiving an offer of admission to the program must register in the program no later than the date specified in the offer of admission. Failing to register in this way may result in the student forfeiting admission status.

Newly admitted students in the Ph.D. program are required to pay a non-refundable $100 deposit to confirm their acceptance of their admission (Effective for the Spring 2016 intake, the confirmation of admission will be $200). This deposit is credited toward their tuition in the program.

5. Exchange Students

Under approved exchange agreements, Ph.D. students registered in programs at other post-secondary institutions who are not pursuing a degree at the University of Lethbridge may be admitted to take courses. The University of Lethbridge is a signatory of the Western Deans' Agreement (see Section 9. Western Deans' Agreement, p. 173). Contact the School of Graduate Studies at sginquiries@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Section 3.b.1. Academic Qualifications for Admission, p. 161).

6. Visiting Students

Where applicable, the appropriate permission of the sending and receiving institutions, students may be admitted as Visiting Students for study where formal exchange arrangements are not in place. They must satisfy the normal admission requirements of the University of Lethbridge. Contact the School of Graduate Studies at sginquiries@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Section 3.b.1. Academic Qualifications for Admission, p. 161).

c. Requirements for Degree

The degree requirements for the Ph.D. program consist of successful completion of courses, a comprehensive examination, a Thesis, and a Thesis oral defence. Students develop their program in consultation with their supervisors. The Ph.D. Program Committee approves the program for each student.

1. Course Work

Depending on their academic background, students may be required to complete up to six courses (18.0 credit hours) as recommended by the Supervisory Committee and approved by the Ph.D. Program Committee. Certain departments/areas within a Faculty have required courses or specify the number of required courses as listed below:

a. Biological Sciences

Biology 7500 - Graduate Seminar Series: Current Topics in Biological Sciences

Students who have previously completed Biology 5500 (Graduate Seminar Series: Current Topics in Biological Sciences) are exempt from this requirement.

b. Chemistry

Chemistry 7250 - Advanced Contemporary Chemistry

Students who have previously completed Chemistry 5250 (Advanced Contemporary Chemistry) are exempt from this requirement.

c. Computer Science

Two courses (6.0 credit hours) in Computer Science at the 7000 level

A maximum of one independent study course may be counted towards this requirement.

2. Comprehensive Examination

The student must pass a comprehensive examination, set by the Supervisory Committee and approved by the Ph.D. Program Committee, within two years of registration as a Ph.D. student (please refer to the University of Lethbridge Ph.D. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies for details).

The Ph.D. Program Committee is responsible for providing students with a written statement of procedures, requirements and regulations governing comprehensive examinations. This information must be provided to the students at the time of their admission to the program. The results of all comprehensive examinations must be reported to the Ph.D. Program Committee Chair and to the Dean of the School of Graduate Studies.

A student who fails either portion of the comprehensive exam (written or oral component) for the second time may complete an M.A. or M.Sc. degree, subject to approval by the respective Program Committee and the Dean of the School of Graduate Studies, or may be required to withdraw from the Ph.D. program.

3. Thesis (135.0 credit hours)

Thesis Proposal

The student must complete a Thesis Proposal, successfully defend it, and submit the document to the School of Graduate Studies within one year after the student registers in his or her first semester.
Written Thesis

Although there is some variation over disciplines, most theses follow a conventional format. Standards and conventions widely used in Canada and adopted at the University are to be found in the University of Lethbridge Ph.D. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies.

4. Thesis Oral Defence

When the Thesis (135.0 credit hours) is complete the candidate must defend it in an oral examination. The Ph.D. Program Committee appoints a Thesis Examination Committee to conduct the examination in accordance with the procedures described in the University of Lethbridge Ph.D. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies. The final version of the Thesis (i.e., assessed and corrected, if necessary) must be submitted to the School of Graduate Studies for approval by the Dean.

d. General Regulations

1. Credit for Previous Work

With the express permission of the Ph.D. Program Committee in each case, a maximum of two graduate courses which have not already been credited toward a completed university credential may be accepted for credit in the Ph.D. program. No transfer credit for a research project/thesis will be considered.

All courses considered for transfer credit must carry a grade of 'B+' (3.30 on a 4.00 scale) or higher. Students are responsible for providing adequate information on course content and its relevance to their proposed program of study.

2. Student Status

Full-time Ph.D. students are considered to be those who are actively engaged in coursework or research on a regular, daily basis. Full-time students may not be employed outside their program in any form of employment exceeding 10 hours per week. The Dean of the School of Graduate Studies may waive this requirement under extraordinary circumstances. Students who would like to engage in outside employment during their program of study should contact the Dean to discuss their circumstances.

In the event that circumstances prevent a student from pursuing his/her program as originally proposed, a Leave of Absence may be requested from the Ph.D. Program Committee. Residence requirements must still be met.

Leave of Absence

During an approved Leave of Absence, the student is not required to register, no fees are assessed, and the time granted is not counted toward the residency requirement. The Leave of Absence may be granted up to a maximum of one year during the tenure of the Ph.D. study.

3. Residence Requirements and Time Limits

Residence is defined as the period during which the student is registered in the program, taking courses or pursuing scholarly work, or both, at the University of Lethbridge.

The minimum residence requirement shall be 24 months full-time continuous registration in the program. The maximum time limit shall be 48 months full-time continuous registration in the program. The courses specified by the Ph.D. Program Committee must be completed and the Thesis submitted within the maximum time limit allowed. Except with the written permission of the Ph.D. Program Committee, students must maintain continuous registration in the program.

Students who do not register in the program in any semester will be considered to have withdrawn unless a Leave of Absence has been granted by the Ph.D. Program Committee. Where applicable, assistantships, grants, awards, scholarships and other financial aid is forfeited. Written permission from the Ph.D. Program Committee must be obtained for readmission.

4. Program Changes

The Ph.D. Program Committee must approve substantial program, Faculty Supervisor or Supervisory Committee changes. Students who have been admitted into one discipline or program but wish to transfer to another may be required to re-apply.

5. Academic Standards

Students must receive a minimum grade of 'B' (3.00 out of 4.00) in all courses. A cumulative grade point average of 3.00 is required to graduate.

In addition to the minimum grade point requirement, research work that is satisfactory to the Supervisory Committee must be maintained.

6. Probation/Required to Withdraw

Students with unsatisfactory performance in the program may be put on probationary status or required to withdraw by the Ph.D. Program Committee. If students are on probation for two consecutive semesters, they will be required to withdraw from the program.

7. Appeals

All appeals in the Ph.D. program should be directed to the Dean of Graduate Studies as Chair of the Ph.D. Program Committee. Grade appeals for courses in the Ph.D. program will be processed through the School of Graduate Studies. Other appeals will be heard by the Ph.D. Program Committee. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final.

8. Academic Offences and Discipline

Graduate students are expected to exemplify high standards of academic and ethical behaviour and are subject to the University's policies and guidelines.

9. Fees

Fees are assessed for the first two years (24 months or six semesters of study) of enrolment in the program.
A Continuation Fee shall be assessed for each subsequent semester while a student remains in the program, whether the student is resident for all or part of that semester. The semester fee shall be set each year by the Board of Governors.

See the Graduate Programs 2015/2016 Fee schedule in Fees on p. 34.

For fee payment deadlines, see Section 11. Fee Deadlines in Fees on p. 40.

3. MAJOR IN EDUCATION

a. Statement of Purpose

The main purpose of the Ph.D. in Education is to provide a theory-rich, research-intensive, dissertation-focused series of study, learning and research activities that will advance knowledge and contribute to the improvement of professional practice.

Students will study theory and identify critical problems, issues and questions in one of three concentrations: Learning, Teaching, and Curriculum; Formal and Distributive Leadership; or Counselling Psychology.

Completing a minimum number of courses; acquiring expertise in their specialized content area; and building skills in research will enable students to conduct original research and complete a Ph.D. in Education Thesis.

A minimum of six courses (18.0 credit hours) is required for the Learning, Teaching, and Curriculum and the Formal and Distributive Leadership concentrations, and a minimum of ten courses (30.0 credit hours) is required for the Counselling Psychology concentration.

Graduates of the Ph.D. in Education will be well prepared to conduct and provide leadership in research in a variety of settings and in their career contexts.

The Ph.D. in Education program is administered by the Faculty of Education, under the auspices of the School of Graduate Studies.

b. Admission Requirements

Please refer to Part 1 - Admissions of the Undergraduate Calendar for University policies regarding: Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

1. Academic Qualifications for Admission

M.Ed. or M.A. in Education Degree Holder

Normally, applicants holding a Master of Education or Master of Arts in Education must meet the following minimum requirements before the University will consider admission:

- A master's degree, or its academic equivalent, in the discipline of interest or in a closely cognate discipline from a recognized degree-granting university. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge master's degrees.
- Evidence of scholarly competence (cumulative grade point average of 3.50, on a 4.00 scale, on all graded master's-level courses).
- Evidence of success as professional educators or counsellors with at least two years of experience (applicants from other education-related contexts may be considered).
- Evidence to demonstrate research skills, in the form of a Master's Thesis, an outstanding Research Project, or peer-reviewed journal publications.

Students pursuing M.Ed. or M.A. degrees in Education are not normally permitted to transfer into the Ph.D. in Education program. They may apply for admission to the Ph.D. in Education program and are admitted once they have completed an M.A. in Education or an M.Ed. program.

Applicants are considered on a case-by-case basis. The proposed research interest of the applicant must complement the supervisor's current, active research program.

Applicants whose first language is not English must meet the English Language Proficiency (ELP) Requirement for Graduate Studies (see Section 8. English Language Proficiency for Graduate Students, p. 173).

2. Application Deadlines

Dependent upon the concentration, students will be admitted to the Ph.D. in Education program in order to begin their studies as full-time students in Summer II semester (July) or fall semester (September to December).

Students develop their program in consultation with their supervisors. The Ph.D. in Education Committee approves the program for each student.

1. Course Work

Students completing a Ph.D. in Education must complete a minimum number of courses. A minimum of six courses (18.0 credit hours) is required for the Learning, Teaching, and Curriculum concentrations, and a minimum of ten courses (30.0 credit hours) is required for the Counseling Psychology concentration.

2. Comprehensive Examination

The student must pass a comprehensive examination, set by the Supervisory Committee and approved by the Ph.D. in Education Committee, within two years of registration as a Ph.D. in Education student (please refer to the University of Lethbridge Ph.D. in Education Program: Policies and Procedures manual available from the Faculty of Education, Graduate Studies and Research in Education or online at www.uleth.ca/education/grad for details).

The Ph.D. in Education Committee is responsible for providing students with a written statement of procedures, requirements and regulations governing comprehensive examinations. This information must be provided to the students at the time of their admission to the program. The results of all comprehensive examinations must be reported to the Assistant Dean, Graduate Studies and Research in Education.

A student who is unsuccessful in passing the examination the first time is permitted a second attempt. A second failure automatically disqualifies the student from the Ph.D. in Education program.

3. Thesis

Thesis Proposal

The student must complete a Thesis Proposal, successfully defend it, complete revisions required by the Supervisory Committee, and submit the document to the Ph.D. in Education Committee for a preliminary review prior to final submission to the School of Graduate Studies within two years after the student registers in his or her first semester.

Written Thesis

Although there is some variation over disciplines, most theses follow a conventional format. Standards and conventions widely used in Canada and adopted at the University are to be found in the University of Lethbridge Ph.D. in Education Program: Policies and Procedures manual, available from the Faculty of Education, Graduate Studies and Research in Education or online at www.uleth.ca/education/grad.

4. Thesis Oral Defence

The Ph.D. in Education Committee appoints a Thesis Examination Committee to conduct the examination in accordance with the procedures described in the University of Lethbridge Ph.D. in Education Program: Policies and Procedures manual, available from the Faculty of Education, Graduate Studies and Research in Education or online at www.uleth.ca/education/grad.

The final version of the Thesis (i.e., assessed and corrected, if necessary) must be submitted to the School of Graduate Studies for approval by the Dean.
d. Standards of Professional Conduct

e. General Regulations

1. Credit for Previous Work

With the express permission of the Ph.D. in Education Committee in each case, a maximum of two graduate courses which have not already been credited toward a completed university credential may be accepted for credit in the Ph.D. in Education program. No transfer credit for a research project/thesis will be considered.

All courses considered for transfer credit must carry a grade of ‘B+’ (3.30 on a 4.00 scale) or higher. Students are responsible for providing adequate information on course content and its relevance to their proposed program of study.

2. Student Status

Full-time Ph.D. in Education students are considered to be those who are actively engaged in coursework or research on a regular, daily basis. In the event that circumstances prevent a student from pursuing his/her program as originally approved, a Leave of Absence may be requested from the Assistant Dean, Graduate Studies and Research in Education.

Leave of Absence

During an approved Leave of Absence, the student is not required to register, no fees are assessed, and the time granted is not counted toward the residency requirement. The Leave of Absence may be granted up to a maximum of one year during the tenure of the Ph.D. study. The Faculty of Education cannot guarantee the availability of required courses upon the student’s return from a Leave of Absence. Students are advised to consult with the Assistant Dean, Graduate Studies and Research in Education as early as possible.

3. Residence Requirements and Time Limits

Residence is defined as the period during which the student is registered in the program, taking courses or pursuing scholarly work, or both, at the University of Lethbridge.

For students pursuing a Ph.D. in Education, the minimum residence requirement shall be 24 months full-time continuous registration in the program and the maximum time limit shall be 84 months full-time continuous registration in the program. The courses specified by the Ph.D. in Education Committee must be completed and the Thesis submitted within the maximum time limit allowed (with the exception of approved Leaves of Absence).
8. Practicum and Internship Placement Policy

While in program and during practica/internships, students are expected to adhere to the standards of professional conduct set out by the Faculty of Education (see Section d. Standards of Professional Conduct). The Faculty of Education reserves the right to deny or terminate a placement in any practicum/internship course to any student if the Dean, Faculty of Education or Designate has reasonable grounds:

- the student has violated any part of the Faculty of Education’s standards of professional conduct;
- the student is unable to carry out the responsibilities of that practicum/internship; or
- the Dean, Faculty of Education or Designate believes denial or termination of a placement is necessary in order to protect the public interest.

Students whose practicum/internship placements have been denied or terminated will be informed of the reasons in writing.

9. Appeals

All appeals in the Ph.D. in Education program must be directed to the Dean, Faculty of Education. Grade appeals for courses in the Ph.D. in Education program will be processed through the School of Graduate Studies. Other appeals will be heard by the Ph.D. in Education Committee. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final.

10. Academic Offences and Discipline

Graduate students are expected to exemplify high standards of academic and ethical behaviour and are subject to the University's policies and guidelines.

11. Fees

Fees are assessed for the first four years (48 months or 12 semesters of study) of enrolment in the program. These fees provide for the student's registration in a maximum of six (18.0 credit hours) courses toward their Ph.D. in Education program. Course registrations beyond six courses (18.0 credit hours) will result in additional graduate course tuition fees.

A Continuation Fee shall be assessed for each subsequent semester while a student remains in the program, whether the student is resident for all or part of that semester. Fees shall be set each year by the Board of Governors.

See the Graduate Programs 2015/2016 Fee schedule in Fees on p. 34.

For fee payment deadlines, see Section 11. Fee Deadlines in Fees on p. 40.
8. ENGLISH LANGUAGE PROFICIENCY FOR GRADUATE STUDENTS

Applicants whose first language is not English, regardless of citizenship or country of origin, must meet the English Language Proficiency (ELP) Requirement. Evidence of ELP must be provided before admission will be offered. In all cases, the decision of the School of Graduate Studies shall be final.

Acceptable evidence of ELP for graduate studies may be any one of:

1. Successful completion of a baccalaureate or master's degree at a recognized institution where the language of instruction is English and the student's work is in English (Note: The School of Graduate Studies reserves the right to determine whether a particular institution is recognized as an institution in which the language of instruction is English).

6. Most recent official CAEL (Canadian Academic English Language) Assessment score of 70 or higher, taken within the last two years.
   Website: www.cael.ca

INDIVIDUAL CIRCUMSTANCES OF CANADIAN AND PERMANENT RESIDENT APPLICANTS WILL BE CONSIDERED BY THE DEAN OF THE SCHOOL OF GRADUATE STUDIES, WHOSE DECISION SHALL BE FINAL.

The English Language Proficiency Requirement will be waived for applicants educated in the following countries:

Liberia        South Africa
Namibia        Tanzania

A list of ELP exempt universities from the countries listed above is provided at www.uleth.ca/ross/admission-information/elp_exempt.

Waivers are not automatically granted; waivers may not be granted, or may be revoked, if contradictory evidence exists. Examples of contradictory evidence are low grades on an English-based course or significant communication difficulties.

9. WESTERN DEANS’ AGREEMENT

The Western Deans’ Agreement covers exchange graduate students from member universities in British Columbia (Simon Fraser University, University of British Columbia, University of Northern British Columbia, University of Victoria), Alberta (Athabasca University, University of Alberta, University of Calgary, University of Lethbridge), Saskatchewan (University of Regina, University of Saskatchewan) and Manitoba (University of Manitoba) provided that:

1. the period for which the fees are remitted does not exceed two academic terms of four months each;
2. the course work or work to be pursued is not available at the student’s home institution.

Western Deans’ Agreement students pay tuition (and general) fees at their home university, and they pay applicable student activity fees (general fees) at the host institution where they are taking courses.

Under the Western Deans’ Agreement, students may take both undergraduate and graduate courses. Students may only take courses which are not available at their home university, and which are an integral part of their graduate degree program. The approval of the appropriate Chairs of the master’s and Ph.D. Program Committees and of the designated representative of the host university must be obtained prior to commencement of the courses.

Students must arrange for official transcripts from the host institution to be sent to the home institution when the courses have been completed. Each home institution has regulations regarding the maximum number of transfer credits permitted. Students should ensure that their requests are within these limits.

For a complete listing of the participating universities see the Western Canadian Deans’ of Graduate Studies website at www.wcdgs.ca.

4. DEFINITIONS
   a. Semester
Semester refers to a period of study. Students should consult the Academic Schedule (p. 15) at the front of this Calendar to learn the specific dates for the start and end of each semester.
   b. Course
Course refers to a unit of study (called a course or course equivalent) normally studied for one semester. A course normally carries a weighting of three credit hours. The University offers some units of study which deviate from this norm.
   c. Course Types
1. Applied Studies
   An opportunity for students to gain University course credit for volunteer or employment experience. Students should see the Coordinator of Applied Studies for specific information (AH154; tel. 403-382-7354).
2. Independent Study
   A course for which credit is earned through individual study under the supervision of an instructor.
3. Series
   A course series is a group of courses that are offered regularly at the University of Lethbridge, but whose content may vary with different offerings. Each Series has one number and different offerings in the series are indicated by the title of the course, as listed in the current semester Timetable. Students may take more than one offering of a Series course for credit if the offerings are distinct (i.e., if each offering taken has a different title).
Students wishing to improve their grade in a Series course must repeat the section with the identical title (see Part 4 - Academic Regulations, Section 2.b. Repeat of a Course, p. 70 for more information).
A Series course may be specified as a required course in a major or program.
4. Topics
   A course which is not offered regularly at the University of Lethbridge and whose content varies with different offerings. Any Faculty or School may offer Topics courses. Each Topics course is identified by the number 5850 or 7850 and different offerings are indicated by the title of the particular section, as listed in the current semester Timetable. Students may take more than one offering of a Topics course for credit if the offerings are distinct (i.e., if each offering taken has a different title).
Contact hours for Topics courses may vary according to the nature of the course. Check the specific Topics offering for complete information.
Students wishing to improve their grade in a Topics course must repeat the section with the identical title. From time to time, Topics offerings are made into regularly scheduled courses and listed in the Calendar. In this case, students must complete the regularly scheduled course that corresponds to the particular Topics offering in order to improve their grade (see Part 4 - Academic Regulations, Section 2.b. Repeat of a Course, p. 70 for more information).
A Topics course cannot be specified as a required course in any major or program.
5. Online
Courses may be offered online or have online components. Such courses are identified in the current semester Timetable. The course information listed in the Calendar (e.g., credit hours, course description, etc.) applies to all offerings of that course.

6. Placeholder
a. Active Student Status
A Placeholder course (e.g., Education 5999) that enables students not registered in credit courses to maintain active student status in their program. No credit hours are attached to this Placeholder.
b. Continuing Student Status
A Placeholder course (e.g., Visiting 9999, Exchange 9999) that enables students registered elsewhere to maintain continuing student status for registration purposes. No credit hours are attached to this Placeholder.

7. Graduate Level
The Master of Arts (M.A.) and Master of Science (M.Sc.) course requirements are determined at the time of admission to the program. Students in the M.A. and M.Sc. programs may take senior undergraduate courses for credit at the graduate level. For example, a course may have both senior undergraduate and graduate students participating; the undergraduate students will be enrolled in 3xxx or 4xxx whereas the graduate student will be enrolled in 5xxx. For further information on course requirements, see the applicable program-specific part of the University of Lethbridge 2015/2016 Graduate Studies Calendar.

The Master of Education (M.Ed.) program requires students to complete core courses and electives to satisfy degree requirements. The courses are listed under 'Education, Master of Education Courses' in this Part. For further information on course requirements for the M.Ed. program, see the applicable program-specific part of the University of Lethbridge 2015/2016 Graduate Studies Calendar.

The Master of Science (Management) program requires students to complete four modules composed of specific courses listed in this Part under 'Management, Master of Science (Management) Courses'. For further information on course requirements for the M.Sc. (Management) program, see the applicable program-specific part of the University of Lethbridge 2015/2016 Graduate Studies Calendar.

The Doctor of Philosophy (Ph.D.) course requirements are determined at the time of admission to the program. For further information on course requirements for the Ph.D. program, see the applicable program-specific part of the University of Lethbridge 2015/2016 Graduate Studies Calendar.

For a complete listing of all U of L Courses, see www.uleth.ca/ross/courses.

d. Course Elements
1. Subject and Course Number
The subject identifies the course discipline, and the course number identifies the course level (see Section 3. Course Numbering System, p. 176).

2. Course Title
A descriptive title is given for each subject and course number. The title of a given course may occasionally change. A change in course title does not constitute a new course. Accordingly, students who repeat a course with the same subject and course number, regardless of the course title, are bound by the regulations given in Part 4 - Section 2.b. Repeat of a Course, p. 70.

Special regulations apply to Topics and Series courses (see Section 4.c.3. Series, p. 176 and 4.c.4. Topics, p. 176).

3. Credit Hours
The weighting factor of a course when determining grade point average. Regular full-semester credit courses carry a weighting of 3.0 credit hours, while half-credit courses carry a weighting of 1.5 credit hours. Some courses carry non-standard credit hours.

4. Contact Hours
There are two types of contact hours: (1) Hours per week, and (2) Other hours. 'Hours per week' are regularly scheduled weekly meeting times, while 'Other hours' are meeting times which are scheduled at irregular times over the semester.

Hours per week (regular): a-b-c
   a - number of required lecture or studio* hours per week
   b - number of required laboratory hours per week
   c - number of required hours per week in a different setting (e.g., tutorial)

Other hours (irregular): d-e-f
   d - number of required lecture or studio* hours per semester
   e - number of required laboratory hours per semester
   f - number of required hours per semester in a different setting (e.g., tutorial, field trip, rehearsal)

All contact hours may be delivered by a number of means, including, but not limited to, the following:
   a regular University classroom
   a University computer lab
   online
   an off-campus location

* Studio courses are identified as such in the offering note for the course.

5. Prerequisite(s), Corequisite(s), Recommended Background, and Other Registration Restrictions
Some courses require an appropriate background of knowledge as indicated by the prerequisite(s), corequisite(s) and recommended background. A prerequisite must be completed successfully before a student is eligible to register in a given course. A
corequisite must be taken prior to or in conjunction with another course. Students who have previously passed such a course will be deemed to have met the corequisite requirement.

A student lacking the prerequisite or corequisite for a particular course may apply for a waiver of prerequisite/corequisite from the Faculty/School offering the course.

For some courses, a recommended background is listed instead of, or in addition to, prerequisite(s) and corequisites(s) so that the student may judge his or her own academic preparation.

Prerequisites, corequisites and recommended backgrounds are normally expressed in terms of Alberta high school subjects, one or more courses, admission to programs offered by the University of Lethbridge, year of standing, and/or other special requirements.

A prerequisite or recommended background that specifies year of standing indicates that students are expected to have attained a certain level of academic or intellectual advancement prior to registering in a particular course.

For some courses, students may not exceed a defined year of standing prior to registering in the course. These courses are closed to students who have taken more than the specified number of courses or who are beyond the determined year of standing at the time of registration. These limits are applied when a course is targeted to a specific group of junior students.

Although students may choose to have their program requirements governed by the Calendar in effect at the time of their most recent admission to the University, all students are bound by the current Calendar with regard to prerequisites, corequisites and recommended backgrounds for individual courses.

6. Equivalent
Equivalent courses can be substituted, one for the other, to meet any specified course requirement.

The regulations that apply to repeated courses also apply to equivalent courses. Students should note, in particular, the calculation of grade point average (see Part 4 - Section 2.b. Repeat of a Course, p. 70).

Note: A course offered at a given level (2000-, 3000-, 4000-level) will be used to meet requirements only at that level.

7. Substantially Similar
Substantially similar courses contain a high percentage of similar course content but are not deemed equivalent. Students cannot use a substantially similar course to replace another course specified as a prerequisite. Students completing substantially similar courses must complete more than the minimum number of courses required in the program (see Part 4 - Section 2.c.1. Substantially Similar Course Limits, p. 70).

8. Grading
Grading indicates what type of grade will be awarded as defined in Part 4 - Academic Regulations. The standard grading mode employed by instructors is a letter grade; the alternative grading mode is Pass/Fail.

5. TIMETABLE
Normally classes start at 8:00 a.m. on a 50-minute schedule Mondays, Wednesdays and Fridays, and on a 75-minute schedule Tuesdays and Thursdays. Some classes may be scheduled on a Saturday, if necessary, or in the evening. Normal lecture time is three hours per week, excluding laboratories. Special timetabling is arranged for summer session.

6. DISCLAIMER
The appearance of a course in this Calendar does not guarantee that the course will be offered during the academic year for which this Calendar is published.

The University reserves the right to add, modify or withdraw any course or courses without notice.

AWARDS AND SCHOLARSHIPS

1. APPLICATION FOR AWARDS
   a. Introduction
      These guidelines are intended to ensure consistency and equity in the administration of awards and financial aid. The guidelines also assist students in developing an argument to defer or appeal an award decision. The Student Awards Committee is at liberty to set these guidelines aside when extenuating circumstances arise.
   b. Eligibility
      1. Application and Application Deadlines
         To be eligible for awards and scholarships, application forms must be completed and received in the appropriate office, either the School of Graduate Studies or Scholarships and Student Finance no later than the designated date and time (if indicated). Only in circumstances that are substantially beyond the student’s control will an appeal be considered for an application submitted after the stated deadline date. When the deadline falls on a holiday or weekend, applications will be accepted until closing the next business day.
         Successful applicants will be notified as soon as possible following the deadline.
         When no application is required, the award is made automatically on the basis of academic achievement. When an award recipient is to be nominated and no nomination is received; where appropriate, the University reserves the right to make a selection based on academic achievement.
      2. Tenure of Awards
         Scholarships administered by the University of Lethbridge are available only to those students pursuing University of Lethbridge programs. All awards are contingent upon students proceeding with their University program in the next academic session and are payable only when the student is registered in a program at the University of Lethbridge.
         Exceptions to this requirement are:
   a. Part-time Awards - If an award has been granted to a part-time student, the award will be payable when the student is in actual attendance at the University of Lethbridge.
      If a student withdraws from full-time studies after having received a payment for an award, unpaid balances of awards outstanding are forfeited.
   3. Payment of Awards
      a. Replacement - Any award administered by the University of Lethbridge is subject to replacement by an award of equal or greater value.
      b. Payment Schedule - Awards may be paid out in monthly installments or in two or three installments (one per semester).
      c. Students Graduating Early - If the award is paid in two payments, the student must be registered in all applicable semesters. However, students who graduate early may receive future payment upon written request to the Graduate Award Advisor.
      d. Deductions - The University may deduct from award payments any funds owed to the University.
      e. According to Canadian Tax regulations all financial awards granted to a student may be considered taxable income. Students will receive a T4A information slip for awards paid to them in the calendar year (January - December).
   4. Interruption of Program with Approved Leave of Absence
      All graduate award holders must maintain continuous registration during the tenure of their award. Students may interrupt their award only for the reasons of maternity, child rearing, illness, or health-related family responsibilities. Requests for a leave of absence must be approved by both the supervisory committee and the Office of the Dean of Graduate Studies, and may require additional documentation.
5. Returning After an Approved Leave of Absence
Students who return after an approved leave of absence shall be considered for University of Lethbridge awards; subject to the rules guiding graduate awards.
To re-instate award payments following an interruption or leave of absence, award holders must notify the Graduate Award Advisor of their planned return six weeks prior to their return to their program. Every effort will be made to re-instate the same award or a replacement award of equal value.

6. Posthumous Awards
Financial awards will not be disbursed posthumously.

7. Letters of Appreciation
Where a donor contact is available, award recipients will be expected to write a letter of appreciation to the donor.

c. Measuring Academic Performance for Scholarship Purposes

1. Academic Records
Complete academic records from all applicable institutions may be considered for measurement of academic achievement.

d. Disclaimer
Since the University of Lethbridge Calendar is published a considerable time before the beginning of the academic year, the University reserves the right to make whatever changes circumstances may require, including cancellation of particular awards or changes to the minimum grade point average required for awards.

e. Definition of Terms
Note: Award is used generically throughout to describe non-repayable financial support.

6. **FINANCIAL ASSISTANCE**

Application forms and information for Government Student Financial Assistance Programs are available from Scholarships and Student Finance (AH 151, tel. 403-329-2585). General eligibility for full-time assistance is:

- Canadian citizen or Permanent Resident of Canada
- A valid Social Insurance Number
- Study in an approved post-secondary program of at least 12 weeks in length
- Courses must be applied to a recognized degree
- Demonstrated financial need.

Most government financial aid programs are need based. Students apply for the program through a provincial/territorial application form. One application encompasses the Canada Student Loans and Grants program, and Provincial/Territorial Loans and Grants. Scholarships and Student Finance will assist students to determine which application to use. Students must apply to the province/territory which they are considered residents of, not necessarily the province/territory they are attending school in.

The government determines financial need by assessing costs the student will incur for tuition, fees, books and moderate living costs. Savings, part-time earnings, scholarships, assets and parental contributions may be assessed as resources and formulated as to whether a student has need. Students may appeal the outcome of the government needs assessment.

Allow four to eight weeks for an application to be processed. Students are advised to apply before June 1 for fall funding. Students will receive a Notification of Assessment with directions on where the loan, grant payments or documents will be sent. Tuition and fees owing will be deducted from the loan payments. **Students are strongly advised to read all applications and documents before signing. Know your rights and responsibilities!**

In semesters when a returning student who has previous government student loans does not take out additional student loans, it is essential the student complete and submit a Confirmation of Enrolment form. This will protect the student (interest-free) status of the loan. Confirmation of Enrolment forms must be filed for both Canada and Provincial student loans, if both have been previously issued to the student.

General eligibility for part-time financial assistance is the same as full-time assistance. Check with the staff at Scholarships and Student Finance for further details.

Financial assistance programs for students with permanent disabilities are also available. Check with the staff at Scholarships and Student Finance for further details.

The following websites have more information on the Government Financial Assistance Programs for students:

- Alberta residents: studentaid.alberta.ca
- All other provincial/territory links can be accessed from: www.canlearn.ca
- The University of Lethbridge does not participate in the U.S. Department of Education (USDE) Federal Student Aid programs. Students can receive Confirmation of Enrolment for existing USDE issued loans, but cannot access new USDE loans to attend the University of Lethbridge.

---

a. **Repayment**

Students are responsible for repaying their student loans. However, loans are not repayable during periods of full-time studies and for six months after graduation or withdrawal. In certain cases repayment may be deferred for additional periods after the six months’ exemption, upon successful application for the Repayment Assistance Program.

b. **Withdrawal While on Government Student Assistance (loans/grants program)**

Students must maintain registration to stay eligible for government student assistance. When on full-time government student assistance, a student must remain a full-time student throughout the funded period of study. If a student withdraws or drops below full-time standing, the student may be required to repay some or all funding received. Grant money may be converted to loan money. Students may be restricted from further government student assistance for 12 months. Check with the staff at Scholarships and Student Finance before withdrawing or dropping registration. Part-time funding programs are available for graduate students who are studying part-time.

c. **Emergency Student Loan Fund**

The purpose of the fund is to provide temporary assistance to full-time University of Lethbridge students to meet expenses related to an unexpected shortfall in their personal finances or an unanticipated delay in their receipt of financial assistance funding. An emergency is defined as an unexpected shortfall in finances that has caused an inability to meet the rent payments when due, lack of adequate food supplies, and any other type of expenses related to the necessities of life that cannot be delayed. Students will not receive emergency financial assistance to cover registration deposits, tuition fees, books, fines or debts to other University departments.

Emergency loans are available to assist students experiencing delays in the normal disbursement of their confirmed government student loans or grants. These advances are also available, in extenuating circumstances, to those students ineligible for government financial aid. In such cases, students must have written proof of their ability to repay the loan.

The full policy is available online at www.uleth.ca/policy/emergency-student-loan-fund.

1. ACCOMMODATED LEARNING CENTRE

**Students with Disabilities**

The University of Lethbridge attempts to meet the special needs of students with disabilities. Many students have unique needs and response must be made on an individual basis. Supporting these needs may require the student in question to liaise with a number of provincial and non-profit agencies, as well as University of Lethbridge personnel. For more information and possible assistance with these matters, contact the Accommodated Learning Centre (B760; 403-329-2766).

The Accommodated Learning Centre can support student requests for assessments or registration procedures once their disability has been documented. They can also guide students to local services or agencies which may be of assistance. Special equipment or specialized services frequently must be funded through agencies outside the University of Lethbridge. Questions regarding physical access may also be brought to the Accommodated Learning Centre who will then direct students to the appropriate University office or personnel. Further information is available on the Accommodated Learning Centre website.

7. CAMPUS WOMEN’S CENTRE (CWC)

The Campus Women’s Centre offers many services to the University and its surrounding community. It’s a safe, quiet place where women (and men) can come to talk. Student volunteers, experienced with student life on campus, are easy to talk to and can relate to issues such as frustrations with roommates, juggling home life with school life and personal conflict. Although the Campus Women’s Centre is not a licensed counselling centre, student volunteers are trained to recognize when someone is in need of counselling services and will direct them accordingly. The Campus Women’s Centre can facilitate help for students through contact with local organizations such as the YWC A, the Womanspace Resource Centre, shelters and food banks.

The Women’s Centre has a wide range of pamphlets and information about topics including sexual health, birth control, cancer, STIs, pregnancy, nutrition, HIV and AIDS, drug and alcohol abuse, sexual abuse, mental health, spirituality, feminism, daycare services, self-esteem, losing weight and piercings.

Throughout the year, the Women’s Centre organizes and participates in a variety of events impacting women in our society today. These events include National Day of Remembrance and Action on Violence Against Women, International Women’s Day, Breast Cancer Awareness Month and AIDS Week.

Currently each student contributes a levy fee of one dollar in the fall and spring semesters. Since the Women’s Centre fee is not compulsory, students may choose to opt out. To do so, students must submit a formal email request, indicating their full name and University ID number from a valid ‘uleth.ca’ account. Alternatively, students may stop by the office (SP150) and fill out an opt-out form. Refunds will be administered during the last week in October for the fall semesters and the last week in February for the spring semesters. Applications and requests for opt out must be submitted prior to the refund dates. Students will receive an email confirmation instructing them to come to the Women’s Centre in person to receive their refund in cash. A valid University ID card is required.

Convocation is organized by a dedicated group of individuals representing many departments across campus including the President’s Office, Registrar’s Office and Enrolment Services.

14. COUNSELLING SERVICES
Counselling Services is located in Turcotte Hall (TH218). The primary purpose of Counselling Services is to contribute to the total well-being and development of individual students. Personal counselling, career counselling and academic skills development programs are offered to assist students in realizing their educational, social and personal potential. The office’s services are extended without charge on a confidential basis.

Although Counselling Services normally operates on an appointment basis, counsellors see students experiencing a personal crisis as quickly as possible. After-hours and weekend emergencies should be handled through Campus Security (403-329-2345) or the emergency service at Chinook Regional Hospital. Personal crisis situations experienced after hours should be directed to the Distress Line of Southwestern Alberta (403-327-7905 or 1-888-787-2880).

Students with career, personal and/or academic concerns are encouraged to make a counselling appointment before the situation becomes overwhelming. For an appointment call 403-317-2845 or go to TH218.

16. GRADUATE STUDENTS’ ASSOCIATION
The Graduate Students’ Association (GSA) mandate is to identify graduate student needs in order to ensure policies align appropriately. The GSA represents all academically employed graduate students including all students who are registered as graduate students at the University of Lethbridge and pay either full-time or part-time GSA fees.

The priorities identified by the GSA include:

a. Providing an orientation for new members

b. Organization social, academic and special events for graduate students

c. Enhancing financial opportunities available to graduate students

d. Supporting academic skills development among graduate students independently or in collaboration with other University groups
e. Promoting the general welfare of members and act to serve and further the intellectual, cultural, social and recreational activities of its members
f. Lobbying on behalf of graduate students at the local and provincial level
g. Negotiating and upholding the terms and conditions of the graduate students collective agreement with the University Board of Governors
h. Improving communication with members by various means
i. Acting as the official interface between students and administration

**U of L Committees and Internal GSA Committees**
The GSA represents graduate students and their interests on a variety of U of L committees as well as on committees internally within the GSA Council. U of L committees the GSA has a vote on include: a variety of General Faculties Council (GFC) Committees and Senate Committees, Alumni Association, Animal Welfare, Blood Services, Board of Governors, Budget Advisory Committee, CKXU, Lecture Series Committee, Teaching Centre Advisory Council and more. Internal GSA committees include: Awards Committee, Collective Agreement Committee, Mental Health Steering Committee, etc. For a full list of GSA’s committee participation, please visit www.ulgsa.ca/gsa-committees.

**Awards and Funding**
The GSA has several awards in order to accommodate circumstance specific to graduate students. Applications for the following awards and funding are available through the GSA website (www.ulgsa.ca):
- GSA Travel Award
- GSA Emergency Bursary Fund
- GSA Student Event Financial Assistance
- Government of Alberta Graduate Citizenship Award

**Provincial and National Affiliations**
The GSA is a member of the Alberta Graduate Provincial Advocacy Council (ab-GPAC); an organization focused on lobbying the provincial government on behalf of graduate student interests. Several current priorities include: reforming part-time student loans, international student fees, mandatory N on-Instructional Fees regulation, review post-secondary funding model, mental health initiatives and the Alberta nominee immigrant program.

**Social Events**
The GSA offers a variety of social events that are offered regularly throughout the semester such as a trip to Waterton, bowling, pub nights and a variety of other activities. All graduate students are welcome and encouraged to attend. Students are also invited to email us regarding any events they would like us to coordinate.

**Services provided by the GSA:**

**Collective Bargaining Agreement**
This agreement governs the employment of graduate students as graduate assistants at the U of L. As required by the Post-secondary Learning Act of the Province of Alberta, this agreement was reached between the Governors of the U of L (‘the Board’) and the U of L GSA on behalf of all graduate students. This agreement recognizes the importance of graduate assistant positions to both graduate students as an apprenticeship in preparation for further academic or professional careers and to the University to assist with the volume of work associated with academic positions.

To view the agreement, visit www.ulgsa.ca/governance.

**Classifieds**
This page features classified postings intended for U of L graduate students. To post a classified advertisement to this page, please email gsa@uleth.ca with all information you would like in your ad (including pictures). You must be a current U of L graduate student or alumni, or a U of L staff or faculty member to post on this page.

We are happy to post any advertisement ranging from residence to rent to babysitting requests, or even the sale of textbooks or electronics for graduate students. Please visit: www.ulgsa.ca/gsa-classifieds.

**First Impressions Orientation Program**
The GSA First Impressions program is designed to make the move to Lethbridge, or the move from undergraduate to graduate student life, smoother for new students. We pair an incoming student with a current student to provide someone to whom questions can be directed and information sought; usually via email. Questions can range from: supervisor/ student relationships, best cafes, cheapest groceries, public transportation, how/where to get a SIN card, how to fill out paperwork/register in courses.

We pair students based on department, Faculty or common interest, depending on who our volunteers are.

For more information, please visit www.ulgsa.ca/first-impressions-orientation-program.

**Meeting of the Minds Annual Conference:**
Meeting of the Minds is held in March each year and represents an opportunity for U of L students to showcase their research to the University community and the broader community of Lethbridge. Both communities benefit from this exchange of ideas. In particular, people from outside the University gain an opportunity to learn about the high calibre research taking place at the U of L, much of which is (a) funded by their tax dollars, and (b) applicable to their everyday lives. The University community also benefits from the all too rare opportunity for a free exchange of ideas between academics and the general public, and among Faculties and disciplines that do not often come together. Finally, student presenters benefit from the opportunity to practice placing their research into a context that is accessible to a diverse but informed audience.

**GSA/L.A. Transvit U-Pass Program:**
The Universal Transit Pass (U-Pass) program gives students enrolled in participating post-secondary institutions unlimited access to local transit. Because fees are collected from a large participant base, U-Pass prices are lower than the amount students would otherwise pay for monthly passes or tickets over the course of a term. U-Pass programs offer students a way to lower their transportation costs while at school and also benefit the local community and the environment. Graduate students cannot opt-out of the U-Pass unless they: (1) are completing practicum work or filed work outside the City of Lethbridge for more than three quarters of the fall or spring/summer semester, or (2) live outside of the Lethbridge transit area. For more information about opting out, visit our website at www.ulgsa/gsa-transit-u-pass-program, stop by our office in M2041, or call 403-329-2132.

Students can pick up U-Passes, or replace their defective U-Pass, by visiting our office located in M2041. Our office hours are listed on our website at www.ulgsa.ca/contact.
SGS/GSA Study Carrel Space
This space has been created for graduate students who do not have an office space on campus. Respectful use of the space is required, so that future graduate students will also be able to use this space. There is a $25 key deposit required. This deposit can be given to the SGS, once the application has been accepted.

Important information regarding the application:

The Health Centre will inform the University community about specific disease management for campus-wide illnesses. Remember, the first defence against viruses is simply washing your hands and protecting others from your cough or sneeze. Check out our website for more information.

Health Centre website: www.uleth.ca/hr/health-centre

Health Education
Campus-wide health education events are held throughout each semester and are located in a variety of places on campus. Check out the electronic student magazine, Student Health 101, distributed monthly to your student email. It is full of helpful tips to get through the semester, read it here: www.read101.ca/uleth.html

Health Insurance
There are two types of health insurance. First, by law, all students MUST have basic provincial health insurance (this pays for doctor’s bills, hospital care and most medical tests). Usually, this insurance is from your home province. If you have questions about the Alberta Health Care Insurance Plan (AHCIP) or your home province insurance, please ask the Health Centre staff. Second, there is an extended benefit plan which assists in paying for items not covered by provincial health insurance.

Students should either have an extended benefit plan from their work or family or have the Students' Union Health and Dental Plan. The Students' Union Health and Dental Plan assists with the cost of medications, ambulance rides, therapies and dental costs. If you have questions about the Students' Union Health and Dental Plan, drop by SU 180.

Note: The University does not assume responsibility for the cost of medical treatment or hospitalization.

We want you to learn about your own health as you grow academically. Please ask for help when you need it!

The Health Centre is open Monday through Friday in SU 020. Call 403-329-2484 or drop by for appointments.

Some examples of the programs and workshops offered in the past include time management, aerobics, health and nutrition, substance abuse, study skills, exam preparation, library use, tutoring, movie nights, cabarets, resume writing and effective interview and job search skills.

The convenience of living on campus, together with access to the University’s services and programs, gives students educational, social and cultural advantages. Applicants who are declined admission to the University, who cannot be accommodated by Housing Services by the first day of classes, or who cancel their application in writing prior to June 1, may request a refund of all advance payments, but must do so within one week of the start of classes. Cancellation for any other reason will be subject to forfeiture of the advance payments according to the cancellation schedule as outlined in the Offer of Accommodation. The refund amount for these cancellations is based on the date upon which written notice is received by Housing Services; therefore, students are advised to contact Housing Services as soon as their plans change.

(Cancellation over the Christmas break may be submitted by email to housing@uleth.ca.) All cancellations received after a student has moved into residence are subject to one calendar month notice. Failure to provide this notice will result in next month rent charges.

As a result of the high level of athletic competition, many Pronghorn athletes have represented the province and the country in national and international competitions. This speaks well for the calibre of coaching and the quality of athletes at the University of Lethbridge.
All student athletes who maintain the appropriate academic standing are eligible for financial assistance, in the form of scholarships, awards and grants through Scholarships and Student Finance.
For those people who are interested in athletics but are not able to compete, the Athletics Program offers other opportunities, such as team managers, athletic trainers, minor officials and event coordinator positions.
University of Lethbridge students are entitled to reduced admission prices to regular season Pronghorn home athletic events.

Graduate students are eligible to apply for awards if they are:
- an applicant entering the University from another post-secondary institution; or,
- a student continuing his/her studies at the University of Lethbridge.

While not all awards require the student to apply, an application is strongly recommended for students who feel that they may qualify for awards. Application forms for most awards are online on the Bridge and information on procedures are available at Scholarships and Student Finance, located in Anderson Hall (AH151; 403-329-2585) or online at www.uleth.ca/ross/student-finance/awards.

Application - To be eligible for awards, application forms must be submitted via the Bridge no later than the designated date. Application forms and information are available from the following website:

A student who has not applied for awards cannot claim for the right of consideration by the University.

Academic records - Only academic records from the last five years will be considered for measurement of academic achievement.

Evaluation will be based on the student’s last year of attendance at the University of Lethbridge subject to the rules guiding Undergraduate Awards.

Conditions - Unless otherwise stated, awards made to full-time students are conditional on the student proceeding with full-time studies at the University of Lethbridge in the fall and spring semesters following the award. Failure to meet this condition may result in the forfeiture of any unpaid balance.

Replacement - Any award administered by the University of Lethbridge is subject to replacement by an award of equal or greater value.

Deferral - A deferral postpones the payment of a financial award until a student is registered full-time at the University of Lethbridge. A request for a deferral must be submitted in writing to the Coordinator, Scholarships and Student Finance by October 31 for the fall semester and February 28 for the spring semester. Justifiable reasons for deferral include:

31. STUDENT FINANCE - GOVERNMENT STUDENT LOANS AND GRANTS

The Federal, Provincial and Territorial governments of Canada provide financial assistance to help residents in the pursuit of post-secondary education. This assistance is provided in the form of loans and grants. Scholarships and Student Finance provides advising concerning these government student assistance programs.

The level of government financial assistance awarded to a student depends on evidence of financial need and on personal circumstances. In Alberta, parental income is no longer used to determine the loan funding a student can receive. During the 2014/2015 academic year, the maximum amount an Alberta resident was eligible to receive was $13,300 in combined Canada and Alberta student loan funding. Students may also qualify for low or middle income grants in their first and subsequent years of study. Grants are also available for students with dependents and students with permanent disabilities.

Financial assistance is also available to students who are considered to be residents of other provinces and territories.

Graduate Assistant Teaching Development Program

Many graduate students at the University of Lethbridge are assigned work as a Graduate Assistant during the course of their graduate program. Graduate ‘Teaching’ Assistants (GTA) may be required to grade examinations and assignments, instruct laboratory and tutorial classes, lead discussion groups, or teach an undergraduate level class. In order to be adequately equipped for these duties, and to acquire significant skills for their future academic careers, all GTAs are strongly encouraged to participate in the Graduate Teaching Assistant Professional Development Program throughout the fall and spring semesters.

The Graduate Assistant Teaching Development (GATD) Program provides an opportunity for professional development in critical teaching skills, equipping graduate students to carry out their teaching duties effectively. Graduate students who participate in these sessions receive formal recognition of their participation in this academic professional development program via a Certificate of Participation. This program addresses essential aspects of good teaching, equipping GTAs to carry out their teaching duties effectively and enhance their teaching skills as their careers advance.

GATD workshops address topics such as professional expectations and responsibilities, establishing a productive learning environment, dealing with students, classroom management, grading and assessment, leading discussion groups, preparing a presentation, the multicultural classroom, teaching and learning styles, and other topics of importance to GTAs. Graduate students are also strongly encouraged to attend other Teaching Centre events, such as the Talking about Teaching Seminar Series and Teaching Day Symposium.

Participation in the GATD Program and attendance at other Teaching Centre events provides an opportunity for professional development as well as formal recognition of participation. The Certificate of Participation formally documents hours of completed participation in the GATD program.

This plan does not replace provincial health care.

The coverage period is from September 1 to August 31. Optional family coverage is also available for an additional fee. Full-time students enrolled in the fall semester pay premiums for the Health and Dental Plan for the full year. Full-time students enrolled in the spring semester pay premiums for the spring semester only. Regardless of a change in status (e.g., full-time to part-time or student to non-student), all students enrolled at the beginning of their respective semester will retain their coverage until August 31.

Students can opt out of the Student Health and/or Dental plan if proof of comparable coverage and a completed waiver form is presented to the Students' Union Health and Dental Plan office.
