OUR PROMISE

To our students, we make a promise:

A promise to do our best, so they can be their best.
A promise to foster exploration, to share ideas and information, to teach but also to learn.
A promise to build the buildings, acquire the technology, cultivate the partnerships, and welcome the people essential to advancing an environment that excites and ignites learning.
A promise to create an environment where professors and students are colleagues and everyone grows together; an environment that recognizes the power of every student’s dream. And helps that dream come true.
DESTINATION 2020

Where we are going

We will be Canada’s destination for all who seek a comprehensive, liberal education-based university that promotes a diverse and inclusive environment and inspires research-informed teaching and learning, creative discovery, scholarship, professional endeavour, experiential opportunities and community engagement.

Who we are

The University of Lethbridge is Alberta’s Destination University. Founded in 1967 on traditional Blackfoot land, we are a community that fosters an atmosphere of discovery, a welcoming place where students and faculty have the freedom to think, create and explore together. People are the essential resource of our institution; they define our university and are our greatest strength.

We are committed to the individual student as a person of ultimate worth. Our students learn within and beyond the classroom in a research-intensive environment that offers connections with the diverse communities we serve. Students are taught by inspired scholars who integrate research and creativity with teaching.

Our motto, Fiat Lux (“Let There be Light”), and our founding principle of liberal education, continue to define and inspire us. We are committed to being the comprehensive academic and research university in Alberta that empowers individuals with broader knowledge and prepares them to think critically and creatively, communicate clearly, solve complex problems, and contribute fully to society. We give people more than an education: we give them a life trajectory and the tools to make a difference.

High quality is central to all that we do. Our commitment to maintaining high quality undergraduate and graduate academic programs is important to fostering a better society. High quality instruction and teaching are essential to our commitment to quality, as are the vibrant programs of research and creative activity that are a differentiating feature of our institution and a central part of our culture as a Comprehensive Academic and Research Institution. High quality facilities and services support our institution and its students, staff and academic staff.

The University of Lethbridge was born from the needs and aspirations of our local communities, and so access to our university is a foundational value. We are committed to providing student access to our high quality academic programs throughout the province, without creating unnecessary financial barriers. Community engagement with our university (and vice-versa) and the community use of our facilities are important to us.

Our liberal education foundation, combined with our student focus and research and creative excellence, enable a distinctive student experience across two campuses in Alberta - Lethbridge and Calgary. The result is engaged citizens, who are intent on understanding relevant issues and on improving our region, our country and our world.

LIBERAL EDUCATION AT THE UNIVERSITY OF LETHBRIDGE

Liberal Education has been a community tradition at the University of Lethbridge since its founding. Our approach to education continues to produce creative explorers and innovative thinkers who will lead in a complex global world. Our Liberal Education philosophy guides the academic and research activities that enable students to develop the skills to think critically and creatively, communicate clearly, work collaboratively, solve complex problems and contribute fully to society as engaged and informed global citizens and leaders. The collaboration and integration inherent in Liberal Education have distinguished the University of Lethbridge as an attractive destination for potential students. This transdisciplinary focus and transformational learning experience unify the University of Lethbridge and set our programming apart from other institutions. The qualities developed in a Liberal Education are important for citizens in a democratic society, and with these qualities, University of Lethbridge graduates gain a competitive advantage to succeed in their chosen disciplines.

“Liberal Education is an education that is ‘liberal’ in that it liberates the mind from the bondage of habit and custom, producing people who can function with sensitivity and alertness as citizens of the whole world.”

Martha C. Nussbaum, Cultivating Humanity, 1997

The definition of a Liberal Education as historically applied by the University of Lethbridge follows.

**Liberal Education Definition:**
Liberal Education at its broadest encompasses four main aspects or pillars.

1. **Breadth across disciplines** is seen as foundational: students should be exposed to multiple ways of looking at and studying the world beyond their own disciplinary boundaries.
2. **The ability to connect and integrate** knowledge across disciplines is crucial.
3. **Critical thinking and problem solving skills are emphasized:** students need to know how to identify an argument, evaluate evidence and reasoning, produce informed decisions, and communicate and defend those decisions.
4. **Education for citizenship** encourages students to be contributing community members on all levels from local to global, and to participate in the running of those communities.

---

**Liberal Education Objective:**
To develop the transdisciplinary learning and thinking skills to enable individuals to contribute to their communities at all levels.

The University of Lethbridge Liberal Education model based on the four pillars will provide students with the following competencies and skills to enhance employability and cultivate the values of good citizenship.

THE UNIVERSITY SHIELD

The University of Lethbridge adopted its official Shield (shown left) in 1973, six years after the University’s inception. Developed by a Senate committee with the leadership of University President Dr. William E. Beckel, the Shield design and Heraldic description was approved by the Senate on October 2, 1973 and ratified by the Board of Governors later that month.

The Shield was designed primarily in the University’s colours of blue and gold. The gold sun on the blue shield represents southern Alberta. The blue and silver book above the gold and blue wreath represents the search for knowledge. The University’s motto, ‘Fiat Lux,’ Latin for ‘Let there be light,’ is lettered on a gold and silver band below the shield.

In 2003, the original design was simplified (shown right). The new shield brings focus to the fiery sun with twisted Aztec rays and to the motto, ‘Fiat Lux.’

UNIVERSITY OF LETHBRIDGE STUDENTS AND THE ALBERTA WORKERS’ COMPensation BOARD
In 1985, the Alberta Workers’ Compensation Board issued an Order under Section 7 of the Workers’ Compensation Regulation which provides that the Workers’ Compensation Act applies to students registered in and attending the University of Lethbridge (and other post-secondary institutions in Alberta) while they are in attendance. The Workers’ Compensation Board coverage does not extend to students who suffer accidents while engaging or participating in extracurricular sporting, recreational, social or personal fulfillment activities which are not a current academic requisite or which are not required as a part of the course of study in which the student is registered. Workers’ Compensation Board coverage means students are treated as employees when injured in an incident related to the course of studies.
The University’s Risk and Safety Services is available to assist the student if a Workers’ Compensation claim is required.

1. STUDENT RECORDS RETENTION POLICY
The permanent official folder for each student is maintained by the Registrar's Office. The contents of this folder shall be destroyed according to the following schedule:

a. For students who have graduated, five years after the most recent registration activity of any description, except for those files containing documents pertaining to disciplinary action.

b. For students who have not graduated, seven years after the most recent registration activity of any description, except for those files containing documents pertaining to disciplinary action.

Prior to the destruction of the folder, the Registrar's Office shall ensure that the contents of the file are reflected in the student's electronic record, according to the policies governing admission, registration and academic history.

For more information, see Academic Regulations, Confidentiality of Student Records Policy (p. 49).

2. ADVICE AND INFORMATION
Students who require advice or additional information regarding their programs during registration should consult their respective graduate program office.

Students who require other kinds of information and advice about registration, such as deadlines and procedures, should consult the Registrar's Office website at www.uleth.ca/ross or ask at the Information Centre (SU140).

Students are responsible for the accuracy and completeness of their own registration and are liable for the fees for programs and courses in which they are registered.

3. TERMS USED DURING REGISTRATION

a. Enrolment and Registration
For purposes of the University of Lethbridge Graduate Studies Calendar, these terms are used interchangeably.

Bridge: The University's online registration system is available for all graduate students to register in their courses (www.uleth.ca/bridge).

b. Part-Time and Full-Time
Continuous registration in the spring, summer and fall terms is required for full- and part-time students.

Full- and part-time students who do not register in a program in any term will be considered to have withdrawn unless a leave of absence has been granted by the respective graduate program administrator (see Leave of Absence in the General Regulations section in the applicable program-specific part of the University of Lethbridge 2017/2018 Graduate Studies Calendar and Course Catalogue).

c. Visiting and Exchange Students
1. University of Lethbridge Students Studying Elsewhere
Under approved exchange arrangements, students pursuing a degree, diploma, or certificate at the University of Lethbridge may be permitted to take courses at another post-secondary institution under the Western Deans' Agreement (see the Western Deans' Agreement, p. 22).
2. **Visiting and Exchange Students from Other Universities**

Under approved exchange arrangements, students who are not pursuing a degree, diploma or certificate at the University of Lethbridge and are registered in programs at other post-secondary institutions may be admitted to take courses under the Western Deans’ Agreement (see the Western Deans’ Agreement, p. 22).

Where applicable, with the appropriate permission of the sending and receiving institutions, students may be admitted as Visiting students for study where formal exchange arrangements are not in place. Students must satisfy the normal admission requirements of the University of Lethbridge.

d. **Audit a Course**

A student registered in a program must have permission by the instructor and graduate program administrator to audit a course. The student must complete an Audit Registration form and submit it to the Registrar’s Office by the indicated deadline. Audit courses must be included on the Approved Program of Study form for M.A., M.Sc., M.F.A., M.Mus., and Ph.D. students at the time of application.

Refer to the Academic Schedule (p. 15) for the term-applicable deadlines.

e. **Open Studies Student**

Open Studies student registration allows persons interested in taking courses for general interest to register without having to gain admission to a University program. Registration as an Open Studies student is open to any individual not currently admitted to a University program, with some restrictions.

The following conditions apply to registration as an Open Studies student:

1. Open Studies student enrolment does not constitute formal admission to a University program.

2. Students must complete the Open Studies Registration form and submit it, along with the registration fee and deposit, to the Registrar’s Office each term.

3. Upon subsequent application for admission or readmission to a University of Lethbridge program, courses completed via Open Studies may be counted for credit toward the student’s program only with the express permission of the Dean of the School of Graduate Studies. See the appropriate program part for more details.

4. Open Studies students must meet the University’s English Language Proficiency (ELP) Requirement (see English Language Proficiency for Graduate Open Studies Students, p. 20).

5. While under Open Studies student status, students are allowed a maximum of two grades below ‘B’ at the master’s level or no grade below a ‘B’ at the doctoral level. Any subsequent grade below ‘B’ (at the master’s level) or B (at the doctoral level) will result in permanent suspension of Open Studies student registration privileges. When Open Studies student registration privileges have been suspended, a student may not register in a course until they have been admitted to a University of Lethbridge program.

6. Open Studies students are not eligible to use the Credit/Non-Credit designation.

7. Open Studies students may apply for admission or readmission to a University of Lethbridge program. Courses completed via Open Studies student registration are considered in the admission decision process (see the Admission Requirements section in the applicable program part of the Calendar).

8. Only students who have been admitted to a University of Lethbridge program may graduate with a University of Lethbridge degree, diploma or certificate. Students who have been previously admitted, and not subsequently Required to Withdraw, may graduate while under Open Studies student status. Such students must have been previously admitted to the program of graduation. Such students must fulfill the admission and graduation requirements of that program for the calendar year of admission.

Students who have been Required to Withdraw must be readmitted to a University program before they will be permitted to graduate.

9. **English Language Proficiency for Open Studies Students**

English is the primary language of instruction and communication at the University of Lethbridge. Prior to registration, Open Studies registrants whose first language is not English must demonstrate their English language proficiency is sufficient to meet the demands of classroom instruction, written assignments, and participation in tutorials and discussions, regardless of their citizenship status or country of origin. The University of Lethbridge reserves the right to use discretion in determining adequate levels of language proficiency.

**Note:** The following policy does not apply to Audit students. Proficiency in English may be demonstrated by any of the following:

a. Successful completion of a minimum of three consecutive years of full-time academic study in English at a secondary school or post-secondary institution in Canada or another country where English is recognized as the primary language (see the English Language Proficiency section in the applicable program part of the Calendar). English as a second language study is not considered academic.

b. Successful completion of the Advanced Level of the University of Lethbridge English for Academic Purposes (EAP) program (see University of Lethbridge International, p. 57).

c. Test of English as a Foreign Language (TOEFL), taken within the last two years, with minimum scores of:
   - 550 on the paper-based TOEFL and 4.0 on the Test of Written English (TWE); or

4. WHEN TO REGISTER
See the Academic Schedule (p. 15) for specific registration dates. Students who fail to complete registration during the specified period may be assessed a late fee.

5. ORDER OF REGISTRATION
Registration occurs in the following order:

1. Students admitted to graduate programs at the University of Lethbridge register first.
2. Exchange students attending the University under the Western Deans’ Agreement (see p. 22), Visiting students (see p. 19), and Open Studies students (see p. 20), register second.
3. Students auditing courses (see p. 20) are last to register.

6. REGISTRATION LIMITATIONS

a. Timetable Conflicts
Registration into classes that overlap or create time conflicts will not be processed. To avoid delays at registration, students must consult the current term Timetable.

b. Duplication of Registration
A student may not register in more than one course offering in a term or session. A student may not be registered in the same course in more than one term simultaneously (e.g., in both summer term and fall term).

c. Faculty Quotas
Admission to the University does not constitute a guarantee that a student will be able to register for any specific course in a given term. Enrolment limits are enforced by all Faculties.

d. Graduated Students
A student who has graduated from a program at the University must successfully apply for admission to another program in order to pursue studies as an admitted student. Otherwise such students must register using the Open Studies Student route (see p. 20).

e. Holds on Registration
A Faculty/School may place specific registration requirements upon a student. In such cases, at the request of the respective Dean or Designate, the Registrar’s Office may restrict a student’s access to registration.

f. Prerequisites and Corequisites
Course prerequisites and corequisites must be met where applicable and Faculties are responsible for ensuring they have been met. Students may possess some educational experience that provides much of the background usually acquired in a prerequisite or corequisite to a particular course. In such cases, the student may seek the permission of the School of Graduate Studies Dean or Designate to waive the prerequisite(s) and/or corequisite(s). In some cases, the student may seek the permission of the School of Graduate Studies Dean or Designate to waive the prerequisite(s) and/or corequisite(s). Students do not receive credit for the waived prerequisite(s) or corequisite(s).

If a prerequisite or corequisite course is specifically required in a program or major, it must be registered and completed at some point unless a substitution has been approved by the School of Graduate Studies Dean or Designate.

Newly admitted graduate students must accept their Offer of Admission by paying the Confirmation of Admission deposit before they can register.

Students in the M.Ed. or M.C. programs who did not register during early registration will be permitted to register on a first-come, first-served basis.
7. CLASSROOM PRIVILEGES

Students have classroom privileges for the course offering in which they are registered or auditing. Students who are not registered in or have dropped or withdrawn from a course do not have classroom privileges and may not attend any classes for that specific course. Instructors may authorize guests to attend a class.

8. COURSE REGISTRATION

Courses may be added until the Add/Drop deadline and cancelled/dropped until the Extended Drop deadline, as approved by the respective graduate program administrator, and as shown in the Academic Schedule (p. 15). No changes to registration other than withdrawals from individual courses are permitted after the Extended Drop deadline.

Students who register and decide not to attend but do not cancel their registration by the Extended Drop deadline will be assessed tuition and compulsory fees (see Fees, Cancellations, Refunds, and Withdrawals, p. 25).

9. WITHDRAWAL

Students can withdraw from courses after the Extended Drop deadline up to and including the last day of classes in a term or session as specified in the Academic Schedule (p. 15).

Graduate students taking undergraduate courses should consult the Academic Schedule in the Undergraduate Calendar and Course Catalogue for withdrawal deadlines. Grades are not assigned when a student withdraws (see Academic Regulations, Grading, p. 36).

Failure to withdraw results in the assignment of grades by the instructor for the course(s) in which the student is registered. Students are responsible for ensuring that the Registrar’s Office receives the request for withdrawal by the relevant deadline.

a. Complete Withdrawal

A student wishing to withdraw from the term must obtain approval from the respective graduate program administrator and then notify the Registrar’s Office by submitting a Complete Withdrawal form which can be obtained from the Registrar’s Office. The date this form is received by the Registrar will be the official withdrawal date for purposes of fee assessment. A ‘W’ designation is recorded for each course in which the student is registered that term.

b. Course Withdrawal

Students must consult with their respective graduate program administrator before withdrawing from a course. Students are granted a ‘W’ designation for any course from which they choose to withdraw in a term provided they remain registered in one or more courses.

c. Withdrawal with Cause

Withdrawal with Cause is granted only in case of serious illness or other extenuating circumstances beyond the control of the student which makes continuation in a course impossible and where an ‘Incomplete’ designation is not in order. For admitted students, the ‘WC’ is recorded only on application to the School of Graduate Studies. For Open Studies students, the ‘WC’ is recorded upon application to the Registrar’s Office.

10. WESTERN DEANS’ AGREEMENT

The Western Deans’ Agreement covers exchange graduate students from member universities across Western Canada (for a list of participating institutions, visit www.wcdgs.ca) provided that:

1. The period for which the fees are remitted does not exceed two academic terms of four months each; and
2. The course work or work to be pursued is an integral part of their graduate degree and not available at the student’s home institution.

Western Deans’ Agreement students pay tuition (and general) fees at their home university, and they pay applicable student activity fees (general fees) at the host institution where they are taking courses.

Under the Western Deans’ Agreement, students may take both undergraduate and graduate courses. The approval of the designated representatives of the home and the host university must be obtained prior to commencement of the courses.

Students must arrange for official transcripts from the host institution to be sent to the home institution when the courses have been completed. Each home institution has regulations regarding the maximum number of transfer credits permitted. Students should ensure their requests are within these limits.

11. APPEAL OF REGISTRATION

Students dissatisfied with decisions regarding registrations are entitled to a review by the Assistant Registrar.

If still dissatisfied after this review, the student may address a written appeal to the Registrar who renders the final decision.

Students who wish to appeal decisions regarding retroactive adjustments to registrations shall have one full year from the last day of the term or session during which the course(s) in question were registered.

2. SELF-SERVICE RESOURCES AND GENERAL INFORMATION

a. Fees and Payments

The University provides a self-service option via the Bridge website available at www.uleth.ca/bridge or ULink for viewing the Account Summary by Term report, which includes fees charged and payments received by term. The University will send invoices to students’ University of Lethbridge email accounts in advance of key deadlines. Paper statements are not mailed via Canada Post. Inquiries about fees are directed to the Cash Office (AH144; 403-329-2469; cash.office@uleth.ca).

b. Anticipated Payments

Awarded student loans, sponsorships and other payments can be viewed on the Bridge in the Account Summary by Term report. Anticipated payments verified as in transit by the Cash Office can be viewed using the Anticipated Funds link on the Account Summary by Term page. Anticipated funds are considered payments-in-progress and stop the assessment of interest charges and cancellation for non-payment processes.

c. Financial Support

For information on financial opportunities, please review the Awards and Scholarships section (p. 195) or contact the Graduate Studies Awards Advisor at sgs.awards@uleth.ca. Further information regarding government assistance and other University of Lethbridge scholarships can be found at the Scholarship and Student Finance Office (AH115; 403-329-2585).

d. Holds Applied to Outstanding Accounts

Students with outstanding fees on their account will not receive parchments, registration privileges, approval to graduate, access to the Tuition and Education Amounts Certificate (T2202A tax form) or official transcripts until all fees are paid in full. Students who present student loan forms at the Cash Office will have their outstanding fees automatically deducted from the loan (for details, see First Charge for Student Loans, Bursaries and Scholarships, p. 24).

e. Receipts and Tax Forms

Students can verify payments on their account by viewing the Account Summary by Term report on the Bridge at www.uleth.ca/bridge. Printed receipts are not issued unless requested. The Tuition and Education Amounts Certificate (T2202A) required for completing personal tax returns is available for download/print from students’ Bridge accounts before the end of the following February. Students will be charged $5 for a printed T2202A from the Cash Office.

   Note: Payments must be received by applicable deadlines to avoid interest and cancellation policies.

3. On-site secure drop box

b. Fee Deadlines and Automatic Cancellation
   Fees are due in full by October 1 (fall term), February 1 (spring term) and June 1 (summer term and all summer sessions). When a deadline falls on a weekend, the deadline will be the next working day.
   Failure to make a payment (excluding those made towards application fees, Open Studies registration fees, and tuition deposits) by the fall and spring fee deadlines will result in automatic cancellation of a student’s registration in courses and access to services.
   Arrangements for student loan or sponsor payments will count as a payment towards student fees if these arrangements are received prior to the fee deadline. The anticipated funds that are set up can be viewed on the student’s Bridge account under the Account Summary by Term page. University of Lethbridge scholarships and completion of the Health and Dental opt-out will also be counted as a payment towards the fee deadline. To be reinstated in courses for the term after cancellation, students are required to pay a $25 reinstatement fee and make a payment toward their fee balance. Students who do not reinstate their registration in the term will lose their continuing student status. To resume studies, students must submit a new Application for Admission and pay related application fees and deposits.

c. Interest
   Students who have made a partial payment by the fee deadline but have a balance owing after the fee deadline will be charged interest of the Bank prime lending rate plus five percent per annum on the outstanding balance, applied on the first working day of each successive month that the account remains unpaid.
   Subsequent payments will be applied first against interest charges and, thereafter, against the outstanding assessed charges.

d. First Charge for Student Loans, Bursaries and Scholarships
   100% of current and outstanding fees are the first charge against assistance received from the federal or provincial government as student loan certificates/bursaries and University of Lethbridge awarded or administered scholarships.
e. Collection Practices
Cash Office staff will administer collection practices and contact students about outstanding balances. Accounts will be transferred to a professional collection agency when deemed necessary.

4. CANCELLATIONS, REFUNDS, AND WITHDRAWALS

To cancel course registration (drop courses) before incurring a withdrawal grade on transcripts or incurring tuition, compulsory, and program-related fees, students must cancel their registration by the Extended Drop deadline for the term or session through the Bridge at www.uleth.ca/bridge. For Extended Drop deadlines, see the Academic Schedule (p. 15).

b. Refunds
Cancellation - Cancellation of course registration occurs prior to the Extended Drop deadline. Related tuition, compulsory, and program-related fees for cancelled courses are reversed from the student’s account, depending on the degree program.
Over-payments - Any payments received from students that exceed non-refundable fees incurred will be refunded to students upon their request to the Cash Office. Date restrictions may apply to student loan and scholarship refunds.
Refunds can be received by cheque (within three weeks of request), debit (Cash Office from 9:00 a.m. to 3:30 p.m. Monday to Friday with valid picture identification), and bank wire (for international addresses).

c. Withdrawals
After the Extended Drop deadline, students can withdraw from a course or their complete registration up to the last day of classes in a term or session as specified in the Academic Schedule (p. 15). After the Extended Drop deadline, courses are assessed 100% of tuition, compulsory, and program-related fees. See also Registration, Withdrawal (p. 22).

Notes:

1. Student Administrative Fees include Student Services fee of $39.25 per course, and Student Copyright Access Fee of $2.50 per course. The administrative fee is the equivalent to 10 courses assessed over three terms for Masters programs, and equivalent to 20 courses over six terms for PhD programs. 1. INTRODUCTION
All students are bound by the academic regulations contained in the most current Calendar; regardless of the Calendar they are following for program requirements.
A student may obtain further information about academic regulations from the School of Graduate Studies. It is the responsibility of each student to be familiar with the Academic Regulations as outlined in this section and program-specific sections of the Calendar.

2. ACADEMIC REGULATIONS
a. Grading
An instructor bears full responsibility for evaluating the academic performance of students in graded courses.
An instructor must indicate at the beginning of each graded course, in writing, the detailed manner by which work will be assessed and the final grades derived and, upon request, communicate to students an estimation of their levels of performance by the end of the eighth week of the term. An instructor may prescribe a variety of forms of evaluation, such as recitations and papers, mid-term examinations and a final examination.
Final grades are determined in accordance with the grading system described in this Calendar. All grades for courses are submitted to the Office of the Dean of the Faculty/School offering a course by the date set in the Calendar. Except when a 'Course Incomplete' has been approved by both the Instructor and the Dean, there is no provision, revision or evaluation of students’ work after the final grade submission deadline for graded courses. There is no provision for the late submission of final grades. Grade changes can be submitted by the instructor up to two months following the grade submission deadline (e.g., fall term grade submission deadline on December 1 - grade change permitted until February 28 of the following term). The 'I' designation must be converted by the instructor to a final grade within a maximum of one year.

b. Grading System
The University of Lethbridge and other Alberta universities use a common four-point grading system. All previous and the current University of Lethbridge grading systems are described in the table below.
Under all systems, graded courses are expressed as a Grade Point Average (GPA). For students whose grades are recorded under two or three systems, the GPA is determined in the same way. No attempt will be made at differential weighting of the three grading systems.

Note: For master’s programs, the minimal pass for graded courses is ‘B-’ and failure is ‘C+’ or below. For Ph.D. programs, the minimal pass for graded courses is ‘B’ and failure is ‘B-’ or below. The following table appears on the back of official University of Lethbridge transcripts.
1. Other types of GPA calculations:
   Administrative units at the University may calculate a variety of averages in order to determine eligibility for scholarships and awards, academic standing, admission, graduation, etc. When making their calculations, units may include grades for courses transferred from another institution and grades associated with the Credit/Non-Credit designation. In addition, they may choose to exclude certain grades on both University of Lethbridge and transfer courses from the GPA calculations.
   There are certain courses that are not included in the calculation of the current or cumulative GPA. These include courses transferred from another institution; the one attempt for a repeated course; and courses in which there are non-grade designations such as Credit/Non-Credit.
   In the case of courses designated as Pass/Fail, a 'P' or 'Pass' is not included in the calculation of the current or cumulative GPA, but an 'F' or 'Fail' is included in the GPA calculation (see P - Pass/Fail Courses).

d. Cr/NC - Credit/Non-Credit
   Initiated by: Student
   Assigned by: Instructor
   A student may elect to designate some courses as Credit/Non-Credit. This alternative is designed to encourage students to expand their academic interests by taking courses outside their field of major interest. Credit/Non-Credit is not available to Open Studies students.
   For completion of course requirements with a grade of 'B-' or higher, the grade earned appears on the transcript automatically. If a grade of 'C+' is earned, an 'NC' appears on the transcript.
   The Credit/Non-Credit alternative may not be elected in courses constituting the student’s degree, required courses in Education and specifically-required, non-Management courses.
   No courses carrying a ‘Credit' designation may be used to meet requirements where the Credit/Non-Credit designation is specifically prohibited in the Calendar. Faculties/Schools may allow substitutions for designated courses at their discretion.
   Note: Non-Credit (‘NC') designations are often counted by other institutions as equivalent to ‘F' grades. Students planning to apply to other graduate or professional schools should consider this carefully before electing this option.
   A student may not use a Credit/Non-Credit designation to replace a grade earned previously.

e. P - Pass/Fail Courses
   Certain courses are specified as Pass/Fail in the course descriptions. For such courses, students are awarded either the designation 'P' or the grade 'F'.
   The designation 'P' indicates satisfactory completion of the objectives of a Pass/Fail course. When a student is awarded the designation 'P', the course is not included in computation of the GPA.

f. Non-grade Designations
   Non-grade designations are assigned by the Registrar and have no grade point designation attached to them.

AI - Administrative Incomplete
   The designation of 'AI' is recorded when a final grade is not submitted by the final grade deadline. The 'AI' is replaced by the letter grade as soon as it is received. The 'AI' designation is temporary and must be replaced by a grade as soon as possible and cannot be changed to an Incomplete designation.

AU - Audit
   Initiated by: Student
   The non-grade AU designation is awarded in the case where a student has been granted permission to audit a course. The course appears on the transcript as ‘AU’. Contact information is available at www.uleth.ca/graduate-studies.

I - Incomplete
   Initiated by: Student
   The designation of 'I' is awarded only in case of illness or other extenuating circumstances beyond the control of the student, which make it impossible to complete the required work by the close of a term. The 'I' designation is awarded only on application to and approval of both the instructor and the appropriate Dean and such application is not considered until the last two weeks of classes. When the 'I' is approved, an appropriate deadline is determined for completion of outstanding work. A student who does not complete outstanding work by the assigned deadline will normally receive an 'F' in the course.
   The 'I' designation must be converted by the instructor to a letter designation within a maximum of one year; if not so converted, it becomes an 'F'. Where circumstances continue to prevent the completion of the course by the deadline, the Faculty will contact the Registrar to ensure the 'I' designation remains.

W - Withdrawal
   Initiated by: Student
   A designation of 'W' may be recorded at any time after the Extended Drop deadline up to and including the last day of classes. The 'W' designation shall be awarded only upon formal application by the student or his/her agent to the Registrar in writing. Students are responsible for ensuring that the Registrar's Office receives the request for withdrawal by the relevant deadline. Refer to the Academic Schedule (p. 15) for the last day to withdraw.

WC - Withdrawal with Cause
   Initiated by: Student
   The designation ‘WC’ is recorded only in case of serious illness or other extenuating circumstances beyond the control of the student, which make continuation in a course impossible and where an 'Incomplete' designation is not in order. For admitted students, the ‘WC’ is recorded only upon final approval and submission to the Registrar’s Office. For Open Studies students, the ‘WC’ is recorded upon application to the Registrar’s Office.
Prior to readmission to the course, students who are granted a ‘Withdrawal with Cause’ may be requested to provide evidence that the conditions which led to the withdrawal (WC) have been identified and addressed. This evidence must be submitted to the Registrar’s Office for placement in the student’s official file.

**X - Continuing**

Assigned by: Instructor

Used only for courses which may extend beyond one term. Eligible courses are designated by the Faculty or School offering the course. Signifies that a grade will be awarded at the conclusion of the course and will replace the ‘X’ on the student’s transcript.

**X - Permanent**

Assigned by: Registrar’s Office

Used for placeholder courses to indicate that the student is active in the program but is not taking courses in a given term or is taking credit courses at another institution, under the appropriate authorization.

### 3. ACADEMIC STANDINGS

**a. Required Withdrawal from the University**

Students may be required to withdraw on two academic grounds: (1) academic standing or (2) consecutive terms on probation.

1. **Required Withdrawal - Academic Standing**

   Students should be aware that regulations pertaining to required withdrawal may vary depending on the degree program. See the relevant Academic Standards in the General Regulations section of each degree program for details on these regulations.

2. **Repeat of a Course**

   At the University of Lethbridge, a graduate student may repeat a course once in an attempt to: improve the course grade, improve the GPA, and/or meet graduation requirements. Graduate students should consult the relevant graduate program advising office and the supervisory committee, where one exists, before repeating a course.

   1. A grade may be improved by completing either the course or its equivalent.

      - Students wanting to improve their grade in an Independent Study, Series or Topics course must repeat the section with the identical title.

      - Courses that are equivalent are denoted with an ‘Equivalent’ course element in the course description and include courses that have been renamed or renumbered, and Topics or Series courses that have been regularized.

      - Under certain circumstances, the degree-specific program committee may recommend another course to the School of Graduate Studies Dean or Designate for approval consideration.

   2. If a student repeats a course, the grade for each attempt is recorded on the transcript.

   3. Students may not have grades and credit hours for more than one attempt calculated in the GPA. Students who have repeated a course must submit a Repeated Course form (available at the Registrar’s Office).

4. Then only the grade and credit hours for the most recent attempt are computed in the GPA.

5. A student may not use a Credit/Non-Credit designation to replace a previously earned grade.

**c. Residence Requirements and Time Limits**

The University of Lethbridge’s residence requirements and time limits for completion of credentials are listed in the table on page 53.

Please note the following for the last three columns of the table:

**Column A: Residence Requirement**

A student who is a candidate for a graduate degree must satisfy the minimum residence requirement through successful completion of the degree requirements as specified by the University of Lethbridge and described in the Graduate Calendar.

**Column B: Time Limit for Retention of Individual Course Credit**

Many courses have a defined ‘shelf life.’ A course may be used to meet program requirements for a specific number of years. After that point, credit for that course is not retained.

**Column C: Time Limit for Program Completion**

A student who is a candidate for a graduate degree must satisfy all program requirements within the time limit established by the School of Graduate Studies.

**d. Leave of Absence**

Students studying at the graduate level occasionally have extenuating circumstances (e.g., illness, family emergency) that may interrupt their studies and necessitate submitting a request for a Leave of Absence for consideration. Graduate students must formally apply to their program-specific administrator within the relevant Faculty or School (see Leave of Absence Requirements and Program-Specific Policies) for permission to take a Leave of Absence prior to the leave according to the specific policies of their program. International students considering applying for a Leave of Absence should contact the International Centre for Students about potential visa implications.

An approved Leave of Absence starts at the beginning of a term only. During an approved Leave of Absence, the following conditions apply:

- graduate students are not required to register in their program;
- no fees are assessed;
- assistantships, grants, awards, scholarships and other financial aid provided by the University are put into abeyance, where applicable;
- the time granted for the Leave of Absence is not counted toward the residence requirement;
- residence requirements must still be met;
- graduate students do not have access to University of Lethbridge resources and services (e.g., Library privileges) as a student; and
- graduate students are not actively engaged in coursework or the research requirements of their degree program.
Students returning from an approved Leave of Absence at the beginning of a term must inform the relevant program-specific administrator and complete the registration processes on or before the Add/Drop deadline as outlined in the University’s Academic Schedule (see Academic Schedule, p. 15).

4. GRADE APPEAL POLICY

a. Definition
Grade appeals deal with claims that a student’s course grade has been improperly determined. Student grade appeals will be directed to the School of Graduate Studies.

In this Policy, ‘instructor’ shall indicate instructor/supervisor, and ‘Faculty’ shall indicate the School of Graduate Studies.

b. Faculty and School Appeals
1. The student is not required to inform the instructor(s) of an intention to appeal, but, before initiating a grade appeal, the student must have discussed the grade and how it was determined with the instructor(s). If the Faculty is satisfied that the instructor(s) was not available for this discussion, the Dean shall allow the appeal to proceed without it.

2. All grade appeals must be initiated by completion of a Grade Appeal Form, which must be received and signed by the Dean by the following dates immediately following completion of the course: fall term courses - February 7; spring term courses - June 7; summer session courses - October 7.

3. The Grade Appeal form must explain why the student believes that the grade was improperly determined. The Dean’s signature on the Grade Appeal Form indicates that the student has discussed the merits of the grade appeal with the Dean, who is also charged with explaining the procedures connected with the grade appeal.

4. The Dean shall immediately forward the appeal to the Faculty Grade Appeal Chair and send signed copies of the Grade Appeal Form to both the instructor(s) and the student.

5. The Chair shall immediately request both instructor(s) and student to submit any relevant documentation pertaining to the appeal, and indicate in writing the name of the faculty member or student agreeing to serve on the Grade Appeal Committee.

6. The instructor(s) and student must each submit relevant documentation and the names of those willing to serve on the Committee no later than 14 days after the Chair’s request, after which period the Dean may act on behalf of either the instructor(s) or the student.

7. The Faculty Grade Appeal Committee shall reach a decision no later than 30 days following the striking of the Committee.

8. The Chair of the Faculty Grade Appeal Committee shall deposit the file relating to an appeal with the Dean within 10 days following an appeal decision by the Committee. The Dean shall immediately notify in writing the instructor(s) and student of the Committee’s decision.

c. Appeals to General Faculties Council (GFC)
1. Either the student or the instructor(s) may appeal the decision of a Faculty Grade Appeal Committee to General Faculties Council. The appeal must be submitted to the Secretary of General Faculties Council no later than 30 days after the decision of the Faculty Grade Appeal Committee has been mailed.

2. The General Faculties Council shall reach a decision regarding the appeal no later than 30 days after the date that the appeal was received by the Secretary of General Faculties Council.

3. The authority of General Faculties Council regarding grade appeals shall be delegated to the GFC Grade Appeal Committee, appointed by General Faculties Council. The GFC Grade Appeal Committee shall consist of two Faculty members, an alternate, and be chaired by the Provost and Vice-President (Academic). Members should be selected from two different Faculties with experience on Faculty Grade Appeal Committees. Appointments to the GFC Grade Appeal Committee shall be for three years, staggered to provide continuity. The GFC Grade Appeal Committee shall determine its own procedures.

4. The Chair of the GFC Grade Appeal Committee shall deposit the file relating to an appeal with the School of Graduate Studies, with a copy to the Secretary of General Faculties Council, within 10 days of the decision of the Committee regarding the appeal. The Secretary of General Faculties Council will communicate immediately in writing the decision of the Grade Appeal Committee to the student, instructor(s), Dean(s), Registrar and the Department.

d. Committee Procedure
(Faculty Grade Appeal Committee and General Faculties Council Grade Appeal Committee)

1. The Grade Appeal Committee shall determine its own procedures. That said, it is understood that the instructor(s) and the student shall have opportunity to make presentations to the Committee in writing, orally or both. Both the instructor(s) and the student shall have the right to cross examine any persons who have been asked by the Committee to speak. Written submissions shall be shared.

2. Decisions of a Grade Appeal Committee shall be made by a majority vote.

3. In the case of the Faculty Grade Appeal Committee, no member of the Committee shall act as an advocate for either the student or the instructor(s) or otherwise act as a representative of some factional interest. Should the Chair of the Committee believe that the deliberations of the Committee suffer from a lack of objectivity on the part of one or more of its members, the Chair shall so inform the Dean. Following such information from the Committee Chair, the Dean may withdraw responsibility for considering the appeal from this Committee. Where the Dean withdraws responsibility for considering an appeal from a Committee, the Dean shall, following consultation with the student and instructor(s), appoint two members to a new Faculty Grade Appeal Committee who, together with the Chair, shall assume responsibility for considering the appeal.
4. A Grade Appeal Committee is not restricted in its decision to finding either for or against the request of any appeal, but may award any letter grade or any available non-grade designation. This means the Faculty and GFC Grade Appeal Committees can adjust grades up or down, or change a grade designation to a non-grade designation. In the event that an 'Incomplete' is awarded, the Committee must prescribe the procedure by which the 'Incomplete' will be converted into a letter grade or non-grade designation.

5. A written report supporting any Faculty Grade Appeal Committee decision must be submitted in every case. The report of the Faculty Grade Appeal Committee shall include a summary of the Committee’s rationale for the decision. Where the Committee’s decision is not unanimous, the report may contain, but is not required to contain, a dissenting opinion.

6. After a grade appeal is completed, personal materials must be returned to the instructor(s) and student.

7. The decisions of the GFC Grade Appeal Committee shall be final.

5. STUDENT DISCIPLINE POLICY - ACADEMIC OFFENCES

a. Introduction
The integrity of the University and of the degrees the University confers is dependent upon the honesty and soundness of the teacher-student relationship, as well as the integrity of the evaluation process. Conduct by any student that adversely affects this relationship or process represents an academic offence. The following describes the principal academic offences and procedures for their investigation and penalization. This policy pertains to such conduct where it involves any person registered in a University course (credit or non-credit).

b. Plagiarism
No student shall represent the words, ideas, images or data of another person as his or her own. This regulation will affect any academic assignment or other component of any course or program of study, whether the plagiarized material constitutes a part or the entirety of the work submitted.

c. Cheating
1. In the course of an examination, no student shall obtain or attempt to obtain information from another student or other unauthorized source, or give or attempt to give information to another student, or knowingly possess, use or attempt to use any unauthorized material.

2. No student shall represent or attempt to represent oneself as another or have or attempt to have oneself represented by another in the taking of an examination, preparation of a paper or other assessed activity.

d. Duplication
No student shall submit in any course or program of study, without both the knowledge and approval of the person or persons to whom it is submitted, all or a substantial portion of any academic assignment for which credit has previously been obtained or which has been or is being submitted in another course or program of study in the University or elsewhere. (This clause is not intended to prevent the integration of learning but, rather, to prevent duplication of credit for a body of work.)

e. Confidential Materials
It is an offence knowingly to procure, distribute or receive any confidential academic material such as pending examinations or laboratory notebooks.

f. Misrepresentation
It is an offence knowingly to misrepresent material facts to another for the purpose of obtaining academic advantage or credit. One example of this offence occurs whenever a student submits in any course or program of study any academic assignment containing a statement known by the student to be false or a fabricated reference to non-existent sources or documents.

g. Other Offences
1. Any other conduct by a student which adversely affects the integrity of the instructor-student relationship and/or the evaluation process will be considered an academic offence.

2. Faculties and Schools may define and must publicize any other academic offences specific to a given program, together with attendant penalties. A statement of such offences and penalties must be approved by the General Faculties Council.

h. Discipline Procedures
In this Policy, ‘instructor’ shall indicate instructor/supervisor.

Any member of the University community who believes that a student has violated academic regulations may initiate proceedings against the student.

1. An instructor who believes that a student has committed an academic offence should proceed according to the Procedures and Penalties section below.

2. Any other person who believes that a student has committed an academic offence should communicate to the instructor of the affected course the particulars of the time and place and provide a brief summary of the alleged misconduct. Where the alleged academic offence does not involve a specific course, the allegation of misconduct should be directed to the School of Graduate Studies.
i. Procedures and Penalties

1. The instructor must review the alleged offence with the student and shall advise the student to refer to the Discipline Policy.

2. Where the instructor has reason to believe that an offence has been committed, he/she must impose a written reprimand in which a summary of both the offence and additional penalty, if any, is included. Penalties in addition to a letter of reprimand in the file may be imposed. Such penalties are less severe than suspension or expulsion, insofar as the student's admission/registration status is maintained. In addition to the reprimand, the instructor may impose one or more of the following additional penalties:
   a. Additional work.
   b. Grade reduction in or rejection of the assignment.
   c. Grade reduction in the course.
   d. A grade of 'C+' in a master's level course or a grade of 'B-' in a doctoral level course. If a student is given a grade of 'C+' at the master's level or a 'B-' at the doctoral level, then the student is no longer registered in that offering of the course and no longer has classroom privileges. Should a student elect to appeal this penalty, the student will remain registered until the appeal is decided. For information regarding the appeal process, see Appeals of an Instructor's Decision below.

   The instructor shall forward a copy of the written reprimand to the Dean for inclusion in the student's file in the Registrar's Office. The Registrar shall inform the Dean if there is a previous reprimand in the student's file.

   At the discretion of the Dean, a student with a previous academic offence on file may be subject to further disciplinary action. Such action will be progressive, aimed at correcting inappropriate academic behaviour and could include penalties ranging from a recommendation of a grade reduction to suspension or expulsion. The Dean may refer such a case to the GFC Discipline Committee when a penalty listed above has been applied. The Dean has the option of referring a case to the GFC Discipline Committee, even in cases where there is no appeal by the student.

j. Appeals of an Instructor's Decision

Within seven working days of receipt of the written statement described immediately above, the student may challenge either the accusation of having committed an offence or the penalty imposed by an instructor for an offence by submitting a written appeal to the Dean. The Dean shall review the case and either uphold the instructor's decision, reduce the penalty, or dismiss the case. The Dean shall inform the student and instructor in writing of this decision. If an allegation of an academic offence is dismissed, the written notice in the student's file shall be destroyed. The Dean's decision regarding the appeal of the instructor's decision shall be final.

k. Severe Penalties - Suspension and Expulsion

Severe penalties including suspension and expulsion may be imposed and result in a student losing his/her admission/registration status. See Suspension/Expulsion below.

I. Suspension/Expulsion

1. Suspension

Suspension requires a student to withdraw completely from the University for a specified period of time, to a maximum of three years. Upon expiry of the period of suspension, the student will be permitted to reapply to the program from which he/she was suspended, subject to the appropriate admission standards and requirements applicable at the time of reapplication.

2. Expulsion

Expulsion requires a student to withdraw completely from the University for an indefinite period of time. The student shall not be permitted to return without the written approval of the Provost and Vice-President (Academic) in consultation with the School of Graduate Studies. Such approval shall not normally be given before the expiry of three years.

3. Procedures

a. If the instructor considers that the case requires suspension or expulsion, he/she shall make such recommendation in writing to the Dean, outlining the particulars of the case, with a copy to the student. The instructor shall advise the student to seek advice from his/her relevant program office and/or the Registrar.

b. If the Dean considers that suspension or expulsion is in order, he/she shall so notify the Discipline Committee in writing with a copy to the student. The Discipline Committee shall hear the case and will have the authority to expel, suspend, implement a lesser penalty or dismiss the case.

c. During the period from the time of any recommendation of suspension or expulsion until the point of a final decision, the student shall receive a grade of 'Incomplete' for the course in which the charge was laid. This includes the time until an appeal has been heard. A student shall be allowed to continue his/her program of study until a decision is finally rendered. There will be no loss of credit for courses taken during this period of time.

d. In the event that the decision affects the graduation status of the student, the decision regarding the offence shall be rendered as soon as possible. Nonetheless, where delay in reaching the decision results in postponement of graduation, the University will not be held responsible unless the decision has been unreasonably withheld.

m. Discipline Committee

1. Composition

The Discipline Committee shall consist of the Provost and Vice-President (Academic) or Designate as Chair; two faculty members appointed by the GFC and two student members nominated by the Graduate Students Association. One alternate faculty member and one alternate student member shall also be appointed and will be invited to serve in the event that Committee members are unable to do so.
2. Quorum
A quorum shall consist of four, to include the Chair plus a minimum of one faculty and one student member.

3. Conflict-of-Interest
To encourage impartiality, Committee members shall not serve during investigations of students with whom they have familial or other close associations. Faculty members shall not serve during investigations of students currently taking courses taught by that faculty member.
The Chair shall rule on the eligibility of Committee members in cases regarding potential conflict-of-interest.

4. Procedures
The Discipline Committee shall set its own procedures for investigation, subject to the following guidelines:
a. The Chair shall inform the student in writing of the academic regulation which is alleged to have been violated and the possibility of suspension or expulsion. The student shall be informed (by Registered Mail), at least 14 days prior to the date of the hearing, of the date, time and place of the hearing and notified that if the student does not appear, the Committee may hear the case in the student's absence.
b. The student may be accompanied by an advisor, or represented by a designate, who may speak on the student's behalf and/or the student may submit a written statement.
c. The Chair shall notify the Dean and the instructor who lodged the original complaint of the date, time and place of the hearing, together with a copy of any written submission from the student and shall request the Dean’s/instructor’s attendance at the hearing.
d. The student, his/her advisor or designate and the Dean/instructor shall have the right to cross-examine any persons who have been asked by the Committee to speak and may call forward witnesses or other persons.
e. The hearing shall be in camera. A confidential record of the hearing shall be kept.

5. Decision of the Discipline Committee
At the conclusion of the hearing, the Discipline Committee shall decide by majority vote whether suspension, expulsion or a lesser penalty is warranted. The Committee shall take into consideration the disciplinary record of the student.
The Discipline Committee shall prepare a brief summary of the evidence and arguments presented, the decision of the Committee and the rationale for the Committee’s decision. This document shall be signed and delivered within seven days of the conclusion of the hearing to the University President, who shall communicate the same to the student.
If the student is to be suspended or expelled, the date of implementation shall be sent by Registered Mail. A copy of the Discipline Committee’s report shall be placed in the student’s file in the Registrar’s Office and a copy shall be sent to the Dean. A notation concerning suspension or expulsion shall be placed on the student’s transcript.

6. Appeals of the Decision of the Discipline Committee
Within 30 days of receipt of the notice described immediately above, the student may appeal in writing to the Board of Governors a decision of the Discipline Committee. The Board of Governors decision regarding the case shall be final.

6. STUDENT DISCIPLINE POLICY - NON-ACADEMIC OFFENCES

NOTE: Urgent Situations
Notwithstanding the information below, in the context of non-academic offences, any member of the University community who becomes aware of an urgent situation and has reasonable cause to believe that serious harm to individuals may result must immediately notify the Director, Security and Parking (telephone: 403-329-2345) or call 911.

a. Introduction
The integrity of the University Community depends upon student conduct which upholds the Principles of Student Citizenship (see p. 11). Basic principles of academic integrity include “honesty in learning, teaching, research, service; respect (for) . . . colleagues, instructors, and administration . . . responsible for upholding the integrity of scholarship and research.” A more complete description of fundamental principles is found on page 11. The following describes the principal non-academic offences and procedures for their investigation and penalization. This policy pertains to such conduct where it involves any person registered in a University course (credit or non-credit).

b. Disruption
1. Students should maintain the freedoms of other members of the University community including freedom of thought, beliefs, opinion, expression, peaceful assembly and association. Behaviour contravening or limiting these freedoms constitutes disruption.
2. Student conduct which unduly interferes with instruction including scheduled lectures, seminars, tutorials or other instructional activities, or with course examinations or other evaluation procedures will also be considered a disruption.
3. Student conduct which unduly interferes with learning and studying in the University Library will be considered disruption.

c. Abuse, Harassment and Dangerous Activity
1. Abuse
   a. A student shall not threaten or engage in physical abuse of any other member of the University community, his/her property, or his/her family. No member of the University community shall be placed in a situation of fear of physical abuse or fear of damage to his/her property. A student shall not knowingly incite others, by whatever means, to threaten by physical abuse or engage in physical abuse of individuals or groups of individuals within the University community.
b. A student shall not engage in verbal abuse of any other member of the University community. A student shall not knowingly incite others, by whatever means, to engage in verbal abuse of individuals or groups of individuals within the University community.

2. A student shall not harass or discriminate against any other member of the University community on the basis of age, race, colour, ethnicity, national origin, philosophical or religious affiliation or belief, sex, sexual orientation, marital status or physical disability.

3. Students formally representing the University of Lethbridge outside the University community and/or at a University-sponsored event may be subject to discipline under the Non-Academic Offences section of the Calendar.

d. Misuse or Misappropriation of University Property, Equipment, Facilities or Services

1. A student shall not convert, damage or destroy any University property, equipment, facility or service.

2. A student shall not deface the exterior or interior of any building, structure or facility of the University.

3. A student shall not misuse a facility by gaining unauthorized entry or by remaining in a facility without appropriate authority. Facilities include, but are not limited to: all University buildings, structures, parking lots, athletic playing fields and lands.

4. A student shall not misappropriate any University property, equipment, facility or service.

e. Misrepresentation and Falsified Documents

1. A student shall not submit, or cause to have submitted, false or misleading documents in support of any University activity.

2. A student shall not produce and/or use falsified University documents for any purpose.

f. Other Offences

Any other conduct by a student which adversely affects the safety of the University community and/or its members will be considered a non-academic offence.

g. Initiation of Procedures

1. Any member of the University community who believes a student has committed a non-academic offence may, by a signed statement, initiate proceedings against that student.

2. The complaint shall be a detailed written description of the incident and shall include the time, place and persons involved, as well as all relevant information concerning the incident. The complaint shall be referred as indicated immediately below and copied to others as required.

3. Referral

a. Actions that interfere with the teaching, learning and research functions of the University are to be referred to the Dean of the Faculty/School in which the course involved is offered. See Section h. below.

b. Actions which interfere with learning and research activities in the University Library are to be referred to the University Librarian. See Section h. below.

c. All other offences are to be referred to the Director, Security and Parking. See Section i., p. 45.

h. Procedures: Non-Academic Offences in Instructional Space, Research Facilities or Library

1. When a student disrupts instructional activities, the instructor may exclude the student immediately from instructional space and/or from future scheduled instructional meetings of that course pending further actions by the School of Graduate Studies. When a student disrupts research activities, the instructor may exclude the student immediately from research areas pending further actions by the Dean. The instructor must immediately notify the Dean of the Faculty/School in which the research is being undertaken.

When a student disrupts learning, research activities, or operations in the Library, Library staff may exclude the student immediately from the Library. Staff must immediately notify the University Librarian or Designate, the Director, Security and Parking and the Registrar. Such notification will consist of a signed statement as per Section g.2 above.

2. Actions

The School of Graduate Studies or University Librarian will take the following actions:

- Meet with the student and advise the student to refer to the Non-Academic Offences section in the Calendar.
- Consult and coordinate with Security Services, Counselling Services and others as required.
- Place a letter of reprimand in the student’s file in the Registrar’s Office. The Registrar shall inform the Dean or University Librarian if the student has a previous reprimand in his/her file.

3. Penalties

Penalties in addition to a letter of reprimand in the file may be imposed. Such penalties are less severe than suspension or expulsion, insofar as the student’s admission/registration status is maintained.

a. By the Dean, exclusion from one or more courses for a defined number of meetings or to the end of the term

b. By the Dean, exclusion from all courses for a defined number of meetings or to the end of the term

c. By the University Librarian, reparations

d. By the University Librarian, suspension of Library privileges

e. By the University Librarian, exclusion from the Library
At the discretion of the Director, Security and Parking, a student with previous non-academic offences on file may be subject to further disciplinary action. Such action will be progressive, aimed at correcting inappropriate behaviour in the locations identified above and may include penalties ranging from a recommendation of simple exclusion to severe penalties such as suspension and expulsion.

4. Appeal
Students may appeal either the charge of an offence or the penalty imposed or proposed by the Director, Security and Parking to the Registrar, within seven working days of receipt of a written indication of the offence and penalty. The Registrar may dismiss the case, confirm the decision of the Director, Security and Parking or take additional action if appropriate. The student shall, in such case, be informed in writing and a copy of the notification shall be placed in the student’s file in the Registrar’s Office. The decision of the Registrar shall be final.

5. Severe Penalties - Suspension and Expulsion
Severe penalties including suspension and expulsion may be imposed and result in a student losing his/her admission/registration status. See Suspension/Expulsion below.

i. Procedures: Non-Academic Offences Outside Instructional Space, Research Facilities or Library

1. When a student commits a non-academic offence outside instructional space, research facilities or the Library, any member of the University Community may initiate proceedings against that student. All offences committed outside the identified areas are to be referred to the Director, Security and Parking.

2. Actions
   The Director, Security and Parking will take the following actions:
   • Meet with the student and advise the student to refer to the Non-Academic Offences section in the Calendar.
   • Consult Counselling Services and others as required.
   • Notify the School of Graduate Studies, where warranted.
   • Place a letter of reprimand in the student’s file in the Registrar’s Office. The Registrar shall inform the Director, Security and Parking if the student has a previous reprimand in his/her file.

3. Penalties
   Penalties in addition to a letter of reprimand in the file may be imposed. Such penalties are less severe than suspension or expulsion, insofar as the student’s admission/registration status is maintained. The Director, Security and Parking may impose the following penalties:
   a. Reparation
   b. Exclusion from defined areas of the campus
   c. Exclusion from campus
   d. Other limitations as required

At the discretion of the Dean or University Librarian, a student with previous non-academic offences on file may be subject to further disciplinary action. Such action will be progressive, aimed at correcting inappropriate behaviour in the locations identified above and may include penalties ranging from a recommendation of simple exclusion to severe penalties such as suspension and expulsion.

4. Appeal
Students may appeal either the charge of an offence or the penalty imposed or proposed by the Dean or University Librarian to the Associate Vice-President (Academic), within seven working days of receipt of a written indication of the offence and penalty. The Associate Vice-President (Academic) may dismiss the case, confirm the decision of the Dean or University Librarian or take additional action if appropriate. The student shall, in such case, be informed in writing and a copy of the notification shall be placed in the student’s file in the Registrar’s Office. The decision of the Associate Vice-President (Academic) shall be final.

5. Severe Penalties - Suspension and Expulsion
Severe penalties including suspension and expulsion may be imposed and result in a student losing his/her admission/registration status. See Suspension/Expulsion below.

j. Suspension/Expulsion

1. Suspension
   Suspension requires a student to withdraw completely from the University for a specified period of time, to a maximum of three years. Upon expiry of the period of suspension, the student will be permitted to reapply to the program from which he/she was suspended, subject to the appropriate admission standards applicable at the time of reapplication.

2. Expulsion
   Expulsion requires a student to withdraw completely from the University for an indefinite period of time. The student shall not be permitted to return without the written approval of the Provost and Vice-President (Academic) in consultation with the Registrar. Such approval shall not normally be given before the expiry of three years.

3. Procedures Governing Suspension/Expulsion
   a. If the Dean or University Librarian considers that the case requires suspension/expulsion, he/she shall make such recommendation in writing to the Registrar, outlining the particulars of the case, with a copy to the student. Should the Director, Security and Parking consider that the case requires suspension/expulsion, he/she shall consult with the Dean of the program in which the student is registered and they shall jointly make such a recommendation.
b. If the Registrar considers that suspension/expulsion is in order, the Registrar shall notify the Discipline Committee in writing, with a copy to the student. The Discipline Committee shall hear the case and will have the authority to expel, suspend, implement a lesser penalty or dismiss the case.

c. During the period from the time of any recommendation of suspension or expulsion until the point of a final decision, a student shall be allowed to continue his/her program of study until a decision is finally rendered. There will be no loss of credit for courses taken during this period of time.

d. In the event that a decision affects graduation, the decision shall be rendered as soon as possible. Nonetheless, where delay in reaching the decision results in postponement of graduation, the University will not be held responsible unless the decision has been unreasonably withheld.

See Discipline Committee (p. 42).

k. Referral to Civil Authorities
The University reserves the right to notify or summon the appropriate civil authority in any individual matter regarding non-academic offences. The University President or designate is the sole official who may summon the civil authority in the name of the University.

7. CAVEAT - AUTHORITY TO RESCIND REGISTRATION PRIVILEGES/PROHIBIT ACCESS TO UNIVERSITY PROPERTY
a. Until modified by resolution of the Board, the President shall have the power and authority in his/her capacity as President, and as representative of the Board of Governors, to rescind any student’s registration in a course, an undergraduate studies program, or graduate studies program at the University of Lethbridge and prohibit the student from accessing University property at any time.

b. The powers of the President to rescind a student’s registration and prohibit access to University property may be exercised in any circumstance where the President in his/her sole discretion determines that:

1. The individual represents a potential risk to the safety, security or well-being of members of the University community, including but not restricted to students, faculty and administration;

2. The best interests of the University outweigh the inclusion of the individual at the University.

c. The President shall not take such action without first consulting with the Provost and Vice-President (Academic) and the Vice-President (Administration). The Coordinator of Counselling Services and the Director, Security and Parking may also be consulted.

d. Any decision made by the President to rescind a student’s registration privileges and prohibit access to University property shall be final and without appeal to any body in the University of Lethbridge.

e. Such students may be considered for Open Studies status or readmission only by the President, normally after the lapse of one year. Students must provide evidence that the issues leading to the rescinding of registration privileges/prohibition of access to University property have been addressed.

8. APPEAL OF APPLICATION OF POLICY OTHER THAN GRADE OR STUDENT DISCIPLINE
Students dissatisfied with the application of an academic policy or regulation to their own status, other than grade or student discipline, are entitled to a review by the Dean of the Faculty in which they are registered.

If still dissatisfied after this review, the student may address a written appeal to the Dean who renders the final decision on behalf of the Faculty. A student may appeal a decision on behalf of the Faculty to the General Faculties Council.

Students shall have one year from the date of application of an academic policy or regulation other than grade or student discipline to appeal.

9. ASSESSMENT OF STUDENT LEARNING
The University of Lethbridge is committed to providing fair and accurate assessment of student learning. Regular assessment provides an opportunity for students to gauge their understanding of course material, for instructors to determine what students have learned, and for the University to certify student achievement. Students must have sufficient and timely feedback from instructors to improve their performance and make informed decisions about withdrawal, registration in subsequent semesters, and how to allocate their time. Students are responsible for soliciting additional feedback about their performance if they wish to have more information.

This policy specifies the components required in course outlines, identifies expectations of students, provides procedures for the conduct and scheduling of formal learning assessments, reporting grades, and handling student work once assessment is complete. However, no policy can cover all eventualities. Faculties/Schools may adopt additional assessment policies and procedures for any program. It is understood that this policy must be interpreted humanely and sensitively, recognizing both the rights and the interests of students, and the quality and integrity of academic programs.

Students should identify differences in their interpretation of policy with instructors in a timely fashion and cooperate to resolve them. If no resolution is forthcoming, the student may appeal the matter to the Dean of the Faculty offering the course following the procedure in Appeal of Application of Policy Other than Grade or Student Discipline.

a. Course Outline

1. To allow students to make timely and informed decisions about registration, add/drop, and the allocation of their time during the term, instructors must provide a course outline to all students no later than the first class meeting, and to all students who subsequently join the class. If an instructor wishes to incorporate student input in course design, a final outline must be provided to students as soon as possible after the first class.

2. The course outline includes the following essential elements:
   a. The instructor’s name and contact information, course number, section and title, and the department or Faculty.
   b. Where, when and how students may seek assistance from the instructor.
   c. A list of required reading materials, supplies and expenses for events outside of regular classes and where the instructor requires the study of material that cannot be specified at the outset of the course, an explicit statement to that effect.
b. Expectations of Students

1. Students should be familiar with the academic regulations of the University.

2. Instructors may assume basic literacy, numeracy and computer literacy as prerequisites for University entrance. Instructors may assume that students have the knowledge or skills of any course listed as a prerequisite for the course in the current Calendar.

3. Students may be expected to apply what has been taught in the course to new situations, to analyse different examples, or to synthesize original responses to questions that remain within the realm of fairness, even though the particular applications, examples or circumstances may not have been explicitly addressed in course lectures or readings.

4. Students are expected to monitor their University email accounts and to use their University accounts whenever writing instructors concerning course work and course grades.

5. Instructors will make reasonable efforts to accommodate students formally representing the University on inter-varsity teams, in academic competitions, in artistic performances, etc. with respect to due dates, tests and examinations, provided sufficient notice is given. Students should provide documentation of such activities identifying potential absences to instructors by the Add/Drop deadline where possible.

6. In extraordinary circumstances, such as bereavement, illness or injury, students may be accommodated with respect to due dates, tests and examinations. Under such circumstances, instructors may request documentation.

7. All tests and assignments are due on or before the last day of classes except those identified by the instructor as a final examination or equivalent.

8. Unless otherwise stated in the course outline, students not submitting term work, in-class tests or final examinations without valid reasons will receive a zero for that part of the course grade.

9. Instructors have a duty to accommodate students with disabilities that have been verified by the Accommodated Learning Centre.

   a. The principle of equity requires that all students be afforded an equal opportunity to demonstrate what they know and can do; in the case of students with disabilities, this principle may require adopting alternative assessments, adapting existing assessments, or allowing students to bring items into an assessment which otherwise would be prohibited to ensure that these students are not unfairly disadvantaged.

   b. Students who wish to arrange for modified assessments must have their disability verified by the Accommodated Learning Centre, which will then issue a letter to the appropriate Dean(s) and instructor(s) indicating the University’s support for appropriate requests for special learning opportunities or assessment procedures.

   c. The student is responsible for requesting accommodations from an instructor at least two weeks in advance of the evaluation date. Disagreements about the accommodation of any request between students with disabilities and instructors should be mediated first by the Accommodated Learning Centre; where that is not satisfactory, subsequent appeal may be made to the Dean for resolution.

c. Scheduling of Assessments

1. No examination (test, quiz, or combination of tests and quizzes) worth more than 20% of the final grade may be held in the last two weeks of class during the fall or spring terms.

2. To ensure that students have the opportunity to correct, improve, adapt or build upon their understanding and skills, students’ graded work must be made available to them before they are examined or reassessed on material directly dependent upon that work.

3. In-class tests and examinations may not exceed the allotted class time.

4. Final examinations may not normally exceed three hours. Instructors who want to hold a final exam exceeding three hours must submit a request to the Dean or Dean’s Designate of the Faculty that is offering the course. If approved, the Dean’s Office will submit the request to the Registrar’s Office for timetabling. Any overlap with a subsequent exam may require that the longer exam be moved. Students must be able to take advantage of scheduled breaks between exam time slots.
5. Final examinations must be held on the date set by the Registrar. In the case of final examinations written in the testing centre, examinations may be opened on or after the first day of the scheduled examination period. Test centre examinations must be scheduled for completion no earlier than the day scheduled by the Registrar and no later than the last day of the final examination period.

6. Normally any work assigned during the instructional period must be called due by the last day of classes. Where a final project, performance, essay, take-home examination or other demonstration of learning replaces a scheduled final examination, the work may not normally be called due any sooner than the date and time of the final examination scheduled by the Registrar and no later than the last day of the final examination period. However, musical performance examinations may be scheduled after the last day of classes with consent of the student.

7. Students who cannot write final examinations for reasons beyond their control may request alternative scheduling from the Dean. Upon the Dean’s approval, instructors will be authorized to arrange rescheduled final examinations. Instructors may only assign an Incomplete in the course with prior approval from the Dean’s office (for more information, see I - Incomplete, p. 37).

8. No student shall be expected to write three consecutive final examinations in 24 hours in the scheduled final examination period and, in such cases, it is the student’s responsibility to request an accommodation from the Dean. The instructor associated with the second examination is the one who would normally be expected to accommodate the need for a rescheduled examination for such a student.

d. Conduct of Examinations

1. For examinations written outside the testing centre, the examination supervisor is responsible for the safe and secure conduct of an examination (test, quiz or scheduled final examination). While the examination supervisor is normally the instructor of the course, any member of academic staff, post-doctoral fellow, or graduate student with appropriate expertise may supervise an examination. Whenever possible, course instructors should be available to answer questions arising during the examination.

2. The supervisor may restrict admission to the examination site prior to the examination. If necessary, arrangements may be made with Security to restrict such admission.

3. The supervisor may require all students to sign in before the examination, to sign out after the examination, and to register with the supervisor the number of examination booklets used.

4. The supervisor may require students to deposit personal effects in a designated area.

5. The supervisor may also require all students to place University of Lethbridge identification cards on their desks for the duration of the examination. If the supervisor is not certain of a student’s identity, the student must be allowed to write the examination. The student shall then be referred to the instructor or, where the instructor is the supervisor, the Dean for resolution.

6. The supervisor may articulate regulations for late entry to and early exit from the examination room.

7. The supervisor is responsible for dealing with impropriety or irregularity to insure fairness and rigor in the assessment process.

8. If students must leave the examination site for personal reasons, the supervisor shall take reasonable measures to ensure that no materials leave the site, that no restricted materials are brought back to the site, and that the student takes no action while away from the site that could undermine the integrity of the examination.

9. Supervisors may prescribe or restrict materials that may be taken to the examination site and used during the examination. No material aids including such items as mobile phones, computers or other digital devices may be brought into an examination without prior approval of the instructor.

10. In the event that it proves necessary to evacuate an examination room because of an emergency, supervisors will ask students to leave all examination materials behind and supervise the evacuation of the room.

11. Following the evacuation of an examination site, it is the supervisor’s prerogative to resume the examination, if this can be done within a reasonable period of time after the evacuation. Extra time (equivalent to the time lost) shall be provided to complete the examination. If an examination cannot be resumed safely or fairly after an evacuation, all examination materials shall be collected, and the examination shall be rescheduled.

12. In the event that inclement weather or other conditions require that the University be closed, scheduled final examinations shall be rescheduled by the Registrar.

e. Ownership, Confidentiality and Posting of Grades

1. Students have the right to obtain and keep all graded work at the end of the appeal period. Instructors may retain questions.

2. All reasonable measures shall be taken to ensure confidentiality of both the student's work and the instructor's assessment. Under no circumstances shall any form of graded work be left in an unsupervised public place. Students who want someone else to pick up any form of graded work for them must authorize that person in writing. Students may provide a stamped, self-addressed envelope to the instructor for the return of graded work.

3. Instructors may not post grades unless all precautions are taken to protect student confidentiality. Neither names, nor University of Lethbridge student identification numbers, nor lists of identifiers which retain the original alphabetical order of names on a class list may be used for posting grades.
4. When graded term work cannot be returned in person, grades or comments may be posted online using university-approved learning management software. When this is not possible, grades and comments may be sent by email provided that university email addresses are used by both instructor and student.

5. Final course grades may not be emailed to students. Students should access final course grades using the Bridge.

f. Handling of Materials after Student Assessment is Complete
In accordance with Alberta’s Freedom of Information and Protection of Privacy (FOIP) Act, any graded student work that remains unclaimed after the Grade Appeal Period must be retained for one year as follows:
1. Unclaimed material from the fall term must be retained until December 31 of the following year and destroyed no later than January 31.
2. Unclaimed material from the spring term must be retained until April 30 of the following year and destroyed no later than May 31.
3. Unclaimed material from the summer sessions must be retained until August 31 of the following year and destroyed no later than September 30.

10. OTHER POLICIES

a. Academic Accommodations for Students with Disabilities
The University of Lethbridge will take all reasonable measures short of undue hardship to promote full access to all services for students with disabilities in its post-secondary education programs (credit and non-credit) and community outreach components. For their part, students are encouraged to act responsibly by striving to be as self-reliant and as independent as possible, and by fully engaging in their academic endeavours. The full policy is available online at www.uleth.ca/policy/academic-accommodations-students-disabilities-policy.

b. Art Placement Policy
The University of Lethbridge encourages and nurtures creative expression and supports the display of student artwork on University campuses. Requests for the display of non-student art (including that of faculty members and others) will be considered on a case-by-case basis by the Art Placement Committee (APC) in consultation with the Art Gallery Director, as appropriate. The full policy is available online at www.uleth.ca/policy/art-placement.

c. Computer Use Policy
Computer and network resources are critical resources at the University of Lethbridge. The purpose of this policy is to ensure the efficient operation and distribution of these resources. All use of the University’s computer and network resources is governed by this policy. Aspects of this use may also be governed by other University policies, as well as Provincial and Federal law. Users have a responsibility towards ensuring the secure and efficient operation of University computer and network resources. This responsibility includes refraining from prohibited activities and taking reasonable steps to prevent damage, security violations or access by unauthorized users. The full policy is available online at www.uleth.ca/policy/computer-use-policy.

d. Confidentiality of Student Records Policy
In choosing to pursue a post-secondary education, students must be aware that the record of their academic performance will be viewed and assessed by others. At the same time, the right to privacy asserts that individuals have a legitimate interest in controlling what information about themselves they will reveal to others and what uses may be made of this information. For its part the University has a legitimate interest in obtaining information necessary to carry out its functions and to fulfill its obligations to its students and to the agencies which have direct authority over it. This policy, therefore, is intended to reflect a reasonable balance between the obligations of the University for the welfare of the students and its responsibilities to society. The full policy is available online at www.uleth.ca/policy/confidentiality-student-records.

See also Notices to Students Regarding the Collection of Personal Data (p. 12) and Registration, Student Records Retention Policy (p. 19).

e. Library Access Policy
The purpose of the University Library’s resources and services is to further the academic mandate of the University by facilitating access to information in all formats for the purposes of study and research. The objective of the Access Policy is to provide equitable access to the resources and services of the University Library. The full policy is available online at www.uleth.ca/lib. See also Library in General Services (p. 206).

f. Library Code of Conduct
The University Library - as a central learning area and a shared, common resource - is committed to providing users with fair and equitable access to library materials, resources, and services in an environment that is:
• Safe, comfortable and clean
• Staffed by individuals who strive to respond to service requests with courtesy and respect
• A positive and productive place for academic pursuits
The full policy is available online at www.uleth.ca/lib. See also Library in General Services (p. 206).

g. Managing Unacceptable Behaviour by External Users of University Facilities
This policy provides a process to deal with unacceptable behaviour of external users and to protect University property, services, faculty, staff, students and other users from such behaviour when it occurs. External users are those individuals who are not faculty, staff, students, or those persons functioning in a volunteer capacity on behalf of the University of Lethbridge. Internal users are those individuals who are faculty, staff, students or those persons functioning in a volunteer capacity on behalf of the University. Unacceptable behaviour by internal users will be dealt with through their respective employment contracts or in the case of students, policies and procedures related to discipline.
Unacceptable behaviour includes, but is not necessarily limited to acts that:

- disturb the peace and tranquility of authorized users
- endanger the safety and security of others
- cause damage to private or public property
- impair the delivery of services on University buildings or lands
- have the potential to expose the University to liability or prosecution
- violate any University of Lethbridge policy applicable to external users

Such behaviour includes vandalism or other criminal offences that may also require University Security Services to solicit the assistance of the Lethbridge Police Services.

The full policy is available online at www.uleth.ca/policy/managing-unacceptable-behaviour-external-users-university-facilities.

### h. Personal Security Policy

The University of Lethbridge is committed to providing a living, learning and working environment that is free of threats to personal security and is supportive of productivity, academic achievement, and the dignity, self-esteem and fair treatment of all members of its community. The Personal Security Policy, developed by the University in consultation with employee and student groups, gives practical application to that commitment.

'Personal security' means freedom from violence, the threat of violence, harassment, hazing, abuse of supervisor’s authority, verbal abuse and discrimination in contravention of the Alberta Human Rights, Citizenship and Multiculturalism Act.

The full policy is available online at www.uleth.ca/policy/personal-security.

### i. Policy Against Hazing

The University of Lethbridge has a zero tolerance policy on hazing. Hazing activities of any type are inconsistent with the mission and vision of the University and are prohibited. The purpose of this policy is to maintain a safe environment for University community members free from hazing. Hazing has historically been associated with, but is not limited to, obtaining acceptance or membership in an organization or a team. The University of Lethbridge’s Policy Against Hazing applies to all University community members.

The full policy is available online at www.uleth.ca/policy/policy-against-hazing.

### j. Revoking Degrees

The integrity of the degrees the University confers is dependent on the honesty and soundness of the teacher-student relationship, as well as the integrity of the evaluation process. The University has a responsibility to protect the integrity of the degrees it awards, both while the degree is being earned and after its conferral.

A degree is revoked if both the following conditions exist:

1. An academic offense is discovered after the degree is awarded; and
2. That offense, if detected, would have resulted in the degree not being awarded.

The full policy is available online at www.uleth.ca/policy/revoking-degrees-policy.

### k. Student Behavioural Incident Policy and Protocol

As an institution of higher learning, the University is committed to openness of debate respecting differences of opinion, development of critical thinking, and evaluation of ideas and actions. The University recognizes that members of the University community have academic freedom to discuss controversial ideas. Nothing in this protocol shall be construed to limit freedom of speech. However, the privilege of academic freedom is accompanied by the responsibility to respect the individual rights of every person.

The University has a responsibility to protect and ensure the safety of all members of the University community. The establishment of this protocol ensures that the University can carry out this responsibility. This protocol is intended for all students (undergraduate and graduate) at the University of Lethbridge. The primary purpose of the protocol is to enable the University to intervene early and/or provide support to students displaying varying levels of distressed or disturbed behaviour which may result in disruption in or out of the classroom. The University will also take such measures as required to ensure the safety of members of the University community.

The full policy is available online at www.uleth.ca/policy/behavioural-intervention-policy.

### l. Student Housing Policy

Student housing accommodation at the University provides convenient living accommodation together with services and programs from which residents may secure additional educational, social and cultural advantages. The University is concerned not only with the physical environment within student housing, but also with activities which will provide an educational experience aimed at aiding the personal growth of each resident.

The full policy is available online at www.uleth.ca/policy/student-housing.

See also Housing Services in General Services (p. 205).

### m. Taping of Lectures

Lectures and performances given by academic staff members and visiting speakers may be audio or video recorded by students provided prior approval has been granted by the instructor or performer. Permission to record is solely for the purpose of personal study by the student and does not convey any right to duplicate the recording.

5. CONFERRAL IN ABSENTIA
Graduands who do not attend their ceremony will have their degree conferred upon them 'in absentia.'
The parchments are available for pickup at the Registrar’s Office during the week following the Convocation ceremonies. Parchments not picked up will be mailed to each student’s permanent address.

6. NAMES ON PARCHMENTS
The full legal name of the graduand will appear on the parchment. Changes in name must be supported by copies of legal documentation (e.g., marriage certificate, divorce decree, vital statistics certificate). Legal given names cannot be replaced with nicknames or initials.

7. AWARDED POSTHUMOUSLY
With the approval of the School of Graduate Studies, a degree may be awarded posthumously to a deceased student who had completed his/her program or was completing the last term of his/her program. Posthumous awards will be noted on the parchment and transcript.

8. TRANSCRIPTS
a. Degree Awarded
After official verification from the School of Graduate Studies, and after completion of the conferral process, the Registrar’s Office includes an official notation on all transcripts of graduating students that the degree has been awarded. This notation includes the major(s), concentration, and specialization designation, and any Co-operative Education designations.

9. PARCHMENT REPLACEMENT
If a replacement parchment is required, the following procedures must be followed:

a. Name Change
1. The original parchment must be returned before a new one will be issued.
2. A written request, including the graduand’s signature, must be submitted, accompanied by copies of two pieces of documentation proving name change (e.g., marriage certificate, divorce decree, vital statistics certificate).
3. A $25 (plus GST) re-issue fee is charged.

b. Lost or Stolen Parchment
1. A written request, including the graduand’s signature, verifying the circumstances of loss must be submitted.
2. A $25 (plus GST) re-issue fee is charged.
Note: The parchment will be stamped in a lower corner indicating that it is a duplicate, with the date of re-issue.

c. Damaged Parchment
1. The original parchment, or what remains of a damaged parchment, must be returned before a new one will be issued.
2. A written request, including the graduand’s signature, must be submitted.
3. A $25 (plus GST) re-issue fee is charged.

10. CONVOCATION ATTENDANCE
Graduands include only those whose degrees have been approved by Graduate Studies Council and who have no outstanding accounts with the University. Graduands must be dressed in the academic attire approved by the University of Lethbridge for the credential that is being conferred. The graduands process as a discrete group, sit in an area reserved for graduands, and proceed to the platform to have their credential conferred under the guidance of the Marshals of the graduands. Unless a graduand can demonstrate a special need (e.g. service dog), no one except approved graduands will process with or sit with the graduands or appear on the platform for conferral.

a. Academic Dress
The academic dress of the University of Lethbridge is unique to the institution. Different kinds of degrees are represented by different kinds of academic dress as follows:
**Master's Degree**

Master’s graduands wear a black gown and a black mortarboard.

All master’s degree hoods are a shell of black, lined with blue. An exterior border of light blue satin indicates the hood is for a master’s-level degree and specific degrees are distinguished by the colour of braid on the lining.

- Master of Arts: White braid
- Master of Counselling: Light blue braid
- Master of Education: Light blue braid
- Master of Fine Arts: Brown braid
- Master of Music: Pink braid
- Master of Nursing: Red braid
- Master of Science: Golden yellow braid
- Master of Science (Management): Light brown braid

**Doctor of Philosophy**

Doctor of Philosophy graduands wear a royal blue gown with walden blue velvet facings and chevrons, outlined in bright gold piping, and a walden blue beefeater with a bright gold tassel.

The Doctor of Philosophy hoods are a shell of royal blue, lined with sapphire blue satin and a bright gold chevron; the walden blue velvet trim is outlined in bright gold piping, reflecting the colours of the University of Lethbridge.

**Guest seating** at Convocation is open to the general public subject to availability of seats within prescribed safety limits of the venue. However, the first priority for guest seating is assigned to invited guests of University of Lethbridge graduands.

For the purposes of Convocation, the **Academic Staff Party** is restricted to Professors Emeriti, Registrar, current and retired faculty members, and Librarians, excluding Deans and Vice-Presidents. The Academic Staff process as a discrete group and sit on the platform. Academic staff shall be robed in the academic regalia to which they are entitled by virtue of their recognized academic degree or, failing that, in the approved cap and gown of the University of Lethbridge.

Any individual listed as a faculty member in the Calendar of an accredited post-secondary institution, the focus of which is on teaching, scholarship, and research, shall be allowed to join and to process with the Academic Staff Party upon request to the Convocation Coordinator.

The **Chancellor’s Party** includes the Chair of the Board of Governors, President and Vice-Chancellor, full Deans and Vice-Presidents, members of the Senate Executive Committee, members of the Board of Governors, member from the Iikaisskini FNMI Gathering Place or their designate, and all those distinguished guests invited to Convocation by the Chancellor (including those individuals selected to receive honours). The Chancellor’s Party processes as a discrete group and sits according to a seating plan in a reserved area of the platform.

**II. REVOKING DEGREES**

The University has a policy to govern the revoking of a degree after it has been awarded. See Academic Regulations, Policies, and Program Requirements, Other Policies (p. 49). The full policy is available online at www.uleth.ca/policy/revoking-degrees-policy.

Contact the Admissions Office for further information.
b. Fees
For information on international student fees, see the fee schedules in Fees (p. 25).

c. Mandatory Health Care Insurance for International Students
Effective May 1, 1996, the University of Lethbridge requires all students to obtain and carry basic health insurance, in addition to the Students’ Union supplementary health insurance plan. Students include all individuals registered in credit or non-credit courses and programs at the University of Lethbridge. Such insurance must be arranged prior to the commencement of classes for each term of study. The University requires that students carry appropriate insurance both for their own benefit and well-being and for the protection of the community. The University reserves the right to rescind registration privileges from any student not carrying basic health insurance.

2. EXCHANGE STUDENTS
An exchange student is any student who is enrolled at one university but attending another university under an approved exchange agreement.

a. University of Lethbridge Students Studying Elsewhere
University of Lethbridge students who are required to or wish to participate in an approved exchange program will first contact the International Office. There are currently approved exchange programs at institutions in over 25 countries. 2. STATEMENT OF PURPOSE

The Master of Arts (M.A.) program offers students in a wide range of disciplines the opportunity to earn a master’s degree by writing a thesis and successfully completing a limited number of courses. The number and details of the courses are determined within the first term of the student’s program.

Students may complete their degrees in either a full- or part-time capacity. Full-time students complete a 24-month program while part-time students complete a 48-month program. Part-time students will normally complete all required course work in the first 24 months, with the subsequent months committed to continued research and production of the Thesis.

Although degrees are awarded in specific disciplines, the program is administered centrally by the School of Graduate Studies, rather than by individual departments or Faculties.

Graduate degrees traditionally have been awarded for the successful completion of a satisfactory Thesis. The Thesis route expresses the fundamental tradition of academic scholarship. It also relates to the University’s undergraduate programs, because the creation of a Thesis in any discipline calls for a range of skills which are central to the liberal education tradition, including analysis and synthesis of ideas, empirical investigations, the construction and articulation of arguments, and writing skills.

Because of the nature of the M.A. program, the Thesis forms the central requirement of the program. At the master’s level, a Thesis involves close collaboration between supervisor and student. Consequently, it is necessary for a candidate to establish contact with potential supervisors prior to application for admission. Candidates seeking potential supervisors should contact either the relevant academic department or the School of Graduate Studies.

3. ADMISSION REQUIREMENTS

Please refer to Part 1 - Admissions of the Undergraduate Calendar and Course Catalogue for University policies regarding: Dual Admissions, Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

### a. Academic Qualifications for Admission

Applicants normally must meet the following minimum requirements before the University will consider admission:

1. A University of Lethbridge baccalaureate degree, or its academic equivalent from another recognized degree-granting institution, in the discipline of interest or in a closely cognate discipline. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees.

2. A minimum grade point average (GPA) of 3.00 (based on the University of Lethbridge 4.00 scale) on the last 20 graded university-level term courses.

All applicants must meet the English Language Proficiency (ELP) requirement for Graduate Studies through recognized study or a valid standardized test (see English Language Proficiency, p. 71).

Applicants are considered on a case-by-case basis. Preference is given to students whose proposed research is related to the supervisor’s funded research program.

### b. Application Deadlines

Students may be admitted to the M.A. program in order to begin their studies for the spring term (January), summer term (May), or fall term (September). Some majors within the M.A. program admit students for either the spring term or the fall term (see Table 1: Application Deadlines, p. 67).

Application deadlines for all Graduate Studies programs and application deadline extensions are available at www.uleth.ca/ross/admissions/grad/deadlines.

*Spaces are limited in this program; the School of Graduate Studies encourages early application. However, students are admitted on a case-by-case basis.*

Until commitment is obtained from a faculty member who is eligible to supervise graduate students, consideration for an application will not begin.
Applications and all required admission decision documentation (see Table 2: M.A. Program Application Process, p. 68), with the possible exception of final term grades for those currently enrolled, must be submitted electronically via the online application system by the deadline. Successful applicants must arrange to have official documents sent from the issuing institution to the University of Lethbridge Admissions Office prior to course registration.

**Note:** Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

Eligible applicants must apply for admission by following the process outlined in Table 2: M.A. Program Application Process (p. 68) (see also Academic Qualifications for Admission, p. 66).

Unless alternative arrangements have been made, a student receiving an Offer of Admission to the program must register in the program no later than the date specified in the Offer of Admission. Failing to register in this way will result in the student forfeiting admission status.

Newly admitted students in the M.A. program are required to pay a non-refundable $200 deposit to confirm their acceptance of their admission. This deposit is credited toward their registration in the program.

<th>To find a potential supervisor (see Note below), the applicant contacts a University of Lethbridge faculty member with expertise in the applicant’s research area. For assistance in identifying a potential supervisor, visit <a href="http://www.uleth.ca/graduate-studies/content/finding-supervisor">www.uleth.ca/graduate-studies/content/finding-supervisor</a>. The University of Lethbridge Experts Database (<a href="http://www.uleth.ca/experts-database">www.uleth.ca/experts-database</a>) is an information source that enables users the opportunity to search a wide variety of subjects and research areas. The applicant is advised to provide the potential supervisor a copy of unofficial transcripts in the consultation process. Should the previous program undertaken by the applicant show weaknesses, additional course work or other study may be required. Such work will not count toward the requirements for the master’s degree.</th>

</table>

Note: Applicants applying to all majors in the M.A. program must find a potential supervisor, except applicants applying for the Economics major.

d. Admission Criteria
Because the capacity of the program is limited, not all students meeting the minimum admission requirements can be admitted.

Criteria used for admission include:
- the student’s record and letters of recommendation;
- the proposed supervisor’s record of scholarship, completed and current, especially in relation to the proposed work;
- the feasibility of the project in the light of available resources; and,
- financial support for the student.

Students judged to be of suitable calibre but lacking in some necessary preparation may be considered for admission subject to those conditions judged necessary to correct the deficiencies. Candidates may be given one of two options: the required preparation may be undertaken prior to admission, with the permission of the Program Committee; or it may be taken after admission and within the maximum time limit of 24 months for full-time students and 48 months for part-time students. In either case the Program Committee establishes a definite date by which all conditions must be fully satisfied.

e. Admission After an Approved Master’s Degree
A student holding an approved master’s degree from a recognized institution who wants to pursue an entirely different field of study to enhance or change their career focus or international students seeking North American credentials may be considered for admission to a University of Lethbridge master’s degree program provided he/she meets all of the admission requirements. Students normally are not eligible to pursue a second master’s degree which is similar to one already completed at a recognized institution. Generally, degrees with identical or closely related majors are considered to be similar. Courses used to complete the requirements of the first master’s degree normally cannot be used to fulfill the requirements of the second master’s degree; recommendations regarding exceptions may be made by the Program Committee to the Dean of the School of Graduate Studies. In all cases, the decision of the Dean of the School of Graduate Studies shall be final.
4. REQUIREMENTS FOR DEGREE

For the M.A. program, students are required to complete courses, a Thesis, and a Thesis Oral Defence. Students develop their programs in consultation with their supervisors.

a. Course Work

For an M.A. student who is admitted unconditionally, from three to six graduate term courses or equivalent (9.0 to 18.0 credit hours) are required. The program may include one or more senior undergraduate courses provided that at least three graduate-level courses are included in the program. Any courses credited toward any other university credential are not counted toward the program. Certain majors, and concentrations within majors, have required courses, as listed below:

   Up to 9.0 additional credit hours chosen in consultation with the supervisor. These courses may include independent study courses or other graduate courses offered in other Faculties/departments on campus.

   One or more courses may be waived for students who are deemed to have the necessary background. Such waivers will be granted on a case-by-case basis upon recommendation from the supervisor to the Dean of Graduate Studies.

b. Thesis (90.0 credit hours)

   Thesis Proposal

   Students must complete a Thesis Proposal and submit it to the School of Graduate Studies.

   Full-time M.A. students must submit their initial Thesis Proposal within five months of the start of their program and their final Thesis Proposal by the end of the third term of their program.
Part-time M.A. students must submit their initial Thesis Proposal within 10 months of the start of their program and their full Thesis Proposal by the end of the sixth term of their program.

Written Thesis
Although there is some variation over disciplines, most Theses follow a conventional format. Standards and conventions widely used in Canada and adopted by the University are to be found in the University of Lethbridge M.A. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies.

c. Thesis Oral Defence
When the Thesis (90.0 credit hours) is complete, the candidate must defend it in an oral examination. A Thesis Examination Committee is appointed to conduct the examination in accordance with the procedures described in the University of Lethbridge M.A. Program: Policies and Procedures manual. Once the Thesis is final (i.e., assessed and corrected, if necessary), it must be submitted to the School of Graduate Studies for approval by the Dean.

5. COURSES
See Course Catalogue on page 163. A listing of all University of Lethbridge courses is available online at www.uleth.ca/ross/courses.

6. CO-OPERATIVE EDUCATION/INTERNSHIP OPTION
The Co-operative Education/Internship Option is available to students for the M.A. program.

Co-operative education is an educational model that formally integrates academic study at the master's level with relevant, paid work experience in appropriate employment fields such as government, institutions, and industry. The University, the employer, and the student are in partnership to ensure an enriching experience toward the student's professional development.

Further information and details concerning admission and requirements may be obtained from the Faculty of Arts and Science Co-operative Education/Internship Office as soon as possible upon admission to their graduate program.

b. Admission

Students may be accepted into the Co-op Option in the first term of their graduate program. Students are therefore encouraged to contact the Faculty of Arts and Science Co-operative Education Office as soon as possible upon admission to their graduate program.

The criteria for admission include:

1. Admission to a M.A. program
2. GPA and academic standing
3. A resumé and application form
4. A personal interview
5. Approval of the student's supervisor; in consultation with the School of Graduate Studies and the Arts and Science Co-operative Education Office

Other factors such as labour market conditions, work experience, volunteer experience and extracurricular activities are also considered when selecting participants for the program.

b. Requirements

Normally, students are required to complete successfully two work terms of four months each (or one of eight months) to earn the Co-op designation for the M.A. degree.

To receive the Co-op designation for the degree, students must complete successfully, in addition to the course, major, and degree requirements, two work terms:

- Arts and Science 5011 - Co-op Work Experience I
- Arts and Science 5012 - Co-op Work Experience II

Students may also opt for a maximum of two additional work terms:

- Arts and Science 5013 - Co-op Work Experience III
- Arts and Science 5014 - Co-op Work Experience IV

Students must be registered for the entire duration of the work term(s) applied for through the Co-op program, including extensions, and, once registered, are not permitted to withdraw from the work placement without penalty of failure. A grade of ‘F’ (Fail) will be entered on the transcript, unless extenuating circumstances warrant granting of a Withdrawal with Cause (‘WC’), in accordance with University of Lethbridge policy (see Academic Regulations, WC - Withdrawal with Cause, p. 37).

Where approval is granted by the Coordinator of Co-operative Education and the Dean of Graduate Studies, a ‘WC’ will be entered on the transcript. Tuition fees will be assessed as per the University’s Withdrawal with Cause policy. Students may consult the Co-op student handbook for further information/regulations and should contact the Coordinator of Co-operative Education for assistance with the procedure.

c. Continuation in the Programs

Students must acknowledge, accept and abide by the requirements and regulations as outlined in the Calendar and the Co-op Student Handbook.

d. Transfer of Co-op Terms

Students enrolled in a M.A. program may not transfer Co-op terms from other institutions.

7. GENERAL REGULATIONS

a. Credit for Previous Work

With the express permission of the Program Committee in each case, courses which have not already been credited toward a completed university credential may be accepted for credit in the master's program. All courses considered for transfer credit must carry a grade of 'B-' or higher and must have been completed no longer than seven years prior to the student's admission to the program.

b. Residence Requirements and Time Limits

Residence is defined as the period during which the student is registered in the program, taking courses or pursuing scholarly work, or both, at the University of Lethbridge.

The minimum residence requirement for full-time students shall be 12 months continuous registration in the program (three terms per year). Residence requirements for part-time students may be adjusted.
For full-time students, the maximum time limit for degree completion shall be 24 months continuous registration in the program. For part-time students, the maximum time limit for degree completion shall be 48 months continuous registration in the program.

All required and/or specified courses must be completed and the Thesis submitted within the maximum time limit. Students must maintain continuous registration in their program unless a leave of absence has been approved.

At the end of the maximum time limit, in cases where there is judged to be cause and where completion is imminent, the School of Graduate Studies’ Dean or Designate may approve a leave of absence or extend the time limit for a maximum period of 12 months. Failure to complete within this period will result in the candidate being required to withdraw from the program.

Full-time or part-time students who do not register in the program in any term will be considered to have withdrawn unless a leave of absence has been approved. Residence requirements must still be met.

With the expressed permission of the student’s supervisor, a student may maintain resident status while conducting research off-campus (e.g., on field trips, using facilities or consulting libraries elsewhere). It may be necessary for students to include in their program courses to be completed at other institutions. Proposals for such courses must be approved by the student’s supervisor and the residence requirements may be adjusted, if necessary.

c. Leave of Absence
See Academic Regulations, Leave of Absence on page 38.

d. Academic Standards
Students must receive a minimum grade of ‘B-’ (2.70 on the University of Lethbridge 4.00 scale) in all courses which are graded and which count toward the degree. A student who receives more than two grades below a ‘B-’ may be asked to withdraw from the program. All courses completed in the M.A. program or transferred into the program are included in the calculation of the program GPA for graduation purposes. Transfer credit is not included in the GPA on the official transcript. A student must obtain a minimum cumulative program GPA of 3.00 in order to graduate from the program.

A student whose performance in the program is judged unsatisfactory by the Program Committee may be placed on probation; continued unsatisfactory performance may result in the student being required to withdraw from the program.

e. Appeals
All appeals in the M.A. program should be directed to the Chair of the M.A. program. Grade appeals for courses in the M.A. program will be processed through the School of Graduate Studies. Other appeals will be heard by the Program Committee. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final.

Students should consult the full description of the University policies on Appeal of Grade in the Calendar (see Academic Regulations, Grade Appeal Policy, p. 40).

f. Academic Offences and Discipline
Graduate students are expected to exemplify high standards of academic and ethical behaviour and are subject to the University’s student discipline and ethical behaviour policies.

g. Fees
Fees are charged on a program basis. Fees for full-time students are assessed for the first calendar year (three terms of study) and to be paid over three terms of study—once in each of the three terms. Full-time students are assessed a Continuation Fee per term effective in their second year of study. Part-time students are assessed fees over the first six terms of their program. Part-time students are assessed a Continuation Fee per term effective in their third year of study.

Note: The total tuition assessed for full-time students is equal to that of part-time students over the tenure of their respective programs. Tuition will not be reduced if students complete their programs earlier than the minimum time limit.

A Continuation Fee shall be assessed for each subsequent term while a student remains in the program, whether the student is resident for all or part of that term. The term fee shall be set each year by the Board of Governors.

See Fees, Graduate Programs 2017/2018 Fee Schedule on page 27.

For fee payment deadlines, see Fees, Important Dates and Fee Deadlines on page 33.

h. Full- and Part-Time Studies
Students continue with the participation status under which they started, i.e., full-time or part-time studies. However, under extraordinary circumstances, students may seek approval to change their participation status. Students seeking approval to change participation from full-time to part-time studies or vice versa must obtain approval from their supervisor, the Chair of the Department or Department Graduate Coordinator, and the Dean of the School of Graduate Studies. Such approval must be obtained no later than at the end of the first 12 months of study. Students may not change their status after 12 months of study.

8. SUPERVISION
Guidelines for supervisory procedures, including the conduct of a supervisor and suggestions for good practice, are contained in the University of Lethbridge M.A. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies.

9. FINANCIAL OPPORTUNITIES
For information on financial opportunities, please see www.uleth.ca/graduate-studies or contact the Graduate Studies Awards Advisor at sgs.awards@uleth.ca.

The ELP requirement must be met prior to registration in a graduate program (see Graduate Conditional English Proficiency Admission, p. 72). The University reserves the right to use discretion in determining adequate levels of language proficiency to ensure success in academic programs. In all cases, the decision of the School of Graduate Studies shall be final.

**a. English Language Proficiency Requirement**

**d. Graduate Conditional English Proficiency Admission**

The University of Lethbridge may extend a conditional Offer of Admission to highly-qualified graduate applicants who do not meet the minimum ELP requirement for admission to graduate programs. This policy is intended to facilitate admission of academically qualified, degree-seeking students who have not satisfied the minimum ELP requirement, but are being considered for admission by a graduate program.

Conditional admission allows students to apply for a study permit (if necessary) and begin their studies in the University’s English for Academic Purposes (EAP) program (see English for Academic Purposes (EAP), p. 62) only. Concurrent registration in an EAP program and graduate program is not permissible nor is it permissible to complete graduate program requirements. Upon successful completion of the prescribed terms of study in the EAP program, the student will proceed directly into the graduate degree program in the next term of admission.

To be considered for Conditional English Proficiency Admission, the applicant must meet the following criteria:

1. Have academic qualifications that satisfy the requirements of the graduate program they seek;
2. Have a minimum score of 5.5 in each band of the IELTS test or a minimum overall score of 80 on the iBT TOEFL, with minimum scores of 16 in each of Listening, Reading, and Speaking, and a minimum score of 18 in Writing; and
3. Be recommended for Conditional English Proficiency Admission by a graduate program committee.

The applicant must submit results for an IELTS or iBT TOEFL exam taken within the last two years and indicate in their Letter of Intent that they are seeking Conditional English Proficiency Admission.

Applicants admitted via the Conditional English Proficiency Admission route will normally be placed in the Advanced Level of the EAP program, though the University reserves the right to move the applicant to a lower level if deemed necessary. Applicants admitted via the Conditional English Proficiency Admission route may be permitted to begin their studies in the graduate...
program, provided that the ELP requirement is met by one of the other approved means no later than: August 1 for the fall term, November 15 for the spring term, or April 15 for the summer term.

In accepting an offer of Conditional English Proficiency Admission to a graduate program, the applicant is expected to successfully complete the Advanced Level of the EAP program in the term indicated in the Offer of Admission and begin their graduate program the following term. Applicants who do not fulfill the language proficiency requirement during the specified period will have their Offer of Admission to a graduate program rescinded. Such students may choose to continue in the EAP program and reapply for admission to a graduate program for the next term of admission.

**Students admitted via the Conditional English Proficiency Admission route may not make academic progress toward their graduate degree or engage in academic research before fulfilling the ELP condition of the Offer of Admission. The School of Graduate Studies does not provide any financial support for students while they are enrolled in the EAP program.**

Students admitted via the Conditional English Proficiency Admission route are considered to be full-time EAP students while continuously enrolled in the EAP program.

1. **M.C. PROGRAM GRID**

   **Degree**
   Master of Counselling (Offered in the Faculty of Education)

   **Major**
   Applied Psychology

   **Specialization**
   Counselling Psychology

2. **STATEMENT OF PURPOSE**

   The Master of Counselling (M.C.) program provides a blend of online courses and face-to-face summer institutes for individuals who wish to develop professional skills in counselling psychology. This accessible and flexible program is delivered through a variety of means including online delivery, home-study, video-conferencing, and on-campus seminars and summer institutes. The degree awarded is the Master of Counselling (M.C.).

   The M.C. program prepares individuals to function effectively as Certified Canadian Counsellors or Registered Psychologists in a wide range of work environments.

   With the completion of the appropriate courses, graduates may be eligible for certification as a Certified Canadian Counsellor under the guidelines of the Canadian Counselling and Psychotherapy Association (CCPA). CCPA certification attests to the level of professional counselling competence and is considered the minimum professional standard in Canada.

   Students who wish to become a Registered Psychologist should be aware that in Alberta, the College of Alberta Psychologists (CAP) regulates the process of registering. The CAP has additional requirements beyond what is provided within the M.C. program at the University of Lethbridge, including undergraduate psychology courses, supervised clinical hours, and oral and written examinations. Students are responsible for ensuring that they meet the requirements for registering as established by the CAP or the corresponding body in the province/state in which they wish to achieve a professional designation.

   Courses are sequenced in such a way that students must follow the cohort schedule to be assured of completing the requirements for their degree.

3. **ADMISSION REQUIREMENTS**

   Please refer to Part 1 - Admissions of the Undergraduate Calendar and Course Catalogue for University policies regarding: Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/ Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

   a. **Academic Qualifications for Admission**

      1. A University of Lethbridge baccalaureate degree, or its academic equivalent from another recognized degree-granting institution, in the discipline of interest or in a closely cognate discipline. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees.

      2. Evidence of academic ability and promise, normally shown by a minimum GPA of 3.00 in the terms (semesters) containing the last 20 graded university courses (60.0 credit hours).

      3. Evidence of successful experience in a related area. Preference is given to applicants who have two or more years of work experience in a counselling or related setting. Volunteer experience in counselling settings is also desirable.

      4. Applicants must present a breadth of undergraduate courses in counselling, educational psychology, or psychology. Particular emphasis is paid to courses in human development, learning, personality, psychological disorders, and counselling and/or interpersonal skills.

   All applicants must meet the English Language Proficiency Requirement for Graduate Students through recognized study or a valid standardized test (see English Language Proficiency, p. 80).

   Students are admitted to the M.C. program on a competitive selection basis. For each cohort, a short-list of applicants will be developed. Each of the short-listed candidates will be interviewed by the Master of Counselling Selection Committee.

   The following criteria are used in the selection process:

   - grade point average;
   - relevancy of undergraduate degree;
   - breadth of undergraduate courses;
   - relevant work and/or volunteer experience; and,
   - results of interview.

   b. **Application Deadlines**

   Normally students are admitted to the M.C. program in order to begin their studies in the summer session (see Table 1: Application Deadlines).

   Application deadlines for all graduate studies programs and application deadline extensions are available at www.uleth.ca/ross/admissions/grad/deadlines.

   Applications and all required admission decision documentation (see Table 2: M.C. Program Application Process, p. 77), with the possible exception of final term grades for those currently enrolled, must be submitted electronically via the online application system by the deadline. Successful applicants must arrange to have official transcripts sent from the issuing institution to the University of Lethbridge Admissions Office prior to course registration.

   Students who are not successful in gaining admission must reapply if they wish to be considered for the next available intake.

c. **Process for Application/Admission**

Applicants apply via the online application system available at www.uleth.ca/graduate-studies/apply. Applicants are advised to begin work on the application well in advance of the application deadline (see Application Deadlines, p. 76).

No application can receive formal consideration until all documentation is received. All documents received in support of an application become the property of the University and will not be released or copied except to other employees of the University as required by University procedures regarding admission, registration, and awards and financial support administration.

**Note:** Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

Eligible applicants must apply for admission by following the process outlined in **Table 2: M.C. Program Application Process** (p. 77) (see also Academic Qualifications for Admission, p. 76).

  - One referee under whom the applicant has studied at the university level.  
  - Two referees with whom the applicant has worked professionally, preferably referees who have served in a supervisory capacity. |
| Curriculum Vitae (C.V.) | The applicant’s C.V. includes academic background, work experience, awards, scholarships, and publications. |
| Letter of intent | The Letter of Intent indicates the applicant’s reasons for applying (e.g., the nature of interest in the program and the intended career outcome upon completion). |
| Fieldwork Experience Form | The *Fieldwork Experience* form defines the types of related paid or volunteer experience that are relevant to the admission process. Using the form, the applicant will describe the details of the related experience. Preference is given to applicants that have at least two years of related experience. |
| English Language Proficiency | All applicants must meet ELP through recognized study or a valid standardized test (see English Language Proficiency, p. 80). Student copies of test scores, if available, should be submitted via the online application system. |
| Additional documentation | If additional documentation is required, the Office of Graduate Studies and Research in the Faculty of Education will contact the applicant. |
| Submission Process | Completion of the online application form requires uploading the required admission documents, providing referee names and contacts, and paying the application fee by midnight (MST/MDT) on the deadline date (see Table 1: Application Deadlines, p. 76).  
  By submitting this application, applicants authorize the University of Lethbridge to request transcripts on their behalf from institutions participating in ApplyAlberta (Alberta Post-Secondary Application System). |

| STEP 2 - Applicant arranges for official documents | Official documents, including proof of graduation for the baccalaureate degree and transcripts of all post-baccalaureate work, if any are required prior to course registration.  
  Applicants, who have attended or are currently attending institutions NOT participating in ApplyAlberta, must arrange to have official transcripts sent directly from the issuing institution to the Admissions Office. A list of participating institutions is available at www.applyalberta.ca. |

| STEP 2 - Admission decision process | The Selection Committee reviews the application and may interview short-listed candidates. The Selection Committee makes a recommendation on admission to the Graduate Programs in Education Committee.  
  The Office of Graduate Studies and Research in the Faculty of Education unofficially informs the applicant of the Graduate Programs in Education Committee’s decision. Official admission decisions will be sent electronically by the Admissions Office. Applicants will be notified of their official admission status by the Admissions Office no later than April 1. Successful applicants will be advised of registration procedures at that time. |
d. Admission Decisions
Admission is determined by the Graduate Programs in Education Program Committee, on the recommendation of the Selection Committee, following the application deadline. Members of the Committee base admission decisions on all the available information submitted by or on behalf of the applicant.

If the previous program undertaken by the student shows gaps or weaknesses, additional coursework or other study may be required. Such work will normally be in addition to the requirements for the Master of Counselling degree.

e. Admission After an Approved Master's Degree
A student holding an approved master's degree from a recognized institution who wants to pursue an entirely different field of study to enhance or change their career focus or international students seeking North American credentials may be considered for admission to a University of Lethbridge master's degree program provided he/she meets all of the admission requirements. Students normally are not eligible to pursue a second master's degree which is similar to one already completed at a recognized institution. Generally, degrees with identical or closely related majors are considered to be similar. Courses used to complete the requirements of the first master's degree normally cannot be used to fulfill the requirements of the second master's degree; recommendations regarding exceptions may be made by the Program Committee to the Dean of the School of Graduate Studies. In all cases, the decision of the Dean of the School of Graduate Studies shall be final.

4. REQUIREMENTS FOR DEGREE
The program consists of the equivalent of 12 courses (36.0 credit hours) of study including common core courses, elective courses, and a culminating activity as outlined below:

a. Common Core (27.0 credit hours)
   - CAAP 6601 - Theories of Counselling and their Application to Client Change
   - CAAP 6603 - Professional Ethics and Conduct
   - CAAP 6605 - Foundational Counselling and Conflict Resolution Skills
   - CAAP 6607 - Counselling Diverse Clients
   - CAAP 6611 - General Counselling Practicum
   - CAAP 6613 - Assessment: Processes and Application
   - CAAP 6615 - Counselling Strategies and Interventions
   - CAAP 6617 - Research and Program Evaluation Skills
   - CAAP 6619 - Specialized Counselling Practicum

b. Elective Courses (9.0 credit hours)
   Students successfully completing three of the following elective courses will have a Counselling Psychology specialization acknowledged on the official transcript.
   - CAAP 6631 - Cognitive and Affective Bases of Behaviour

   - CAAP 6635 - Biosocial Foundations of Health Psychology

c. Culminating Activity
   - CAAP 6699 - Project
   Students will be required to complete an independent project as the culminating activity of the Master of Counselling program. The project may be theoretical or applied, shall be relevant to the practice of counselling or counselling psychology, and shall demonstrate a depth of knowledge and understanding of the discipline, as well as the student’s area of specialization. The project is intended as a means for students to integrate their conceptual learning with applied practice in a contextually meaningful fashion. The structure of the project will be flexible in order to accommodate various creative endeavours and it may be work-based.

Some possible examples for final projects include:
- theoretical analysis or critique
- synthesis and extension of scholarly literature
- curriculum development
- model development: assessment, intervention, consultation, etc.
- case analyses of individuals, groups, or systems
- needs assessment, program development, or program evaluation

Guidelines for completing the culminating activity are contained in the University of Lethbridge Graduate Programs in Education: Policies and Procedures manual, available from the Office of Graduate Studies and Research in the Faculty of Education or online at www.uleth.ca/education/grad.

Students who intend to continue studies beyond the M.C. level are reminded that a Thesis, which is not available as a culminating activity option in the M.C. program, may be required to allow uninterrupted study beyond the master’s level. Some universities may allow qualifying work for admission to advanced degree programs if the project option is exercised. Students are advised to confirm admission requirements for programs of interest.

7. GENERAL REGULATIONS

a. Computer Proficiency
Students must be proficient in the use of a computer, and in particular, they must be comfortable in a web-based environment. To participate in the program, each student must own or have access to computer hardware and software that meets the minimum requirements (see www.uleth.ca/education/grad).

b. Residence Requirements
Residence is defined as courses offered by the University of Lethbridge. A minimum of ten such course equivalents (30.0 credit hours) is required. It may be an option for students who have been admitted to the M.C. program to include in their program courses to be completed at other institutions. Proposals for such courses should be approved preferably during the initial planning of the program and are to be effected through Visiting Student or Western Deans’ Agreement (see Registration, Western Deans’ Agreement, p. 22) procedures. A waiver of residence requirement may be allowed for courses completed in this manner, subject to approval by the Assistant Dean of Graduate Studies and Research (Faculty of Education).

c. Academic Standards
Students must receive a minimum grade of 'B-' (2.70) in all courses which are graded and count toward the degree (see Required Withdrawal, p. 80). All courses completed in the M.C. program, or transferred into the program, are included in the calculation of the GPA for graduation purposes. Transfer credit is not included in the GPA on the official transcript. A student must have a minimum cumulative GPA of 3.00 in order to graduate from the M.C. program.

d. Appeals
All appeals in the M.C. program should be directed to the Dean, Faculty of Education. Grade appeals for courses in the M.C. program will be processed through the School of Graduate Studies. Other appeals will be heard by the Graduate Programs in Education Program Committee. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final.

Students should consult the full description of the University policies on Appeal of Grade in the Calendar (see Academic Regulations, Grade Appeal Policy, p. 40).

e. Time Limits
Students must complete their program between a minimum of two years and a maximum of six years. The normal time of completion is expected to be three years.

f. Leave of Absence
See Academic Regulations, Leave of Absence on page 38.

g. Fees
See the Fees, Master of Education and Master of Counselling Programs 2017/2018 Fee Schedule on page 28.

For fee payment deadlines, see Fees, Important Dates and Fee Deadlines on page 33.

h. Credit for Previous Work
A maximum of two term courses (6.0 credit hours) which have not been credited toward a completed university credential may be accepted for credit in the M.C. program.

Students must demonstrate that previous course work is equivalent to CAAP courses or appropriate for elective course credit.

Courses cannot be considered for advance credit if they have already been used towards another degree or as prerequisite credit in applying to the M.C. program.

Students may not apply for advance credit for CAAP 6611 or CAAP 6619.

i. Independent Study
Students may be permitted to earn credit by Independent Study, which is designated by the course number CAAP 6990. Independent Study may be undertaken only in areas not covered by courses offered in the M.C. program. Independent Study proposals must be submitted to an instructor who agrees to serve as examiner for the proposed study. Formal registration
occurs after approval by the instructor, the Assistant Dean of Graduate Studies and Research (Faculty of Education), and the Dean (or designate) of the Faculty of Education. A maximum of two Independent Studies may count toward requirements for the M.C. program. Students are advised to register in the term in which the work will be completed.

j. Required Withdrawal
A student is required to withdraw from the M.C. program if the following occurs:
- the grade point average falls below 2.70;
- the student fails (i.e., receives a grade below a ‘B’ (2.70)) any course or practicum; or
- the student fails to meet the Standards of Professional Conduct for Counselling Psychology Students (see p. 78).

k. Readmission After Withdrawal
Students who withdraw or who are required to withdraw from the M.C. program must successfully apply for readmission by the appropriate deadline. Readmission is not guaranteed. Students are advised to consult with the Assistant Dean, Graduate Studies and Research in Education as early as possible.

8. PRACTICUM PLACEMENT POLICY
While in program and during practica, students are expected to adhere to the Standards of Professional Conduct set out by the Faculty of Education (see Standards Of Professional Conduct For Counselling Psychology Students, p. 78). The Faculty of Education reserves the right to deny or terminate a placement in any practicum course to any student if the Dean or Designate has reasonable grounds:
- the student has violated any part of the Faculty of Education’s Standards of Professional Conduct;
- the student is unable to carry out the counselling responsibilities of that practicum; or
- the Dean, Faculty of Education, or Designate believes denial or termination of a placement is necessary in order to protect the public interest.

Students whose practicum placements have been denied or terminated will be informed of the reasons in writing.

12. ENGLISH LANGUAGE PROFICIENCY
English is the primary language of instruction and communication at the University of Lethbridge. Prior to registration, all applicants to the School of Graduate Studies must demonstrate English Language Proficiency (ELP) sufficient to meet the demands of classroom instruction, written assignments, research, and participation in tutorials and discussions, regardless of their citizenship status or country of origin.

The ELP requirement must be met prior to registration in a graduate program (see Graduate Conditional English Proficiency Admission, p. 81). The University reserves the right to use discretion in determining adequate levels of language proficiency to ensure success in academic programs. In all cases, the decision of the School of Graduate Studies shall be final.

a. English Language Proficiency Requirement
ELP may be demonstrated by any of the following:

1. Successful completion of a baccalaureate or master’s degree at a recognized institution in Canada or another country where English is recognized as the primary language (see Recognized Countries, below). The student’s work must have been in English.

2. Successful completion of a baccalaureate or master’s degree at a recognized institution where the language of instruction is English. For a list of recognized institutions, see www.uleth.ca/ross/admissions/elp_exempt. Other institutions will be considered on a case-by-case basis. The student’s work must have been in English.

3. Successful completion of the Advanced Level of the University of Lethbridge English for Academic Purposes (EAP) program (see English for Academic Purposes (EAP), p. 62).

4. Test of English as a Foreign Language (TOEFL), taken within the last two years, with minimum scores of:
   a. 580 on the paper-based TOEFL and 5.0 on the Test of Written English (TWE); or
   b. 93 on the Internet-based TOEFL (iBT).
   Website: www.toefl.org (University of Lethbridge Destination Institution (DI) code: 0855)

5. Academic International English Language Testing System (IELTS) test, taken within the last two years, with a minimum overall score of 6.5, and a minimum of 5.5 in each band.
   Website: www.ielts.org

6. Academic Pearson Test of English (PTE), taken within the last two years, with a minimum overall score of 63.
   Website: www.pearsonpte.com

7. Canadian Academic English Language (CAEL) Assessment, taken within the last two years, with a minimum overall score of 70.
   Website: www.cael.ca

b. Recognized Countries
For the purposes of administering the ELP for Graduate Students requirement, the University of Lethbridge recognizes the following as countries where the primary language is English:

- Anguilla
- Ireland (Republic of)
- Antigua and Barbuda
- Jamaica
- Australia
- Kenya
c. Required Documentation

All proof of English proficiency must be provided on official academic transcripts or standardized test score reports. Standardized test scores must be valid and verifiable.

d. Graduate Conditional English Proficiency Admission

The University of Lethbridge may extend a conditional Offer of Admission to highly-qualified graduate applicants who do not meet the minimum ELP requirement for admission to graduate programs. This policy is intended to facilitate admission of academically qualified, degree-seeking students who have not satisfied the minimum ELP requirement, but are being considered for admission by a graduate program.

Conditional admission allows students to apply for a study permit (if necessary) and begin their studies in the University's English for Academic Purposes (EAP) program (see English for Academic Purposes (EAP), p. 62) only. Concurrent registration in an EAP program and graduate program is not permissible nor is it permissible to complete graduate program requirements. Upon successful completion of the prescribed terms of study in the EAP program, the student will proceed directly into the graduate degree program in the next term of admission.

To be considered for Conditional English Proficiency Admission, the applicant must meet the following criteria:

1. Have academic qualifications that satisfy the requirements of the graduate program they seek;

2. Have a minimum score of 5.5 in each band of the IELTS test or a minimum overall score of 80 on the iBT TOEFL, with minimum scores of 16 in each of Listening, Reading, and Speaking, and a minimum score of 18 in Writing; and

3. Be recommended for Conditional English Proficiency Admission by a graduate program committee.

The applicant must submit results for an IELTS or iBT TOEFL exam taken within the last two years and indicate in their Letter of Intent that they are seeking Conditional English Proficiency Admission.

Applicants admitted via the Conditional English Proficiency Admission route will normally be placed in the Advanced Level of the EAP program, though the University reserves the right to move the applicant to a lower level if deemed necessary. Applicants admitted via the Conditional English Proficiency Admission route may be permitted to begin their studies in the graduate program, provided that the ELP requirement is met by one of the other approved means no later than: August 1 for the fall term, November 15 for the spring term, or April 15 for the summer term.

In accepting an offer of Conditional English Proficiency Admission to a graduate program, the applicant is expected to successfully complete the Advanced Level of the EAP program in the term indicated in the Offer of Admission and begin their graduate program the following term. Applicants who do not fulfill the language proficiency requirement during the specified period will have their Offer of Admission to a graduate program rescinded. Such students may choose to continue in the EAP program and reapply for admission to a graduate program for the next term of admission.

Students admitted via the Conditional English Proficiency Admission route may not make academic progress toward their graduate degree or engage in academic research before fulfilling the ELP condition of the Offer of Admission. The School of Graduate Studies does not provide any financial support for students while they are enrolled in the EAP program.

Students admitted via the Conditional English Proficiency Admission route are considered to be full-time EAP students while continuously enrolled in the EAP program.

   Master of Education (offered in the Faculty of Education)

   **Major**

2. **MASTER OF EDUCATION (GENERAL)**
   a. **Statement of Purpose**

      The Master of Education (General) degree program is intended for practicing educators. While the majority of candidates for the degree will be pursuing careers within the educational system, the program is also available to those candidates whose teaching experience and credentials apply to other educational contexts. The degree awarded is the Master of Education (M.Ed.).

      The core of the program, common to all candidates, is based on the principle that professional educators should understand the evolution of theory and practice in education, in curriculum, in educational research and in teaching, and should be able to analyze, interpret, critique and advance current thinking, particularly within the context of their own practice.

      The theme of the student's program is also reflected in a required culminating activity (Thesis, Project, or Capstone), which contributes to the advancement of knowledge and practice through scholarly activity and/or creative work.

      Courses are sequenced in such a way that students must follow the cohort schedule to be assured of completing the requirements for their degree. For some cohorts, selecting the Thesis or Project route will require students to complete more than the minimum 12 courses (36.0 credit hours). In such cases, these courses will be extra to the program.

      Courses may be delivered using a combination of face-to-face and distance-delivery formats.

   b. **Admission Requirements**

      Please refer to [Part 1 - Admissions of the Undergraduate Calendar and Course Catalogue](#) for University policies regarding: Dual Admission; Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

      1. **Academic Qualifications for Admission**

         a. A University of Lethbridge B.Ed. degree, or its academic equivalent from another recognized degree-granting institution, in the discipline of interest or in a closely cognate discipline. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees.

         b. Evidence of academic ability and promise, normally shown by a grade point average (GPA) of 3.00 in the terms containing the last 20 graded university courses (60.0 credit hours).

         c. Approximately two years of successful teaching or other relevant educational experience.

         d. All applicants must meet the English Language Proficiency (ELP) requirement for Graduate Students through recognized study or a valid standardized test (see [English Language Proficiency](#), p. 100).

         e. This program is intended for advanced study in the field of Education. Candidates preparing themselves for a career which involves teacher certification must hold Teacher Certification at the time of admission; this program does not lead to a recommendation from the University for Teacher Certification. Individuals seeking Teacher Certification in the province of Alberta should refer to the Bachelor of Education program (see [Programs Leading to Alberta Teacher Certification in Part 8 - Faculty of Education of the Undergraduate Calendar and Course Catalogue](#)).

   2. **Application Deadlines**

      Normally students are admitted to the M.Ed. (General) program in order to begin their studies in the summer session.

      Application deadlines and application deadline extensions for all Graduate Studies programs are available at [www.uleth.ca/ross/admissions/grad/ deadlines](#).

      Applications and all required admission decision documentation (see [Table 2: M.Ed. (General) Program Application Process](#), p. 85), with the possible exception of final term grades for those currently enrolled, must be submitted electronically via the online application system by the deadline.

      Successful applicants must arrange to have official documents sent from the issuing institution to the University of Lethbridge Admissions Office prior to course registration.

      Students who are not successful in gaining admission must reapply if they wish to be considered for the next available intake.

      **Table 1: Application Deadlines**

3. Process for Application/Admission

Applicants apply via the online application system available at www.uleth.ca/graduate-studies/apply. Applicants are advised to begin work on the application well in advance of the application deadline and submit it as soon as possible (see Application Deadlines, p. 84).

No application can receive formal consideration until all documentation is received. All documents received in support of an application become the property of the University and will not be released or copied except to other employees of the University as required by University procedures regarding admission, registration, and awards and financial support administration.

Note: Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

Eligible applicants must apply for admission by following the process outlined in Table 2: M.Ed. (General) Program Application Process (p. 85) (see also Academic Qualifications for Admission, p. 84).

Application deadlines for all Graduate Studies programs are available at www.uleth.ca/ross/admissions/grad/deadlines.

4. Admission Decisions

Admission is determined by the Graduate Programs in Education Program Committee, on the recommendation of the Selection Committee, following the application deadlines. Members of the committee base admission decisions on all the available information submitted by or on behalf of the applicant.

If the previous program undertaken by the student shows gaps or weaknesses, additional course work or other study may be required. Such work will not normally count toward the requirements for the M.Ed. degree.

5. Admission After an Approved Master’s Degree

A student holding an approved master’s degree from a recognized institution who wants to pursue an entirely different field of study to enhance or change their career focus or international students seeking North American credentials may be considered for admission to a University of Lethbridge master’s degree program provided he/she meets all of the admission requirements.
Students normally are not eligible to pursue a second master’s degree which is similar to one already completed at a recognized institution. Generally, degrees with identical or closely related majors are considered to be similar. Courses used to complete the requirements of the first master’s degree normally cannot be used to fulfill the requirements of the second master’s degree; recommendations regarding exceptions may be made by the Program Committee to the Dean of the School of Graduate Studies. In all cases, the decision of the Dean of the School of Graduate Studies shall be final.

c. Requirements for the M.Ed. (General) Degree

The M.Ed. (General) program consists of the equivalent of 12 courses (36.0 credit hours) of study including common core courses, courses required for the program focus, and a culminating activity as outlined below.

Courses are sequenced in such a way that students must follow the cohort schedule to be assured of completing the requirements for their degree. Courses and culminating activity options are dependent upon the schedule of the cohort the student was admitted to.

1. Common Core (12.0 credit hours)
   - Education 5200 - Curriculum Studies and Classroom Practice (Series)
   - Education 5300 - The Foundations of Modern Educational Theory and Practice (Series)
   - Education 5400 - The Nature of Educational Research (Series)
   - Education 5500 - Understanding Professional Practice and Professional Development (Series)

2. Courses Required for Program Focus (12.0 to 21.0 credit hours)

   Students complete four to seven courses contributing to the theme of their program as outlined in the cohort schedule. Except in extenuating circumstances, these courses are completed as per the schedule of the cohort to which the student was admitted. The following conditions apply to the selection of courses credited towards the M.Ed. degree:
   
   - a maximum of two courses (6.0 credit hours, Education or non-Education) may be taken below the 5000-level (i.e., 3000/4000 level). Of these, a maximum of two half-credit (total 3.0 credit hours) may be professional development courses.

3. Culminating Activity (3.0 to 12.0 credit hours)

   In keeping with the focus of the M.Ed. program on the practicing educator, the Thesis, Project, or Capstone represents a significant contribution to research, independent thinking, scholarly ability and technical accomplishment in the student’s field of study. Students must complete one of the following culminating activity options: Thesis, Project, or Capstone.

   a. Thesis Option
      - Thesis equivalent to four courses (12.0 credit hours)

      Normally, students may not apply for the Thesis option until they have completed at least four courses in their program.

   b. Project Option
      - Project equivalent to two courses (6.0 credit hours)

   c. Capstone Option
      - Capstone equivalent to one course (3.0 credit hours)

      The Capstone is comprised of both a written and oral component.

For some cohorts, selecting the Thesis or Project route will require students to complete more than the minimum 12 courses (36.0 credit hours). In such cases, these courses will be extra to program.

Each route is dependent on the availability of appropriate supervision and approval by the Assistant Dean of Graduate Studies and Research (Faculty of Education).

Guidelines for completing the culminating activity are contained in the University of Lethbridge Graduate Programs in Education: Policies and Procedures manual, available from the Office of Graduate Studies and Research in the Faculty of Education or online at www.uleth.ca/education/grad.

Students who intend to continue studies beyond the M.Ed. level are reminded that the Thesis (12.0 credit hours) may be required to allow uninterrupted study beyond the master’s level. Some universities may allow qualifying work for admission to advanced degree programs if the Project or Capstone option is exercised. Students are advised to confirm admission requirements for programs of interest.

d. Program Approval

   It is the responsibility of each student to register for the appropriate courses in the same sequence provided in the cohort schedule. As the program is delivered in cohort format, students who do not register for courses in times they are scheduled for their cohort cannot be guaranteed opportunity for completing their programs. Choices of electives and decisions regarding culminating activities must be approved by the Assistant Dean of Graduate Studies and Research (Faculty of Education).

e. Standards of Professional Conduct

   As a Faculty within the University of Lethbridge, the Faculty of Education is committed to maintaining its students’ freedom of thought, beliefs, opinions and expressions. As a professional Faculty, the Faculty of Education is committed to assisting students to become professionals. The Faculty, then, has the responsibility of fostering the academic freedom of students within the context of professional standards of conduct. The standards describe professional characteristics and behaviours that students are expected to develop and demonstrate during all field and on-campus components within the Education program. Appropriate demonstration of these professional standards will be judged by instructors and school personnel.

1. The student acts in a manner that respects the dignity and rights of all persons without prejudice as to race, religious beliefs, colour, gender, sexual orientation, physical characteristics, age, ancestry or place of origin.
2. The student treats pupils, peers, school personnel and faculty with dignity and respect and is considerate of their circumstances.

3. The student acts in a responsible manner which includes being punctual, dependable, trustworthy, consistent and reliable.

4. Recognizing that attendance in courses and practicum placements is a professional responsibility, students apprise appropriate personnel at the University and/or school in advance of unavoidable absences.

5. The student demonstrates empathy for others by showing concern for and having an understanding of others’ feelings and/or ideas.

6. The student responds to feedback by listening to, evaluating, and responding to suggestions.

7. The student maintains positive interpersonal relationships with peers, faculty, school personnel and pupils by contributing, co-operating, participating and working with others in a flexible and adaptable way.

8. The student shows enthusiasm and initiative by being actively involved as a participant while encouraging the involvement and participation of others.

9. The student shows maturity and sound judgment in accordance with the Standards of Professional Conduct.

10. The student demonstrates a commitment to teaching through interest in learning about the field of teaching, consulting, questioning, reading, and discussing.

11. The student criticizes (verbally or in writing) the professional competence or professional reputation of others only in confidence to proper officials and only after the other person has been informed of the criticism.

12. The student respects the confidentiality of information about pupils, peers, school personnel, or faculty received in confidence or in the course of professional duties.

13. The student acts in a manner which maintains the honour and dignity of the profession and the University of Lethbridge.

14. The student does not make representations on behalf of the Faculty of Education, the University of Lethbridge, the school or the profession.

15. The student adheres to the Code of Professional Conduct as outlined by the Alberta Teachers’ Association.

f. General Regulations

1. Residence Requirements

Residence is defined as courses offered by the University of Lethbridge. A minimum of eight such course equivalents (24.0 credit hours) is required.

It may be an option for students who have been admitted to the M.Ed. (General) program, to include in their program courses to be completed at other institutions. Proposals for such courses should be approved preferably during the initial planning of the program and are to be effected through Visiting Student or Western Deans’ Agreement (see Registration, Western Deans’ Agreement, p. 22) procedures. A waiver of residence requirement may be allowed for courses completed in this manner, subject to approval by the Assistant Dean of Graduate Studies and Research (Faculty of Education).

2. Academic Standards

Students must receive a minimum grade of ‘B-’ (2.70) in all courses which are graded and count toward the M.Ed. degree (see Required Withdrawal, p. 88).

All courses completed in the M.Ed. (General) program or transferred into the program are included in the calculation of the GPA for graduation purposes. Transfer credit is not included in the GPA on the official transcript. A student must have a minimum cumulative GPA of 3.00 in order to graduate from the program.

3. Appeals

All appeals in the M.Ed. program should be directed to the Dean, Faculty of Education. Grade appeals for courses in the M.Ed. program will be processed through the School of Graduate Studies. Other appeals will be heard by the Graduate Programs in Education Program Committee. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final.

Students should consult the full description of the University policies on Appeal of Grade in the Calendar (see Academic Regulations, Grade Appeal Policy, p. 40).

4. Time Limits

Students must complete their program within five years. Students who have completed eight courses in the M.Ed., including the four core courses required in the M.Ed. (General) program, and who choose not to complete the M.Ed. degree may apply for a Diploma in Education. For diploma requirements, see Diploma Programs in Education (D.P.E.) in Part 8 - Faculty of Education of the Undergraduate Calendar and Course Catalogue.

Students who do not register in either a course or a placeholder in each term will be considered to have withdrawn from the program unless a Leave of Absence has been granted.

5. Leave of Absence

See Academic Regulations, Leave of Absence on page 38.

6. Fees

a. Program Fees

M.Ed. students pay a minimum of nine program fees. M.Ed. students whose programs are completed in fewer than nine terms must make arrangements with the Office of Graduate Studies and Research in the Faculty of Education for the assessment of any remaining program fees to meet the minimum nine program fees required.
b. Fees for Additional Courses
   Students who elect to take courses over and above the 12-course-credit program will pay a graduate course tuition fee for each additional course.
   Students remaining in the program after nine terms will also be assessed a program fee.

c. Outstanding Fees
   The University will withhold registration privileges if there are outstanding fees including the current term’s fees.

See Fees, Master of Education and Master of Counselling Programs 2017/2018 Fee Schedule on page 28.

For fee payment deadlines, see Fees, Important Dates and Fee Deadlines on page 33.

7. Credit for Previous Work
   A maximum of two term courses beyond those required for admission, which have not already been credited toward a completed University credential, may be accepted for credit in the M.Ed. (General) program to the extent that they contribute to the elective part of the program. All courses considered for transfer credit must carry a grade of ‘B’- or higher, and must have been completed no longer than five years prior to the student’s admission or readmission to the program.

8. Independent Study
   Students may be permitted to earn credit by Independent Study, which is designated by the course number EDUC 5990. Independent Study may be undertaken only in areas not covered by courses offered in the M.Ed. Program. Independent Study proposals must be submitted to an instructor who agrees to serve as examiner for the proposed study. Formal registration occurs after approval by the instructor, the Assistant Dean of Graduate Studies and Research (Faculty of Education), and the Dean (or Designate) of the Faculty of Education.
   A maximum of two Independent Study courses may count toward degree requirements for the M.Ed. program (see Requirements for the M.Ed. General Degree, p. 86). Students are advised to register in the term in which the work will be completed.

9. Visiting Students
   A student who is already admitted to a graduate program in Education at another university, whose program is underway, may apply for admission as a Visiting student at the University of Lethbridge. Contact the Office of Graduate Studies and Research in the Faculty of Education (online: www.uleth.ca/education/grad; email: edu.masters@uleth.ca; phone: 403-329-2425; 1-800-666-3503) for application and registration information. A letter authorizing Visiting student registration in specific courses must be sent by the student’s home institution to the University of Lethbridge Admissions Office.
   Students admitted with Visiting student status may register in up to two University of Lethbridge graduate Education courses. Admission is contingent upon satisfying academic qualifications for admission (see Academic Qualifications for Admission, p. 84), the priorities for admission established by the Faculty of Education and upon space being available within the class size quota. Until the quota is filled, applicants will be considered on a first-come, first-served basis.

10. Enrolment in Graduate Classes - Open Studies
    Students who have not been admitted to the M.Ed. degree program, but who have successfully completed an undergraduate degree, may, with the permission of the Assistant Dean of Graduate Studies and Research (Faculty of Education), be allowed to enroll in up to four graduate Education courses as Open Studies students. Application for registration in a particular graduate course must be submitted to the Assistant Dean no later than two weeks prior to the beginning of class. Until the course quota is filled, qualified applicants will be considered on a first-come, first-served basis. Admission to the M.Ed. degree program following successful completion of graduate courses as Open Studies students is not automatic, and applicants must meet the admission requirements (see Admission Requirements, p. 84) and be recommended for admission by the Graduate Programs in Education Program Committee.

11. Enrolment Limits and Priorities for Graduate Education Courses
    The Faculty of Education reserves the right to limit registration in graduate courses in Education. First priority is for students duly admitted to the M.Ed. degree program at the University of Lethbridge.
    Second priority is for students admitted to another graduate program at the University of Lethbridge and who meet admission requirements for the M.Ed. degree program.
    Third priority is for students who meet the requirements for admission, but who have not been admitted to a University of Lethbridge graduate program (see Enrolment in Graduate Classes - Open Studies, p. 88).
    Fourth priority is for Visiting students, i.e., students registered in a graduate study program at another university and for whom Visiting student status has been formally established by that institution and approved by the Assistant Dean of Graduate Studies and Research (Faculty of Education). Such students may take a maximum of two University of Lethbridge 5000-level graduate Education courses.

12. Required Withdrawal
    A student is required to withdraw from the M.Ed. (General) program if the following occurs:
    • the GPA falls below 2.70;
    • the student fails (i.e., receives a grade below a ‘B’- [2.70]) any course or practicum; or
    • the student fails to meet the Standards of Professional Conduct.

13. Readmission After Withdrawal
    Students who withdraw or who are required to withdraw from the M.Ed. (General) program must successfully apply for readmission by the appropriate deadline. Readmission is not guaranteed. Students are advised to consult with the Assistant Dean, Graduate Studies and Research in Education as early as possible.
3. MASTER OF EDUCATION (EDUCATIONAL LEADERSHIP)

a. Statement of Purpose

The Master of Education (Educational Leadership) degree program is intended for practicing educators. While the majority of candidates for the degree will be pursuing leadership careers within the educational system, the program is also available to those candidates whose teaching experience and credentials apply to other educational contexts. The degree awarded is the Master of Education (M.Ed.).

The core of the program, common to all candidates, is based on the principle that professional educators should understand the evolution of theory and practice in education, in curriculum, in educational research and in teaching, and should be able to analyze, interpret, critique and advance current thinking, particularly within the context of their own practice.

The M.Ed. (Educational Leadership) program allows practicing educators to explore and implement concepts in educational leadership through a combination of coursework and fieldwork. For students who complete all of the degree requirements, the major will be acknowledged on the official transcript.

The theme of the student’s program is also reflected in a required culminating activity (Thesis, Project, or Capstone), which contributes to the advancement of knowledge and practice through scholarly activity and/or creative work.

Courses are sequenced in such a way that students must follow the cohort schedule to be assured of completing the requirements for their degree. Selecting the Thesis or Project route will require students to complete more than the minimum 12 courses (36.0 credit hours). In such cases, these courses will be extra to program.

Courses may be delivered using a combination of face-to-face and distance-delivery formats.

b. Admission Requirements

Please refer to Part 1 - Admissions of the Undergraduate Calendar and Course Catalogue for University policies regarding: Dual Admission; Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

1. Academic Qualifications for Admission

a. A University of Lethbridge Bachelor of Education degree, or its academic equivalent from another recognized degree-granting institution, in the discipline of interest or in a closely cognate discipline. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees.

b. Evidence of academic ability and promise, normally shown by a GPA of 3.00 in the terms containing the last 20 graded university courses (60.0 credit hours).

c. Approximately two years of successful teaching or other relevant educational experience.

d. All applicants must meet the English Language Proficiency (ELP) Requirement for Graduate Students through recognized study or a valid standardized test (see English Language Proficiency, p. 100).

e. This program is intended for advanced study in the field of Education. Candidates preparing themselves for a career which involves teacher certification must hold Teacher Certification at the time of admission; this program does not lead to a recommendation from the University for Teacher Certification. Individuals seeking Teacher Certification in the province of Alberta should refer to the Bachelor of Education program (see Programs Leading to Alberta Teacher Certification in Part 8 - Faculty of Education of the Undergraduate Calendar and Course Catalogue).

Students are admitted to a M.Ed. (Educational Leadership) cohort on a competitive selection basis. The following criteria are used in the selection process:

- Related experience. Preference is given to applicants who have leadership experience and/or demonstrated leadership potential.

- Results of an interview. For each cohort, a short-list of applicants who meet the above criteria will be developed. Each of the short-listed candidates may be interviewed by the Selection Committee.

2. Application Deadlines

Normally students are admitted to the M.Ed. (Educational Leadership) program in order to begin their studies in the summer session (see Table 3: Application Deadlines, p. 90). Application deadlines and application deadline extensions for all Graduate Studies programs are available at www.uleth.ca/ross/admissions/grad/deadlines.

Applications and all required admission decision documentation (see Table 4: M.Ed. (Educational Leadership) Program Application Process, p. 90), with the possible exception of final term grades for those currently enrolled, must be submitted electronically via the online application system by the deadline. Successful applicants must arrange to have official documents sent from the
issuing institution to the University of Lethbridge Admissions Office prior to course registration. Students who are not successful in gaining admission must reapply if they wish to be considered for the next available intake.

3. Process for Application/Admission

Applicants apply via the online application system available at www.uleth.ca/graduate-studies/apply. Applicants are advised to begin work on the application well in advance of the application deadline and submit it as soon as possible (see Application Deadlines, p. 89).

No application can receive formal consideration until all documentation is received. All documents received in support of an application become the property of the University and will not be released or copied except to other employees of the University as required by University procedures.

Note: Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

Eligible applicants must apply for admission by following the process outlined in Table 4: M.Ed. (Educational Leadership) Program Application Process (p. 90) (see also Academic Qualifications for Admission, p. 89).

4. Admission Decisions

Admission is determined by the Graduate Programs in Education Program Committee, on the recommendation of the Selection Committee, following the application deadlines. Members of the committee base admission decisions on all the available information submitted by or on behalf of the applicant.

If the previous program undertaken by the student shows gaps or weaknesses, additional course work or other study may be required. Such work will not normally count toward the requirements for the M.Ed. degree.

5. Admission After an Approved Master's Degree

A student holding an approved master's degree from a recognized institution who wants to pursue an entirely different field of study to enhance or change their career focus or international students seeking North American credentials may be considered for admission to a University of Lethbridge master's degree program provided he/she meets all of the admission requirements.

Students normally are not eligible to pursue a second master's degree which is similar to one already completed at a recognized institution. Generally, degrees with identical or closely related majors are considered to be similar. Courses used to complete the requirements of the first master's degree normally cannot be used to fulfill the requirements of the second master's degree; recommendations regarding exceptions may be made by the Program Committee to the Dean of the School of Graduate Studies. In all cases, the decision of the Dean of the School of Graduate Studies shall be final.

c. Requirements for the M.Ed. (Educational Leadership) Degree

The M.Ed. (Educational Leadership) program consists of the equivalent of 12 courses (36.0 credit hours) of study. The program comprises the common core courses, courses required for the major, Elective courses, and a culminating activity, as outlined below:

   - Education 5635 - Educational Leadership Internship I
   - Education 5637 - Educational Leadership Internship II

4. Culminating Activity (3.0 to 12.0 credit hours)

In keeping with the focus of the M.Ed. program on the practicing educator, the Thesis, Project, or Capstone represents a significant contribution to research, independent thinking, scholarly ability, and technical accomplishment in the student’s field of study. Students must complete one of the following culminating activity options: Thesis, Project, or Capstone.

   a. Thesis Option
      - Thesis equivalent to four courses (12.0 credit hours)
      - Normally, students may not apply for the Thesis option until they have completed at least four courses in their program.

Guidelines for completing the culminating activity are contained in the University of Lethbridge Graduate Programs in Education: Policies and Procedures manual, available from the Office of Graduate Studies and Research in the Faculty of Education or online at www.uleth.ca/education/grad.

Students who intend to continue studies beyond the M.Ed. level are reminded that the Thesis (12.0 credit hours) may be required to allow uninterrupted study beyond the master’s level. Some universities may allow qualifying work for admission to advanced degree programs if the Project or Capstone option is exercised. Students are advised to confirm admission requirements for programs of interest.
d. Program Approval

It is the responsibility of each student to register for the appropriate courses in the same sequence provided in the cohort schedule. Transfer credit is not included in the GPA on the official transcript. A student must have a minimum cumulative GPA of 3.00 in order to graduate from the program.

3. Appeals

All appeals in the M.Ed. program should be directed to the Dean, Faculty of Education. Grade appeals for courses in the M.Ed. program will be processed through the School of Graduate Studies. Other appeals will be heard by the Graduate Programs in Education Program Committee. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final.

Students should consult the full description of the University policies on Appeal of Grade in the Calendar (see Academic Regulations, Grade Appeal Policy, p. 40).
4. **Time Limits**
   Students must complete their program within five years. Students who have completed eight courses in the M.Ed., including the four core courses required in the M.Ed. (Educational Leadership) program, and who choose not to complete the M.Ed. degree may apply for a Diploma in Education. For Diploma requirements, see **Diploma Programs in Education (D.P.E.) in Part 8 - Faculty of Education of the Undergraduate Calendar and Course Catalogue**.

5. **Leave of Absence**
   See **Academic Regulations, Leave of Absence on page 38**.

6. **Fees**
   a. **Program Fees**
      M.Ed. students pay a minimum of nine program fees. M.Ed. students whose programs are completed in fewer than nine terms must make arrangements with the Office of Graduate Studies and Research in the Faculty of Education for the assessment of any remaining program fees to meet the minimum nine program fees required.
   b. **Fees for Additional Courses**
      Students who elect to take courses over and above the 12-course-credit program will pay a graduate course tuition fee for each additional course.
      Students remaining in the program after nine terms will also be assessed a program fee.
   c. **Outstanding Fees**
      The University will withhold registration privileges if there are outstanding fees including the current term’s fees.

See the **Master of Education and Master of Counselling Programs 2017/2018 Fee Schedule on page 28**.

For fee payment deadlines, see **Important Dates and Fee Deadlines on page 33**.

7. **Credit for Previous Work**
   A maximum of two term courses beyond those required for admission, which have not already been credited toward a completed University credential, may be accepted for credit in the M.Ed. (Educational Leadership) program to the extent that they contribute to the elective part of the program. All courses considered for transfer credit must carry a grade of ‘B-’ or higher, and must have been completed no longer than five years prior to the student’s admission or readmission to the program.

8. **Independent Study**
   Students may be permitted to earn credit by Independent Study, which is designated by the course number EDUC 5990. Independent Study may be undertaken only in areas not covered by courses offered in the M.Ed. program. Independent Study proposals must be submitted to an instructor who agrees to serve as examiner for the proposed study. Formal registration occurs after approval by the instructor, the Assistant Dean of Graduate Studies and Research (Faculty of Education), and the Dean (or designate) of the Faculty of Education. A maximum of two Independent Study courses may count toward degree requirements for the M.Ed. program (see Requirements for the M.Ed. (Educational Leadership) Degree, p. 91). Students are advised to register in the term in which the work will be completed.

9. **Visiting Students**
   A student who is already admitted to a graduate program in Education at another university, whose program is underway, may apply for admission as a Visiting student at the University of Lethbridge. Contact the Office of Graduate Studies and Research in the Faculty of Education (online: www.uleth.ca/education/grad; email: edu.masters@uleth.ca; phone: 403-329-2425; 1-800-666-3503) for application and registration information. A letter authorizing Visiting student registration in specific courses must be sent by the student’s home institution to the University of Lethbridge Admissions Office.

Students admitted with Visiting student status may register in up to two University of Lethbridge graduate Education courses. Admission is contingent upon satisfying academic qualifications for admission (see **Academic Qualifications for Admission, p. 89**), the priorities for admission established by the Faculty of Education and upon space being available within the class size quota. Until the quota is filled, applicants will be considered on a first-come, first-served basis.

10. **Enrolment in Graduate Classes - Open Studies**
    Students who have not been admitted to the M.Ed. degree program, but who have successfully completed an undergraduate degree, may, with the permission of the Assistant Dean of Graduate Studies and Research (Faculty of Education), be allowed to enrol in up to four graduate Education courses as Open Studies students. Application for registration in a particular graduate course must be submitted to the Assistant Dean no later than two weeks prior to the beginning of class. Until the course quota is filled, qualified applicants will be considered on a first-come, first-served basis.

Admission to the M.Ed. degree program following successful completion of graduate courses as Open Studies students is automatic, and applicants must meet the admission requirements (see **Admission Requirements, p. 89**) and be recommended for admission by the Graduate Programs in Education Program Committee.

11. **Enrolment Limits and Priorities for Graduate Education Courses**
    The Faculty of Education reserves the right to limit registration in graduate courses in Education. First priority is for students duly admitted to the M.Ed. degree program at the University of Lethbridge.
    Second priority is for students admitted to another graduate program at the University of Lethbridge.
and who meet admission requirements for the M.Ed. degree program.

Third priority is for students who meet the requirements for admission, but who have not been admitted to a University of Lethbridge graduate program (see Enrolment in Graduate Classes - Open Studies).

Fourth priority is for Visiting students, i.e., students registered in a graduate study program at another university and for whom visiting student status has been formally established by that institution and approved by the Assistant Dean of Graduate Studies and Research (Faculty of Education). Such students may take a maximum of two University of Lethbridge 5000-level graduate Education courses.

12. Required Withdrawal
A student is required to withdraw from the M.Ed. (Educational Leadership) program if the following occurs:

- the GPA falls below 2.70;
- the student fails (i.e. receives a grade below a 'B-' [2.70]) any course or practicum; or
- the student fails to meet the Standards of Professional Conduct.

13. Readmission After Withdrawal
Students who withdraw or who are required to withdraw from the M.Ed. (Educational Leadership) program must successfully apply for readmission by the appropriate deadline. Readmission is not guaranteed. Students are advised to consult with the Assistant Dean, Graduate Studies and Research in Education as early as possible.

g. Practicum and Internship Placement Policy
While in program and during practica/internship, students are expected to adhere to the Standards of Professional Conduct set out by the Faculty of Education (see Standards of Professional Conduct, p. 92). The Faculty of Education reserves the right to deny or terminate a placement in any practicum/internship course to any student if the Dean or Designate has reasonable grounds:

- the student has violated any part of the Faculty of Education’s Standards of Professional Conduct;
- the student is unable to carry out the responsibilities of that practicum/internship; or
- the Dean, Faculty of Education or Designate believes denial or termination of a placement is necessary in order to protect the public interest.

Students whose placements have been denied or terminated will be informed of the reasons in writing.

4. MASTER OF EDUCATION (COUNSELLING PSYCHOLOGY)

a. Statement of Purpose
The M.Ed. (Counselling Psychology) program provides training for individuals who want to develop professional skills and attain certification in counselling psychology as a Canadian Certified Counsellor or Registered Psychologist. The emphasis of the program is on the provision of training for those people who aspire to work within educational, community or private practice settings. The degree awarded is the Master of Education (M.Ed.).

Canadian Certified Counsellor: graduates may be eligible for certification as a Canadian Certified Counsellor under the guidelines of the Canadian Counselling and Psychotherapy Association (CCPA). CCPA certification attests to the level of professional counselling competence and is considered the minimum professional standard in Canada.

Registered Psychologist: students receive the graduate course work leading to registration as a psychologist within the province of Alberta. However, applicants should be aware that the College of Alberta Psychologists (CAP) regulates the process of registering. The CAP has additional requirements beyond what is provided within the M.Ed. program at the University of Lethbridge, including undergraduate psychology courses, supervised clinical hours, and oral and written examinations.

Students are responsible for ensuring that they meet the requirements for registering as established by the CAP or the corresponding body in the province/state in which they wish to achieve a professional designation.

The Counselling Psychology program operates on a cohort model. A cohort is a group of students who are admitted at the same time, and proceed at the same pace through the program. Courses are sequenced in such a way that students must follow the cohort schedule to be assured of completing the requirements for their degree.

Courses are delivered on campus.

b. Admission Requirements
Please refer to Part I - Admissions of the Undergraduate Calendar and Course Catalogue for University policies regarding: Dual Admission; Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

I. Academic Qualifications for Admission

a. A University of Lethbridge baccalaureate degree, or its academic equivalent from another recognized degree-granting institution, in the discipline of interest or in a closely cognate discipline. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees.

b. Evidence of academic ability and promise, normally shown by a GPA of 3.00 in the terms containing the last 20 graded university courses (60.0 credit hours).

c. All applicants must meet the English Language Proficiency (ELP) Requirement for Graduate Students through recognized study or a valid standardized test (see English Language Proficiency, p. 100).

Students are admitted to a M.Ed. (Counselling Psychology) cohort on a competitive selection basis. The following criteria are used in the selection process:

- GPA;
- Relevancy of undergraduate degree (preference for degrees in Education or Psychology, followed by degrees in Social Work or Nursing);
• Breadth of undergraduate courses in counselling, educational psychology or psychology. Particular emphasis is paid to courses in human development, learning, personality and counselling skills;
• Relevant work and/or volunteer experience. Preference is given to applicants who have two or more years of teaching and/or counselling experience. Volunteer experience in counselling settings is also desirable; and,
• Results of interview. For each cohort, a short-list of applicants who meet the above criteria will be developed. Each of the short-listed candidates may be interviewed by the Selection Committee.

2. Application Deadlines

Normally students are admitted to the M.Ed. (Counselling Psychology) program in order to begin their studies in the summer session of alternate years (see Table 5: Application Deadlines, p. 95). For scheduled Counselling Psychology cohort intakes refer to the website at www.uleth.ca/education/grad.

Application deadlines and application deadline extensions for all Graduate Studies programs are available at www.uleth.ca/ross/admissions/grad/deadlines.

Applications and all required admission decision documentation (see Table 6: M.Ed. (Counselling Psychology) Program Application Procedure, p. 96), with the possible exception of final term grades for those currently enrolled, must be submitted electronically via the online application system by the deadline. Successful applicants must arrange to have official documents sent from the issuing institution to the University of Lethbridge Admissions Office prior to course registration.

Students who are not successful in gaining admission must reapply if they wish to be considered for the next available intake.

3. Process for Application/Admission

Applicants apply via the online application system available at www.uleth.ca/graduate-studies/apply. Applicants are advised to begin work on the application well in advance of the application deadline and submit it as soon as possible (see Application Deadlines, p. 95).

No application can receive formal consideration until all documentation is received. All documents received in support of an application become the property of the University and will not be released or copied except to other employees of the University as required by University procedures.

Note: Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

Eligible applicants must apply for admission by following the process outlined in Table 6: M.Ed. (Counselling Psychology) Program Application Procedure (p. 96) (see also Academic Qualifications for Admission, p. 94).

4. Admission Decisions

Admission is determined by the Graduate Programs in Education Committee, on the recommendation of the Selection Committee, following the application deadlines. Members of the committee base admission decisions on all the available information submitted by or on behalf of the applicant.

If the previous program undertaken by the student shows gaps or weaknesses, additional course work or other study may be required. Such work will not normally count toward the requirements for the M.Ed. degree.

5. Admission After an Approved Master’s Degree

A student holding an approved master’s degree from a recognized institution who wants to pursue an entirely different field of study to enhance or change their career focus or international students seeking North American credentials may be considered for admission to a University of Lethbridge master’s degree program provided he/she meets all of the admission requirements.

Students normally are not eligible to pursue a second master’s degree which is similar to one already completed at a recognized institution. Generally, degrees with identical or closely related majors are considered to be similar. Courses used to complete the requirements of the first master’s degree normally cannot be used to fulfill the requirements of the second master’s degree; recommendations regarding exceptions may be made by the Program Committee to the Dean of the School of Graduate Studies. In all cases, the decision of the Dean of the School of Graduate Studies shall be final.

c. Requirements for the M.Ed. (Counselling Psychology) Degree

The M.Ed. (Counselling Psychology) program consists of the equivalent of 15 courses (45.0 credit hours) of study if the Thesis option is completed, 13 courses (39.0 credit hours) if the Project option is completed, and 12 courses (36.0 credit hours) if the Capstone option is completed. The program consists of common core courses and a culminating activity, as outlined below:

| STEP 2 - Applicant arranges for official documents | Official documents, including proof of graduation for the baccalaureate degree and transcripts of all post-baccalaureate work, if any, are required prior to course registration. |
|   | Applicants, who have attended or are currently attending institutions NOT participating in ApplyAlberta, must arrange to have official transcripts sent directly from the issuing institution to the Admissions Office. A list of participating institutions is available at www.applyalberta.ca. |
| STEP 3 - Admission decision process | The Selection Committee reviews the application and may interview short-listed candidates. The Selection Committee makes a recommendation on admission to the Graduate Programs in Education Committee. |
|   | The Office of Graduate Studies and Research in the Faculty of Education unofficially informs the applicant of the Graduate Programs in Education Committee’s decision. Official admission decisions will be sent electronically by the Admissions Office. Applicants will be notified of their official admission status by the Admissions Office no later than April 1. Successful applicants will be advised of registration procedures at that time. |
2. Culminating Activity (3.0 to 12.0 credit hours)

The Thesis, Project, or Capstone represents a significant contribution to research, independent thinking, scholarly ability and technical accomplishment in the student’s field of study. Students must complete one of the following culminating activity options: Thesis, Project, or Capstone.

a. Thesis Option
   Thesis equivalent to four courses (12.0 credit hours)
   Normally, students may not apply for the Thesis option until they have completed at least three courses in their program, one of which must be Education 5712.

b. Project Option
   Project equivalent to two courses (6.0 credit hours)

c. Capstone Option
   Capstone equivalent to one course (3.0 credit hours)
   The Capstone is comprised of both a written and oral component.

Selecting the Thesis or Project route will require students to complete more than the minimum 12 courses (36.0 credit hours). In such cases, these courses will be extra to program.

Each route is dependent on the availability of appropriate supervision and approval by the Assistant Dean of Graduate Studies and Research (Faculty of Education).

Guidelines for completing the culminating activity are contained in the University of Lethbridge Graduate Programs in Education: Policies and Procedures manual, available from the Office of Graduate Studies and Research in the Faculty of Education or online at www.uleth.ca/education/grad.

Students who intend to continue studies beyond the M.Ed. level are reminded that the Thesis (12.0 credit hours) may be required to allow uninterrupted study beyond the master’s level. Some universities may allow qualifying work for admission to advanced degree programs if the Project or Capstone option is exercised. Students are advised to confirm admission requirements for programs of interest.

d. Program Approval

It is the responsibility of each student to register for the appropriate courses in the same sequence provided in the cohort schedule. As the program is delivered in cohort format, students who do not register for courses in times they are scheduled for their cohort cannot be guaranteed opportunity for completing their programs. Choices of electives and decisions regarding culminating activities must be approved by the Assistant Dean of Graduate Studies and Research (Faculty of Education).

e. Standards of Professional Conduct for Counselling Psychology Students

As a Faculty within the University of Lethbridge, the Faculty of Education is committed to maintaining its students’ freedom of thought, beliefs, opinions and expressions. 2. STATEMENT OF PURPOSE

The Master of Fine Arts (M.F.A.) degree program offers students the opportunity to pursue an advanced degree in the Departments of Art, Theatre and Dramatic Arts, or New Media. Faculty who are practicing artists and experts in the field provide an environment grounded in a traditional fine arts education, while encouraging students to study broadly in the arts and to find their own creative voice. Spirited experimentation with artistic and performance techniques, on a foundation of theory and critical thought, as well as the application of new technology are an important and integral part of the Faculty of Fine Arts.

The M.F.A. program allows graduate students to concentrate in one or more artistic disciplines or cross disciplinary lines, to build a program of individual study, and to synthesize their work into a personalized artistic expression.

3. PROGRAM DESIGN

Obtaining the M.F.A. degree is contingent upon the successful completion of specified course work and a Thesis, which comprises a research project and a support paper that is related directly to the area(s) of inquiry formulated by the supervisor and the student. All of the work prescribed for the degree will be formulated and completed under the guidance of the student’s supervisor.

The individual program of study is designed by the student in consultation with a faculty member from the appropriate department who intends to remain the student’s supervisor for the duration of the student’s program. Once a potential supervisor has agreed to assume responsibilities of Program Advisor; the proposed supervisor will form a potential Supervisory Committee.

A Supervisory Committee is formed for each M.F.A. student enrolled in the program. The Supervisory Committee shall consist of two other faculty members: one from the same discipline as the program and one from another cognate area. The Program Committee must approve the supervisor and Supervisory Committee. Once the Supervisory Committee has been approved by the Program Committee, the supervisor will chair the Supervisory Committee.

For information regarding committee structure and roles, refer to the University of Lethbridge M.F.A. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies.

4. ADMISSION REQUIREMENTS

Please refer to Part 1 - Admissions of the Undergraduate Calendar and Course Catalogue for University policies regarding: Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/ Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

a. Academic Qualifications for Admission

Applicants normally must meet the following minimum requirements before the University will consider admission:

1. A University of Lethbridge baccalaureate degree, or its academic equivalent from another recognized degree-granting institution, in the discipline of interest or in a closely cognate discipline. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees.

2. A minimum grade point average of 3.00 (based on a 4.00 scale) on the last 20 graded university-level term courses.

All applicants must meet the English Language Proficiency (ELP) Requirement for Graduate Studies through recognized study or a valid standardized test (see English Language Proficiency, p. 108).

Applicants are considered on a case-by-case basis. Preference is given to a student whose proposed creative work is related to a supervisor’s area of expertise. An applicant will be required to present an audition or a portfolio of creative work for evaluation.

b. Application Deadlines

A student may be admitted to the M.F.A. program in order to begin their studies as a full-time student for the fall term (September) only (see Table 1: Application Deadlines).

Applications and all required admission decision documentation (see Table 2: M.F.A. Programs Application Process, p. 105), with the possible exception of final term grades for those currently enrolled must be submitted electronically via the online application system no later than the deadline. Successful applicants must arrange to have official documents sent from the issuing institution to the University of Lethbridge Admissions Office prior to course registration.

Application deadlines and application deadline extensions for all Graduate Studies programs are available at www.uleth.ca/ross/admissions/grad/deadlines.

c. Process for Application/Admission

Applicants apply via the online application system available at www.uleth.ca/graduate-studies/apply.

Applicants should begin work on the application as soon as possible (see Application Deadlines, p. 104).

No application can receive formal consideration until all documentation is received. All documents received in support of an application become the property of the University and will not be released or copied except to other employees of the University as required by University procedures regarding admission, registration, and awards and financial support administration.

Note: Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

Eligible applicants must apply for admission by following the process outlined in Table 2: M.F.A, Programs Application Process (p. 105) (see also Academic Qualifications for Admission, p. 104).

Unless alternative arrangements have been made, a student receiving an Offer of Admission to the program must register in the program no later than the registration deadline, as outlined in the Calendar. Failing to register in this way will result in the student forfeiting admission status.

A student newly admitted in the M.F.A. program is required to pay a non-refundable $200 deposit to confirm their acceptance of their admission. This deposit is credited toward the tuition fee upon registration in the program.

d. Admission Criteria

The capacity of the M.F.A. program is limited by both space and availability of faculty. Not all students meeting the general admission requirements can be admitted. Criteria during the review of the application for admission will include:

- the applicant's record and letters of academic recommendation;
- the applicant's body of creative work, exhibition/performance/reviews, and publishing record;
- audition/interview (Department of Theatre and Dramatic Arts);
- the feasibility of the project in light of available resources; and
- financial support for the student.

A student judged to be of suitable potential for graduate work, but lacking in some necessary preparation, may be considered for admission subject to one of two options: the required preparation may be undertaken prior to admission, with the permission of the Program Committee, or it may be undertaken after admission. The Program Committee will establish a definite date by which all conditions must be satisfied.

e. Admission After an Approved Master’s Degree

A student holding an approved master’s degree from a recognized institution who wants to pursue an entirely different field of study to enhance or change their career focus or international students seeking North American credentials may be considered for admission to a University of Lethbridge master's degree program provided he/she meets all of the admission requirements.

Note: The University has significantly higher performance expectations of graduate students than of undergraduate students. Although courses are program specific, a student may, in consultation with his or her supervisor, tailor the course work to the needs of the student, with approval from the Program Committee.

b. Thesis

The Research Project represents the accomplishments of a one-year investigation and results in a performance, production, exhibition, or original work relevant to the particular field of study in which the student is engaged. The Research Project must be defended in a final oral examination (see Final Oral Examination).

The Support Paper is defined by the Program Committee in consultation with the student and the supervisor. The student in consultation with the supervisor must determine the format and direction of the Support Paper. The Supervisory Committee must approve the proposed Support Paper. Specific elements may vary depending on the proposed Thesis. Standards and conventions widely used in Canada and adopted by the University are to be found in the University of Lethbridge M.F.A. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies.

A Support Paper no less than 30 pages accompanies the Research Project and positions the student’s production within a contemporary discourse. When complete, the candidate must defend the Thesis in an oral examination.

M.F.A. - Art majors
Art 6002 - Thesis (18.0 credit hours)

M.F.A. - Theatre and Dramatic Arts majors
Drama 6002 - Thesis (18.0 credit hours)

M.F.A. - New Media majors
New Media 6002 - Thesis (18.0 credit hours)

c. Final Oral Examination
Once the supervisor approves the Research Project and the Support Paper, and the student is prepared to defend both parts of the Thesis, the Final Oral Examination is scheduled by the supervisor. The grading mode for the research project and the support paper is pass/fail as described in the University of Lethbridge M.F.A. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies.

An Examination Committee is appointed to conduct the Final Oral Examination in accordance with the procedures described in the University of Lethbridge M.F.A. Program: Policies and Procedures manual. Once the Thesis is final (i.e., assessed and corrected, if necessary), it must be submitted in both print and electronic formats.

6. COURSES
See Course Catalogue on page 163. A listing of all University of Lethbridge courses is available online at www.uleth.ca/ross/courses.

7. GENERAL REGULATIONS
a. Credit for Previous Work
With the permission of the Program Committee in each case, courses that have not already been credited toward a completed university credential may be accepted for credit in the master’s program.

All courses considered for transfer credit must carry a grade of ‘B-’ or higher and must have been completed no longer than seven years prior to the student’s admission to the program.

b. Residence Requirements and Time Limits
Residence is defined as the period during which the student is registered in the program, taking courses, conducting research, or working on the Research Project or Written Thesis at the University of Lethbridge.

The minimum residence requirement shall be 24 months continuous full-time registration in the M.F.A. program. If needed, a graduate student may apply for an extension up to one academic year. The maximum time limit for degree completion shall be three academic years. All required courses and the Thesis must be successfully completed and submitted within the maximum time limit. Failure to complete within this period will result in the candidate being required to withdraw from the program.

Under extenuating circumstances the School of Graduate Studies’ Dean or Designate may allow a longer extension. A student who does not register in the program in any term will be considered to have withdrawn, unless a leave of absence has been approved. Residence requirements must still be met.

With the permission of the student’s supervisor, a student may maintain resident status while conducting research off-campus (e.g., on field trips, using facilities, or consulting libraries elsewhere). It may be necessary for a student to include in his or her program courses to be completed at other institutions. The student’s supervisor must approve proposals for these courses.

c. Leave of Absence
See Academic Regulations, Leave of Absence on page 38.

d. Academic Standards
A student must receive a minimum grade of ‘B-’ (2.70 on a 4.00 scale) in all courses which are graded and which count toward the degree. A student who receives more than two grades below a ‘B-’ may be asked to withdraw from the program. Students must present a minimum cumulative GPA of 3.00 in all courses in order to graduate from the M.F.A. program. A student whose performance in the program is judged to be unsatisfactory by the Program Committee may be placed on probation; continued unsatisfactory performance may result in the student being required to withdraw from the program.
e. Appeals
All appeals in the M.F.A. program should be directed to the Program Committee. Grade appeals for courses in the M.F.A. program will be processed through the School of Graduate Studies. The Program Committee will hear other appeals. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final. Students should consult the full description of the University policies on Appeal of Grade in the Calendar (see Academic Regulations, Grade Appeal Policy, p. 40).

f. Academic Offences and Discipline
A graduate student is expected to exemplify high standards of academic and ethical behaviour and is subject to the University’s student discipline and ethical behaviour policies.

g. Fees

11. ENGLISH LANGUAGE PROFICIENCY
English is the primary language of instruction and communication at the University of Lethbridge. Prior to registration, all applicants to the School of Graduate Studies must demonstrate English Language Proficiency (ELP) sufficient to meet the demands of classroom instruction, written assignments, research, and participation in tutorials and discussions, regardless of their citizenship status or country of origin.

The ELP requirement must be met prior to registration in a graduate program (see Graduate Conditional English Proficiency Admission, p. 109). The University reserves the right to use discretion in determining adequate levels of language proficiency to ensure success in academic programs. In all cases, the decision of the School of Graduate Studies shall be final.

a. English Language Proficiency Requirement
ELP may be demonstrated by any of the following:

1. Successful completion of a baccalaureate or master’s degree at a recognized institution where the language of instruction is English. For a list of recognized institutions, see www.uleth.ca/ross/admissions/elp_exempt. Other institutions will be considered on a case-by-case basis. The student’s work must have been in English.

c. **Required Documentation**

All proof of English proficiency must be provided on official academic transcripts or standardized test score reports. Standardized test scores must be valid and verifiable.

d. **Graduate Conditional English Proficiency Admission**

The University of Lethbridge may extend a conditional *Offer of Admission* to highly-qualified graduate applicants who do not meet the minimum ELP requirement for admission to graduate programs. This policy is intended to facilitate admission of academically qualified, degree-seeking students who have not satisfied the minimum ELP requirement, but are being considered for admission by a graduate program.

Conditional admission allows students to apply for a study permit (if necessary) and begin their studies in the University's English for Academic Purposes (EAP) program (see *English for Academic Purposes (EAP)*, p. 62) only. Concurrent registration in an EAP program and graduate program is not permissible nor is it permissible to complete graduate program requirements. Upon successful completion of the prescribed terms of study in the EAP program, the student will proceed directly into the graduate degree program in the next term of admission.

To be considered for Conditional English Proficiency Admission, the applicant must meet the following criteria:

1. Have academic qualifications that satisfy the requirements of the graduate program they seek;
2. Have a minimum score of 5.5 in each band of the IELTS test or a minimum overall score of 80 on the iBT TOEFL, with minimum scores of 16 in each of Listening, Reading, and Speaking, and a minimum score of 18 in Writing; and
3. Be recommended for Conditional English Proficiency Admission by a graduate program committee.

The applicant must submit results for an IELTS or iBT TOEFL exam taken within the last two years and indicate in their Letter of Intent that they are seeking Conditional English Proficiency Admission.

Applicants admitted via the Conditional English Proficiency Admission route will normally be placed in the Advanced Level of the EAP program, though the University reserves the right to move the applicant to a lower level if deemed necessary. Applicants admitted via the Conditional English Proficiency Admission route may be permitted to begin their studies in the graduate program, provided that the ELP requirement is met by one of the other approved means no later than: August 1 for the fall term, November 15 for the spring term, or April 15 for the summer term.

In accepting an offer of Conditional English Proficiency Admission to a graduate program, the applicant is expected to successfully complete the Advanced Level of the EAP program in the term indicated in the *Offer of Admission* and begin their graduate program the following term. Applicants who do not fulfill the language proficiency requirement during the specified period will have their *Offer of Admission* to a graduate program rescinded. Such students may choose to continue in the EAP program and reapply for admission to a graduate program for the next term of admission.

**Students admitted via the Conditional English Proficiency Admission route may not make academic progress toward their graduate degree or engage in academic research before fulfilling the ELP condition of the Offer of Admission. The School of Graduate Studies does not provide any financial support for students while they are enrolled in the EAP program.**

Students admitted via the Conditional English Proficiency Admission route are considered to be full-time EAP students while continuously enrolled in the EAP program.

   Applicants normally must meet the following minimum requirements before the University will consider admission:

   1. A University of Lethbridge baccalaureate degree, or its academic equivalent from another recognized degree-granting institution, in the discipline of interest or in a closely cognate discipline. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees.

   2. A minimum grade point average of 3.00 (based on a 4.00 scale) on the last 20 graded university-level term (semester) courses.

   All applicants must meet the English Language Proficiency (ELP) Requirement for Graduate Studies through recognized study or a valid standardized test (see English Language Proficiency, p. 116).

   Applicants are considered on a case-by-case basis. Preference is given to a student whose proposed creative work is related to a supervisor’s area of expertise. An applicant will be required to present an audition or a portfolio of creative work for evaluation.

   **b. Application Deadlines**

   A student may be admitted to the M.Mus. program in order to begin their studies as a full-time student for the fall term (September) only (see Table 1: Application Deadlines).

   Applications and all required admission decision documentation (see Table 2: M.Mus. Program Application Process, p. 113), with the possible exception of final term grades for those currently enrolled, must be submitted electronically via the online application system no later than the deadline. Successful applicants must arrange to have official documents sent from the issuing institution to the University of Lethbridge Admissions Office.

   Application deadlines and application deadline extensions for all Graduate Studies programs are available at www.uleth.ca/ross/admissions/grad/deadlines.

c. Process for Application/Admission

Applicants apply via the online application system available at www.uleth.ca/graduate-studies/apply.

No application can receive formal consideration until all documentation is received. All documents received in support of an application become the property of the University and will not be released or copied except to other employees of the University as required by University procedures regarding admission, registration, and awards and financial support administration.

Note: Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

Eligible applicants must apply for admission by following the process outlined in Table 2: M.Mus. Program Application Process (p. 113)(see also Academic Qualifications for Admission, p. 112).

Unless alternative arrangements have been made, a student receiving an Offer of Admission to the program must register in the program no later than the registration deadline, as outlined in the Calendar. Failing to register in this way will result in the student forfeiting admission status.

A student newly admitted in the M.Mus. program is required to pay a non-refundable $200 deposit to confirm their acceptance of their admission. This deposit is credited toward the tuition fee upon registration in the program.

Successful applicants will be advised of registration procedures at that time.</td>
</tr>
</tbody>
</table>
**d. Admission Criteria**

The capacity of the M.Mus. program is limited by both space and availability of faculty. Not all students meeting the general admission requirements can be admitted. Criteria used during the review of the application for admission will include:

- the applicant’s record and letters of academic recommendation;
- the applicant’s body of creative work, exhibition/ performance/reviews, and publishing record;
- audition/ interview;
- the feasibility of the project in light of available resources; and
- financial support for the student.

A student judged to be of suitable potential for graduate work, but lacking in some necessary preparation, may be considered for admission subject to one of two options: the required preparation may be undertaken prior to admission, with the permission of the Program Committee, or it may be undertaken after admission. The Program Committee will establish a definite date by which all conditions must be satisfied.

**e. Admission After an Approved Master’s Degree**

A student holding an approved master’s degree from a recognized institution who wants to pursue an entirely different field of study to enhance or change their career focus or international students seeking North American credentials may be considered for admission to a University of Lethbridge master’s degree program provided he/she meets all of the admission requirements. Students normally are not eligible to pursue a second master’s degree which is similar to one already completed. Degrees with courses used to complete the requirements of identical or closely related majors are considered to be similar. The University of Lethbridge master’s degree program provided he/she meets all of the admission requirements.

Students normally are not eligible to pursue a second master’s degree which is similar to one already completed at a recognized institution. Generally, degrees with identical or closely related majors are considered to be similar. Courses used to complete the requirements of the first master’s degree normally cannot be used to fulfill the requirements of the second master’s degree; recommendations regarding exceptions may be made by the Program Committee to the Dean of the School of Graduate Studies. In all cases, the decision of the Dean of the School of Graduate Studies shall be final.

**f. Exchange Students**

Under approved exchange arrangements, an M.Mus. student registered in a program at another post-secondary institution, who is not pursuing a degree at the University of Lethbridge, may be admitted to take courses. The University of Lethbridge is a signatory of the Western Deans’ Agreement (see Registration, Western Deans’ Agreement, p. 22). Contact the School of Graduate Studies at sgsinquiries@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Academic Qualifications for Admission, p. 112).

**g. Visiting Students**

With the appropriate permission of the sending and receiving institution, a student may be considered for admission as a Visiting student for study where formal exchange arrangements are not in place. They must satisfy the normal admission requirements of the University of Lethbridge. Contact the School of Graduate Studies at sgsinquiries@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Academic Qualifications for Admission, p. 112).

**Note:** The University has significantly higher performance expectations of graduate students than of undergraduate students. Although courses are program specific, a student may, in consultation with his or her supervisor, tailor the course work to the needs of the student, with approval from the Program Committee.

**b. Research Project/Lecture Recital**

During the second year of the M.Mus. program, students must perform a lecture recital. The topic of this lecture recital is the Research Project that must be submitted to the Program Committee for approval by no later than June 30th of the first year of the program.

The lecture recital is the ideal synthesis of performance and scholarship for the M.Mus. student, demonstrating his or her application of accumulated skills and knowledge in a public setting. Its duration is approximately one hour (30 minutes each for lecture and performance). Questions from the audience may follow the lecture recital. Although the format of the presentation may vary depending on the Research Project, the basic design is the lecture, illustrated by brief performance excerpts, followed by a complete performance of the work(s) being presented.
The lecture recital's research project represents the basis of a Written Thesis. Both the Research Project and the Written Thesis will be defended in the Final Written Thesis Defence/Oral Examination.

Music 6001 - Research Project (12.0 credit hours)

c. **Written Thesis**

The format and direction of the Written Thesis must be determined by the student in consultation with the supervisor. Specific elements may vary depending on the proposed Thesis. The proposed Written Thesis must be approved by the Supervisory Committee. Standards and conventions widely used in Canada and adopted by the University are to be found in the *University of Lethbridge M.Mus. Program: Policies and Procedures* manual available at www.uleth.ca/graduate-studies.

A Written Thesis no less than 30 pages represents a more formal version of the research project presented during the lecture recital. When complete, the candidate must defend the Thesis in an oral examination (see **Final Written Thesis Defence/Oral Examination**).

Music 6002 - Written Thesis (12.0 credit hours)

d. **Final Written Thesis Defence/Oral Examination**

Once the supervisor approves the Written Thesis, the final Written Thesis Defence/Oral Examination is scheduled by the supervisor. The grading mode for the Written Thesis is pass/fail as described in the *University of Lethbridge M.Mus. Program: Policies and Procedures* manual available at www.uleth.ca/graduate-studies.

An Examination Committee is appointed to conduct the final Written Thesis Defence/Oral Examination in accordance with the procedures described in the *University of Lethbridge M.Mus. Program: Policies and Procedures* manual.

The lecture recital must have been completed by the time of the final Written Thesis Defence/Oral Examination, allowing for an appropriate amount of time for review by the Examination Committee. Copies of the Written Thesis must be delivered to the Examination Committee in advance of the final Written Thesis Defence/Oral Examination at least one month prior to the examination time.

6. **COURSES**

See *Course Catalogue* on page 163. A listing of all University of Lethbridge courses is available online at www.uleth.ca/ross/courses.

7. **GENERAL REGULATIONS**

a. **Credit for Previous Work**

With the permission of the Program Committee in each case, courses that have not already been credited toward a completed university credential may be accepted for credit in the master’s program.

All courses considered for transfer credit must carry a grade of ‘B-’ or higher and must have been completed no longer than seven years prior to the student admission to the program.

b. **Residence Requirements and Time Limits**

Residence is defined as the period during which the student is registered in the program, taking courses, conducting research or working on the Research Project or Written Thesis at the University of Lethbridge.

The minimum residence requirement shall be 24 months continuous full-time registration in the M.Mus. program. If needed, a graduate student may apply for an extension up to one academic year. The maximum time limit for degree completion shall be three academic years. All required courses, including the Research Project and Written Thesis, must be successfully completed and submitted within the maximum time limit. Failure to complete within this period will result in the candidate being required to withdraw from the program.

Under extenuating circumstances, the School of Graduate Studies’ Dean or Designate may allow a longer extension.

A student who does not register in the program in any term will be considered to have withdrawn, unless a leave of absence has been approved. Residence requirements must still be met.

With the permission of the student's supervisor, a student may maintain resident status while conducting research off-campus (e.g., on field trips, using facilities or consulting libraries elsewhere). It may be necessary for a student to include in their program courses to be completed at other institutions. The student's supervisor must approve proposals for these courses.

c. **Leave of Absence**

See *Academic Regulations, Leave of Absence* on page 38.

d. **Academic Standards**

A student must receive a minimum grade of 'B-' (2.70 on a 4.00 scale) in all courses which are graded and which count toward the degree. A student who receives more than two grades below a 'B-' may be asked to withdraw from the program. Students must present a minimum cumulative GPA of 3.00 in all courses in order to graduate from the M.F.A. program. A student whose performance in the program is judged unsatisfactory by the Program Committee may be placed on probation; continued unsatisfactory performance may result in the student being required to withdraw from the program.

e. **Appeals**

All appeals in the M.Mus. program should be directed to the Program Committee. Grade appeals for courses in the M.Mus. program will be processed through the School of Graduate Studies. The Program Committee will hear other appeals. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final.

Students should consult the full description of the University policies on Appeal of Grade in the Calendar (see *Academic Regulations, Grade Appeal Policy*, p. 40).

f. **Academic Offences and Discipline**

A graduate student is expected to exemplify high standards of academic and ethical behaviour and is subject to the University’s student discipline and ethical behaviour policies.

g. **Fees**

See *Fees, Graduate Programs 2017/2018 Fee Schedule* on page 27.

For fee payment deadlines, see *Fees, Important Dates and Fee Deadlines* on page 33.
8. SUPERVISION
Guidelines for supervisory procedures, including the conduct of a supervisor and suggestions for good practice, are contained in the University of Lethbridge M.Mus. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies.

11. ENGLISH LANGUAGE PROFICIENCY
English is the primary language of instruction and communication at the University of Lethbridge. Prior to registration, all applicants to the School of Graduate Studies must demonstrate English Language Proficiency (ELP) sufficient to meet the demands of classroom instruction, written assignments, research, and participation in tutorials and discussions, regardless of their citizenship status or country of origin.

The ELP requirement must be met prior to registration in a graduate program (see Graduate Conditional English Proficiency Admission, p. 116). The University reserves the right to use discretion in determining adequate levels of language proficiency to ensure success in academic programs. In all cases, the decision of the School of Graduate Studies shall be final.

a. English Language Proficiency Requirement
ELP may be demonstrated by any of the following:

1. Successful completion of a baccalaureate or master’s degree at a recognized institution in Canada or another country where English is recognized as the primary language (see Recognized Countries, below). The student’s work must have been in English.

2. Successful completion of a baccalaureate or master’s degree at a recognized institution where the language of instruction is English. For a list of recognized institutions, see www.uleth.ca/ross/admissions/elp_exempt. Other institutions will be considered on a case-by-case basis. The student’s work must have been in English.

3. Successful completion of the Advanced Level of the University of Lethbridge English for Academic Purposes (EAP) program (see English for Academic Purposes (EAP), p. 62).

4. Test of English as a Foreign Language (TOEFL), taken within the last two years, with minimum scores of:
   a) 580 on the paper-based TOEFL and 5.0 on the Test of Written English (TWE); or
   b) 93 on the Internet-based TOEFL (iBT).
   Website: www.toefl.org (University of Lethbridge Destination Institution (DI) code: 0855)

c. Required Documentation
All proof of English proficiency must be provided on official academic transcripts or standardized test score reports. Standardized test scores must be valid and verifiable.

d. Graduate Conditional English Proficiency Admission
The University of Lethbridge may extend a conditional Offer of Admission to highly-qualified graduate applicants who do not meet the minimum ELP requirement for admission to graduate programs. This policy is intended to facilitate admission of academically qualified, degree-seeking students who have not satisfied the minimum ELP requirement, but are being considered for admission by a graduate program.

Conditional admission allows students to apply for a study permit (if necessary) and begin their studies in the University’s English for Academic Purposes (EAP) program (see English for Academic Purposes (EAP), p. 62) only. Concurrent registration in an EAP program and graduate program is not permissible nor is it permissible to complete graduate program requirements. Upon successful completion of the prescribed terms of study in the EAP program, the student will proceed directly into the graduate degree program in the next term of admission.

To be considered for Conditional English Proficiency Admission, the applicant must meet the following criteria:
1. Have academic qualifications that satisfy the requirements of the graduate program they seek;

2. Have a minimum score of 5.5 in each band of the IELTS test or a minimum overall score of 80 on the iBT TOEFL, with minimum scores of 16 in each of Listening, Reading, and Speaking, and a minimum score of 18 in Writing; and

3. Be recommended for Conditional English Proficiency Admission by a graduate program committee.

The applicant must submit results for an IELTS or iBT TOEFL exam taken within the last two years and indicate in their Letter of Intent that they are seeking Conditional English Proficiency Admission.

Applicants admitted via the Conditional English Proficiency Admission route will normally be placed in the Advanced Level of the EAP program, though the University reserves the right to move the applicant to a lower level if deemed necessary. Applicants admitted via the Conditional English Proficiency Admission route may be permitted to begin their studies in the graduate program, provided that the ELP requirement is met by one of the other approved means no later than: August 1 for the fall term, November 15 for the spring term, or April 15 for the summer term.

In accepting an offer of Conditional English Proficiency Admission to a graduate program, the applicant is expected to successfully complete the Advanced Level of the EAP program in the term indicated in the Offer of Admission and begin their graduate program the following term. Applicants who do not fulfill the language proficiency requirement during the specified period will have their Offer of Admission to a graduate program rescinded. Such students may choose to continue in the EAP program and reapply for admission to a graduate program for the next term of admission.

Students admitted via the Conditional English Proficiency Admission route may not make academic progress toward their graduate degree or engage in academic research before fulfilling the ELP condition of the Offer of Admission. The School of Graduate Studies does not provide any financial support for students while they are enrolled in the EAP program.

Students admitted via the Conditional English Proficiency Admission route are considered to be full-time EAP students while continuously enrolled in the EAP program.

2. **STATEMENT OF PURPOSE**
   
   The purpose of this program is to meet the demand for an accessible and relevant Master of Nursing (M.N.) degree that addresses the needs of adult learners in the nursing profession who wish to continue life-long learning, gain additional credentials, and become leaders in nursing practice, education and research. The program is delivered by a variety of electronic learning and face-to-face strategies and culminates with either a Thesis or major Project in an area of each student's preferred focus.

3. **ADMISSION REQUIREMENTS**
   
   Please refer to Part 1 - Admissions of the Undergraduate Calendar and Course Catalogue for University policies regarding: Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/ Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

   **a. Academic Qualifications for Admission**
   
   Applicants normally must meet the following minimum requirements before the University will consider admission:
   
   1. A University of Lethbridge Bachelor of Nursing degree, or its academic equivalent, from another recognized degree granting institution. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees.
   
   2. A minimum grade point average (GPA) of 3.00 (based on the University of Lethbridge 4.00 scale) on the last 20 graded university-level term courses.
   
   3. A regulated member in good standing in a Canadian jurisdiction on the Registered Nurse, Psychiatric Nurse, Graduate Nursing Practitioner, or Nurse Practitioner Register.
   
   4. All applicants must meet the English Language Proficiency (ELP) Requirement for Graduate Students through recognized study or a valid standardized test (see English Language Proficiency, p. 124).

   **Note:** Since the number of qualified applicants can exceed the number of places available, fulfillment of the minimum requirements does not guarantee admission. The M.N. Program Committee reserves the right of selection for admission and readmission.

   **b. Application Deadlines**
   
   Students may be admitted to the M.N. program in order to begin their studies for the fall term only (see Table 1: Application Deadlines, p. 120).

   Application deadlines and application deadline extensions for all graduate studies programs are available at www.uleth.ca/ross/admissions/grad/deadlines.

   Applications and all required admission decision documentation (see Table 2: M.N. Program Application Process, p. 121), with the possible exception of final term grades for those currently enrolled, must be submitted electronically via the online application system by the deadline. Successful applicants must arrange to have official documents sent from the issuing institution to the University of Lethbridge Admissions Office prior to course registration.

   **c. Process for Application/Admission**
   
   Applicants apply via the online application system available at www.uleth.ca/graduate-studies/apply.

   Applicants are advised to begin work on the application well in advance of the application deadline and submit it as soon as possible (see Application Deadlines, p. 120).

   No application can receive formal consideration until all admission decision documentation is received. All documents received in support of an application become the property of the University and will not be released or copied except to other employees of the University as required by University procedures regarding admission, registration, and awards and financial support administration.

   **Note:** Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

   Eligible applicants must apply for admission by following the process outlined in Table 2: M.N. Program Application Process (p. 121) (see also Academic Qualifications for Admission, p. 120).

   Unless alternative arrangements have been made, a student receiving an Offer of Admission to the program must register in the program no later than the date specified in the Offer of Admission. Failing to register in this way will result in the student forfeiting admission status.

   Newly admitted students in the M.N. program are required to pay a non-refundable $200 deposit to confirm their acceptance of their admission. This deposit is credited toward their registration in the program.

e. Admission After an Approved Master’s Degree
   A student holding an approved master’s degree from a recognized institution who wants to pursue an entirely different field of study to enhance or change their career focus or international students seeking North American credentials may be considered for admission to a University of Lethbridge master’s degree program provided he/she meets all of the admission requirements. In all cases, the decision of the Dean of the School of Graduate Studies shall be final.

f. Exchange Students
   Under approved exchange arrangements, M.N. students registered in programs at other post-secondary institutions who are not pursuing a degree at the University of Lethbridge may be admitted to take courses. The University of Lethbridge is a signatory of the Western Deans’ Agreement (see Registration, Western Deans’ Agreement, p. 22). Contact the School of Graduate Studies at sgsinquiries@uleth.ca for application and registration information. 5. COURSES
See Course Catalogue on page 163. A listing of all University of Lethbridge courses is available online at www.uleth.ca/ross/courses.

6. GENERAL REGULATIONS
a. Credit for Previous Work
   - With the permission of the Program Committee in each case, courses that have not already been credited toward a completed university credential may be accepted for credit in the master's program. All courses considered for transfer credit must carry a grade of 'B-' or higher and must have been completed no longer than seven years prior to the student's admission to the program.

b. Residence Requirements and Time Limits
   - Residence is defined as the period during which the student is registered in the program, taking courses, conducting research, or working on the research project or Written Thesis at the University of Lethbridge. The minimum residence requirement shall be 24 months continuous full-time registration in the M.N. program. For part-time students, the minimum time limit for degree completion shall be 48 months continuous registration in the program. Maximum time for completion will be three years for full-time study or six years for part-time study. If needed, a graduate student may apply for an extension up to one academic year. All required courses, including the Research Project or Written Thesis, must be successfully completed and submitted within the maximum time limit. Failure to complete within this period may result in the candidate being required to withdraw from the program. Under extenuating circumstances, the Program Committee may allow a longer extension. A student who does not register in the program in any term will be considered to have withdrawn, unless a leave of absence has been approved. Residence requirements must still be met. A student may maintain resident status while conducting research off-campus (e.g. on field trips, using facilities or consulting libraries elsewhere). It may be necessary for a student to include in their program courses to be completed at other institutions. The Program Committee must approve proposals for these courses.

c. Leave of Absence
   - See Academic Regulations, Leave of Absence on page 38.

d. Academic Standards
   - Students must receive a minimum grade of 'B-' (2.70) in all courses which are graded and count toward the degree. A student who receives more than two grades below a 'B-' may be asked to withdraw from the program. All courses completed in the M.N. program, or transferred into the program, are included in the calculation of the
e. Standards of Professional Conduct
The Faculty of Health Sciences at the University of Lethbridge is committed to maintaining freedoms of thought, belief, opinion and expression for students. The M.N. program also has an obligation to foster academic freedom within the context of relevant professional standards of conduct and ensure that students practice within the scope of professional nursing standards and adhere to all relevant ethical and research guidelines. The standards outlined below give direction to behaviours that must be visible to all instructors within the program and related courses, and to agency personnel during practice courses. These standards are in addition to the standards of academic and non-academic conduct for the University of Lethbridge, (see Academic Regulations, Student Discipline Policy - Academic Offences (p. 45) and Student Discipline Policy - Non-Academic Offences (p. 50)). Appropriate demonstration of these professional standards will be judged by program faculty and practice agency personnel.

1. The student acts in a manner that respects the dignity and rights of all persons without prejudice as to race, religious beliefs, colour, gender, sexual orientation, physical characteristics, ability, age, ancestry or place of origin.

2. The student treats clients, peers, practice agency personnel, and faculty with dignity and respect and is considerate of their circumstances.

3. The student acts in a responsible manner, which includes being punctual, dependable, trustworthy, consistent and reliable.

4. Recognizing that active engagement in courses and attendance at practicum placements is a professional responsibility, students apprise appropriate personnel at the University and/or the practice agency in advance of unavoidable absences.

5. The student responds to feedback by listening to, evaluating, and responding to suggestions.

6. The student maintains positive, interpersonal relationships with peers, faculty, practice agency personnel and clients by contributing, co-operating, participating and working with others in a flexible and adaptable way.

7. The student demonstrates maturity and sound judgment in accordance with the standards of professional conduct.

8. The student respects the confidentiality of information about clients, peers, practice agency personnel and faculty received in confidence in the course of professional duties.

9. The student acts in a manner that maintains the honour and dignity of the profession and the University of Lethbridge.

10. The student adheres to the Standards of Practice of their jurisdictional professional regulatory body (e.g. College and Association of Registered Nurses of Alberta [CARNA], College of Registered Psychiatric Nurses of Alberta [CRPNA]) and the Canadian Nursing Association Code of Ethics.

f. Required Withdrawal
The M.N. Program Committee will make a recommendation to the Dean of the School of Graduate Studies for a student to be required to withdraw from the program if any of the following occurs:

- the GPA falls below 2.70;
- the student fails the nursing practicum course;
- the student fails to meet the Standards of Professional Conduct (see p. 123).

g. Academic Offences and Discipline
A graduate student is expected to exemplify high standards of academic and ethical behaviour and is subject to the University’s student discipline and ethical behaviour policies.

h. Appeals
Some appeals in the M.N. program should be directed to the Program Committee. Grade appeals for courses in the M.N. program will be processed through the School of Graduate Studies. The Program Committee will hear other appeals. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final. Students should consult the full description of the University policies on Appeal of Grade in the Calendar (see Academic Regulations, Grade Appeal Policy, p. 40).

i. Time Limits
Students must complete their program between a minimum of two years (four years for part-time study) and a maximum of three years (six years for part-time study).

j. Fees
See Fees, Graduate Programs 2017/2018 Fee Schedule in Fees on page 27.
For fee payment deadlines, see Fees, Important Dates and Fee Deadlines on page 33.

k. Full- and Part-Time Studies
Students continue with the participation status under which they started, i.e. full-time or part-time studies. However, under extraordinary circumstances, students may seek approval to change their participation status. Students seeking approval to change participation from full-time to part-time studies or vice versa must obtain approval from their supervisor, the Chair of M.N. Program Committee, and the Dean of the School of Graduate Studies. Such approval must be obtained no later than at the end of the first 12 months of study. Students may not change their status after 12 months of study.
7. SUPERVISION
Guidelines for supervisory procedures, including the conduct of a supervisor and suggestions for good practice, are contained in the University of Lethbridge M.N. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies.

8. FINANCIAL ASSISTANCE
For information on financial opportunities, please see www.uleth.ca/graduate-studies or contact the Graduate Studies Awards Advisor at sgs.awards@uleth.ca.

9. AWARDS AND SCHOLARSHIPS
See Awards and Scholarships on p. 195. Additional information regarding awards and scholarships is available at www.uleth.ca/graduate-studies or by contacting the Graduate Studies Awards Advisor at sgs.awards@uleth.ca.

10. ENGLISH LANGUAGE PROFICIENCY
English is the primary language of instruction and communication at the University of Lethbridge. Prior to registration, all applicants to the School of Graduate Studies must demonstrate English Language Proficiency (ELP) sufficient to meet the demands of classroom instruction, written assignments, research, and participation in tutorials and discussions, regardless of their citizenship status or country of origin.

The ELP requirement must be met prior to registration in a graduate program (see Graduate Conditional English Proficiency Admission, p. 124). The University reserves the right to use discretion in determining adequate levels of language proficiency to ensure success in academic programs. In all cases, the decision of the School of Graduate Studies shall be final.

a. English Language Proficiency Requirement
ELP may be demonstrated by any of the following:

1. Successful completion of a baccalaureate or master's degree at a recognized institution in Canada or another country where English is recognized as the primary language (see Recognized Countries, below). The student's work must have been in English.

2. Successful completion of a baccalaureate or master's degree at a recognized institution where the language of instruction is English. For a list of recognized institutions, see www.uleth.ca/ross/ admissions/elp_exempt. Other institutions will be considered on a case-by-case basis. The student's work must have been in English.

3. Successful completion of the Advanced Level of the University of Lethbridge English for Academic Purposes (EAP) program (see English for Academic Purposes (EAP), p. 62).

4. Test of English as a Foreign Language (TOEFL), taken within the last two years, with minimum scores of:
   a) 580 on the paper-based TOEFL and 5.0 on the Test of Written English (TWE); or
   b) 93 on the Internet-based TOEFL (iBT).
   Website: www.toefl.org (University of Lethbridge Destination Institution (DI) code: 0855)

5. Academic International English Language Testing System (IELTS) test, taken within the last two years, with a minimum overall score of 6.5, and a minimum of 5.5 in each band.
   Website: www.ielts.org

b. Recognized Countries
For the purposes of administering the ELP for Graduate Students requirement, the University of Lethbridge recognizes the following as countries where the primary language is English:

Anguilla Jamaica
Antigua and Barbuda Kenya
Australia Malta
Bahamas Mauritius
Belize Montserrat
Bermuda New Zealand
British Virgin Islands St. Helena
Canada St. Kitts and Nevis
Cayman Islands St. Vincent and the Grenadines
Dominica Trinidad and Tobago
Falkland Islands Turks and Caicos Islands
Grenada United Kingdom
Guam United States of America
Guyana

6. Academic Pearson Test of English (PTE), taken within the last two years, with a minimum overall score of 63.
   Website: www.pearsonpte.com

7. Canadian Academic English Language (CAEL) Assessment, taken within the last two years, with a minimum overall score of 70.
   Website: www.cael.ca

b. Required Documentation
All proof of English proficiency must be provided on official academic transcripts or standardized test score reports. Standardized test scores must be valid and verifiable.

d. Graduate Conditional English Proficiency Admission
The University of Lethbridge may extend a conditional Offer of Admission to highly-qualified graduate applicants who do not meet the minimum ELP requirement for admission to graduate programs. This policy is intended to facilitate admission of academically qualified, degree-seeking students who have not satisfied the minimum ELP requirement, but are being considered for admission by a graduate program.

Conditional admission allows students to apply for a study permit (if necessary) and begin their studies in the University’s English for Academic Purposes (EAP) program (see English for Academic Purposes (EAP), p. 62) only. Concurrent registration in an EAP program and graduate program is not permissible nor is it permissible to complete graduate program requirements. Upon successful completion of the prescribed terms of study in the EAP program, the student will proceed directly into the graduate degree program in the next term of admission.

To be considered for Conditional English Proficiency Admission, the applicant must meet the following criteria:
1. Have academic qualifications that satisfy the requirements of the graduate program they seek;

2. Have a minimum score of 5.5 in each band of the IELTS test or a minimum overall score of 80 on the iBT TOEFL, with minimum scores of 16 in each of Listening, Reading, and Speaking, and a minimum score of 18 in Writing; and

3. Be recommended for Conditional English Proficiency Admission by a graduate program committee.

The applicant must submit results for an IELTS or iBT TOEFL exam taken within the last two years and indicate in their Letter of Intent that they are seeking Conditional English Proficiency Admission.

Applicants admitted via the Conditional English Proficiency Admission route will normally be placed in the Advanced Level of the EAP program, though the University reserves the right to move the applicant to a lower level if deemed necessary. Applicants admitted via the Conditional English Proficiency Admission route may be permitted to begin their studies in the graduate program, provided that the ELP requirement is met by one of the other approved means no later than: August 1 for the fall term, November 15 for the spring term, or April 15 for the summer term.

In accepting an offer of Conditional English Proficiency Admission to a graduate program, the applicant is expected to successfully complete the Advanced Level of the EAP program in the term indicated in the Offer of Admission and begin their graduate program the following term. Applicants who do not fulfill the language proficiency requirement during the specified period will have their Offer of Admission rescinded. Such students may choose to continue in the EAP program and reapply for admission to a graduate program for the next term of admission.

Students admitted via the Conditional English Proficiency Admission route may not make academic progress toward their graduate degree or engage in academic research before fulfilling the ELP condition of the Offer of Admission. The School of Graduate Studies does not provide any financial support for students while they are enrolled in the EAP program.

Students admitted via the Conditional English Proficiency Admission route are considered to be full-time EAP students while continuously enrolled in the EAP program.

2. **ALL MAJORS DELIVERED BY THE FACULTY OF ARTS AND SCIENCE**

   **a. Statement of Purpose**
   The Master of Science (M.Sc.) program offers students in a wide range of disciplines the opportunity to earn a master's degree by writing a Thesis and successfully completing a limited number of courses. The number and details of the courses are determined within the first term of the student's program.

   Students may complete their degrees in either a full- or part-time capacity. Full-time students complete a 24-month program while part-time students complete a 48-month program. Part-time students will normally complete all required course work in the first 24 months, with the subsequent months committed to continued research and production of the Thesis.

   Although degrees are awarded in specific disciplines, the program is administered centrally by the School of Graduate Studies, rather than by individual departments or Faculties.

   Graduate degrees traditionally have been awarded for the successful completion of a satisfactory Thesis. The Thesis route expresses the fundamental tradition of academic scholarship. It also relates to the University's undergraduate programs, because the creation of a Thesis in any discipline calls for a range of skills which are central to the liberal education tradition, including analysis and synthesis of ideas, empirical investigations, the construction and articulation of arguments, and writing skills.

   Because of the nature of the M.Sc. program, the Thesis forms the central requirement of the program. At the master's level, a Thesis involves close collaboration between supervisor and student. Consequently, it is necessary for a candidate to establish contact with potential supervisors prior to application for admission. Candidates seeking potential supervisors should contact either the relevant academic department or the School of Graduate Studies.

   **b. Admission Requirements**
   Please refer to Part I - Admissions of the Undergraduate Calendar and Course Catalogue for University policies regarding: Dual Admissions; Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

   **1. Academic Qualifications for Admission**
   Applicants normally must meet the following minimum requirements before the University will consider admission:
   
   - A University of Lethbridge baccalaureate degree, or its academic equivalent from another recognized degree-granting institution, in the discipline of interest or in a closely cognate discipline. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees.
   - A minimum grade point average (GPA) of 3.00 (based on a 4.00 scale) on the last 20 graded university-level term courses.
   - All applicants must meet the English Language Proficiency (ELP) Requirement for Graduate Studies through recognized study or a valid standardized test (see English Language Proficiency, p. 137).

   Applicants are considered on a case-by-case basis. Preference is given to students whose proposed research is related to the supervisor's funded research program.

   **2. Application Deadlines**
   Students may be admitted to the M.Sc. program in order to begin their studies for the spring term (January to April), summer term (May to August), or fall term (September to December). Some majors within the M.Sc. program only admit students for the fall term (see Table I: Application Deadlines, p. 128).

Application deadlines for all Graduate Studies programs and application deadline extensions are available at www.uleth.ca/ross/admissions/grad/deadlines.

Spaces are limited in this program; the School of Graduate Studies encourages early application. However, students are admitted on a case-by-case basis.

Until commitment is obtained from a faculty member who is eligible to supervise graduate students, consideration for an application will not begin.

Applications and all required admission decision documentation (see Table 2: M.Sc. Program with Majors Delivered by the Faculty of Arts and Science Application Process, p. 130) with the possible exception of final term grades for those currently enrolled, must be submitted electronically via the online application system by the deadline. Successful applicants must arrange to have official transcripts sent from the issuing institution to the University of Lethbridge Admissions Office prior to course registration.

3. Process for Application/Admission

Applications apply via the online application system available at www.uleth.ca/graduate-studies/apply. Applicants are advised to begin work on the application well in advance of the application deadline and submit it as soon as possible (see Application Deadlines, p. 128).

No application can receive formal consideration until all documentation is received. All documents received in support of an application become the property of the University and will not be released or copied except to other employees of the University as required by University procedures regarding admission, registration, and awards and financial support administration.

Note: Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

Eligible applicants must apply for admission by following the process outlined in Table 2: M.Sc. Program with Majors Delivered by the Faculty of Arts and Science Application Process (p. 130) (see also Academic Qualifications for Admission, p. 128).

Unless alternative arrangements have been made, a student receiving an Offer of Admission to the program must register in the program no later than the date specified in the Offer of Admission. Failing to register in this way will result in the student forfeiting admission status.

Newly admitted students in the M.Sc. program are required to pay a non-refundable $200 deposit to confirm their acceptance of their admission. This deposit is credited toward their registration in the program.
**Table 2: M.Sc. Program with Majors Delivered by the Faculty of Arts and Science Application Process**

| STEP 1 - Applicant finds a potential supervisor | To find a potential supervisor, the applicant contacts a University of Lethbridge faculty member with expertise in the applicant’s research area. For assistance in identifying a potential supervisor, visit www.uleth.ca/graduate-studies/content/finding-supervisor. The University of Lethbridge Experts Database (www.uleth.ca/experts-database) is an information source that enables users the opportunity to search a wide variety of subjects and research areas. The applicant is advised to provide the potential supervisor a copy of unofficial transcripts in the consultation process. Should the previous program undertaken by the applicant show weaknesses, additional course work or other study may be required. Such work will not count toward the requirements for the master’s degree. |
| | |
| STEP 2 - Applicant submits the application online by the application deadline date | The following required admission decision documents must be submitted via the online application system, available at www.uleth.ca/graduate-studies/apply: |
| Unofficial academic transcripts | Admission decisions may be made on the basis of unofficial transcripts submitted via the online application system. |
| Three references | Contact information for three referees who are willing to submit a confidential assessment via the online system. |
| Curriculum Vitae (c.v.) | The applicant’s c.v. includes academic background, work experience, awards, scholarships, and publications. |
| Letter of Intent | The Letter of Intent indicates the applicant’s reasons for applying (e.g. goals, or objectives for seeking a graduate degree in the chosen discipline). |
| English Language Proficiency (ELP) | All applicants must meet ELP through recognized study or valid standardized test (see English Language Proficiency, p. 137). Student copies of test scores, if available, should be submitted via the online application system. |
| Additional documentation | If additional documentation is required, the School of Graduate Studies will contact the applicant. |
| Submission Process | Completion of the online application form requires uploading the required admission documents, providing referee names and contacts, and paying the application fee by midnight (MST/MDT) on the deadline date (see Table 1: Application Deadlines, p. 129). By submitting this application, applicants authorize the University of Lethbridge to request transcripts on their behalf from institutions participating in ApplyAlberta (Alberta Post-Secondary Application System). |
| STEP 3 - Applicant arranges for official documents | Official documents, including proof of graduation for the baccalaureate degree and transcripts of all post-baccalaureate work, if any, are required prior to course registration. Applicants who have attended or are currently attending institutions NOT participating in ApplyAlberta must arrange to have official transcripts sent directly from the issuing institution to the Admissions Office. A list of participating institutions is available at www.applyalberta.ca. |
| STEP 4 - Admission decision process | The Departmental Review Committee reviews the application and makes a recommendation on admission to the Program Committee. The office of the School of Graduate Studies, on behalf of the Dean of the School of Graduate Studies, unofficially informs the applicant of the Program Committee’s decision. Official admission decision will be sent electronically from the Admissions Office. Applicants will be notified of their official admission status by the Admissions Office no later than April 1, July 1, or December 1. Successful applicants will be advised of registration procedures at that time. |

4. **Admission Criteria**

**Because the capacity of the program is limited, not all students meeting the minimum admission requirements can be admitted.**

Criteria used for admission include:

- the student’s record and letters of recommendation;
- the proposed supervisor’s record of scholarship, completed and current, especially in relation to the proposed work;
- the feasibility of the project in the light of available resources; and,
- financial support for the student.

Students judged to be of suitable calibre but lacking in some necessary preparation may be considered for admission subject to those conditions judged necessary to correct the deficiencies. Candidates may be given one of two options: the required preparation may be undertaken prior to admission, with the permission of the Program Committee; or it may be taken after admission and within the maximum time limit of 24 months for full-time students and 48 months for part-time students. In either case the Program Committee establishes a definite date by which all conditions must be fully satisfied.

5. **Admission After an Approved Master’s Degree**

A student holding an approved master’s degree from a recognized institution who wants to pursue an entirely different field of study to enhance or change their career focus or international students seeking North American credentials may be considered for admission to a University of Lethbridge master’s degree program provided he/she meets all of the admission requirements.

Students normally are not eligible to pursue a second master’s degree which is similar to one already completed at a recognized institution. Generally, degrees with identical or closely related majors are considered to be similar. Courses used to complete the requirements of the first master’s degree normally cannot be used to fulfill the...
requirements of the second master’s degree; recommendations regarding exceptions may be made by the Program Committee to the Dean of the School of Graduate Studies. In all cases, the decision of the Dean of the School of Graduate Studies shall be final.

6. Exchange Students
Under approved exchange arrangements, M.Sc. students registered in programs at other post-secondary institutions who are not pursuing a degree at the University of Lethbridge may be admitted to take courses. The University of Lethbridge is a signatory of the Western Deans’ Agreement (see Registration, Western Deans’ Agreement, p. 22). Contact the School of Graduate Studies at sgsinquiries@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Academic Qualifications for Admission, p. 128).

7. Visiting Students
Where applicable, with the appropriate permission of the sending and receiving institutions, students may be admitted as Visiting students for study where formal exchange arrangements are not in place. They must satisfy the normal admission requirements of the University of Lethbridge. Contact the School of Graduate Studies at sgsinquiries@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Academic Qualifications for Admission, p. 128).

c. Requirements for Degree
For the M.Sc. program, students are required to complete courses, a Thesis, and a Thesis Oral Defence. Students develop their programs in consultation with their supervisors.

1. Course Work
For an M.Sc. student who is admitted unconditionally, from two to six graduate term courses or equivalent (6.0 to 18.0 credit hours) are required. The program may include one or more senior undergraduate courses provided that at least two graduate-level courses are included in the program. Any courses credited toward any other university credential are not counted toward the program.

Certain majors, and concentrations within majors, have required courses, as listed below:

a) Biological Sciences Major
   Biology 5500 - Graduate Seminar Series: Current Topics in Biological Sciences (3.0 credit hours)

b) Chemistry Major
   Chemistry 5250 - Advanced Contemporary Chemistry (3.0 credit hours)

c) Computer Science Major
   Two of:
   Computer Science 5110 - Studies in Algorithms (Series) (3.0 credit hours)
   Computer Science 5210 - Studies in Systems (Series) (3.0 credit hours)
3. ALL MAJORS DELIVERED BY THE FACULTY OF HEALTH SCIENCES

a. Statement of Purpose

The Master of Science program with majors delivered by the Faculty of Health Sciences offers students in a wide range of disciplines the opportunity to earn a master’s degree by writing a Thesis and successfully completing a limited number of courses. The number and details of the courses are determined within the first term of the student’s program.

Students may complete their degrees in either a full- or part-time capacity. Full-time students complete a 24-month program while part-time students complete a 48-month program. b. Admission Requirements

Please refer to Part 1 - Admissions of the Undergraduate Calendar and Course Catalogue for University policies regarding: Procedure for Readmission; Year of the Calendar; Simultaneous Enrollment; Misrepresentation/Falsified Admission Documents; and Authority to Recind Admission/Registration Privileges.

1. Academic Qualifications for Admission

   Applicants normally must meet the following minimum requirements before the University will consider admission:
   - A University of Lethbridge baccalaureate degree, or its academic equivalent from another recognized degree-granting institution,
   - Evidence of meeting the Spoken English Language Proficiency requirement (SELP) must be presented prior to admission and may be shown in one of the following ways:
     1. At least six consecutive years of full-time study in a country where the primary language is English from a recognized institution where the language of instruction is English (see Recognized Countries, p. 138). These studies must include satisfactory completion of English Language Arts 30-1 or its equivalent, or satisfactory completion of a university-level course in English (minimum 3.0 credit hours).
     2. A minimum score of 50 on the TSE (Test of Spoken English).
     3. A minimum score of 26 on the iBT TOEFL Speaking section.
     4. A minimum score of 7.5 on the IELTS band for Speaking.
     5. A minimum score of 70 on the CAEL sub-test for Speaking.
     6. A minimum score of 3 on the MELAB Speaking section.

   Note: Admission may not be granted or may be revoked if contradictory evidence exists (e.g., low TOEFL scores, low grades on an English course, or significant communication difficulties).

   All applicants meet the English Language Proficiency (ELP) Requirement for Graduate Studies through recognized study or a standardized test (see English Language Proficiency, p. 137).

   Applicants are considered on a case-by-case basis. Preference is given to students whose proposed research is related to the supervisor’s funded research program.

2. Application Deadlines

   Students may be admitted to the majors delivered by the Faculty of Health Sciences in the M.Sc. program in order to begin their studies for the fall term (September to December) (see Table 3: Application Deadlines).

Table 3: Application Deadlines
Application deadlines for all Graduate Studies programs and application deadline extensions are available at www.uleth.ca/ross/admissions/grad/deadlines.

Spaces are limited in this program; the School of Graduate Studies encourages early application. However, students are admitted on a case-by-case basis.

Until commitment is obtained from a faculty member who is eligible to supervise graduate students, consideration for an application will not begin.

Applications and all required admission decision documentation (see Table 4: M.Sc. Program with Majors Delivered by the Faculty of Health Sciences Application Process, p. 134) with the possible exception of final term grades for those currently enrolled, must be submitted electronically via the online application system by the deadline. Successful applicants must arrange to have official documents sent from the issuing institution to the University of Lethbridge Admissions Office prior to course registration.

3. Process for Application/Admission

Applicants apply via the online application system available at www.uleth.ca/graduate-studies/apply.

Applicants are advised to begin work on the application well in advance of the application deadline and submit it as soon as possible (see Application Deadlines, p. 132).

No application can receive formal consideration until all documentation is received. All documents received in support of an application become the property of the University and will not be released or copied except to other employees of the University as required by University procedures regarding admission, registration, and awards and financial support administration.

Note: Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

Eligible applicants must apply for admission by following the process outlined in Table 4: M.Sc. Program with Majors Delivered by the Faculty of Health Sciences Application Process (p. 134) (see also Academic Qualifications for Admission, p. 132).

Unless alternative arrangements have been made, a student receiving an Offer of Admission to the program must register in the program no later than the date specified in the Offer of Admission. Failing to register in this way will result in the student forfeiting admission status.

Newly admitted students in the M.Sc. program are required to pay a non-refundable $200 deposit to confirm their acceptance of their admission. This deposit is credited toward their registration in the program.

4. Admission Criteria

Because the capacity of the program is limited, not all students meeting the minimum admission requirements can be admitted.

Criteria used for admission include:

- the student’s record and letters of recommendation;
- the proposed supervisor’s record of scholarship, completed and current, especially in relation to the proposed work;
- the feasibility of the project in the light of available resources; and,
- financial support for the student.

Students judged to be of suitable calibre but lacking in some necessary preparation may be considered for admission subject to those conditions judged necessary to correct the deficiencies. Candidates may be given one of two options: the required preparation may be undertaken prior to admission, with the permission of the Program Committee; or it may be taken after admission and within the maximum time limit of 24 months for full-time students and 48 months for part-time students. In either case the Program Committee establishes a definite date by which all conditions must be fully satisfied.

5. Admission After an Approved Master’s Degree

A student holding an approved master’s degree from a recognized institution who wants to pursue an entirely different field of study to enhance or change their career focus or international students seeking North American credentials may be considered for admission to a University of Lethbridge master’s degree program provided he/she meets all of the admission requirements.
Students normally are not eligible to pursue a second master's degree which is similar to one already completed at a recognized institution. Generally, degrees with identical or closely related majors are considered to be similar. Courses used to complete the requirements of the first master's degree normally cannot be used to fulfill the requirements of the second master's degree; recommendations regarding exceptions may be made by the Program Committee to the Dean of the School of Graduate Studies. In all cases, the decision of the Dean of the School of Graduate Studies shall be final.

6. Exchange Students
Under approved exchange arrangements, M.Sc. students registered in programs at other post-secondary institutions who are not pursuing a degree at the University of Lethbridge may be admitted to take courses. The University of Lethbridge is a signatory of the Western Deans’ Agreement (see Registration, Western Deans’ Agreement, p. 22). Contact the School of Graduate Studies at sgsinquiries@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Academic Qualifications for Admission, p. 132).

7. Visiting Students
Where applicable, the appropriate permission of the sending and receiving institutions, students may be admitted as Visiting Students for study where formal exchange arrangements are not in place. They must satisfy the normal admission requirements of the University of Lethbridge. Contact the School of Graduate Studies at sgsinquiries@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Academic Qualifications for Admission, p. 132).

c. Requirements for Degree
For the M.Sc. program, students are required to complete courses, a Thesis, and a Thesis Oral Defence. Students develop their programs in consultation with their supervisors.

1. Course Work
For an M.Sc. student who is admitted unconditionally, four graduate term courses or equivalent (12.0 credit hours) are required, as listed below:
- Health Sciences 5100 - Research Methods
- Health Sciences 5200 - Philosophy of Inquiry
- Health Sciences 5300 - Advanced Statistics
- Health Sciences 5400 - Advanced Qualitative Analysis

2. Thesis (90.0 credit hours)

Thesis Proposal
The Student must complete a Thesis Proposal and submit it to the School of Graduate Studies.

Full-time M.Sc. students must submit their Thesis Proposal by the end of the second term of their program.

Part-time M.Sc. students must submit their Thesis Proposal by the end of the fourth term of their program.

Written Thesis
Although there is some variation over disciplines, most theses follow a conventional format. Standards and conventions widely used in Canada and adopted by the University are to be found in the University of Lethbridge M.Sc. Program: Policies and Procedures manual. The final version of the Thesis (i.e., assessed and corrected, if necessary) must be submitted to the School of Graduate Studies for approval by the Dean.

4. COURSES
See Course Catalogue on page 163. A listing of all University of Lethbridge courses is available online at www.uleth.ca/ross/courses.

5. CO-OPERATIVE EDUCATION/INTERNSHIP OPTION
The Co-operative Education/Internship Option is available to students for the M.Sc. program.

Co-operative Education is an educational model that formally integrates academic study at the master’s level with relevant, paid work experience in appropriate employment fields such as government, institutions and industry. The University, the employer, and the student are in partnership to ensure an enriching experience toward the student’s professional development.

Further information and details concerning admission and requirements may be obtained from the Faculty of Arts and Science Office of Co-operative Education/Internship Programs (AH154; tel. 403-382-7154; email: artsci.coop@uleth.ca; website: www.uleth.ca/coop/fas).

a. Admission
Students may be accepted into the Co-op Option in the first term of their graduate program. Students are therefore encouraged to contact the Faculty of Arts and Science Co-operative Education Office as soon as possible upon admission to their graduate program.

The criteria for admission include:

1. Admission to a M.Sc. program
2. Grade point average and academic standing
3. A resumé and application form
4. A personal interview
5. Approval of the student’s supervisor, in consultation with the School of Graduate Studies and the Arts and Science Co-operative Education Office

Other factors such as labour market conditions, work experience, volunteer experience, and extracurricular activities are also considered when selecting participants for the program.

b. Requirements

Normally, students are required to complete successfully two work terms of four months each (or one of eight months) to earn the Co-op designation for the M.Sc. degree.

To receive the Co-op designation for the degree, students must complete successfully, in addition to the course, major, and degree requirements, two work terms:

Arts and Science 5011 - Co-op Work Experience I
Arts and Science 5012 - Co-op Work Experience II

Students may also opt for a maximum of two additional work terms:

Arts and Science 5013 - Co-op Work Experience III
Arts and Science 5014 - Co-op Work Experience IV

Students must be registered for the entire duration of the work term(s) applied for through the Co-op program, including extensions, and, once registered, are not permitted to withdraw from the work placement without penalty of failure. A grade of ‘F’ (fail) will be entered on the transcript for the whole term(s) unless extenuating circumstances warrant granting of a Withdrawal with Cause (‘WC’), in accordance with University of Lethbridge policy (see Academic Regulations, WC - Withdrawal with Cause, p. 37). Where approval is granted by the Coordinator of Co-operative Education and the Dean of Graduate Studies, a ‘WC’ will be entered on the transcript. Tuition fees will be assessed as per the University’s Withdrawal with Cause policy. Students may consult the Co-op student handbook for further information/regulations and should contact the Coordinator of Co-operative Education for assistance with the procedure.

c. Continuation in the Programs

Students must acknowledge, accept and abide by the requirements and regulations as outlined in the Calendar and the Co-op Student Handbook.

d. Transfer of Co-op Terms

Students enrolled in a M.Sc. program may not transfer Co-op terms from other institutions.

6. GENERAL REGULATIONS

a. Credit for Previous Work

With the express permission of the Program Committee in each case, courses which have not already been credited toward a completed university credential may be accepted for credit in the master’s program. All courses considered for transfer credit must carry a grade of ‘B-’ or higher and must have been completed no longer than seven years prior to the student’s admission to the program.

b. Residence Requirements and Time Limits

Residence is defined as the period during which the student is registered in the program, taking courses, or pursuing scholarly work, or both, at the University of Lethbridge.

The minimum residence requirement for full-time students shall be 12 months continuous registration in the program (three terms per year). Residence requirements for part-time students may be adjusted.

For full-time students, the maximum time limit for degree completion shall be 24 months continuous registration in the program. For part-time students, the maximum time limit for degree completion shall be 48 months continuous registration in the program.

All required and/or specified courses must be completed and the Thesis submitted within the maximum time limit. Except with the written permission of the School of Graduate Studies’ Dean or Designate, students must maintain continuous registration in the program.

At the end of the maximum time limit, in cases where there is judged to be cause and where completion is imminent, the School of Graduate Studies’ Dean or Designate may approve a leave of absence or extend the time limit for a maximum period of 12 months. Failure to complete within this period will result in the candidate being required to withdraw from the program.

Full-time or part-time students who do not register in the program in any term will be considered to have withdrawn unless a leave of absence has been approved. Residence requirements must still be met.

With the expressed permission of the student’s supervisor, a student may maintain resident status while conducting research off-campus (e.g., on field trips, using facilities or consulting libraries elsewhere).

It may be necessary for students to include in their program courses to be completed at other institutions. Proposals for such courses must be approved by the student’s supervisor, and the residence requirements may be adjusted, if necessary.

c. Leave of Absence

See Academic Regulations, Leave of Absence on page 38.

d. Academic Standards

Students must receive a minimum grade of ‘B-’ (2.70 on a 4.00 scale) in all courses which are graded and which count toward the degree. A student who receives more than two grades below a ‘B-’ may be asked to withdraw from the program. All courses completed in the M.Sc. program or transferred into the program are included in the calculation of the program GPA for graduation purposes. Transfer credit is not included in the GPA on the official transcript. A student must obtain a minimum cumulative program GPA of 3.00 in order to graduate from the program.

A student whose performance in the program is judged unsatisfactory by the Program Committee may be placed on probation; continued unsatisfactory performance may result in the student being required to withdraw from the program.
e. Appeals
All appeals in the M.Sc. program should be directed to the Chair of the M.Sc. program. Grade appeals for courses in the M.Sc. program will be processed through the School of Graduate Studies. Other appeals will be heard by the Program Committee. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final.

Students should consult the full description of the University policies on Appeal of Grade in the Calendar (see Academic Regulations, Grade Appeal Policy, p. 40).

f. Academic Offences and Discipline
Graduate students are expected to exemplify high standards of academic and ethical behaviour and are subject to the University's student discipline and ethical behaviour policies.

g. Fees
Fees are charged on a program basis. Fees for full-time students are assessed for the first calendar year (three terms of study) and to be paid over three terms of study—one in each of the three terms. Full-time students are assessed a Continuation Fee per term effective in their second year of study. Part-time students are assessed fees over the first six terms of their program. Part-time students are assessed a Continuation Fee per term effective in their third year of study.

Note: The total tuition assessed for full-time students is equal to that of part-time students over the tenure of their respective programs. Tuition will not be reduced if students complete their programs earlier than the minimum time limit.

A Continuation Fee shall be assessed for each subsequent term while a student remains in the program, whether the student is resident for all or part of that term. The term fee shall be set each year by the Board of Governors.

See the Fees, Graduate Programs 2017/2018 Fee Schedule on page 27.
For fee payment deadlines, see Fees, Important Dates and Fee Deadlines on page 33.

h. Full- and Part-Time Studies
Students continue with the participation status under which they started, i.e., full-time or part-time studies. However, under extraordinary circumstances, students may seek approval to change their participation status.

Students seeking approval to change participation from full-time to part-time studies or vice versa must obtain approval from their supervisor, the Chair of the department or department graduate coordinator, and the Dean of the School of Graduate Studies. Such approval must be obtained no later than at the end of the first 12 months of study. Students may not change their status after 12 months of study.

7. SUPERVISION
Guidelines for supervisory procedures, including the conduct of a supervisor and suggestions for good practice, are contained in the University of Lethbridge M.Sc. Program: Policies and Procedures manual available at www.uleth.ca/graduate-studies.

8. FINANCIAL OPPORTUNITIES
For information on financial opportunities, please see www.uleth.ca/graduate-studies or contact the Graduate Studies Awards Advisor at sgs.awards@uleth.ca.

9. AWARDS AND SCHOLARSHIPS
See Awards and Scholarships on p. 195. Additional information regarding awards and scholarships is available at www.uleth.ca/graduate-studies or by contacting the Graduate Studies Awards Advisor at sgs.awards@uleth.ca.

10. ENGLISH LANGUAGE PROFICIENCY
English is the primary language of instruction and communication at the University of Lethbridge. Prior to registration, all applicants to the School of Graduate Studies must demonstrate English Language Proficiency (ELP) sufficient to meet the demands of classroom instruction, written assignments, research, and participation in tutorials and discussions, regardless of their citizenship status or country of origin.

The ELP requirement must be met prior to registration in a graduate program (see Graduate Conditional English Proficiency Admission, p. 138). The University reserves the right to use discretion in determining adequate levels of language proficiency to ensure success in academic programs. In all cases, the decision of the School of Graduate Studies shall be final.

a. English Language Proficiency Requirement
ELP may be demonstrated by any of the following:

1. Successful completion of a baccalaureate or master’s degree at a recognized institution in Canada or another country where English is recognized as the primary language (see Recognized Countries, below). The student’s work must have been in English.

2. Successful completion of a baccalaureate or master’s degree at a recognized institution where the language of instruction is English. For a list of recognized institutions, see www.uleth.ca/ross/admissions/elp_exempt. Other institutions will be considered on a case-by-case basis. The student’s work must have been in English.

3. Successful completion of the Advanced Level of the University of Lethbridge English for Academic Purposes (EAP) program (see English for Academic Purposes (EAP), p. 62).

4. Test of English as a Foreign Language (TOEFL), taken within the last two years, with minimum scores of:
   a) 580 on the paper-based TOEFL and 5.0 on the Test of Written English (TWE); or
   b) 93 on the Internet-based TOEFL (iBT).

Website: www.toefl.org (University of Lethbridge Destination Institution (DI) code: 0855)

5. Academic International English Language Testing System (IELTS) test, taken within the last two years, with a minimum overall score of 6.5, and a minimum of 5.5 in each band.

Website: www.ielts.org

6. Academic Pearson Test of English (PTE), taken within the last two years, with a minimum overall score of 63.

Website: www.pearsonpte.com

7. Canadian Academic English Language (CAEL) Assessment, taken within the last two years, with a minimum overall score of 70.

Website: www.cael.ca
b. Recognized Countries
For the purposes of administering the ELP for Graduate Students requirement, the University of Lethbridge recognizes the following as countries where the primary language is English:

c. Required Documentation
All proof of English proficiency must be provided on official academic transcripts or standardized test score reports. Standardized test scores must be valid and verifiable.

d. Graduate Conditional English Proficiency Admission
The University of Lethbridge may extend a conditional Offer of Admission to highly-qualified graduate applicants who do not meet the minimum ELP requirement for admission to graduate programs. This policy is intended to facilitate admission of academically qualified, degree-seeking students who have not satisfied the minimum ELP requirement, but are being considered for admission by a graduate program.

Conditional admission allows students to apply for a study permit (if necessary) and begin their studies in the University’s English for Academic Purposes (EAP) program (see English for Academic Purposes (EAP), p. 62) only. Concurrent registration in an EAP program and graduate program is not permissible nor is it permissible to complete graduate program requirements. Upon successful completion of the prescribed terms of study in the EAP program, the student will proceed directly into the graduate degree program in the next term of admission.

To be considered for Conditional English Proficiency Admission, the applicant must meet the following criteria:

1. Have academic qualifications that satisfy the requirements of the graduate program they seek;
2. Have a minimum score of 5.5 in each band of the IELTS test or a minimum overall score of 80 on the iBT TOEFL, with minimum scores of 16 in each of Listening, Reading, and Speaking, and a minimum score of 18 in Writing; and
3. Be recommended for Conditional English Proficiency Admission by a graduate program committee.

The applicant must submit results for an IELTS or iBT TOEFL exam taken within the last two years and indicate in their Letter of Intent that they are seeking Conditional English Proficiency Admission.

Applicants admitted via the Conditional English Proficiency Admission route will normally be placed in the Advanced Level of the EAP program, though the University reserves the right to move the applicant to a lower level if deemed necessary. Applicants admitted via the Conditional English Proficiency Admission route may be permitted to begin their studies in the graduate program, provided that the ELP requirement is met by one of the other approved means no later than: August 1 for the fall term, November 15 for the spring term, or April 15 for the summer term.

In accepting an offer of Conditional English Proficiency Admission to a graduate program, the applicant is expected to successfully complete the Advanced Level of the EAP program in the term indicated in the Offer of Admission and begin their graduate program the following term. Applicants who do not fulfill the language proficiency requirement during the specified period will have their Offer of Admission rescinded. Such students may choose to continue in the EAP program and reapply for admission to a graduate program for the next term of admission.

Students admitted via the Conditional English Proficiency Admission route may not make academic progress toward their graduate degree or engage in academic research before fulfilling the ELP condition of the Offer of Admission. The School of Graduate Studies does not provide any financial support for students while they are enrolled in the EAP program.

Students admitted via the Conditional English Proficiency Admission route are considered to be full-time EAP students while continuously enrolled in the EAP program.

   M.Sc. (Mgt.) (offered in the Faculty of Management)

   **Majors**  
   Accounting  
   Finance  
   Human Resource Management and Labour Relations  
   Information Systems  
   International Management  
   Marketing  
   Policy and Strategy

2. **CAMPUSES**

   The Faculty of Management offers the M.Sc. (Mgt.) program on two campuses: Calgary and Lethbridge (main). The Finance and Accounting majors are not available on the Calgary campus.

3. **STATEMENT OF PURPOSE**

   The M.Sc. (Mgt.) program is designed to provide students with the knowledge and hands-on experience to conduct rigorous and scholarly investigation into an issue facing management in the area of the chosen major. The M.Sc. (Mgt.) program involves an orientation, several courses and workshops, and culminates in a significant Master’s Thesis. The program may be delivered using a variety of blended learning technologies including videoconferencing and face-to-face instruction.

   Each student will major in one of seven areas: Accounting, Finance, Human Resource Management and Labour Relations, Information Systems, International Management, Marketing, or Policy and Strategy. To constitute the major, students will take two seminars—Management 5200 and Management 5300. Not all majors may be offered every year.

   Students may complete their degrees in either a full- or part-time capacity. Full-time students complete a 24-month program while part-time students complete a 48-month program. Part-time students will complete all required course work in the first 32 months, with the subsequent months committed to continued research and production of the Thesis.

4. **ADMISSION REQUIREMENTS**

   Please refer to Part 1 - Admissions of the Undergraduate Calendar and Course Catalogue for University policies regarding: Dual Admission; Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

   a. **Academic Qualifications for Admission**

      Applicants normally must meet the following minimum requirements before the University will consider admission:

      1. A University of Lethbridge Bachelor of Management degree or its academic equivalent from another recognized degree-granting institution, in the discipline of interest or in a closely cognate discipline. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge baccalaureate degrees. A baccalaureate degree, or its academic equivalent, in disciplines other than Business or Management will be considered on a case-by-case basis.

      2. A minimum grade point average (GPA) of 3.00 (based on a 4.00 scale) on the last 20 graded university-level term courses.

   b. **Application Deadlines**

      Students are admitted only once a year, on a cohort basis. Applications and all supporting documentation, with the possible exception of final term grades for those currently enrolled, must be received no later than February 1 for admission to the fall term (see Table 1: Application Deadlines, p. 141).

      Application deadlines and application deadline extensions for all Graduate Studies programs are available at www.uleth.ca/ross/admissions/grad/deadlines.

      Applications and all required admission decision documentation (see Table 2: M.Sc. (Mgt.) Program Application Process, p. 141), with the possible exception of final term grades from those currently enrolled, must be submitted electronically via the online application system not later than the deadline listed above. Successful applicants must arrange to have official documents sent from the issuing institution to the University of Lethbridge Admissions Office prior to course registration.
c. Process for Application/Admission

Applicants apply via the online application system available at www.uleth.ca/graduate-studies/apply. Applicants are advised to begin work on the application well in advance of the application deadline and submit it as soon as possible (see Application Deadlines, p. 140).

No application can receive formal consideration until all admission decision documentation is received. All documents received in support of an application become the property of the University and will not be released or copied except to other employees of the University as required by University procedures regarding admission, registration, and awards and financial support administration.

Note: Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

Eligible applicants must apply for admission by following the process outlined in Table 2: M.Sc. (Mgt.) Program Application Process (p. 141) (see also Academic Qualifications for Admission, p. 140).

Newly admitted students in the M.Sc. (Mgt.) program are required to pay a non-refundable $200 deposit to confirm their acceptance of their admission. This deposit is credited toward their registration in the program.

By submitting this application, applicants authorize the University of Lethbridge to request transcripts on their behalf from institutions participating in ApplyAlberta (Alberta Post-Secondary Application System).

Step 2 - Applicant arranges for official documents

Official documents, including proof of graduation for the baccalaureate degree and transcripts of all post-baccalaureate work, if any, are required prior to course registration.

Applicants, who have attended or are currently attending institutions NOT participating in ApplyAlberta, must arrange to have official transcripts sent directly from the issuing institution to the Admissions Office. A list of participating institutions is available at www.applyalberta.ca.

Step 3 - Admission decision process

The Management Graduate Programs Office unofficially informs the applicant of the Program Committee’s decision. Official admission decisions will be sent electronically by the Admissions Office. Successful applicants will be advised of registration procedures at that time.
d. Admission Criteria

Because the capacity of the program is limited, not all students meeting the general admission requirements can be admitted. Criteria used for admission include:

- the student’s record, test scores and references;
- the matching of a student with Faculty resources, research interests, and availability for supervising Master’s Theses in the available majors.

Students judged to be of suitable calibre, but lacking in some necessary preparation, may be considered for admission subject to those conditions deemed necessary to correct the deficiencies. Candidates may be given one of two options: the required preparation may be undertaken prior to admission, with the permission of the Program Committee; or it may be taken after admission and within the maximum time limit of 24 months for full-time students and 48 months for part-time students. In either case the M.Sc. (Mgt.) Program Committee establishes a definite date by which all conditions must be satisfied.

e. Admission After an Approved Master’s Degree

A student holding an approved master’s degree from a recognized institution who wants to pursue an entirely different field of study to enhance or change their career focus or international students seeking North American credentials may be considered for admission to a University of Lethbridge master’s degree program provided he/she meets all of the admission requirements. Students normally are not eligible to pursue a second master’s degree which is similar to one already completed at a recognized institution. Generally, degrees with identical or closely related majors are considered to be similar. Courses used to complete the requirements of the first master’s degree normally cannot be used to fulfill the requirements of the second master’s degree; recommendations regarding exceptions may be made by the Program Committee to the Dean of the School of Graduate Studies. In all cases, the decision of the Dean of the School of Graduate Studies shall be final.

5. REQUIREMENTS FOR DEGREE

The M.Sc. (Mgt.) consists of 36.0 credit hours of full-time study involving an orientation, course work, several research-focused workshops and a Master’s Thesis. The program is divided into four modules running over a two-year period. At the time of admission, students are required to declare an approved Management major.

a. Orientation Module (0.0 credit hours)

The Orientation Module includes a number of short refresher seminars on statistics, use of computers, library facilities and other topics. The module is composed of:

Management 5100 - Orientation (0.0 credit hours)

b. Integrative Management Studies Module (12.0 credit hours)

The Integrative Module exposes students to a comprehensive and rigorous cross-disciplinary analysis of the field of Management. The module is composed of:

Management 5110 - Management Field Overviews (1.5 credit hours) AND Management 5130 - Ways of Knowing (1.5 credit hours), OR Management 5225 - Major Seminar II (Series) (3.0 credit hours) if required by supervising area

Management 5115 - Research Workshops (0.0 credit hour)
Management 5120 - Thinking by Design I (1.5 credit hours)
Management 5150 - Research Methods in Management (3.0 credit hours)
Management 5170 - Data Management and Statistical Techniques I (1.5 credit hours)
Management 5200 - Major Seminar I (Series) (3.0 credit hours)

Note: Courses in this module may be offered in the next module depending on resource availability.

c. Major Module (9.0 credit hours)

In the Major Module, students undertake in-depth studies in their approved major and develop their initial research proposals in more detail. Students will defend their Master’s Thesis proposals by the end of this module. The module is composed of:

Management 5125 - Thinking by Design II (1.5 credit hours)
Management 5160 - Qualitative Methods and Analysis (3.0 credit hour) OR Economics 3950 - Econometrics I (3.0 credit hours) at the graduate level if required by supervising area OR Economics 5960 - Econometric Theory and Applications (3.0 credit hours) if required by supervising area
Management 5175 - Data Management and Statistical Techniques II (1.5 credit hours)
Management 5300 - Major Seminar III (Series) (3.0 credit hours)

Note: Courses in this module may be offered in the next module depending on resource availability.

d. Master’s Thesis (15.0 credit hours)

Management 6100 - Master’s Thesis

The Master’s Thesis addresses a significant management issue or problem. The topic must address valid research questions related to real market, industry, or organization issues in the area of specialization. The Thesis must yield output of publishable quality that reflects a substantive contribution to knowledge.

Students will defend their Master’s Thesis proposal early in the module, and must be successful to continue with their Thesis work.

Students must submit a final version of the Master’s Thesis to their Thesis Examination Committee, a four-person committee consisting of their supervisor, one faculty member of the Faculty of Management, one faculty member who may be external to the Faculty of Management, and one faculty member who is external to the University of Lethbridge.

The Master’s Thesis must be defended in an oral examination. The Master’s Thesis is graded Pass/Fail. The Examination Committee may assess a qualified pass to the Master’s Thesis in those instances where it is evaluated as a largely successful Thesis, but which nevertheless requires significant revisions. Once the Master’s Thesis is final (i.e., assessed and corrected, if necessary), it must be submitted in both print and electronic formats.

6. COURSES

See Course Catalogue on page 163. A listing of all University of Lethbridge courses is available online at www.uleth.ca/ross/courses.
7. GENERAL REGULATIONS

a. Credit for Previous Work
With the express permission of the Program Committee in each case, courses which have not already been credited toward a completed university credential may be accepted for credit in the master’s program. All courses considered for transfer credit must carry a grade of ‘B’ or higher and must have been completed no longer than three years prior to the student’s admission to the program.

b. Residence Requirements and Time Limits
Residence is defined as the period during which the student is registered in the program, taking courses or pursuing scholarly work, or both, at the University of Lethbridge.

The minimum residence requirement for full-time students shall be 12 months full-time continuous registration in the program (three terms per year). Residence requirements for part-time students may be adjusted.

For full-time students, the maximum time limit for degree completion shall be 24 months continuous registration in the program. For part-time students, the maximum time limit for degree completion shall be 48 months continuous registration in the program.

All required and/or specified courses must be completed and the Thesis submitted within the maximum time limit. Except with the written permission of the Program Committee, students must maintain continuous registration in the program.

At the end of the maximum time limit, in cases where there is judged to be cause and where completion is imminent, the Program Committee may approve to extend the time limit for a maximum period of 12 months. Failure to complete within this period will result in the candidate being required to withdraw from the program.

With the expressed permission of the Program Committee, a student may maintain resident status while conducting research off-campus (e.g., on field trips, using facilities, or consulting libraries elsewhere).

c. Leave of Absence
See Academic Regulations, Leave of Absence on page 38.

d. Academic Standards
Students must receive a minimum grade of ‘B-’ (2.70 on a 4.00 scale) in all courses which are graded and which count toward the degree and in all qualifying courses, if any. A student who receives two grades below a ‘B-’ may be required to withdraw from the program. All courses completed in the M.Sc. (Mgt.) program or transferred into the program are included in the calculation of the program GPA for graduation purposes. Transfer credit is not included in the GPA on the official transcript. A student must obtain a minimum cumulative program GPA of 3.00 in order to graduate from the program.

A student whose performance in the program is judged unsatisfactory by the Program Committee may be placed on probation; continued unsatisfactory performance may result in the student being required to withdraw from the program.

e. Appeals
All appeals in the M.Sc. (Mgt.) program should be directed to the Faculty of Management’s Graduate Programs and Research Office. Grade appeals for courses in the M.Sc. (Mgt.) program will be processed through the School of Graduate Studies. Other appeals will be heard by the Program Committee. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final.

Students should consult the full description of the University policies on Appeal of Grade in the Calendar (see Academic Regulations, Grade Appeal Policy, p. 40).

f. Academic Offences and Discipline
Graduate students are expected to exemplify high standards of academic and ethical behaviour and are subject to the University’s student discipline and ethical behaviour policies.

g. Fees
Fees are charged on a program basis. Fees for full-time students are assessed for the first calendar year (three terms of study) and to be paid over three terms of study—one in each of the three terms. Full-time students are assessed a continuation fee per term effective in their second year of study. Part-time students are assessed fees over the first six terms of their program. Part-time students are assessed a continuation fee per term effective in their third and fourth year of study.

Note: The total tuition assessed for full-time students is equal to that of part-time students over the tenure of their respective programs. Tuition will not be reduced if students complete their programs earlier than the minimum time limit.

A Continuation Fee shall be assessed for each subsequent term while a student remains in the program, whether the student is resident for all or part of that term. The term fee shall be set each year by the Board of Governors.

See the Fees, Graduate Programs 2017/2018 Schedule in Fees and Fee Deadlines on page 27.

For fee payment deadlines, see Fees, Important Dates and Fee Deadlines on page 33.

h. Visiting, Auditing and Exchange Students
Admission of a Visiting, Auditing or Exchange student to any graduate courses is contingent upon the priorities for admission established by the University of Lethbridge, space being available within the class size quota, and upon satisfying academic qualifications for admission (see Academic Qualifications for Admission, p. 140). Until the quota is filled, applicants will be considered on a first-come, first-served basis. If appropriate, Visiting students will be governed by the Western Deans’ Agreement (see Registration, Western Deans’ Agreement, p. 22).

Contact the Management Graduate Programs Office (phone: 403-380-1819; email: msc.management@uleth.ca) for application and registration information.
i. **Full- and Part-Time Studies**

Students continue with the participation status under which they started (i.e., full-time or part-time studies). However, under extraordinary circumstances, students may seek approval to change their participation status. Students seeking approval to change participation from full-time to part-time studies or vice versa must obtain approval from their supervisor, the Chair of the Department or Department Graduate Coordinator, and the Dean of the School of Graduate Studies. Such approval must be obtained no later than at the end of the first 12 months of study. Students may not change their status after 12 months of study.

8. **SUPERVISION**

Guidelines for supervisory procedures, including the conduct of a supervisor and suggestions for good practice, are contained in the *University of Lethbridge M.Sc. (Mgt) Program: Policies and Procedures* manual, which is available from the Faculty of Management's Graduate Programs and Research Office.

9. **FINANCIAL OPPORTUNITIES**

For information on financial opportunities, please see [www.uleth.ca/graduate-studies](http://www.uleth.ca/graduate-studies) or contact the Graduate Studies Awards Advisor at sgs.awards@uleth.ca.

10. **AWARDS AND SCHOLARSHIPS**

See Awards and Scholarships on p. 195. Additional information regarding awards and scholarships is available at [www.uleth.ca/graduate-studies](http://www.uleth.ca/graduate-studies) or by contacting the Graduate Studies Awards Advisor at sgs.awards@uleth.ca.

11. **ENGLISH LANGUAGE PROFICIENCY**

English is the primary language of instruction and communication at the University of Lethbridge. Prior to registration, all applicants to the School of Graduate Studies must demonstrate English Language Proficiency (ELP) sufficient to meet the demands of classroom instruction, written assignments, research, and participation in tutorials and discussions, regardless of their citizenship status or country of origin.

The ELP requirement must be met prior to registration in a graduate program (see *Graduate Conditional English Proficiency Admission*, p. 145). The University reserves the right to use discretion in determining adequate levels of language proficiency to ensure success in academic programs. In all cases, the decision of the School of Graduate Studies shall be final.

a. **English Language Proficiency Requirement**

ELP may be demonstrated by any of the following:

1. Successful completion of a baccalaureate or master's degree at a recognized institution in Canada or another country where English is recognized as the primary language (see Recognized Countries, below). The student's work must have been in English.

2. Successful completion of a baccalaureate or master's degree at a recognized institution where the language of instruction is English. For a list of recognized institutions, see [www.uleth.ca/ross/grad/requirements/elp](http://www.uleth.ca/ross/grad/requirements/elp).

b. **Recognized Countries**

For the purposes of administering the ELP for Graduate Students requirement, the University of Lethbridge recognizes the following as countries where the primary language is English:

- Anguilla
- Antigua and Barbuda
- Australia
- Barbados
- Belize
- Bermuda
- British Virgin Islands
- Canada
- Cayman Islands
- Dominica
- Falkland Islands
- Grenada
- Guam
- Guatemala
- Ireland (Republic of)
- Jamaica
- Kenya
- Malta
- Mauritius
- Montserrat
- New Zealand
- St. Helena
- St. Kitts and Nevis
- St. Vincent and the Grenadines
- Trinidad and Tobago
- Turks and Caicos Islands
- United Kingdom
- United States of America
- Guyana

All proof of English proficiency must be provided on official academic transcripts or standardized test score reports. Standardized test scores must be valid and verifiable.
d. **Graduate Conditional English Proficiency Admission**

The University of Lethbridge may extend a conditional Offer of Admission to highly-qualified graduate applicants who do not meet the minimum ELP requirement for admission to graduate programs. This policy is intended to facilitate admission of academically qualified, degree-seeking students who have not satisfied the minimum ELP requirement, but are being considered for admission by a graduate program.

Conditional admission allows students to apply for a study permit (if necessary) and begin their studies in the University's English for Academic Purposes (EAP) program (see English for Academic Purposes (EAP), p. 62) only. Concurrent registration in an EAP program and graduate program is not permissible nor is it permissible to complete graduate program requirements. Upon successful completion of the prescribed terms of study in the EAP program, the student will proceed directly into the graduate degree program in the next term of admission.

To be considered for Conditional English Proficiency Admission, the applicant must meet the following criteria:

1. Have academic qualifications that satisfy the requirements of the graduate program they seek;

2. Have a minimum score of 5.5 in each band of the IELTS test or a minimum overall score of 80 on the iBT TOEFL, with minimum scores of 16 in each of Listening, Reading, and Speaking, and a minimum score of 18 in Writing; and

3. Be recommended for Conditional English Proficiency Admission by a graduate program committee.

The applicant must submit results for an IELTS or iBT TOEFL exam taken within the last two years and indicate in their Letter of Intent that they are seeking Conditional English Proficiency Admission.

Applicants admitted via the Conditional English Proficiency Admission route will normally be placed in the Advanced Level of the EAP program, though the University reserves the right to move the applicant to a lower level if deemed necessary. Applicants admitted via the Conditional English Proficiency Admission route may be permitted to begin their studies in the graduate program, provided that the ELP requirement is met by one of the other approved means no later than: August 1 for the fall term, November 15 for the spring term, or April 15 for the summer term.

In accepting an offer of Conditional English Proficiency Admission to a graduate program, the applicant is expected to successfully complete the Advanced Level of the EAP program in the term indicated in the Offer of Admission and begin their graduate program the following term. Applicants who do not fulfill the language proficiency requirement during the specified period will have their Offer of Admission to a graduate program rescinded. Such students may choose to continue in the EAP program and reapply for admission to a graduate program for the next term of admission.

Students admitted via the Conditional English Proficiency Admission route may not make academic progress toward their graduate degree or engage in academic research before fulfilling the ELP condition of the Offer of Admission. The School of Graduate Studies does not provide any financial support for students while they are enrolled in the EAP program.

Students admitted via the Conditional English Proficiency Admission route are considered to be full-time EAP students while continuously enrolled in the EAP program.

2. ALL MAJORS EXCEPT EDUCATION

a. Statement of Purpose

The Doctor of Philosophy (Ph.D.) program is designed to immerse students into further investigation and research, to build and support the programs of research at the University, and to enliven the undergraduate learning environment.

The Ph.D. program is Thesis-based and offered in a number of areas of study (see Ph.D. Program Grid, p. 148). Depending on the academic background, students may be required to take up to six courses in their area of study; the number and details of the courses are determined at the time of admission to the program. Consequently, it is necessary for a prospective student to establish contact with a potential supervisor prior to application for admission. Prospective students seeking supervisors should contact the School of Graduate Studies or visit the website at www.uleth.ca/graduate-studies.

The Ph.D. program is administered centrally by the School of Graduate Studies rather than by individual departments or Faculties.

b. Admission Requirements, Application Deadlines and Processes

Please refer to Part 1 - Admissions of the Undergraduate Calendar and Course Catalogue for University policies regarding: Dual Admissions; Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

1. Academic Qualifications for Admission

a. Master's Degree Route

Normally, applicants holding a master's degree must meet the following minimum requirements before the University will consider admission:

- A master's degree, or its academic equivalent, in the discipline of interest or in a closely cognate discipline from a recognized degree-granting university. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge master's degrees.
- Evidence of scholarly competence (minimum cumulative GPA of 3.00, on the University of Lethbridge 4.00 scale, on all graded master's-level courses).

b. Master's Degree Holder - Cultural, Social, and Political Thought Major

Normally, applicants holding a master's degree must meet the following minimum requirements before the University will consider admission:

- A master's degree, or its academic equivalent, in the discipline of interest or in a closely cognate discipline from a recognized degree-granting university.

2. Application Deadlines

Students may be admitted to the Ph.D. program in order to begin their studies for the spring term (January to April), summer term (May), or fall term (September).

Application deadlines for all Graduate Studies programs are available at www.uleth.ca/ross/admissions/grad/deadlines.

Because spaces are limited in this program, not all students meeting the minimum admission requirements can be admitted. Hence, students are admitted on a case-by-case basis.

Until commitment is obtained from a faculty member who is eligible to supervise Ph.D. students, consideration for an application will not begin.

Applications and all supporting required admission decision documentation (see Table 2: Ph.D. Program Application Process for Master’s Degree Holders, p. 151, or Table 3: Ph.D. Program Application Process for Master’s Transfer Route, p. 152), with the possible exception of final term grades for those currently enrolled in a master’s degree, must be submitted electronically via the online application system by the deadline. Successful applicants must arrange to have official documents sent from the issuing institution to the University of Lethbridge Admissions Office prior to course registration.

Application deadlines for all Graduate Studies programs are available at www.uleth.ca/ross/admissions/grad/deadlines.

3. Process for Application/Admission

Applicants apply via the online application system available at www.uleth.ca/graduate-studies/apply.

Applicants are advised to begin work on the application well in advance of the application deadline and submit it as soon as possible (see Application Deadlines, p. 149).

No application can receive formal consideration until all documentation is received. All documents received in support of an application become the property of the University and will not be released or copied except to other employees of the University as required by University procedures regarding admission, registration, and awards and financial support administration.

Note: Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

a. Master’s Degree Route

Eligible applicants must apply for admission by following the process outlined in Table 2: Ph.D. Program Application Process for Master’s Degree Holders (p. 151). Refer to Academic Qualifications for Admission, Master’s Degree Route (p. 149) to ensure academic qualifications for admission requirements are met.

Unless alternative arrangements have been made, a student receiving an Offer of Admission to the program must register in the program no later than the date specified in the Offer of Admission. Failing to register in this way may result in the student forfeiting admission status.

Newly admitted students in the Ph.D. program are required to pay a non-refundable $200 deposit to confirm their acceptance of their admission. This deposit is credited toward their tuition in the program.

b. Master’s Transfer Route

Applicants can use this admission route if they satisfy the four basic criteria outlined in Academic Qualifications for Admission, Master’s Transfer Route (p. 149).

Eligible applicants must apply for admission by following the process outlined in Table 3: Ph.D. Program Application Process for Master’s Transfer Route (p. 152).

Unless alternative arrangements have been made, a student receiving an Offer of Admission to the program must register in the program no later than the date specified in the Offer of Admission. Failing to register in this way may result in the student forfeiting admission status.

Newly admitted students in the Ph.D. program are required to pay a non-refundable $200 deposit to confirm their acceptance of their admission. This deposit is credited toward their tuition in the program.
Table 2: Ph.D. Program Application Process for Master's Degree Holders

| STEP 1 - Applicant finds a potential supervisor | To find a potential supervisor, the applicant contacts a University of Lethbridge faculty member with expertise in the applicant's research area. For assistance in identifying a potential supervisor visit www.uleth.ca/graduate-studies/content/finding-supervisor. The University of Lethbridge Experts Database (www.uleth.ca/experts-database) is an information source that enables users the opportunity to search for a wide variety of subjects and research areas. The applicant is advised to provide the potential supervisor a copy of unofficial transcripts in the consultation process. |
| STEP 2 - Applicant submits application online by the application deadline | The following required admission decision documents must be submitted via the online application system, available at www.uleth.ca/graduate-studies/apply: |
| | Unofficial academic transcripts | Admission decisions may be made on the basis of unofficial transcripts submitted via the online application system. |
| | Three references | Contact information for three referees who are willing to submit a confidential assessment via the online system: |
| | | Three academic referees (each referee submits a confidential letter of reference articulating the student’s background preparation and suitability for graduate work. The applicant must have studied with at least one referee). |
| | Curriculum Vitae (c.v.) | The applicant’s c.v. includes academic background, work experience, awards, scholarships, and publications. |
| | Letter of Intent | A one-page Letter of Intent indicating in general terms the reasons, goals or objectives for seeking a graduate degree in the chosen discipline. |

4. Admission Criteria

Because the capacity of the program is limited, not all students meeting the minimum admission requirements can be admitted.

Criteria used for admission include:

- the potential supervisor’s record of scholarship, completed and current, especially in relation to the proposed work;
- the feasibility of the project in the light of available resources; and,
- financial support for the student.

5. Exchange Students

Under approved exchange agreements, Ph.D. students registered in programs at other post-secondary institutions who are not pursuing a degree at the University of Lethbridge may be admitted to take courses. The University of Lethbridge is a signatory of the Western Deans’ Agreement (see Registration, Western Deans’ Agreement, p. 22). Contact the School of Graduate Studies at sgsinquiries@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Academic Qualifications for Admission, p. 149).

6. Visiting Students

Where applicable, with the appropriate permission of the sending and receiving institutions, students may be admitted as Visiting students for study where formal exchange arrangements are not in place. They must satisfy the normal admission requirements of the University of Lethbridge. Contact the School of Graduate Studies at sgsinquiries@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Academic Qualifications for Admission, p. 149).

c. Requirements for Degree

The degree requirements for the Ph.D. program consist of successful completion of courses, a comprehensive examination, a Thesis, and a Thesis Oral Defence. Students develop their program in consultation with their supervisors. The Ph.D. Program Committee approves the program for each student.

3. Thesis (135.0 credit hours)

**Thesis Proposal**

The student must complete a Thesis Proposal, successfully defend it, and submit the document to the School of Graduate Studies within one year after the student registers in his or her first term.

---

**Written Thesis**

Although there is some variation over disciplines, most Theses follow a conventional format. Standards and conventions widely used in Canada and adopted at the University are to be found in the *University of Lethbridge Ph.D. Program: Policies and Procedures* manual available at www.uleth.ca/graduate-studies.

4. Thesis Oral Defence

When the Thesis (135.0 credit hours) is complete the candidate must defend it in an oral examination. The Ph.D. Program Committee appoints a Thesis Examination Committee to conduct the examination in accordance with the procedures described in the *University of Lethbridge Ph.D. Program: Policies and Procedures* manual available at www.uleth.ca/graduate-studies. The final version of the Thesis (i.e., assessed and corrected, if necessary) must be submitted to the School of Graduate Studies for approval by the Dean.

d. General Regulations

1. Credit for Previous Work

With the express permission of the Ph.D. Program Committee in each case, a maximum of two graduate courses which have not already been credited toward a completed university credential may be accepted for credit in the Ph.D. program. No transfer credit for a research project/thesis will be considered.

All courses considered for transfer credit must carry a grade of ‘B+’ (3.30 on the University of Lethbridge 4.00 scale) or higher. Students are responsible for providing adequate information on course content and its relevance to their proposed program of study.

2. Student Status

Full-time Ph.D. students are considered to be those who are actively engaged in coursework or research on a regular, daily basis.

3. Residence Requirements and Time Limits

Residence is defined as the period during which the student is registered in the program, taking courses or pursuing scholarly work, or both, at the University of Lethbridge.

The minimum residence requirement shall be 24 months full-time continuous registration in the program. The maximum time limit shall be 48 months full-time continuous registration in the program. The required and/or specified courses must be completed and the Thesis submitted within the maximum time limit allowed. Students must maintain continuous registration in their program.

At the end of the maximum time limit, in cases where there is judged to be cause and where completion is foreseeable, the School of Graduate Studies’ Dean or Designate may approve a leave of absence or extend the time limit normally for a maximum period of 12 months. Failure to complete within this period will normally result in the candidate being required to withdraw from the program.
Students who do not register in the program in any term will be considered to have withdrawn unless a Leave of Absence has been approved.

4. Leave of Absence

See Academic Regulations, Leave of Absence on page 38.

5. Program Changes

The Ph.D. Program Committee must approve substantial program, Faculty Supervisor or Supervisory Committee changes. Students who have been admitted into one discipline or program but wish to transfer to another may be required to re-apply.

6. Academic Standards

Students must receive a minimum grade of 'B' (3.00 on the University of Lethbridge 4.00 scale) in all graded courses. A designation of a Pass ('P') for the Thesis requirement and, if applicable, a minimum cumulative GPA of 3.00 for all letter-graded courses completed and included in GPA calculations is required to graduate.

In addition to the minimum grade point requirement, research work that is satisfactory to the Supervisory Committee must be maintained.

7. Probation/Required to Withdraw

Students with unsatisfactory performance in the program may be put on probationary status or required to withdraw by the Ph.D. Program Committee. If students are on probation for two consecutive terms, they will be required to withdraw from the program.

8. Appeals

All appeals in the Ph.D. program should be directed to the Dean of Graduate Studies as Chair of the Ph.D. Program Committee. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final.

9. Academic Offences and Discipline

Graduate students are expected to exemplify high standards of academic and ethical behaviour and are subject to the University’s policies and guidelines.

10. Fees

Fees are assessed for the first two years (24 months or six terms of study) of enrolment in the program. A Continuation Fee shall be assessed for each subsequent term while a student remains in the program, whether the student is resident for all or part of that term. The term fee shall be set each year by the Board of Governors.

See Fees, Graduate Programs 2017/2018 Fee Schedule on page 27.

For fee payment deadlines, see Fees, Important Dates and Fee Deadlines on page 33.

3. MAJOR IN EDUCATION

a. Statement of Purpose

The main purpose of the Ph.D. in Education is to provide a theory-rich, research-intensive, Thesis-focused series of study, learning and research activities that will advance knowledge and contribute to the improvement of professional practice.

Students will study theory and identify critical problems, issues and questions in one of three concentrations: Learning, Teaching, and Curriculum; Formal and Distributive Leadership; or Counselling Psychology.

Completing a minimum number of courses; acquiring expertise in their specialized content area; and building skills in research will enable students to conduct original research and complete a Ph.D. in Education Thesis.

A minimum of six courses (18.0 credit hours) is required for the Learning, Teaching, and Curriculum and the Formal and Distributive Leadership concentrations, and a minimum of 10 courses (30.0 credit hours) is required for the Counselling Psychology concentration.

Graduates of the Ph.D. in Education will be well prepared to conduct and provide leadership in research in a variety of settings and in their career contexts.

The Ph.D. in Education program is administered by the Faculty of Education, under the auspices of the School of Graduate Studies.

b. Admission Requirements

Please refer to Part 1 - Admissions of the Undergraduate Calendar and Course Catalogue for University policies regarding: Dual Admission; Procedure for Readmission; Year of the Calendar; Simultaneous Enrolment; Misrepresentation/Falsified Admission Documents; and Authority to Rescind Admission/Registration Privileges.

1. Academic Qualifications for Admission

M.Ed. or M.A. in Education Degree Holder

Normally, applicants holding a M.Ed. or M.A. in Education must meet the following minimum requirements before the University will consider admission:

• A master’s degree, or its academic equivalent, in the discipline of interest or in a closely cognate discipline from a recognized degree-granting university. The University of Lethbridge reserves the right to determine whether degrees and other academic programs completed elsewhere are equivalent to University of Lethbridge master's degrees.

• Evidence of scholarly competence (cumulative grade point average of 3.50, on the University of Lethbridge 4.00 scale, on all graded master's-level courses).

• Evidence of success as professional educators or counsellors with at least two years of experience (applicants from other education-related contexts may be considered).

• Evidence to demonstrate research skills, in the form of a Master’s Thesis, an outstanding Research Project, or peer-reviewed journal publications.
All applicants must meet the English Language Proficiency (ELP) requirement for Graduate Studies through recognized study or a valid standardized test (see English Language Proficiency, p. 160). Students pursuing M.Ed. or M.A. degrees in Education are not normally permitted to transfer into the Ph.D. in Education program. They may apply for admission to the Ph.D. in Education program and are admitted once they have completed an M.A. in Education or an M.Ed. program.

Applicants are considered on a case-by-case basis. The proposed research interest of the applicant must complement the supervisor's current, active research program.

2. Application Deadlines
Dependent upon the concentration, students will be admitted to the Ph.D. in Education program in order to begin their studies as full-time students in Summer II term (July) or fall term (September).

Application deadlines and application deadline extensions for all Graduate Studies programs are available at www.uleth.ca/ross/admissions/grad/deadlines.

Spaces are limited in the Ph.D. in Education program. The Faculty of Education encourages early application. However, students are admitted on a case-by-case basis.

Until commitment is obtained from a faculty member who is eligible to supervise Ph.D. students, consideration for an application will not begin.

Applications and all supporting required admission decision documentation (Table 5: Ph.D. in Education Program Application Process for M.Ed. or M.A. in Education Degree Holder, p. 157), with the possible exception of final term grades for those currently enrolled, must be submitted electronically via the online application system by the deadline. Successful applicants must arrange to have official documents sent from the issuing institution to the University of Lethbridge Admissions Office prior to course registration.

Application deadlines for all graduate studies programs are available at www.uleth.ca/ross/admissions/grad/deadlines.

3. Process for Application/Admission
Applicants apply via the online application system available at www.uleth.ca/graduate-studies/apply. Applicants are advised to begin work on the application well in advance of the application deadline and submit it as soon as possible (see Application Deadlines, p. 156). No application can receive formal consideration until all documentation is received. All documents received in support of an application become the property of the University and will not be released or copied except to other employees of the University as required by University procedures.

Note: Students who are graduates of non-Canadian universities must provide notarized English translations of all documents not in the English language.

Application Procedure for M.Ed. or M.A. in Education Degree Holder
Eligible applicants must apply for admission by following the process outlined in Table 5: Ph.D. in Education Program Application Process for M.Ed. or M.A. in Education Degree Holder (p. 157). Refer to Academic Qualifications for Admission, M.Ed. or M.A. in Education Degree Holder (p. 155) to ensure academic qualifications for admission requirements are met.

Unless alternative arrangements have been made, a student receiving an Offer of Admission to the program must register in the program no later than the date specified in the Offer of Admission. Failing to register in this way may result in the student forfeiting admission status.

Newly admitted students in the Ph.D. program are required to pay a non-refundable $200 deposit to confirm their acceptance of their admission. This deposit is credited toward their tuition in the program.

4. Admission Criteria

Because the capacity of the program is limited, not all students meeting the minimum admission requirements can be admitted.

Criteria used for admission include:
- the student’s academic record and letters of recommendation;
- the potential supervisor’s record of scholarship, completed and current, especially in relation to the proposed work;
- the feasibility of the project in the light of available resources; and,
- financial support for the student.

5. Exchange Students

Under approved exchange agreements, Ph.D. students registered in programs at other post-secondary institutions who are not pursuing a degree at the University of Lethbridge may be admitted to take courses. The University of Lethbridge is a signatory of the Western Deans’ Agreement (see Registration, Western Deans’ Agreement, p. 22). Contact the School of Graduate Studies at sgsinquiries@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Academic Qualifications for Admission, p. 155).

6. Visiting Students

Where applicable, the appropriate permission of the sending and receiving institutions, students may be admitted as Visiting students for study where formal exchange arrangements are not in place. They must satisfy the normal admission requirements of the University of Lethbridge. Contact the School of Graduate Studies at sgsinquiries@uleth.ca for application and registration information. Admission is contingent upon satisfying academic qualifications for admission (see Academic Qualifications for Admission, p. 155).

c. Requirements for Degree

The degree requirements for the Ph.D. in Education program consist of successful completion of courses, a comprehensive examination, a Thesis, and a Thesis Oral Defence. Students develop their program in consultation with their supervisors. The Ph.D. in Education Committee approves the program for each student.

1. Course Work

Students completing a Ph.D. in Education must complete a minimum number of courses. A minimum of six courses (18.0 credit hours) is required for the Learning, Teaching, and Curriculum and the Formal and Distributive Leadership concentrations, and a minimum of 10 courses (30.0 credit hours) is required for the Counselling Psychology concentration.

2. Comprehensive Examination

The student must pass a comprehensive examination set by the Supervisory Committee and approved by the Ph.D. in Education Committee, within two years of registration as a Ph.D. in Education student (please refer to the University of Lethbridge Ph.D. in Education Program: Policies and Procedures manual available from the Faculty of Education, Graduate Studies and Research in Education or online at www.uleth.ca/education/grad for details).

With the express permission of the Ph.D. in Education Committee in each case, a maximum of two graduate courses which have not already been credited toward a completed university credential may be accepted for credit in the Ph.D. in Education program. No transfer credit for a research project/thesis will be considered.

All courses considered for transfer credit must carry a grade of 'B+' (3.30 on the University of Lethbridge 4.00 scale) or higher. Students are responsible for providing adequate information on course content and its relevance to their proposed program of study.

2. Student Status

Full-time Ph.D. in Education students are considered to be those who are actively engaged in coursework or research on a regular, daily basis.

3. Residence Requirements and Time Limits

Residence is defined as the period during which the student is registered in the program, taking courses or pursuing scholarly work, or both, at the University of Lethbridge.

For students pursuing a Ph.D. in Education, the minimum residence requirement shall be 24 months full-time continuous registration in the program and the maximum time limit shall be 84 months full-time continuous registration in the program. The courses specified by the Ph.D. in Education Committee must be completed and the Thesis submitted within the maximum time limit allowed (with the exception of approved Leaves of Absence).

Students who do not register in the program in any term will be considered to have withdrawn unless a Leave of Absence has been approved.

4. Leave of Absence

See Academic Regulations, Leave of Absence on page 38.

5. Program Changes

The Ph.D. in Education Program Committee must approve substantial program, Faculty Supervisor or Supervisory Committee changes. Students who have been admitted into one discipline or program but wish to transfer to another may be required to re-apply.

6. Academic Standards

Students must receive a minimum grade of 'B' (3.00 on the University of Lethbridge 4.00 scale) in all courses. A cumulative GPA of 3.00 is required to graduate.

In addition to the minimum grade point requirement, research work that is satisfactory to the Supervisory Committee must be maintained.

7. Probation/Required to Withdraw

Students with unsatisfactory performance (see Academic Standards) in the program may be put on probationary status or required to withdraw by the Graduate Programs in Education Committee. If students are on probation for two consecutive terms, they will be required to withdraw from the program.
A student is required to withdraw from the Ph.D. in Education program if the student fails to meet the Standards of Professional Conduct (see Standards of Professional Conduct, p. 158).

8. Readmission After Withdrawal
   Students who withdraw or who are required to withdraw from the Ph.D. in Education program must successfully apply for readmission by the appropriate deadline. Readmission is not guaranteed. Students are advised to consult with the Assistant Dean, Graduate Studies and Research in Education as early as possible.

9. Practicum and Internship Placement Policy
   While in program and during practica/internships, students are expected to adhere to the Standards of Professional Conduct set out by the Faculty of Education (see Standards of Professional Conduct, p. 158). The Faculty of Education reserves the right to deny or terminate a placement in any practicum/internship course to any student if the Dean, Faculty of Education or Designate has reasonable grounds:
   • the student has violated any part of the Faculty of Education's Standards of Professional Conduct;
   • the student is unable to carry out the responsibilities of that practicum/internship; or
   • the Dean, Faculty of Education or Designate believes denial or termination of a placement is necessary in order to protect the public interest.

Students whose practicum/internship placements have been denied or terminated will be informed of the reasons in writing.

10. Appeals
    All appeals in the Ph.D. in Education program should be directed to the Dean, Faculty of Education. Grade appeals for courses in the Ph.D. in Education program will be processed through the School of Graduate Studies. Other appeals will be heard by the Ph.D. in Education Committee. Any appeal decisions may be addressed to the Executive Committee of the School of Graduate Studies, whose decision shall be final.

    Students should consult the full description of the University policies on Appeal of Grade in the Calendar (see Academic Regulations, Grade Appeal Policy, p. 40).

11. Academic Offences and Discipline
    Graduate students are expected to exemplify high standards of academic and ethical behaviour and are subject to the University’s policies and guidelines.

12. Fees
    Fees are assessed for the first four years (48 months or 12 terms of study) of enrolment in the program. These fees provide for the student’s registration in a maximum of six (18.0 credit hours) courses toward their Ph.D. in Education program. Course registrations beyond six courses (18.0 credit hours) will result in additional graduate course tuition fees. A Continuation Fee shall be assessed for each subsequent term while a student remains in the program, whether the student is resident for all or part of that term. Fees shall be set each year by the Board of Governors.

    See the Fees, Graduate Programs 2017/2018 Fee Schedule on page 27.

    For fee payment deadlines, see Fees, Important Dates and Fee Deadlines, p. 33.

4. COURSES

8. ENGLISH LANGUAGE PROFICIENCY
   English is the primary language of instruction and communication at the University of Lethbridge. Prior to registration, all applicants to the School of Graduate Studies must demonstrate English Language Proficiency (ELP) sufficient to meet the demands of classroom instruction, written assignments, research, and participation in tutorials and discussions, regardless of their citizenship status or country of origin.

   The ELP requirement must be met prior to registration in a graduate program (see Graduate Conditional English Proficiency Admission, p. 161). The University reserves the right to use discretion in determining adequate levels of language proficiency to ensure success in academic programs. In all cases, the decision of the School of Graduate Studies shall be final.

a. English Language Proficiency Requirement
   ELP may be demonstrated by any of the following:
   1. Successful completion of a baccalaureate or master’s degree at a recognized institution in Canada or another country where English is recognized as the primary language (see Recognized Countries, below). The student's work must have been in English.
   2. Successful completion of a baccalaureate or master’s degree at a recognized institution where the language of instruction is English. For a list of recognized institutions, see www.uleth.ca/ross/admissions/elp_exempt. Other institutions will be considered on a case-by-case basis. The student's work must have been in English.
3. Successful completion of the Advanced Level of the University of Lethbridge English for Academic Purposes (EAP) program (see English for Academic Purposes (EAP), p. 62).

4. Test of English as a Foreign Language (TOEFL), taken within the last two years, with minimum scores of:
   a. 580 on the paper-based TOEFL and 5.0 on the Test of Written English (TWE); or
   b. 93 on the Internet-based TOEFL (iBT).
   Website: www.toefl.org (University of Lethbridge Destination Institution (DI) code: 0855)

5. Academic International English Language Testing System (IELTS) test, taken within the last two years, with a minimum overall score of 6.5, and a minimum of 5.5 in each band.
   Website: www.ielts.org

6. Academic Pearson Test of English (PTE), taken within the last two years, with a minimum overall score of 63.
   Website: www.pearsonpte.com

7. Canadian Academic English Language (CAEL) Assessment, taken within the last two years, with a minimum overall score of 70.
   Website: www.cael.ca

b. Recognized Countries
   For the purposes of administering the ELP for Graduate Students requirement, the University of Lethbridge recognizes the following as countries where the primary language is English:
   - Anguilla: Ireland (Republic of)
   - Antigua and Barbuda: Jamaica
   - Australia: Kenya
   - Bahamas: Malta
   - Barbados: Mauritius
   - Belize: Montserrat
   - Bermuda: New Zealand
   - British Virgin Islands: St. Helena
   - Canada: St. Kitts and Nevis
   - Cayman Islands: St. Vincent and the Grenadines
   - Dominica: Trinidad and Tobago
   - Falkland Islands: Turks and Caicos Islands
   - Grenada: United Kingdom
   - Guam: United States of America
   - Guyana

   The applicant must submit results for an IELTS or iBT TOEFL exam taken within the last two years and indicate in their Letter of Intent that they are seeking Conditional English Proficiency Admission.

   Applicants admitted via the Conditional English Proficiency Admission route will normally be placed in the Advanced Level of the EAP program, though the University reserves the right to move the applicant to a lower level if deemed necessary. Applicants admitted via the Conditional English Proficiency Admission route may be permitted to begin their studies in the graduate program, provided that the ELP requirement is met by one of the other approved means no later than: August 1 for the fall term, November 15 for the spring term, or April 15 for the summer term.

   In accepting an offer of Conditional English Proficiency Admission to a graduate program, the applicant is expected to successfully complete the Advanced Level of the EAP program in the term indicated in the Offer of Admission and begin their graduate program the following term. Applicants who do not fulfill the language proficiency requirement during the specified period will have their Offer of Admission to a graduate program rescinded. Such students may choose to continue in the EAP program and reapply for admission to a graduate program for the next term of admission.

   Students admitted via the Conditional English Proficiency Admission route may not make academic progress toward their graduate degree or engage in academic research before fulfilling the ELP condition of the Offer of Admission. The School of Graduate Studies does not provide any financial support for students while they are enrolled in the EAP program.

   Students admitted via the Conditional English Proficiency Admission route are considered to be full-time EAP students while continuously enrolled in the EAP program.

c. Required Documentation
   All proof of English proficiency must be provided on official academic transcripts or standardized test score reports. Standardized test scores must be valid and verifiable.

d. Graduate Conditional English Proficiency Admission
   The University of Lethbridge may extend a conditional Offer of Admission to highly-qualified graduate applicants who do not meet the minimum ELP requirement for admission to graduate programs. This policy is intended to facilitate admission of academically qualified, degree-seeking students who have not satisfied the minimum ELP requirement, but are being considered for admission by a graduate program.

   Conditional admission allows students to apply for a study permit (if necessary) and begin their studies in the University’s English for Academic Purposes (EAP) program (see English for Academic Purposes (EAP), p. 62) only. Concurrent registration in an EAP program and graduate program is not permissible nor is it permissible to complete graduate program requirements. Upon successful completion of the prescribed terms of study in the EAP program, the student will proceed directly into the graduate degree program in the next term of admission.

   To be considered for Conditional English Proficiency Admission, the applicant must meet the following criteria:
   1. Have academic qualifications that satisfy the requirements of the graduate program they seek;
   2. Have a minimum score of 5.5 in each band of the IELTS test or a minimum overall score of 60 on the iBT TOEFL, with minimum scores of 16 in each of Listening, Reading, and Speaking, and a minimum score of 18 in Writing; and
   3. Be recommended for Conditional English Proficiency Admission by a graduate program committee.

   The applicant must submit results for an IELTS or iBT TOEFL exam taken within the last two years and indicate in their Letter of Intent that they are seeking Conditional English Proficiency Admission.

   Applicants admitted via the Conditional English Proficiency Admission route will normally be placed in the Advanced Level of the EAP program, though the University reserves the right to move the applicant to a lower level if deemed necessary. Applicants admitted via the Conditional English Proficiency Admission route may be permitted to begin their studies in the graduate program, provided that the ELP requirement is met by one of the other approved means no later than: August 1 for the fall term, November 15 for the spring term, or April 15 for the summer term.

   In accepting an offer of Conditional English Proficiency Admission to a graduate program, the applicant is expected to successfully complete the Advanced Level of the EAP program in the term indicated in the Offer of Admission and begin their graduate program the following term. Applicants who do not fulfill the language proficiency requirement during the specified period will have their Offer of Admission to a graduate program rescinded. Such students may choose to continue in the EAP program and reapply for admission to a graduate program for the next term of admission.

   Students admitted via the Conditional English Proficiency Admission route may not make academic progress toward their graduate degree or engage in academic research before fulfilling the ELP condition of the Offer of Admission. The School of Graduate Studies does not provide any financial support for students while they are enrolled in the EAP program.

   Students admitted via the Conditional English Proficiency Admission route are considered to be full-time EAP students while continuously enrolled in the EAP program.

4. DEFINITIONS

a. Term

Term refers to a period of study. Students should consult the Academic Schedule (p. 17) at the front of this Calendar to learn the specific dates for the start and end of each term.

b. Course

Course refers to a unit of study (called a course or course equivalent) normally studied for one term. A course normally carries a weighting of three credit hours. The University offers some units of study which deviate from this norm.

c. Course Types

1. Applied Research Studies
   An opportunity for graduate students to gain applied research credit for unpaid internship-based experience. Contact the School of Graduate Studies for specific information (sgs@uleth.ca).

2. Independent Study
   A course for which credit is earned through individual study under the supervision of an instructor.

3. Series
   A course that is offered regularly at the University of Lethbridge, but whose content may vary with different offerings. Each Series has one number and different offerings in the series are indicated by the title of the course, as listed in the current term timetable. Students may take more than one offering of a Series course for credit if the offerings are distinct (i.e., if each offering taken has a different title).

Students wishing to improve their grade in a Series course must repeat the section with the identical title (for more information, see Academic Regulations, Repeat of a Course, p. 38). A Series course may be specified as a required course in a major or program.

4. Topics

A course that is not offered regularly at the University of Lethbridge and whose content varies with different offerings. Any Faculty or School may offer Topics courses. Each Topics course is identified by the number 5850 or 7850, and different offerings are indicated by the title of the particular section, as listed in the current term timetable. Students may take more than one offering of a Topics course for credit if the offerings are distinct (i.e., if each offering taken has a different title).

Contact hours for Topics courses may vary according to the nature of the course. Check the specific Topics offering for complete information. Students wishing to improve their grade in a Topics course must repeat the section with the identical title. From time to time, Topics offerings are made into regularly scheduled courses and listed in the Calendar. In this case, students must complete the regularly scheduled course that corresponds to the particular Topics offering in order to improve their grade (for more information, Academic Regulations, Repeat of a Course, p. 38). A Topics course cannot be specified as a required course in any major or program.
5. Online
Courses may be offered online or have online components. Such courses are identified in the current term timetable. The course information listed in the Calendar (e.g., credit hours, course description) applies to all offerings of that course.

6. Placeholder
a. Active Student Status
A Placeholder course (e.g., Education 5999) that enables students not registered in credit courses to maintain active student status in their program. No credit hours are attached to this Placeholder.
b. Continuing Student Status
A Placeholder course (e.g., Visiting 9999, Exchange 9999) that enables students registered elsewhere to maintain continuing student status for registration purposes. No credit hours are attached to this Placeholder.

7. Graduate Level
Students in certain Master's and Doctoral programs may be permitted to take senior undergraduate courses for credit at the graduate level. For more information on which programs may permit enrolment in senior undergraduate courses, students should consult the applicable program-specific part of the University of Lethbridge Graduate Studies Calendar and Course Catalogue. Prior to registration, students must complete the required form available at www.uleth.ca/graduate-studies/forms and then submit it to the School of Graduate Studies for approval consideration. If permission to take a senior level undergraduate course is granted, the graduate student may enrol in a section of the course numbered either 5xxx or 7xxx, whereas the undergraduate students may enrol in the section numbered 3xxx or 4xxx.

d. Course Elements
1. Subject and Course Number
The subject identifies the course discipline, and the course number identifies the course level (see Course Numbering System, p. 164).

2. Course Title
A descriptive title is given for each subject and course number. The title of a given course may occasionally change. A change in course title does not constitute a new course. Accordingly, students who repeat a course with the same subject and course number, regardless of the course title, are bound by the regulations given in Academic Regulations, Repeat of a Course (p. 38). Special regulations apply to Topics and Series courses (see Series, p. 164 and Topics, p. 164).

3. Credit Hours
The weighting factor of a course when determining GPA. Regular full-term credit courses carry a weighting of 3.0 credit hours, while half-credit courses carry a weighting of 1.5 credit hours. Some courses carry non-standard credit hours.

4. Contact Hours
There are two types of contact hours: (1) hours per week, and (2) other hours. 'Hours per week' are regularly scheduled weekly meeting times, while 'other hours' are meeting times that are scheduled at irregular times over the term.

Hours per week (regular): a-b-c
a - number of required lecture or studio* hours per week
b - number of required laboratory hours per week
c - number of required hours per week in a different setting (e.g., tutorial)

Other hours (irregular): d-e-f
d - number of required lecture or studio* hours per term
e - number of required laboratory hours per term
f - number of required hours per term in a different setting (e.g., tutorial, field trip, rehearsal)

All contact hours may be delivered by a number of means, including, but not limited to, the following:
• a regular University classroom
• a University computer lab
• online
• an off-campus location
* Studio courses are identified as such in the offering note for the course.

5. Prerequisite(s), Corequisite(s), Recommended Background, and Other Registration Restrictions
Some courses require an appropriate background of knowledge as indicated by the prerequisite(s), corequisite(s) and recommended background. A prerequisite must be completed successfully before a student is eligible to register in a given course. A corequisite must be taken prior to or in conjunction with another course. Students who have previously passed such a course will be deemed to have met the corequisite requirement.

A student lacking the prerequisite or corequisite for a particular course may apply for a waiver of prerequisite/corequisite from the Faculty/School offering the course.

For some courses, a recommended background is listed instead of, or in addition to, prerequisite(s) and corequisite(s) so that the student may judge his or her own academic preparation.

Prerequisites, corequisites and recommended backgrounds are normally expressed in terms of Alberta high school subjects, one or more courses, admission to programs offered by the University of Lethbridge, year of standing, and/or other special requirements.

A prerequisite or recommended background that specifies year of standing indicates that students are expected to have attained a certain level of academic or intellectual advancement prior to registering in a particular course.

For some courses, students may not exceed a defined year of standing prior to registering in the course. These courses are closed to students who have taken more than the specified number of courses or who are beyond the determined year of
standing at the time of registration. These limits are applied when a course is targeted to a specific group of junior students. Although students may choose to have their program requirements governed by the Calendar in effect at the time of their most recent admission to the University, all students are bound by the current Calendar with regard to prerequisites, corequisites and recommended backgrounds for individual courses.

6. Equivalent
Equivalent courses can be substituted, one for the other, to meet any specified course requirement. The regulations that apply to repeated courses also apply to equivalent courses. Students should note, in particular, the calculation of GPA (see Academic Regulations, Repeat of a Course, p. 38).

7. Substantially Similar
Substantially similar courses contain a high percentage of similar course content but are not deemed equivalent. Students cannot use a substantially similar course to replace another course specified as a prerequisite. Students completing substantially similar courses must complete more than the minimum number of courses required in the program.

8. Grading
Grading indicates what type of grade will be awarded as defined in Academic Regulations (p. 35). The standard grading mode employed by instructors is a letter grade; the alternative grading mode is Pass/Fail.

5. TIMETABLE
Normally classes start at 8:00 a.m. on a 50-minute schedule Mondays, Wednesdays and Fridays, and on a 75-minute schedule Tuesdays and Thursdays. Some classes may be scheduled on Saturdays, if necessary, or in the evenings. Normal lecture time is three hours per week, excluding laboratories. Special timetabling is arranged for summer session.

6. DISCLAIMER
The appearance of a course in this Calendar does not guarantee that the course will be offered during the academic year for which this Calendar is published. The University reserves the right to add, modify or withdraw any course or courses without notice.

### ADDITIONAL PREREQUISITE(S)/COREQUISITE(S)/RECOMMENDED BACKGROUND EXAMPLES

Prerequisite(s), corequisite(s) and recommended background may require a single item or more than one item.

A specified item may be a single course, a course chosen from a list, year of standing, admission to a University of Lethbridge program or some other special requirement (for example, an audition, an interview, a specified cumulative grade point average).

When a student must complete two or more prerequisites, items are separated by "AND" (see examples #1 and #2 below).

When a student must complete one course chosen from a list, the items are normally preceded by "One of".

When a student may satisfy the prerequisite(s)/corequisite(s) by alternate methods, the alternatives are normally separated by "OR" (see example #3 below).

AWARDS AND SCHOLARSHIPS

1. APPLICATION FOR AWARDS
   a. Introduction
      These guidelines are intended to ensure consistency and equity in the administration of awards and financial aid. The guidelines also assist students in developing an argument to defer or appeal an award decision. The Student Awards Committee is at liberty to set these guidelines aside when extenuating circumstances arise.
   b. Eligibility
      1. Application and Application Deadlines
         To be eligible for awards and scholarships, application forms must be completed and received in the appropriate office, either the School of Graduate Studies or Scholarships and Student Finance no later than the designated date and time (if indicated). Only in circumstances that are substantially beyond the student's control will an appeal be considered for an application submitted after the stated deadline date. When the deadline falls on a holiday or weekend, applications will be accepted until closing the next business day.
         Successful applicants will be notified as soon as possible following the deadline.
         When no application is required, the award is made automatically on the basis of academic achievement.
         When an award recipient is to be nominated and no nomination is received, where appropriate, the University reserves the right to make a selection based on academic achievement.
      2. Tenure of Awards
         Scholarships administered by the University of Lethbridge are available only to those students pursuing University of Lethbridge programs. All awards are contingent upon students proceeding with their University program in the next academic session and are payable only when the student is registered in a program at the University of Lethbridge.
         Exceptions to this requirement are:
   a. Part-time Awards - If an award has been granted to a part-time student, the award will be payable when the student is in actual attendance at the University of Lethbridge.
      If a student withdraws from full-time studies after having received a payment for an award, unpaid balances of awards outstanding are forfeited.
   b. Replacement - Any award administered by the University of Lethbridge is subject to replacement by an award of equal or greater value.
   c. Payment Schedule - Awards may be paid out in monthly installments or in two or three installments (one per term).
   d. Students Graduating Early - If the award is paid in two payments, the student must be registered in all applicable terms. However, students who graduate early may receive future payment upon written request to the Graduate Award Advisor.
   e. Deductions - The University may deduct from award payments any funds owed to the University.
   f. According to Canadian Tax regulations, all financial awards granted to a student may be considered taxable income. Students will receive a T4A information slip for awards paid to them in the calendar year (January - December).
      4. Interruption of Program with Approved Leave of Absence
         All graduate award holders must maintain continuous registration during the tenure of their award. Students may interrupt their award only for the reasons of maternity, child rearing, illness, or health-related family responsibilities. Requests for a leave of absence must be approved by both the Supervisory Committee and the Office of the Dean of Graduate Studies, and may require additional documentation.

   To re-instate award payments following an interruption or leave of absence, award holders must notify the Graduate Award Advisor of their planned return six weeks prior to their return to their program. Every effort will be made to re-instate the same award or a replacement award of equal value.

6. Posthumous Awards
   Financial awards will not be disbursed posthumously.

4. FINANCIAL ASSISTANCE

Application forms and information for Government Student Financial Assistance Programs are available from Scholarships and Student Finance (AH115, tel. 403-329-2585). General eligibility for full-time assistance is:
• Canadian Citizen or Permanent Resident of Canada;
• a valid Social Insurance Number;
• study in an approved post-secondary program of at least 12 weeks in length;
• courses must be applied to a recognized degree; and
• demonstrated financial need.

Most government financial aid programs are need-based. Students apply for the program through a provincial/territorial application form. One application encompasses the Canada Student Loans and Grants program and Provincial/Territorial Loans and Grants. Scholarships and Student Finance will assist students to determine which application to use. Students must apply to the province/territory which they are considered residents of, not necessarily the province/territory they are attending school in.

The government determines financial need by assessing costs the student will incur for tuition, fees, books and moderate living costs. Savings, part-time earnings, scholarships, assets and parental contributions may be assessed as resources and formulated as to whether a student has need. Students may appeal the outcome of the government needs assessment.

Allow four to eight weeks for an application to be processed. Students are advised to apply before July 1 for fall funding. Students will receive directions from the lender on where the loan, grant payments or documents will be sent. Tuition and fees owing will be deducted from the loan payments. **Students are strongly advised to read all applications and documents before submitting. Know your rights and responsibilities!**

When a returning student who has previous government student loans does not take out additional student loans, it is essential the student request and submit a **Confirmation of Enrolment** form. This will protect the student (interest-free) status of the loan. **Confirmation of Enrolment** forms must be filed for both Canada and Provincial student loans, if both have been previously issued to the student.

General eligibility for part-time financial assistance is the same as full-time assistance. Check with the staff at Scholarships and Student Finance for further details.

Financial assistance programs for students with permanent disabilities are also available. Check with the staff at Scholarships and Student Finance for further details.

The following websites have more information on the Government Financial Assistance Programs for students:
• Alberta residents:  
  www.studentaid.alberta.ca
• All other provincial/territory links can be accessed from:  
• The University of Lethbridge does not participate in the U.S. Department of Education (USDE) Federal Student Aid programs. Students can receive Confirmation of Enrolment for existing USDE-issued loans, but cannot access new USDE loans to attend the University of Lethbridge.

a. Repayment
Students are responsible for repaying their student loans. However, loans are not repayable during periods of full-time studies and for six months after graduation or withdrawal. In certain cases repayment may be deferred for additional periods after the six months’ exemption, upon successful application for the Repayment Assistance Program.

b. Withdrawal While on Government Student Assistance (Loans/Grants Program)
Students must maintain registration to stay eligible for government student assistance. When on full-time government student assistance, a student must remain a full-time student throughout the funded period of study. If a student withdraws or drops below full-time standing, the student may be required to repay some or all funding received. Grant money may be converted to loan money. Students may be restricted from further government student assistance for 12 months. Check with the staff at Scholarships and Student Finance before withdrawing or dropping registration. Part-time funding programs are available for students who are studying part-time.
c. **Emergency Student Loan Fund**

The purpose of the fund is to provide temporary assistance to full-time University of Lethbridge students to meet expenses related to an unexpected shortfall in their personal finances or an unanticipated delay in their receipt of financial assistance funding.

An emergency is defined as an unexpected shortfall in finances that has caused an inability to meet the rent payments when due, lack of adequate food supplies, and any other type of expenses related to the necessities of life that cannot be delayed. Students will not receive emergency financial assistance to cover registration deposits, tuition fees, books, fines or debts to other University departments.

Emergency loans are available to assist students experiencing delays in the normal disbursement of their confirmed government student loans or grants. These advances are also available, in extenuating circumstances, to those students ineligible for government financial aid. In such cases, students must have written proof of their ability to repay the loan.

The full policy is available online at www.uleth.ca/policy/emergency-student-loan-fund.

Provincial and National Affiliations

The GSA is a member of the Alberta Graduate Provincial Advocacy Council (Ab-GPAC), an organization focused on lobbying the provincial government on behalf of graduate students’ interests. Several current priorities include: reforming part-time student loans, international student fees, mandatory non-instructional fees regulation, reviewing the post-secondary funding model, mental health initiatives and the Alberta Immigrant Nominee Program.

Social Events

The GSA offers a variety of social events regularly throughout the semester, such as a trip to Waterton, bowling, pub nights and a variety of other activities. All graduate students are welcome and encouraged to attend. Students are also invited to email us regarding any events they would like us to coordinate.

Services provided by the GSA:

Collective Agreement

This agreement governs the employment of graduate students as graduate assistants at the University of Lethbridge. As required by the Post-secondary Learning Act of the Province of Alberta, this agreement was reached between the Governors of the University of Lethbridge (the Board) and the University of Lethbridge GSA on behalf of all graduate students. This agreement recognizes the importance of graduate assistant positions to both graduate students as an apprenticeship in preparation for further academic or professional careers and to the University to assist with the volume of work associated with academic positions.

First Impressions Orientation Program

The GSA First Impressions program is designed to make the move to Lethbridge, or the move from undergraduate to graduate student life, smoother for new students. We pair an incoming student with a current student to provide someone to whom questions can be directed and information sought, usually via email. Questions can range from: supervisor/ student relationships, best cafes, cheapest groceries, public transportation, how/where to get a SIN card, how to fill out paperwork/register in courses.

We pair students based on department, Faculty, or common interest, depending on who our volunteers are.

Website: www.ulgsa.ca/first-impressions-orientation-program

Meeting of the Minds Annual Conference:

Meeting of the Minds is held in March each year and represents an opportunity for University of Lethbridge students to showcase their research to the University community and the broader community of Lethbridge. Both communities benefit from this exchange of ideas. In particular, people from outside the University gain an opportunity to learn about the high calibre research taking place at the University of Lethbridge, much of which is (a) funded by their tax dollars, and (b)
applicable to their everyday lives. The University community also benefits from the all too rare opportunity for a free exchange of ideas between academics and the general public, and among Faculties and disciplines that do not often come together. Finally, student presenters benefit from the opportunity to practice placing their research into a context that is accessible to a diverse but informed audience.

**GSA/L.A. Transit U-Pass Program:**
The Universal Transit Pass (U-Pass) program gives students enrolled in participating post-secondary institutions unlimited access to local transit. Because fees are collected from a large participant base, U-Pass prices are lower than the amount students would otherwise pay for monthly passes or tickets over the course of a term. U-Pass programs offer students a way to lower their transportation costs while at school and also benefit the local community and the environment.

Graduate students cannot opt out of the U-Pass unless they: (a) are completing practicum work or field work outside the City of Lethbridge for more than three quarters of the fall or spring/summer term, or (b) live outside of the Lethbridge transit area.

Students can pick up U-Passes or replace their defective U-Pass by visiting our office. Our office hours are listed on our website.

*Email: gsa@uleth.ca or gsa.internal@uleth.ca*

**Grad Student Lounge**
Grad students can use the Grad Student Lounge space in many ways! Studying, storing food (fridge and freezer provided), making tea or coffee (kettles and coffee makers provided), playing foosball, having group meetings, and more!

*Website: www.ulgsa.ca/sgsgsa-study-carrels*

**Grad Student Lounge Space**
This space has been created for graduate students who do not have an office space on campus. Respectful use of the space is required so that future graduate students will also be able to use this space. There is a $25 key deposit required. This deposit can be given to the SGS once the application has been accepted.

The GSA is currently accepting applications. There is no deadline for applications.

**On-Campus Mental Health Assistance**
The Health Centre and Counselling Services work to assist students with mental health care. At the Health Centre we have a mental health team to assist with care, which includes a mental health nurse, a mental health therapist, a behaviourist, a dietitian, addictions and wellness coordinator, nursing support, a physician and two part-time psychiatrists. Psychiatrists are physicians who have extra training/expertise in mental health. Appointments are by referral; talk to us if you believe you need one.

**Nursing Assessment and Care**
Nurses are available for discussions on health issues and health planning for specific subjects. If you have a chronic health issue that requires medical plans while you are at the University, come to see one of the nurses. Drop into the Health Centre to book an appointment to discuss your needs.

**On-Campus First Aid**
Call 911 for an ambulance if emergency medical aid is required. When directed to hang up by the 911 Operator, call Campus Security at extension 2345 or 403-329-2345 at any time during the day or night. For any on-campus first aid, call Security at 403-329-2345 for immediate first aid service.

**Communicable Disease Management**
The Health Centre will inform the University community about specific disease management for campus-wide illnesses. Remember, the first defence against viruses is simply washing your hands and protecting others from your cough or sneeze. Consider a flu shot. Check out our website for more information about specific concerns.

**Health Education**
Campus-wide health education events are held throughout each term and are located in a variety of places on campus.
Health Insurance
There are two types of health insurance. First, by law, all students MUST have basic provincial health insurance (this pays for doctor’s bills, hospital care and most medical tests). Usually, this insurance is from your home province. If you have questions about the Alberta Health Care Insurance Plan (AHCIP) or your home province insurance, please ask the Health Centre staff. Second, there is an extended benefit plan that assists in paying for items not covered by provincial health insurance.

Students should either have an extended benefit plan from their work or family or have the Students’ Union Health and Dental Plan. The Students’ Union Health and Dental Plan assists with the cost of medications, ambulance rides, therapies and dental costs. If you have questions about the Students’ Union Health and Dental Plan, drop by SU180.

Note: The University does not assume responsibility for the cost of medical treatment or hospitalization.

We want you to learn about your own health as you grow academically. Please ask for help when you need it!

17. HOUSING SERVICES
‘Come Live With Us!’
Our focus in Housing Services is to provide students with the best possible environment for academic success and personal development. Residence Life programming is offered and coordinated through live-in Residence Assistants. Some examples of the programs and workshops offered in the past include: time management, physical activities, health and nutrition, alcohol awareness, study skills, exam preparation, library use, tutoring, movie nights, cabarets, resume writing, and effective interview and job search skills.

The convenience of living on campus, together with access to the University’s services and programs, gives students educational, social and cultural advantages. Residents tend to be more involved in campus life, build stronger friendships than their off-campus counterparts and develop greater tolerance and understanding. All this adds up to an enhanced opportunity to graduate from the University of Lethbridge.

Campus Housing Choices
The University provides campus housing for single students in fully-furnished bedrooms, self-contained apartment units and townhomes. For mature and graduate students, we provide unfurnished townhomes. Units meeting the needs of students with physical challenges are also available.

The Tsuu T’ina House, Residence Village (RV), a portion of the University provides campus housing for single students in two- and three-bedroom townhome units. All townhomes have a refrigerator, stove and window coverings. The three-bedroom units include a washer and dryer. Central, coin-operated laundry facilities are available in each of the buildings for the tenants. Each home has its own entrance and balcony, with living room and kitchen on one floor and bedrooms on a separate level. The townhomes are located just south of the two apartment buildings in Aperture Residential Park.

What You Should Bring for Comfort
The following items are suggestions only: personal computer, circuit breaker–equipped power bar, extension cords, alarm clock, hair dryer, towels, toiletry items, athletic gear, laundry soap, cleaning supplies, vacuum cleaners and bedding.

Note: All electrical appliances must be CSA approved.

Please refer to our website for more information.

Website: www.uleth.ca/housing/what-bring

Application Process
Applications are accepted starting in September for the following September occupancy. Applications may be obtained online. You must apply to the University of Lethbridge for Admission prior to being eligible to apply for campus housing. Once you have received your University of Lethbridge ID number you may log on to the Housing Residence Portal to apply. All applications must be accommodated with a non-refundable application fee plus deposit payable online.

Students are advised to apply as early as possible to improve their chances for accommodation. Newly admitted applicants applying before April 1 will have their names entered into an accommodation lottery. Approximately 75% of the allocated beds will be randomly selected. The names drawn will be guaranteed accommodation prior to June 15. Returning students whose applications are received by January 16 will participate in the lottery draw for 75% of the allocated beds. Others will have their names placed on the application list in priority order according to date received. Offers will be based on roommate compatibility, application profiles and unit availability.

Offer of Accommodation
Once accommodation is assigned, the student is advised through an Offer of Accommodation letter via email. This letter must be signed and returned, along with the second advance payment, by the deadline date as stated in the offer. Failure to meet this deadline will result in cancellation of the application and loss of the first advance payment.

Security Deposit
All students staying in campus accommodation will be required to submit a security deposit of $300 for single student housing or the equivalent of one month's rent for family housing. Interest will be payable on any unused amount if applicable under Provincial Government Statute. Security deposits will be used to cover any outstanding housing-related charges deemed payable upon termination of occupancy, including cancellation fees, damage, cleaning, lost keys, dining plan, etc.
The security deposit shall not be deemed to constitute a limit for any charges which may be incurred under the lease.

Cancellations
Applicants who are declined admission to the University, who cannot be accommodated by Housing Services by the first day of classes, or who cancel their application in writing prior to receiving a room offer may request a refund of all advance payments. Cancellation for any other reason will be subject to forfeiture of the advance payments according to the cancellation schedule as outlined in the Offer of Accommodation. The refund amount for these cancellations is based on the date upon which written notice is received by Housing Services; therefore, students are advised to contact Housing Services as soon as their plans change. (Cancellation over the Christmas break may be submitted by email to housing@uleth.ca.) All cancellations received after a student has moved into residence are subject to one calendar month’s notice. Failure to provide this notice will result in next month’s rent charges.

Fees
Rates for single student housing (Apartments and Townhomes) must be paid at the beginning of each term.
A utility surcharge may be levied to offset increased utility costs due to the effects of deregulation and the resulting inflationary impact.
Rental rates include all utilities except telephone line and Internet access and are based on a two-term (single) or 12-month (family) contract. Arrangements may be made with Housing Services for a summer contract for single students (May-August).

Emergency Response/Internet Digital System Fee
All residence bedroom spaces are equipped with the VoIP (Voice over Internet Protocol) communication system, which provides each resident with Internet access and a telephone in their room. The system allows for efficient communication within residence for emergency response in the event of critical incidents. A mandatory $72 fee is levied to each resident per term for this service.

Organization of Residence Students (ORS)
The ORS (a Students’ Union club) provides community development opportunities to meet, interact and socialize in the academic atmosphere for the benefit of each member and the community as a whole. A $45 membership fee is levied to each resident per term.

Policies
The University has policies, regulations and programs to provide for students’ personal, academic, social and cultural growth, as well as their privacy and well-being. Breach of these policies and certain Criminal Code offences will be grounds to terminate the students’ use agreements and evict them from University Housing. Housing policies are available online (refer to Residence Community Handbook).

Summer Housing
Students working or studying in Lethbridge over the summer are invited to stay in our residence. Special contract terms and rates are available. Accommodation is available in residence from approximately May to August for summer session students.

26. Student Awards - Scholarships and Bursaries
The University of Lethbridge offers a wide range of awards that serve to recognize the achievements of students who pursue their university education at the University of Lethbridge. These awards are granted based on academic achievement as well as other factors (e.g., financial need, leadership potential, community involvement, artistic ability).

Graduate students are eligible to apply for awards if they are:
- an applicant entering the University from another post-secondary institution; or,
- a student continuing his/her studies at the University of Lethbridge.

While not all awards require the student to apply, an application is strongly recommended for students who feel that they may qualify for awards. Application forms for most awards are online on the School of Graduate Studies website: www.uleth.ca/graduate-studies/funding-fees.

Scholarships General Policies and Procedures
For a complete description of awards administered by the University of Lethbridge, please refer to the School of Graduate Studies website: www.uleth.ca/graduate-studies/award-opportunities.

Liability - The University assumes liability for the payment of scholarships, bursaries, prizes and other awards only to the extent that expected gifts from donors or returns from particular investments of endowed funds are realized.
27. STUDENT FINANCE - GOVERNMENT STUDENT LOANS AND GRANTS

The Federal, Provincial and Territorial governments of Canada provide financial assistance to help residents in the pursuit of post-secondary education. This assistance is provided in the form of loans and grants. Scholarships and Student Finance provides advising concerning these government student assistance programs.

The level of government financial assistance awarded to a student depends on evidence of financial need and on personal circumstances. In Alberta, parental income is no longer used to determine the loan funding a student can receive. During the 2016/2017 academic year, the maximum amount an Alberta resident was eligible to receive was $15,000 in combined Canada and Alberta student loan funding. Students may also qualify for low or middle income grants in their first and subsequent years of study. Grants are also available for students with dependents and students with permanent disabilities.

Financial assistance is also available to students who are considered to be residents of other provinces and territories. The amount and type of provincial or territorial funding available for out-of-province students varies according to the appropriate provincial or territorial guidelines.

Government student loans are interest-free while students are attending full-time at a post-secondary institution. To ensure that interest-free status continues during full-time study, it is the student's responsibility to provide appropriate proof of enrollment to all lenders holding the student's loan(s). Repayment of government student loans begins six months after ceasing to be a full-time student.

Students in receipt of financial assistance to attend full-time studies who withdraw completely or revert to part-time studies may be required to repay a proportionate amount of their assistance granted for the current academic session. Furthermore, such assistance for the next term is automatically cancelled and students may be ineligible to receive further funding for a 12-month period. Students intending to return to full-time studies in the next term and who require financial assistance must submit a new financial assistance application for the appropriate period of studies.

Students who need to apply for financial assistance should apply prior to the term in which assistance will be required. Many provinces and territories do have deadlines and it is advisable to check the deadlines in advance of application. Processing of an application can take four to six weeks and processing must be completed prior to the end of the term to which it pertains.

Payment of tuition and fees are a first charge against assistance received from government student loans and grants. Refunds of tuition and fees are subject to be returned to the lender. For application forms and more information, please visit Scholarships and Student Finance, located in Anderson Hall.

28. TEACHING CENTRE

Mission: To promote and enhance outstanding and inspirational teaching in a vital and engaging learning environment.

Teaching Centre Vision:

Through its commitment to scholarship, research, and best practice in teaching and learning, the Teaching Centre is committed to promoting and enhancing the professional development of university-level instructors. The Teaching Centre is also committed to the advancement of creativity, originality and discovery in teaching. A commitment to excellence in teaching will ensure that, in a rapidly changing educational environment, the University of Lethbridge will provide outstanding learning experiences for students and promote the development of faculty that are founded on these principles:

Teaching and learning are fundamental to the purpose of the University, and the University community is committed to excellence in teaching.
• All students must be provided opportunities to learn in ways consistent with most effective instructional practices.
• Effective university teaching can be defined, learned, demonstrated and continually enhanced.
• Scholarly inquiry is fundamental to the enhancement of teaching effectiveness.
• Teaching development is most likely to occur in a collaborative community characterized by trust and mutual respect.

Teaching Centre Goals:

- Foster a culture of excellence in teaching and learning inside and outside the classroom.
- Coordinate and facilitate professional development opportunities for the teaching community.
- Develop, identify and support innovative teaching practices.
- Deepen the University’s commitment to a scholarship of teaching and learning.
- Investigate innovative educational practices, strategies, technologies and processes.

Graduate Assistant Teaching Development Program

Many graduate students at the University of Lethbridge are assigned work as a Graduate Assistant during the course of their graduate program. Graduate Teaching Assistants (GTAs) may be required to grade examinations and assignments, instruct laboratory and tutorial classes, lead discussion groups, or teach an undergraduate-level class. In order to be adequately equipped for these duties, and to acquire significant skills for their future academic careers, all graduate students are strongly encouraged to participate in the Graduate Assistant Teaching Development Program (GATD) throughout the fall and spring terms. The Graduate Assistant Teaching Development Program: provides an opportunity for professional development in critical teaching skills, equipping graduate students to carry out their teaching duties effectively. Graduate students who participate in these sessions receive formal recognition of their participation in this academic professional development program via a Certificate of Participation. This program addresses essential aspects of good teaching, equipping GTAs to carry out their teaching duties effectively and enhance their teaching skills as their careers advance.

GATD workshops address topics such as professional expectations and responsibilities, establishing a productive learning environment, dealing with students, classroom management, grading and assessment, leading discussion groups, preparing a presentation, the multicultural classroom, teaching and learning styles, and other topics of importance to GTAs. Graduate students are also strongly encouraged to attend other Teaching Centre events, such as the Talking about GTA and the “SPARK” Teaching Symposium.

Participation in the GATD Program and attendance at other Teaching Centre events provides an opportunity for professional development as well as formal recognition of participation. The Certificate of Participation formally documents hours of completed participation in the GATD program. Attendance at other Teaching Centre events is also recognized. This certificate is a valuable addition to a graduate student’s curriculum vitae when applying for academic positions, doctoral programs and post-doctoral placements.

The Teaching Centre additionally provides support for graduate students through assistance with:

• course and lesson planning
• effective student assessment
• student engagement strategies
• effective classroom management
• teaching with technology
• blended and online learning
• one-to-one teaching consultation

Students must come to our office and fill out a form in order to receive a package filled with a variety of food items. Users are limited to a maximum of two packages per month (10-visit maximum) and will remain confidential. Users are asked to contact the Students’ Union at least 24 hours before the time they would like to pick up the hamper to ensure availability.
Email: food.bank@uleth.ca

Handbook
The Students’ Union Handbook is available free of charge to all students from the Students’ Union office while quantities last. The Handbook is a great way for students to stay organized, as it includes a day timer as well as a weekly list of important deadlines. It also contains a variety of local advertisements and coupons to help orientate new students to Lethbridge.

Health and Dental Coverage
All full-time students at the University of Lethbridge who pay Students’ Union fees are automatically included in an extended health and dental care program.
The coverage period is from September 1 to August 31.
Optional family coverage is also available for an additional fee.
The health coverage includes prescription drugs (80% on a managed formulary), ambulance benefit, physical therapy, chiropractic services, massage therapy, naturopath, speech therapy, medical equipment and appliances, dental accident benefit, accidental death and dismemberment and emergency travel medical coverage. This plan does not replace provincial health care.
The dental care coverage includes basic and preventative services (75%) such as checkups, cleanings and X-rays; minor restorative services (50%) such as fillings and extractions; endodontic services (75%) such as root canal therapy; and periodontal services (75%) such as scaling and gum treatment.
The coverage period is from September 1 to August 31.
Optional family coverage is also available for an additional fee.
Full-time students enrolled in the fall term pay premiums for the Health and Dental Plan for the full year. Full-time students enrolled in the spring pay premiums for the spring semester only. Regardless of a change in status (e.g., full-time to part-time or student to non-student), all students enrolled at the beginning of their respective term will retain their coverage until August 31.
Students can opt out of the Student Health and/or Dental Plan if proof of comparable coverage and a completed waiver form is presented to the Students’ Union Health and Dental Plan office. Students may opt out online using the Bridge (www.uleth.ca/bridge). The opt-out deadlines for the fall and spring semesters will be posted at the Students’ Union office and throughout the University (see Fees, Important Dates and Fee Deadlines, p. 33). The opt-out procedure is annual and must be done each year of the student’s enrolment. The deadline set for January is for newly registered full-time students and students upgrading from part-time to full-time only.
Part-time students and students’ dependents may add on to the Student Health and/or Dental Plan.
