This Program Transfer Guide is designed to help you plan your transfer program to the University of Lethbridge. The information should help you keep track of your progress. Please remember that this is only a guide. It must be used in conjunction with the Grande Prairie Regional College and University of Lethbridge Calendars and the Alberta Transfer Guide, which are the final authorities on all questions regarding program requirements and admission to University of Lethbridge programs. Students are also advised to consult the University of Lethbridge program planning tools available online at www.uleth.ca/ross/programs.

Admission Requirements

If you have completed three or more transferable term courses, you are considered to be a New Transfer applicant. Admission requirements vary depending on the number of transferable, post-secondary courses completed. For information on New Transfer Admissions please visit our website www.uleth.ca/ross/admissions/undergrad/transfer or contact Admissions at the University of Lethbridge.

Application and Document Deadlines

You are encouraged to apply well ahead of the application deadlines. For detailed information, please visit our website www.uleth.ca/ross/admissions/apply or contact the Admissions Office at the U of L (SU140 | phone: 403-382-7134). Admission decisions are based on the information available at the time the application is reviewed. Conditional Offers of Admission may be issued in anticipation of fulfillment of the admission requirements by the appropriate deadline. Courses taken in the summer term that immediately precedes your admission to the fall term at the U of L must be complete before the start of the term and will be used to determine a final admission GPA.

Transfer Credit

Transfer credit is awarded upon admission to the U of L as per the Alberta Transfer Guide (transferalberta.ca) or U of L Transfer Credit Equivalencies Database (www.uleth.ca/ted). The minimum grade required for a course to be transferred to the U of L is a 'D'. However a minimum grade of 'C-' is required in Statistics 1770; Economics 1010 and Economics 1012; Writing 1000 OR a university English course; all Management courses, including those cross-listed with Management; and all courses in the major marked with an asterisk (*) in order to meet degree requirements.

Unspecified course credit (1xxx, 2xxx, etc.) means that the University of Lethbridge does not offer the same course you transferred in, but we recognize and treat it as a university-level course. An unspecified course may not meet a specific course requirement. For example, if ANTH 1000 is required in your program, you may not use ANTH 1xxx to fulfill that requirement. Please contact an Academic Advisor in the Faculty of Arts and Science for more information.

Year of Calendar

A student admitted to a program offered by the U of L is governed by program requirements of the University Calendar in effect at the time of admission. If you wish to follow the program requirements of an earlier Calendar, contact your Faculty Student Program Services upon admission to the U of L.

Minors

In keeping with the principles of liberal education, the University of Lethbridge offers minors in a variety of areas. Minors are available across Faculties and provide students in undergraduate programs the opportunity to pursue their interests in an area or areas distinct from their chosen major and degree program.

A minor is a defined set of six courses, designed to provide depth in a particular discipline, study in an interdisciplinary area, or focus on a theme-related topic. Students may wish to consider declaring a minor for a variety of reasons: to enhance depth of knowledge in a diverse area, to gain exposure to a range of perspectives, to build a foundation for an intended career, to pursue multiple passions, or to broaden talents.

Students may declare a maximum of two minors in a single program. For students who successfully complete the specified requirements, the minor(s) will be acknowledged on the official transcript.

For detailed requirements please see www.uleth.ca/ross/minors.
