### About the International Management Minor

A minor in International Management is available as an adjunct to all majors, except International Management, in the Bachelor of Management degree, Post-Diploma Bachelor of Management degree, Professional Diploma in Accounting, Management Certificate, B.Mgt./B.Ed., Post-Diploma B.Mgt./B.Ed., and second degrees in Management. In some cases, achievement of the minor and a chosen major will require a student to take extra courses. For students who complete all the requirements, the minor in International Management will be acknowledged on the official transcript (see Part 11 - Faculty of Management in the 2012/2013 Calendar).

### Why Complete an International Management Minor?

How can you experience other cultures while advancing your education? Learn about international issues first-hand? Take advantage of the minor in international management and become a true global learner. By choosing the International Management minor and going on a semester exchange, you will broaden your horizons, expand your global network, and gain a competitive advantage. You may have a hard time deciding which destination to choose as we have 27 exchange locations in 20 different countries. Our exchange programs are open to all UofL students regardless of campus, major, or second language ability as many of our partner schools offer courses in English. So choose the international management minor and go global.

### Minimum Grade Requirement

Where possible, courses completed while on exchange will have international content; where international content is not possible, courses should reflect the unique cultural aspects of the host country or region.

- At least two courses must be Management courses
- One course may be a language or culture course

**Note:** Students should be aware that some of the above courses have prerequisites which may require taking courses extra to their degrees. Check with an academic advisor for more information.

Students admitted prior to 2011/2012 will need to complete a program change form to add the International Management Minor to their programs as well as change their Calendar years to 2011/2012 or later (consult the applicable UofL Calendar for the International Management Minor requirements in effect for that particular Calendar year). Forms are available from the Registrar's Office and Student Services (ROSS). Please consult with an academic advisor or the UofL Calendar (see Part 1, Admissions, Section 9.f, p. 52) for more information.
