

Program Planning Guide

Current and past Program Planning Guides are available on the UofL website at www.uleth.ca/ross/ppgs

Calendar Year: 2017/2018

Faculty: Fine Arts

Program Requirements

The B.Mus. degree requires 40 term courses, including a minimum of 30 courses in Music.

Music Theory

On the day before the first day of classes, students write a general rudiments skills test for Music 2160 (Theory I). Students who achieve 'good standing' on this exam are placed in a section of Theory I that meets three times a week (i.e. Monday/Wednesday/Friday). Students who fail to achieve 'good standing' are placed in a second section of the course that meets five times a week (i.e. Monday/Tuesday/Wednesday/Thursday/Friday), enabling deficiencies to be remedied by the end of the semester.

Music Studio

All B.Mus. students majoring in Music must take Music Studio, which is available in guitar, woodwinds, brass, percussion, piano, strings, voice, and composition. To register in your first semester of studio, you must successfully complete an audition. Students must achieve a minimum grade of 'C' in each studio class to continue to the next level. First-year B.Mus. students must take Music Studio during their first semester or else make up for each lost semester by extending the total length of their degree program.

Co-operative Education in the Fine Arts

A Co-op option, requiring three work terms, is available. Students interested in the Co-operative Education/Internship program should contact the Coordinator of Co-operative Education in the Career Resources Centre (AH154 | phone: 403-382-7154) for further information.

Transfer Credit

Remember that you may use both University of Lethbridge credit and credit transferred from another college or university to meet degree and major requirements. Transfer credit may be either specified or unspecified. Specified credit is indicated on your transcript by the subject name and the specific number of the course, e.g., Music 1000, Music 2160, etc. Unspecified credit (1XXX, 2XXX, etc.) is indicated by the subject name and the level of the course in parentheses, e.g., Music (1000 level), Music (2000 level), etc.

Unspecified Course Credit

Unspecified course credit means that the University of Lethbridge does not offer the same course you transferred in, but we recognize it and treat it as a regular course. An unspecified course would meet an elective requirement in your program, but it could not meet a specific course requirement. For example if Music 2160 is required in your program, you could not use Music (2000 level) to fulfill that requirement. Students with unspecified transfer credit need to consult an Academic Advisor to establish how the transfer credit fits in the degree program. This should be done as soon as possible after transfer credit is awarded.
