Current and past Program Planning Guides are available on the UofL website at www.uleth.ca/ross/ppgs

**Calendar Year:** 2019/2020  
**Faculty:** Fine Arts/Education

## Department of Art

### Courses

In the B.F.A. - Art portion of their Combined Degrees program, students are required to complete a subset of the courses required for the five-year Bachelor of Fine Arts - Art/Bachelor of Education.

### Portfolio Requirements

Students applying for the Post-Diploma B.F.A. - Art/B.Ed. must submit a portfolio. Portfolio requirements can be found on p. 154 of the 2019/2020 University of Lethbridge Calendar and at www.uleth.ca/fine-arts/student-support/admissions/art-additional-requirements.

### U of L Art Collection

All Art students benefit from first-hand examination of original artworks in the University of Lethbridge Art Collection. One of the most impressive collections of any educational institution in Canada, it includes artwork representing several movements from Canada, America, and Europe spanning the 19th and 20th centuries, and continues to grow with 21st century additions.

### Visiting Artist Program

The Visiting Speakers in the Arts Program, offered through Art NOW and Architecture and Design NOW, provides extensive exposure to leading practitioners in the field. With several high-profile visitors every week—including artists, critics, historians and curators—students have a unique learning experience, one that illuminates national and international achievement.

### Co-operative Education in the Fine Arts

A Co-op option, requiring three work terms, is available. Students interested in the Co-operative Education/Internship program should contact the Coordinator of Co-operative Education in the Career Resources Centre (AH154 | phone: 403-382-7154) for further information.

## Faculty of Education

### Education 2500

Education 2500 is an introductory course that must be completed before admission to the program. Its main focus is to assist students in making a decision about the suitability of teaching as a career.

### Field Experience

One of the strengths of the University of Lethbridge Education program is the extensive amount of field experience students acquire during their two years in the faculty. Beyond Education 2500, all students teach in the schools during Professional Semesters I (five weeks), II (six weeks), and III (full semester internship).

### Studio Practice

Students will experience many different aspects of studio practice ranging from integrating Art across the curriculum from Kindergarten through Grade 12, to teaching Art as a separate discipline. Therefore, it is recommended that students develop strong studio art skills prior to admission to the faculty.

### Career Opportunities

Completing a B.F.A. - Art/B.Ed. or B.A.B.Ed. Combined Degrees program enables graduates to teach from K to 12. However, the B.F.A. - Art/B.Ed. program better equips graduates to teach Grades 7-12, and is especially valuable for teaching Grades 10-12.

### Teaching in the Practicum

Art students commonly teach units on painting, ceramics, drawing, and computers, as well as another subject such as Mathematics, Social Studies, Science, or Language Arts. Therefore, students must be strong and confident in the area of Art to integrate it with other subjects.

This is a planning guide and not a graduation check or guarantee of course offerings. You should have a program check done in your final year of studies. Students are responsible for the accuracy of their own programs. The guide should be used in conjunction with the University of Lethbridge Calendar, which is the final authority on all questions regarding program requirements and academic regulations. Contact an Academic Advisor in the Faculty of Fine Arts or Faculty of Education for advising information.
