1 Technical/Design majors are required to complete at least two distinct offerings in each of Drama 3821 and Drama 3845.
Bachelor of Fine Arts - Dramatic Arts (Technical/Design)

Drama Production Credit
Drama 2600, 3600, and 4600 are courses that allow credit for participation in productions produced by the Department of Drama. Participation includes all performance aspects of the production process. Drama 2611, 3611, and 4611 are similar, but are limited to technical or design assignments. Registration in Drama 2611 requires the corequisite of Drama 2810. Drama 2611 is a prerequisite for Drama 3611 and 4611.

Procedure:
1. The production season is established in the spring of each year. The list is available from the Chair of the Department of Drama.
2. Students may contact the faculty member responsible for directing the play or watch the bulletin boards for notice of audition dates. Those interested in the technical aspects of the production may wish to contact the Technical Director.
3. Registration in the relevant course number normally occurs in the term in which the production(s) will be completed. The usual course registration deadlines do not apply; however, if the course is not registered before November 15 for the Fall or March 15 for the Spring, registration will be delayed until the following term.
4. Registration is coordinated by the Faculty of Fine Arts Advising Office.

Sample Sequencing Plans
Students who wish to alter these sequences with regard to the specifically listed Drama courses must consult with an Academic Advisor in the Faculty of Fine Arts. All students should contact the Department of Drama at the beginning of their first term regarding the required participation in productions.
