This is a planning guide and not a graduation check or guarantee of course offerings. You should have a program check done in your final year of studies. Students are responsible for the accuracy of their own programs. The guide should be used in conjunction with the University of Lethbridge Calendar, which is the final authority on all questions regarding program requirements and academic regulations. Contact an Academic Advisor in the Faculty of Fine Arts or Faculty of Education for advising information.

Program Requirements

The B.Mus./B.Ed. Combined Degrees program requires a minimum of 52 term courses, including 32 in Fine Arts (and Arts and Science) and 20 in Education. A minimum of 24 Music courses (72.0 credit hours including Music Ensemble Activities) is required. Students begin their studies in the Pre-B.Mus./B.Ed. program, taking courses in the Faculty of Fine Arts where they progress toward completion of Fine Arts degree requirements and prepare to meet the admission requirements for the Faculty of Education. Due to course sequencing, the Faculty of Fine Arts strongly encourages students to complete 30 courses towards the B.Mus. degree requirements prior to applying to the Faculty of Education. Upon meeting Education admission criteria, students must then apply to the Faculty of Education by the applicable deadline. Students are not officially enrolled in the Combined Degrees program until they have been admitted to BOTH the Faculty of Fine Arts (through admission to the University) and the Faculty of Education.

Transfer Credit

Remember that you may use both University of Lethbridge credit and credit transferred from another college or university to meet degree and major requirements. Transfer credit may be either specified or unspecified. Specified credit is indicated on your transcript by the subject name and the specific number of the course, e.g., Music 1000, Music 2180, etc. Unspecified credit (1XXX, 2XXX, etc.) is indicated by the subject name and the level of the course in parentheses, e.g., Music (1000 level), Music (2000 level), etc.

Unspecified Course Credit

Unspecified course credit means that the University of Lethbridge does not offer the same course you transferred in, but we recognize it and treat it as a regular course. An unspecified course would meet an elective requirement in your program, but it could not meet a specific course requirement. For example, if Music 2180 is required in your program, you could not use Music (2000 level) to fulfill that requirement. Students with unspecified transfer credit need to consult an Academic Advisor to establish how the transfer credit fits in the degree program. This should be done as soon as possible after transfer credit is awarded.
