Human Resource Management and Labour Relations

Bachelor of Health Sciences/Bachelor of Management

This is a planning guide and not a graduation check or guarantee of course offerings. You should have a program check done in your final year of studies. Students are responsible for the accuracy of their own programs. The guide should be used in conjunction with the University of Lethbridge Calendar, which is the final authority on all questions regarding program requirements and academic regulations. Contact an Academic Advisor in the Faculty of Health Sciences or Dhillon School of Business for advising information.

Sample Sequencing Plan

Shown below is a sample sequence of courses for your degree. If you follow this plan, you should be able to graduate in five years, provided you complete five courses per term. This is just one example of how you could complete your major and degree requirements; you may find that a different sequence works as well as this one. Please note that for years four and five, students should follow the sequencing plan that matches their chosen Management Major.

Prerequisites & Corequisites

Check prereqs and coreqs in the current Academic Calendar or Timetable under View Catalog Entry for each course before registering. Students without appropriate prereqs or coreqs may be prevented from registration or removed from the course without notice.

Introductory Course Limit

Not more than 10 courses may be taken at the 0100/1000 level for credit toward the degree. Activity courses are exempted from this limit. Language courses are offered in the 0100-1990 range. Only the first course in the range counts toward this limit in the language subjects of French, German, Greek, Japanese, Latin and Spanish. Only one of Economics 1010 and Economics 1012 will be counted toward this limit. Only one of Biology 1010 and Biology 1020 will be counted toward this limit. Only one of Geography 1000 and Geography 1200 will be counted toward this limit.

Residence Requirement

Students must complete a minimum of 30 courses (90.0 credit hours) at the University of Lethbridge, including a minimum of 15 Health Sciences courses and 10 Management courses at the 3000/4000 level.

Minimum Grade Requirement

A minimum grade of 'C-' is required in Health Sciences 3450/ Psychology 3450; Economics 1010 and Economics 1012; Writing 1000 or a university English course; and all MGT courses. A minimum GPA of 2.50 in all Public Health courses taken and a cumulative GPA of at least 2.00 on courses is required for credit towards the Health Sciences degree. For graduation, the Dhillon School of Business requires cumulative and graduation grade point averages of at least 2.00.

Time Limit for Degree

Faculty of Health Sciences: 7 years after completion of the first Public Health course used for the degree. Dhillon School of Business: 10 years after admission to the Dhillon School of Business.

1. Year 4, Spring can be five electives or an optional practicum.
2. Contact a Dhillon School of Business Advisor for a prerequisite waiver for Management 4090 (Management 3250 is taken in lieu of Management 2020) before registering.
