

PROGRAM PLANNING GUIDE

ID:

Name: _____

Bachelor of Arts / Bachelor of Education

General Major in the Humanities / English Language Arts Education

As an Education major, a student develops a strong knowledge base in the subject area they intend to teach. They also receive in-depth preparation in how to teach, including both general and subject area instructional methods.

As a student participating in a general major degree program, you're not limited to studying only within your three streams. This allows you to develop skills and experience in all three streams.
