Bachelor of Fine Arts - Art / Bachelor of Education

Art / Art Education

As an Education major, a student develops a strong knowledge base in the subject area they intend to teach. They also receive in-depth preparation in how to teach, including both general and subject area instructional methods.

The Bachelor of Fine Arts - Art/Bachelor of Education stream offers a more focused fine arts approach that allows you to build expertise in the art field, and enables you to take the reins of secondary-level art education.
